The Boone County Historical Society will meet in the Florence Town Hall on Friday, October 16, 1953, at 8 p. m.

Miss Thompson, Lexington, will speak. His subject will be "Under Your Feet," a romance of the earliest Kentuckians, the prehistoric man. He will tell of his life, habits, religion, and who he was. He will bring relics secured by excavations into the remains of this early inhabitant of Kentucky.

Discussion of Big Bone Lick will be continued. Anyone interested is invited to attend.

FISKBURG OES TO MEET

The regular meeting of Fiskburg Chapter, O. E. S., will be held Saturday, Oct. 17, at 8:00 p. m. "It is important that all officers be present," Mrs. Nolan Flynn, Worthy Matron, said.

Mrs. Peggy Newby and little daughter left October 7 for Fort Lewis, Washington, where her husband is stationed. She is the daughter of Mr. and Mrs. Earl Hiles, Walton.

Water Tank to Be Repaired

Walton's City Council approved an ordinance authorizing sale of \$225,000 school bonds for the purpose of replacing the 51-year-old combined elementary Tuesday evening.

Charles Hirsch & Co., Cincinnati, the fiscal agent, guaranteed to sell the bonds at an interest rate not to exceed the maximum legal rate of 6%.

Construction bids will be opened on Tuesday, October 20, at 10:00 a. m., at the local school. It is anticipated that construction bids will run around \$206,000.

Water Tank to Be Repaired

At the Tuesday night meeting, a representative of the Dixie Tank and Bridge Company was present and presented plans and figures for the complete overhaul of the city's water tank.

Council decided to have this work done, and work is expected to start in the next week or two. The tank is to be thoroughly cleaned on the inside, pitted spots welded to proper thickness, and all seams and rivet heads welded. It will then be painted inside and out. When work is completed, it is said the tank will be better than a new one, which today would cost about \$35,000. The work to be done by Dixie will run to about \$5,000. A three-year guarantee goes with the job.

Work will be completed in about two weeks after it is started, and water will not be cut off. Residents in the area of the tank have no need for worry, as care will be taken and all point put on with brush. The company is responsible, however, if any damage is done.

CATHOLIC THEATER GUILD MEMBERSHIP OPEN

The Catholic Theater Guild of Northern Kentucky announces its invitation to all Catholic men and women from 18 to 80 to join the organization and participate in its theater program of the 1953-54 season.

Regular meetings of the Guild are held every Tuesday evening at St. Mary's, Lexington, 12th & Madison, Covington, at 8:00 p. m. Tryouts for the coming production, "The Centennial Pageant," are presently being held, and will be presented in mid-November.

More detailed information as to the Guild activities and membership qualifications may be had by calling the president, Donald Wiedeman, Colonial 5870, or Guild Headquarters, Hemlock 8304.

Saving Stamps Now Available At Post Office

During the 1952-53 school year, the Walton post office sold 462 United States Savings Stamps of the 10c and 25c denominations. It was announced this week by Postmaster Clinton F. Cleek.

"The 10c and 25c Savings Stamps are the most popular units used in the School Savings programs of our community," Mr. Cleek said.

The Treasury Department has announced that it hopes by December 31, 1953, to add at least 1,000,000 more students to the 5,000,000 now in schools having the School Savings Plan. Anticipating the increased enrollment, which will result in Walton's active thrift program, the post office has received supplies of both Stamps and Albums during the summer and are fully prepared to continue serving all our schools for their weekly Stamp Days.

W.M.S. QUARTERLY MEET

The W. M. S. quarterly meeting of the North Bend Association will be held at the Walton Baptist Church on Thursday, October 22. The program will begin at 10:30 a. m.

CONGREGATIONAL MEET

There will be a congregational meeting of the Union Presbyterian Church on October 25, immediately following the morning worship service. At this time the budget for the coming year will be presented.

Independence Christian Church

Again this year, the ladies of the Independence Christian Church are serving a turkey dinner, Saturday, October 24, in the church basement. Tickets are: Adults \$1.25, and children, 75c. They will start serving at 5 p. m.

Personal Interest

Mrs. Walter Bodley has returned home from the hospital.

Mrs. William House is now convalescing at her home after a week's stay in the hospital.

Mr. and Mrs. J. Krechting of Peach Drive, are the proud parents of a baby boy. Mrs. Krechting and son returned home from the hospital last Friday.

Mrs. J. H. Stewart is now convalescing at her home on Station Road after a recent stay in the hospital.

Gordon and Mary Riley will soon be moving into their new home on the north end of Independence.

Leslie Wagner has been down with the flu.

Simon Kenton P.T.A.

An old fashioned spelling bee was the highlight of the "get acquainted" program held recently at the Simon Kenton P. T. A. R. C. Hinsdale and Claude Taylor were the pronouncers.

Mrs. William Eger presided over the business session. Mrs. Charles Vaughn of Walton, led the devotions.

It was voted to award a prize to the home having the largest percentage of parents enrolled in the P.T.A.

The P.T.A. will sponsor a fish fry, from 5:30 to 7:30 p. m., Friday, October 16, at the school.

A repeat performance of a one-act play, "Henry's Mail Order Bride," will be presented in conjunction with the fish fry. R. C. Hinsdale, principal, will again portray Henry. Others in the cast are Mrs. Helen Collins, Mrs. Virginia Watson, William Eger and John Gray. Lloyd Martin's home room was the attendance award.

Simon Kenton Band Booster Club

The regular meeting of the Simon Kenton Band Booster Club will be held Monday, October 19, at 8 p. m., at the school.

Special music will be furnished by Mr. Roden, after which there will be a social hour. The public is invited.

Fire Call

A fire call to R. E. Colclough's on Main Street was answered. A small hay stack was extinguished. No damage.

Moon Bros. Post 275

Moon Bros. Post, 275, American Legion will hold its regular meeting Thursday at 8:30 p. m. at Nick's Grove on Taylor Mill Road. Dues are now being accepted for the coming year. All members are urged to attend.

School Plays

Throughout the grade and high school years, students and faculty present plays that are for your enjoyment as well as that of parents and friends of those who participate.

It is hard work for all concerned to bring you an evening's entertainment and you will be surprised at the talent some members of our community have.

If you haven't attended a play recently, give it a try—you and your family will have an enjoyable evening and your presence will make the participants a little more nervous and happier.

Firemen's Meeting

The next regular meeting of the Independence and Community Volunteer Fire Department will be held Monday, October 19 at 8 p. m. in the Fire House.

GLENCOE

Charles Bayles has moved into the Arthur Webster house.
Ed Jackson has bought the Hallie Rogers home here in Glencoe.

Mrs. Ann Maddox is working in Cincinnati at the Fifth Third Bank.

Mrs. Yvonne Chapman of Covington, had as a Monday guest her mother, Mrs. Maude Jones' car hit a tree and broke one of Mrs. Jones' ribs and sprained her wrist. We hope for her speedy recovery.

Mrs. Julia Ward Garvey and Mrs. Blanche Poland and Mr. and Mrs. Bob Grubbs visited Sparta Christian Church, Sunday.

Mrs. Worth Collins has a severe cold at this time.

Mr. and Mrs. Josie Johns has moved into the Mrs. Reader property.
Paul A. Chapman, who is stationed in Germany, says hello to all his friends back home.

Robert Thomas and wife were Sunday guests of Mr. and Mrs. Ed Wilson.
Sympathy is extended Foster Miller and family in the loss of Mrs. Martha Jane Miller.

OAK RIDGE

We are happy to report that Miss Gertrude Dorman is back home from Warm Springs, Ga., where she received treatment for her polio condition. She is much improved, we are happy to say.

Sunday was a day that will long be remembered at Oak Ridge Baptist Church

—at the morning service, Calvin Perry dedicated his life to the gospel ministry. Calvin is a student at Georgetown College. In the afternoon, the church ordained Charles Foley, Orrell Lamb, Raymond Baker and Robert Pope as deacons and Rev. D. B. Eastep of Calvary church delivered the charge of the deacons. A number of pastors and deacons from nearby churches were present.

Mrs. Q. B. Ball (Helen Kelly) and young daughter, Gwendolyn, were visiting Mrs. Ball's parents, Mr. and Mrs. G. F. Kelly, over the weekend.

Carl Tomlin, a student at Eastern State, Richmond, was home for the week end.

The new school, Taylor Mill Elementary, is nearing completion and how happy and proud the people at Oak Ridge are that this new ultra modern building is located here.

Miss LeVina Marshall, who formerly lived in the Staffordsburg area, has been the guest of Mrs. Ozella Perry for the past three weeks.

Mrs. Amanda Lipscomb is visiting her brother, Mr. and Mrs. Henry Lipscomb of Walton, for a few days.

Friends of Mrs. H. R. Hutchins are sorry to learn that she is ill at Booth Hospital, Covington. Certainly hope she will soon be back teaching her first and second grades at Taylor Mill Elementary School.

Everyone be sure to remember the date October 23, when the Taylor Mill Volunteer Fire Department has their annual turkey supper.

BIBLE SPEAKS

International Union Sunday School Lessons BY DR. KENNETH J. FOREMAN

Scripture: Matthew 5:13-16; John 14:12-14; 1 Corinthians 3:9-11; II Corinthians 4:10-12; Ephesians 2:10; Hebrews 12:1-3; James 1:22; I Peter 2:11-12; Revelation 1:3; Isaiah 61:1-4

The Shining Light

Lesson for October 18, 1953

ARE we agreed that Christians ought to plan ahead for a better world? Are we agreed that the foundation of a better world is Jesus Christ and Christlike persons? Then we can go on with the next question, a very practical one. What exactly can God's "new men" do to leave this world better than they found it? Granted, we shall never see an ideal world this side of heaven; granted, we shall be imperfect persons as long as we live in this world. It is still possible—more than that, it is imperative, a "Must"—for Christians to work and plan in the direction of the world of God's ideal.

Salt and Light

The first thing we can do, odd as it may sound, is to do anything, but to be something. Jesus spoke to his disciples—and to us—in terms of salt and light. Now salt and light do not do anything, or rather what they do depends entirely on their being what they are. If salt could change its mind and decide to be pepper or sand, no cook would want it. If Dr. Foreman an electric light could change itself into a doorknob, it would cause no end of trouble. The salt doesn't rush around doing something, it just is salt, the light is light. Salt and light are alike in this: there is no real substitute for either one. So there is no substitute for real Christians in this world. They are alike also in that they do whatever is good they do, by contact. Salt in a shaker, light in a steel box, are of no use. So the Christian to be of use in the world must not shrink from contact with it.

Furthermore, salt and light are alike in that they must not be too prominent. No one cares for over-salted food or glaring lights. So a Christian who is like a Pharisee, wearing his virtues on his chest like a string of medals, is a nuisance to all concerned. But still it is true that the first and most constant service which every Christian can render in this confused sad world, is simply to be as good a Christian, as faithful a representative and servant of Jesus Christ he can possibly be.

Helping Others

Another thing that God's new men can do, a thing which can remake the world and in many respects has been re-making it—a thing that sounds simple but which calls for a great deal of thought and planning, is this: just helping other people.

The New Testament makes it quite clear that an unhelpful Christian is hardly a real Christian at all. Naturally, not all Christians have the same opportunities. A little girl just entering the first grade can help her classmates and the teacher; but the teacher if she is a good one, can help all the class even more. The principal of the school, by selecting good teachers, can by his skill in judging people help every pupil in the school. The members of the school board by picking good principals can help the whole school system.

A boy on a farm in Missouri does not have the same opportunity to be helpful that he would have if he had been appointed Secretary of State. But a Christian, whether his zone of operations is a farm or the world, can always find ways of "going about doing good" as the Master did.

Winning Others

There is one thing that most Christians do not do, which—if they only went at it with an enthusiasm—would spread their light farther than any other one thing. (We bear in mind that if a Christian has any light, it is because Christ shines through him.) If it is true that the "better world," even if only a little better, can come to pass only as personalities are changed into the likeness of Christ, then the best thing a Christian can do toward a better world is to win others to his own Saviour. Saint Paul no doubt was helpful to others by the tents he made, for we can scarcely imagine him turning out shoddy or bungled work. He was more helpful still by "growing in grace" and shining as a true Christian character. But was there any service he performed which meant as much to him, in satisfaction, or to the world, by way of improvement, as the service he rendered in winning men from the kingdom of darkness to the kingdom of light?

AN EXPERIMENT IN RELIGION

We met a chemist some years ago who was planning to experiment with religion.

"Some Sunday," he said, "I'm going to go to Church and see if it makes any difference in my life."

"Doctor," we asked (for he had a number of degrees), "How does a chemist begin his experiments in a new field?"

"With research," came the reply. "He studies the findings of other men in that field—determines what has been proven—what is unknown."

"That's a good way to begin your experiment with religion," we suggested. "It would hardly be 'scientific' to judge Christianity, or your need for it, on the basis of one visit to Church. But a few months of faithful attendance, and many thoughtful evenings with the Bible will give you a clear understanding of what others have found in Christianity. You'll discover spiritual truths which centuries of experience have proven, and gain a faith that can bridge the Unknown."

At last report, our chemist was making fine progress in his experiment. In fact, he no longer thinks of his religion as experimental!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a democratic and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SERVICE

That seems to be our big business now and de we like it—every day someone calls for service. We repair most anything we know how and have the tools to do with. We put up new furnace pipe, clean out oil heaters, repair water pumps, put in new faucet washers, repair electric irons, percolators and most all small appliances. We love to give our customers the best service possible—of course we aim to sell some merchandise along with this service, so when in trouble CALL CONRAD—we will do our best to give the fastest service possible.

Howard Stafford, on Harris Pike, bought a one-horse sled. Mary K. Stephens, who is out of the restaurant business and going out on the farm, bought a coal heating stove. Freddie Day, from Dry Ridge, bought a coal heater. Walter Maddox and wife bought a small fuel oil heater for their kitchen—they came back later and brought his mother, Mrs. Mattie Maddox, who bought the largest Perfecton oil heater I had. Mrs. Mae Black came after a Perfecton portable oil heater. Mrs. Mattie Johnson bought an oil porcelain Perfecton oil heater.

Charles Phillips, who lives next to William Roberts on South Main Street, bought a used oil heater. Tuesday was a cool day and the radio broadcasters predicted frost. They were sure getting stoves, stove pipe and furnace pipe. We sold so many oil heaters, coal heaters and wood heaters in about two hours, we couldn't count all of them. We are glad you came to CONRAD for heaters—we have the largest selection of different kinds of heaters anywhere—you name the type of heat you want to use and I believe we have it—large or small, cast iron or sheet iron, cast lining or brick lining.

Stoves plain black, blue steel or porcelain enameled—wood heaters with cast top and bottom, wood heaters just sheet iron top feed or front door feed. We try to carry everything in stove pipe from 3" to 8" and furnace pipe 8" to and including 10". Brewster had a busy day first due to John Tomlin's oil Bonklick, put up new furnace pipe, then to Dry Ridge to set up a coal heater, back to Crittenden to set up an oil heater, back to Walton, set up an oil heater, then to Howard Stephenson's to clean an oil heater.

While he was doing this, Chick was also busy—he set up four stoves, waited on a lot of customers, went to Edna Kerns and repaired feed line in oil heater, went to Virgie Radd's to light her new oil heater, then up to Mrs. E. M. Johnson's to light her oil heater. Robert Cheesman bought a portable Perfecton oil heater; Mrs. Lula Howard bought a very nice stove board. Mr. Hogrefe from Pittsburgh, Pa., a brother of Mrs. Virginia Daugherty of Independence, was in today checking on me—he reads my ad every week and wanted to see the fellow that writes all the crazy stuff, but after I showed him my stock

and the different items we carry, he realized where I get all the customers and news I write about.

Brewster put up a Perfecton oil heater for Mrs. Mattie Maddox over at Nicholson, then he put up new stove pipe in the Beaverlick Christian Church. Chick and I put up the old heating stove here in the store—we are ready for the looters now—the first cold, rainy day, boys, I'll have a good fire—someone requested, the other day, that I put sponge rubber cushions on the chair seats—I will if I can find any large enough—they get awful hard service all winter, but I have to make my looters comfortable.

We did keep Brewster on the road today—he went to Fiskburg at James Kidwell's to check and light their Perfecton oil heater, then set up a new Warm Morning coal heater on Spillman Road for Mrs. Tillman, then to Mrs. Mattie Maddox's to light her oil heater, but the oil man had not brought any oil, then back to Walton to light Cora Bethel's oil heater—by then he was ready to eat—then he delivered a Progress hot blast coal heater to Mr. and Mrs. Jack Alexander on Beaver Road, then up to Geo. Ruth's to get an Anchor heater I bought from them, then back to Mrs. Maddox's to light her heater, then he took a coal heater to Robt. Gregg at Beaver.

Chick and I were really on the run—Russell Sparks came after barb wire, lime, cement patcher and staples. Blanche Ransom bought a piece of Armstrong lineoleum. Clem Rouchkorst was putting in a sink for Mrs. Katie Hudson—I cut pipe for him two or three times. Mr. Brown from Crittenden, also wanted sink trap and pipe cut. Ollie Harrington wanted a new element in a percolator. Clay and Edna Kerns wanted new cord on iron.

Geo. Arnold, down at Ellis Farm, bought two brooms, four lawn brooms, two manure forks and two 30-gallon garbage cans. Col. Worthington bought furnace pipe for Ed Deufel, then he went out to see his new grandchild. Chas. Neumeister bought electric corn popper and electric lantern. We received another shipment of Perfecton oil heaters—that is two this week, and are we selling them. We will sell more next year when all these people that are using other makes of heaters see what their neighbors' new Perfecton is doing—they will buy Perfecton.

I told the fellows tonight, if we could sell other items like we can sell Perfecton stoves, we would do alright, but there is no other piece of merchandise that sells like Perfecton stoves. I have two of the finest Perfecton oil heaters, one is a 62,000 B.T.U. heater with automatic blower for \$159.50, and the large size heater, 78,000 B.T.U. heater for \$197.50, both installed with thermostat at no extra charge, if preferred. I also have Anchor coal circulating heater, used, but in good condition—I've an old model square tub Maytag washer, cheap.

Father-Son Banquet Held at Simon Kenton

Chapter Sweetheart Honored by FFA

The fifteenth annual Father and Son banquet of the Simon Kenton Chapter of Future Farmers of America was held on October 20 at the Simon Kenton High School.

Honored guests who attended were the boys' "Dads," community agricultural leaders, teachers, past members, friends and officers of the Simon Kenton Future Homemakers of America.

L. M. Gabriel, long-time friend of the F. F. A., gave a most interesting and inspiring address for a feature part of the program.

R. C. Hinsdale, principal of Simon Kenton, gave the welcoming address, and Dr. Paul B. Clark, English Professor, formerly of Simon Kenton, gave the invocation.

A delicious dinner, consisting of ham, buttered potatoes, creamed lima beans, pineapple and cottage cheese salad, and apple pie a-la-mode was served by the Home Economics girls. The delicious dinner was prepared by Mrs. Stephens and the cafeteria staff.

The "Chapter Sweetheart" or sponsor, Miss Roberto Kinman, was recognized and crowned for 1953-54. Fred Griffin, vice president of the F.F.A., presented Miss Kinman with a corsage and a big kiss.

Reports regarding the chapter finances, the F.F.A. Creed, and a report of chapter activities, were given by Clyde Griffin, Roy Conner, Don Whitaker, respectively.

Frank Penick, toastmaster, carried on the proceedings of the banquet, with the cooperation of members and officers, to make it a huge success.

WILMINGTON W.M.S.

The Wilmington Baptist W. M. S. met at the church Wednesday, October 7, with 19 women answering roll call with a scripture verse.

New officers for the year are: President, Mrs. Blanche Harker; Vice President, Mrs. Marietta Ison; Secretary, Mrs. Ada Segal; Program Chairman, Mrs. Nell Rapp; Stewardship Chairman, Mrs. Carrie O'Doherty; Study Course Chairman, Mrs. Lena Mae Boggy; Card Chairman, Mrs. Tobitt Bridges; Community Missions, Mrs. Wilma Mullins and Mrs. Ruby Daniels; Publicity Chairman, Mrs. Naomi Segal. Mrs. O'Doherty was appointed to purchase the stainless steel flatware for the new kitchen.

After a delicious lunch, the Royal Service program was presented. Collection for the day was \$14.55.

The next meeting will be held at the church on November 4, with Mrs. Marietta Wilson and Mrs. Delores King as hostesses.

Those present were: Mrs. Blanche Harker, Clara McMillan, Carrie O'Doherty, Mae Forehan, Nell Rapp, Naomi Segal, Marietta Wilson, Delores King, Wilma Mullins, Gerie Beighle, Ruby Daniels, Ethel Glickson, Lela Fick, Marie Parr, Hazel Segal, Eulah Durr, Tobitt Bridges, Ada Segal, Lena Mae Boggy and four children.

Bearcats End Football Season With 3-4 Record

The Walton-Verona Bearcats scored another football win over New Haven, last Thursday night, by the score of 34 to 14.

Walt Ryan, Walton-Verona captain and leading scorer, made two touchdowns in the first quarter, passed to Brown and Poole for two more, and kicked two extra points before the half. The last half, Coach Durham used his second team almost exclusively. They scored one TD, when Grubbs got perfect blocking from Poole, Liscumb, J. Scott, Cook and Durham, to go around right end for the six points. New Haven's regulars scored twice against this team. Friday, the Bearcats traveled to Austin Tracy and were defeated 32 to 20, giving them a season record of 3 wins and 4 losses, and a tie for second place in the local conference.

Basketball practice began Monday, with 33 candidates reporting.

WILLIAM H. LANCASTER

Funeral services for William Henry Lancaster, well known Kenton county farmer and tobacco buyer, were held Tuesday at 2:00 p. m., in the Walton Methodist Church. Burial was in Walton Cemetery.

Mr. Lancaster died last Saturday at his home on the Dixie Highway, just south of Walton, after a long illness. He was 82 years old, and a member of the Hughes Chapel Methodist Church, at Dover.

Surviving are his widow, Mrs. Annabel Marsh Lancaster; a son, Scott Lancaster of Walton; a brother, Sam Lancaster of Florida; and a grandson, Robert R. Lancaster, a student at the University of Kentucky.

Chambers and Grubbs Funeral Home, Walton, had charge of arrangements.

Boone 4-H'ers Participate in Achievement Day

Four-H members from Boone county took part in the Northern Kentucky 4-H Achievement Day, Tuesday, October 13, held at St. John's Evangelical Church, Newport. Counties participating were: Kenton, Campbell, Boone, Gallatin, Owen, Grant, Pendleton and Brocken.

In the morning, there was the opening of the meeting with the pledges to the flags. The morning program included singing, recited quotations, and a movie on 4-H club work. Joe Glaxton, Boone County Agent, was master of ceremonies.

A luncheon was served to the 4-H'ers, leaders and agents, which was sponsored by the Campbell County Bankers' Association. The members were welcomed to Newport with talks given, and awards made.

NO COON DOG HUNTING SEASON IN KENTUCKY

Due to the forest and field fire hazard the coon dog hunting season in Kentucky, which was due to open October 20, will be closed, Earl Wallace, Commissioner of the Department of Fish and Wildlife Resources, Frankfort, said today. The ban on all hunting, which was issued by the Department on October 2, will also close this coon hunting season during which period hunters are ordinarily allowed to run their dogs and during which coons and opossums may be taken by dogs only.

The open season for rabbits and quail, which is due to begin on November 20, also will be banned unless rains lessen the fire hazard in this state.

NEW JEWELRY STORE

Walton will soon have a new jewelry store in its family of business houses. Jebel Jewellers, who have operated a store in Erlanger for many years, have purchased the building of O. J. Struve and are now in the process of remodeling and redecorating. They will announce their opening date in the near future.

Bob Burns, who has been connected with the Erlanger store for many years, will act as Walton store manager. G. Charles Huber, who is owner of both locations, states that the two stores will be operated in order to better serve the public. The Walton property was sold through Rel C. Wayman & Sons.

SERVING IN GERMANY

At a called meeting of Walton Chapter, 161, O. E. S., last Monday evening, an assemblage of over 80 members and visitors witnessed the beautiful installation of officers of the chapter.

Mrs. Lewis Gabriel was installing Matron; Mrs. John E. Stephenson, installing Marshal; Mrs. Edith Coleman, installing Chaplain. The Worthy Matron chose for her colors the violet.

The retiring Worthy Matron, Mrs. Evelyn Bouse, in recognition of her excellent work for the past year, and V. D. James, Worthy Patron, were lovingly remembered by the officers of the chapter with gifts.

Addresses were given by both retiring and incoming Worthy Matrons.

Officers installed were: Frances Stephens, Matron; Mrs. John E. Stephenson, Associate Matron; Bonnie Jacobs, Conductress; Catherine Kent, Associate Conductress; Florence Newton, Chaplain; Louise Rouse, Organist; Otto Stone, Secretary; Mary Stephenson, Treasurer; Viola Roberts, Sentinel; Lulu Osborne, Warder; Dora Stephenson, Marshal; Lucille Campbell, Ady; Myrtle Young, Ruth; Mary Howard, Esther; Jean Thornton, Martha; and Helen Jones, Electa.

HALLOWEEN PARTY AT PINER SCHOOL

There is to be an old fashioned, fun packed Halloween party at the Piner School, Friday, October 23. Admission is free. The ladies of the Piner School are to thank the ladies of the community who donated prizes, cakes and their time toward making the lunch for this meeting such a success.

There will be costume prizes for young and old, door prizes, fish pond, a country store, and an auction; also music galore. There will be booths containing popcorn, homemade candy, ice cream and soft drinks.

The grand march begins at 7:30, so plan to be there early.

Local Firemen Kept Busy By Calls; Entertain

Tuesday, October 13, the Walton Volunteer Fire Department was host to the local chapter of the Firemen's Association. This association is composed of volunteer fire departments of Williamson, Crittenden, Dry Ridge, Corinth and Walton, to promote good will and working agreements between the departments. We wish to thank the ladies of the community who donated prizes, cakes and their time toward making the lunch for this meeting such a success.

The firemen have been kept busy since last Monday with six calls, as follows:

Monday, Oct. 12, to much oil was used to light the oil space heater belonging to H. C. Kerns, Verona Road, causing a very hot house and chimney, but no damage.

Thursday the dump on Stephenson Mill Road caught fire and had to be extinguished.

Saturday afternoon, Robert Benton's smoke house caught fire from defective wiring. We used our new pump on this run and extinguished the fire with two high pressure fog lines in short order. Damage was small. Mr. Benton has been a member of our Rural Fire Protection Plan for four years.

Monday afternoon, we packed a pump in the firehouse at Independence to be used by their two trucks were at fires. About four o'clock, a call came from John M. Baker to extinguish a grass fire near his house on Richmond Road, and Monday night, back to the dump again on Stephenson Mill Road. We worked this fire from 7:15 until 10 p. m.

Capt. Berryman of the State Department of Vocational Education is here to conduct a fireman's school for our members. Basic fire fighting methods is to be covered during the five-day school. Pub. Chm., W.V.F.D.

STATE FAIR WINNER

Paul Brederlow

Early Sale of Bonds; Work to Start Soon

At a meeting of the Walton-Verona Board of Education, October 20, bids were received and accepted for the construction of a new grade and high school, including a gymnasium, according to J. O. Ward, Superintendent of Schools. The building will be erected on what was formerly the stock yard property at the end of Alta Vista Drive, Walton.

Excavating is expected to get under way within the next two weeks, according to the contractor who had the low bid.

Rostetter Construction Co., Louisville, was the low bidder for general construction at \$168,800. Fisher-Lamb Electric Co., Cincinnati, received the contract for electrical work for \$8,974. Nick Blau, Covington, received the heating bid at \$19,444, and George Beutell, Covington, received the plumbing bid at \$14,685. Total bids for the building amounted to \$211,903.

The City of Walton will soon open bids on bond sales for the sum of \$225,000 for the purpose of constructing this building.

The Board of Education and Superintendent take pleasure in bringing this good news to the taxpayers of Walton-Verona.

CAMPBELL COUNTY ASSOCIATIONAL W.M.U.

The Campbell County Associational W. M. U. met Tuesday, October 13, at the Wilmington Baptist Church, Fiskburg.

During the morning session, several items of business were transacted, and in the afternoon, the various committees reported, followed by a duet, "I Surrender, Dear," by Mrs. Lena Mae Boggy and Mrs. James Helvey.

The Rev. James Helvey, pastor of the Wilmington church, delivered the inspirational message and the benediction.

At noon, 116 people were served lunch in the dining room of the new church.

ORGAN RECITAL

Miss Sherry Marler, Stephens, the daughter of Mr. and Mrs. Lebus Stephenson of Verona Road, attended an organ recital Sunday from 3 to 5, and was the guest of Mrs. Carole Leming of Union, who presented the recital.

Big Bone As A State Park Being Pushed

The proposal to establish a State Park as an historic shrine at Big Bone Lick is being supported by many organizations in Northern Kentucky. Resolutions are being prepared and sent to the governor and members of the legislature.

At the September meeting of the Boone County Historical Society, according to the secretary, Wm. Fitzgerald, the proposal was made that a Boone County Big Bone Lick Historic State Park Association be formed. The association will have for its objective the establishment and operation of a perpetual memorial state park and museum at Big Bone Lick.

On Friday, October 23, there will be a meeting in the Florence Town Hall for the purpose of considering ways and means of promoting the establishment of the Big Bone Lick State Park.

Anyone interested in assisting in this movement is urged to attend.

Mr. and Mrs. Lebus Stephenson and daughter, Sherry, were Sunday dinner guests of Mr. and Mrs. Samuel Leming and son, Phillip, of Snow Hill Inn, Union. Mrs. and Mrs. Stephenson was shopping in Covington, Tuesday.

PREPARE GARDENS FOR NEXT SEASON

Plannin gardens for next year includes plowing this fall and sowing a cover crop or spreading manure, says John S. Gardner of the University of Kentucky, writer of the popular series, "The Garden."

Frost, which has already come in some places, brings an end to gardening except for late cabbage, late greens and turnips. A cover crop of rye can still be sown. Gardner says to sow at about double the usual rate.

If no cover crop is sown and the garden is level enough not to wash, breaking may be done after frost has seared the vegetable tops. Turned under in partly green condition, they readily change to humus. The same is true of fall stands of crabgrass, wiregrass and foxtail.

If this killed vegetation is permitted to stay through the winter, it will become tough and give trouble when the garden is prepared next spring. If it is cleared off or burned, valuable organic matter is destroyed. Most Kentucky soils need more humus, Gardner said.

Farmers who have manure, should consider plowing the garden this fall and then applying manure. Rains and snows and freezing and thawing, break down the manure and make it usable at once.

However, hillside gardens and gardens on even moderate slopes, should not be plowed, but should be sown to a cover crop to prevent washing.

KENTUCKY BULLETIN WINS NATIONAL AWARD

The recent Kentucky Agricultural Experiment Station bulletin, No. 580, "Barley Tobacco Control Programs," was selected as the outstanding publication, including Experiment Station bulletins, books or articles, published in 1952 in the United States in the field of agricultural policy. The author, Dr. Glenn L. Johnson, a member of the Department of Farm Economics of the University of Kentucky, at the time, is now a staff member of Michigan State College. A \$250 reward was presented Dr. Johnson at a recent meeting of the American Farm Economics Association, Corvallis, Ore.

This is the second consecutive year that Kentucky bulletins have been awarded national recognition by A.F.E.A. Last year, Dr. Ernest J. Nesius' study, Kentucky Agricultural Experiment Station bulletin No. 568, "Allocation of Farm Resources for Economic Production of Pasture Forage," was awarded honorable mention in the national contest.

No Liquor Defense

Lesson for October 25, 1953

ON THE SOUTH side of a large sign in front of a Methodist church on a main highway are the words: LIQUOR HAS NO DEFENSE. The church did not invent that expression. It is a quotation from Abraham Lincoln. On the opposite side of the sign, drivers coming the other way see this:

Drink and drive
 Die
 Death

Even the companies that make money out of drunkenness (the more liquor the more profits) know that the north side of the sign is true, and will say so in large paid advertisements. Liquor certainly has no defense as a drink for drivers. But some of the other defenses put up for alcoholic liquor as a beverage that "belongs," that is part of the social scene, do not sound so good when they are taken down and looked at with a cold and sober eye.

Alcohol Is A Drug
 The one thing that defenders of alcoholic beverages invariably keep quiet about, is the simple fact that alcohol is a drug, a harmful drug, a habit-forming drug. No amount of advertising can talk that fact out of existence. That it is a fact, can be witnessed to by anybody—he does not have to be Dr. Foreman, a preacher—who has had to deal with the wretched people at the bottom of the slide that is lubricated with liquor. Alcoholics are sick people; that is a recognized fact; but alcoholism differs from all the other diseases in the book in this one vital thing: No one can say to himself, I refuse to have tuberculosis, I will never have cancer. He may come down with those diseases in spite of his best intentions. But any one may say to himself: I will never be an alcoholic. And he can make that resolution stick, simply by staying away from alcohol. On the other hand, no man or woman who mixes alcohol in his system can ever be quite sure he will not be an alcoholic. No alcoholic ever meant to be one.

Drugs Have No Brakes

Now the trade in alcoholic liquor is legal; trade in other drugs such as heroin, cocaine and similar drugs, is strictly illegal except for medicinal purposes through regular pharmacists and on doctors' prescriptions. Still there are a great many people who in spite of the difficulties do manage to buy and use the forbidden drugs, and of course there are always the conscienceless people who sell the stuff to the addicts.

But let us suppose we listened to the defenses ordinarily heard, if applied to other drug habits. How ridiculous they would sound! We are told that the habit of drinking liquor is a long-established American way of life. Well, the taking of cocaine is long-established too. People will buy liquor—legally or illegally; they will buy heroin too in spite of all the laws. People will steal cars, and forge checks—it's been done a long time. But that doesn't make it right.

Or again, consider the pleasure people get out of liquor. Why, of course. They get an even keener pleasure out of shots of other drugs than alcohol. Every time you put a drug addict into a sanitarium you deprive him of his greatest pleasure in life. But that does not make his habit any better. But, it will be said, self-control is the answer; a drug used in moderation is not so harmful as when used to excess. True; but the trouble is, no drug has brakes, and drugs of the kind that alcohol and heroin are, actually weaken self-control instead of making it stronger.

Stuff And Nonsense

The reader can amuse (or horrify) himself by thinking of other antique arguments used to bolster the cause of those who use, or who profit by other men's use of, alcoholic liquors. How do the sound when used in defense of other drug habits? "The illegal drug business gives employment to thousands." "To interfere with this traffic is to interfere with free enterprise, the right of every man to make his living as he sees fit." "To interfere with this traffic is to interfere with men's personal liberty. Even if a man ruins himself with cocaine, it's his own business."

A LOOK INTO THE FUTURE

Meet John and Mary Smith—and their child.

See the pride and hope, the faith and love that shine like soft lights from the little girl's face? See the look of the future in her eyes?

Nothing in all the world could cause that reflection of happiness and contentment but a well-behaved child. Perhaps she has just spoken a piece. Perhaps she was singing a song. Perhaps she is playing with her small brother and sister.

But whatever she is doing, you will agree it is the result of wise and loving guidance. And you can be certain there is another member of the family not shown in the picture—God, the guide and Father of all of them.

Where parents and the Church work together for God, you will find true happiness.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every parent should send his children to church: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

City Ordinance No. 229

Ordinance of the City Council of the City of Walton, Kentucky, amending Ordinance No. 224 and Ordinance No. 225, which provide for the issuance and sale of City of Walton School Building Revenue Bonds, so as to reduce the size of the total authorized issue of said bonds from \$285,000 to \$225,000, changing the date, prior redemption provisions, place of payment and the terms and conditions of said bonds, providing for determining the duties of said City in connection with the operation of the new Elementary and High School building to be financed by the issuance of said bonds and authorizing the City to execute an amended contract, lease and option between the City and the Board of Education with reference to such property.

WHEREAS, the Board of Education of the Walton-Verona Independent School District (hereinafter referred to as the Board) and the City Council of the City of Walton, Kentucky (hereinafter referred to as the City) have by appropriate proceedings previously authorized the issuance of \$285,000 of City of Walton School Building Revenue Bonds for the purpose of financing the cost of a new elementary and high school building upon property conveyed from the Board to the City by deed dated May 8, 1953 and recorded in Deed Book 107, page 101, in the Boone County Clerk's office; and

WHEREAS, the terms and conditions of said bonds were set out in Ordinance No. 224 enacted by the City Council on May 11, 1953, which ordinance was amended by Ordinance No. 225 enacted by the City Council on June 1, 1953, and

WHEREAS, it is now deemed desirable and for the best interests of the Board and of the City that the total amount of bonds authorized be reduced to \$225,000 and that certain other changes be made in the terms and conditions of the bonds; and

WHEREAS, the Board has approved the execution of an Amended Contract, Lease and Option and has tendered said Amended Contract, Lease and Option to the City Council, which instrument has been examined and approved and declared to be in conformity with statutory requirements; and

WHEREAS, it is deemed necessary that the previous ordinances of the City

Council in connection with the issuance of said bonds be herewith amended:

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

1. That Ordinance No. 224 and Ordinance No. 225 adopted by the City Council are hereby amended so that only \$225,000 of City of Walton School Building Revenue Bonds shall be authorized instead of \$285,000 of bonds so that the terms and conditions of said bonds shall be those set out in this Amended Ordinance rather than those set out in Ordinances No. 224 and No. 225 aforesaid.

2. That the action of the City Council in accepting the deed from the Board to the City dated May 8, 1953, and recorded in Deed Book 107, page 101 is hereby affirmed and confirmed.

3. That the Amended Contract, Lease and Option tendered by the Board to the City Council, having been examined, considered and approved, the Mayor and City Clerk are authorized and empowered to execute the same on behalf of the City of Walton. A copy of said Amended Contract, Lease and Option is attached to this ordinance and to the minutes of the meeting of the City Council at which this ordinance was enacted, and same is hereby made a part of the public records of the City.

4. That for the purpose of financing the construction of the proposed new elementary and high school building, there are hereby authorized to be issued and sold \$225,000 of City of Walton School Building Revenue Bonds dated November 1, 1953, numbered 1-225, and to consist of two hundred and twenty-five (225) bonds of the denomination of \$1,000 each. Said \$225,000 of bonds shall bear interest payable semi-annually at a coupon rate or rates, not exceeding the legal maximum of 6% per annum, as may be fixed by supplemental resolution as a result of the advertised sale of said bonds, and shall mature serially in numerical order on May 1 of the respective years as follows:

The numbering of said bonds, maturities and principal and interest requirements of said \$225,000 of bonds based on a tentatively anticipated interest rate of 5% per annum are as follows:

| Principal Due | | Bond | Interest Due | | Total Annual |
|---------------|----------|-----------|--------------|------------|--------------|
| Year | May 1 | Numbering | May 1 | November 1 | Payments |
| | None | | \$5,625* | \$5,625* | \$11,250 |

*Interest payments due May and November 1, 1954 capitalized in the bond issue.

Average annual payment of principal and interest in the years from 1955 to 1979, inclusive.

Said \$225,000 of bonds shall bear interest from November 1, 1953, payable semi-annually on the first days of May and November of each year, both principal and interest being payable at the Peoples Liberty Bank & Trust Company, Covington, Kentucky, subject to prior redemption only in inverse numerical order, in whole or in part, at the City's option, on any interest due date falling on or after November 1, 1958, upon notice of such prior redemption being given by publication at least once at least thirty days prior to the date stated for redemption in a newspaper of general circulation in Kentucky, and upon payment of face amount plus accrued interest plus additional interest equal to 5% of face value if the stated date for prior redemption is on or before May 1, 1963, and on the same terms and conditions as set forth after except that the additional interest shall then be 4% if on or before May 1, 1968, 3% if thereafter and on or before May 1, 1974, and 2% if thereafter.

5. Said bonds shall be signed by the Mayor of the City, sealed with the corporate seal of said City, and attested by the City Clerk, and the interest coupons attached to said bonds shall be executed with the facsimile signatures of said Mayor and City Clerk, and said bonds, together with the interest thereon, shall be payable only out of the "City of Walton School Building Bond and Interest Redemption Fund of 1953," hereinafter created, and shall be a valid claim of the holders thereof solely against said fund and the income and revenues of the school property herein referred to, including all buildings and appurtenances thereon.

6. The aforesaid authorized issue of bonds in the amount of \$225,000 of bonds shall be in substantially the following form:

CITY OF WALTON
SCHOOL BUILDING
REVENUE BOND

No. _____ \$1,000.00

The City of Walton, Kentucky, for value received hereby promises to pay to the bearer the sum of One Thousand Dollars (\$1,000.00) on the first day of May, 19____, and to pay interest thereon at the rate of _____% per annum from November 1, 1953, payable semi-annually on May first and November first of each year, upon presentation and surrender of the annexed interest coupons as the same severally mature, at the Peoples Liberty Bank & Trust Company, Covington, Kentucky.

The bonds of the series of which this bond is one are subject to prior redemption only in inverse numerical order, in whole or in part, at the City's option, on any interest due date falling on or after November 1, 1958, upon notice of such prior redemption being given by publication at least once at least thirty days prior to the date stated for redemption in a newspaper of general circulation in Kentucky, and upon payment of face amount plus accrued interest plus additional interest equal to 5% of face value if the stated date for prior redemption is on or before May 1, 1963, and on the same terms and conditions as set forth after except that the additional interest shall then be 4% if on or before May 1, 1968, 3% if thereafter and on or before May 1, 1974, and 2% if thereafter.

This bond is part of an authorized issue of \$225,000 of bonds, authorized to be issued by said City pursuant to an ordinance or ordinances of the City Council of said City to provide funds for the construction of a new school building and appurtenances pursuant to and in full compliance with the Constitution and statutes of Kentucky, including Sections 162.120 through 162.290 of the Kentucky Revised Statutes.

This bond is payable solely from and secured by pledge of a fixed amount of the gross income and revenues to be derived from the leasing of certain school property, which have been set aside as a special fund and pledged for that purpose and identified as "City of Walton School Building Bond and Interest Redemption Fund of 1953," and this bond does not constitute an indebtedness of the City of Walton, Kentucky, within the meaning of any constitutional provision or limitation.

The City of Walton, Kentucky, covenants that it will fix and maintain rentals and charges for the use of said property, including all improvements thereon, adequate to maintain said City of Walton School Building Bond and Interest Redemption Fund of 1953, and sufficient to maintain a fund adequate to pay the cost of maintenance and the insurance on the property.

A statutory mortgage lien which is hereby recognized as valid and binding on said school building property is hereby created and granted in favor of the holder or holders of this bond and the series of which it forms a part and in favor of the holder or holders of coupons pertaining to said bonds, hereinafter collectively referred to as the First Bond Issue, and said school building property and any appurtenances and additions thereto, together with equipment thereon and such easements and rights of way for ingress, egress and the rendering of services thereto as may be necessary for the proper use and maintenance of the same, shall remain subject to said statutory mortgage lien until the payment in full of the principal of and interest on the First Bond Issue; provided, however, the City reserves the right to issue bonds for the purpose of erecting or constructing upon the land described in the ordinance of the City authorizing the First Bond Issue, other structures and improvements free and clear of such statutory mortgage lien and which other structures and improvements may or may not have a party wall with and adjoin the structures and improvements financed by the proceeds of the First Bond Issue, provided that no part of the cost of said other structures and improvements is paid from the proceeds of the First Bond Issue; provided that the City Council of the City adopting an ordinance or ordinances authorizing the issuance of other bonds for the purpose of providing funds to construct other buildings and improvements on said land, said statutory mortgage lien of the holder or holders of bonds of the First Bond Issue shall then be automatically partially released to the extent of the portion or portions of said land on which said subsequent buildings and improvements to be paid for from the proceeds of said subsequent issue or issues of bonds are located, together with such easements and rights of way for ingress and egress and the rendering of services thereto as may be necessary for the proper use and maintenance of the same, the exact legal description or descriptions of the portion or portions of the land to be partially released to be described in the ordinance or ordinances of the City Council authorizing the issuance of such other bonds, provided that in any event there shall be continued such easements and rights of way for ingress and egress and the rendering of services thereto as may be necessary for the use of the building and structures securing the First Bond Issue, to the intent that the City may issue other bonds for the purpose of financing separate buildings and improvements which bonds will be secured by a first statutory mortgage lien upon said separate buildings and improvements. It is further provided that this covenant and agreement as to said partial release is and shall become fully effective upon the City Council adopting an ordinance or ordinances authorizing the issuance of such other bonds, without any action by the holder or holders of bonds of the First Bond Issue and the coupons pertaining thereto, but such holder by accepting, owning or holding bonds of the First Bond Issue or coupons pertaining thereto, agrees to the aforesaid covenant as to said partial release, which may be enforced against him by requiring him to take whatever steps are required of him by the City for the execution of a specific release or otherwise partially to release said property and he hereby further agrees the Peoples Liberty Bank & Trust Company, Covington, Kentucky, as his agent to execute any such partial release of such property upon his behalf, if same is deemed necessary (although such action is not necessary under the provisions hereinafter stated), such appointment being effective so long as any bonds of the First Bond Issue are outstanding.

This bond and the coupon or coupons attached hereto shall pass by delivery.

This bond is exempted from taxation in Kentucky.

It is hereby certified, rectified and declared that all acts, conditions and things required by or under the provisions hereof and precedent to and in the issuance of this bond, do exist, have happened and have been performed in due time, form and manner as required by law, and the amount of this bond, together with all other obligations of said City does not

exceed any limit prescribed by the Constitution or the statutes of Kentucky, and the City, so long as this bond and the issue of which it forms a part remains outstanding, shall perform all duties imposed upon it by the Constitution and statutes of Kentucky, including the taking of all steps necessary to produce and pay the interest and principal and rental charges payable by the Board of Education of the Walton-Verona Independent School District, for the use of such school property, and that such rental charges have been pledged to and will be set aside into a special account into the treasury of said City in an amount sufficient to pay the principal and interest of this bond and the issue of which it is a part and when the same become due.

IN WITNESS WHEREOF, the City of Walton, in the Commonwealth of Kentucky has caused this bond to be signed by its Mayor and its corporate seal to be hereunto affixed, attested by the City Clerk and the coupons attached hereto and to be executed with the facsimile signatures of the Mayor and the City Clerk, all as of the first day of November, 1953.

7. From and after the completion of construction of the new elementary and high school building on or about November 1, 1954, the new school building property shall be operated on a fiscal year basis, the fiscal year beginning each year and ending May first of the following year, except that the first fiscal period shall be from November 1, 1954 to May 1, 1955, and on that basis the income and revenues of said property shall be used to pay a separate and special fund to be used for the retirement of the aforesaid bonds and maintaining said property.

There shall be and there is hereby created an account to be known as the "City of Walton School Building Bond and Interest Redemption Fund of 1953" (hereinafter called the Bond Fund), to be deposited with the payee bank of said bonds, into which there shall first be set aside from the proceeds of the sale of the bonds the amount required to pay the interest and principal on said bonds, plus an additional amount sufficient to provide for interest which will accrue during the period required to complete the construction of the school building, and there shall also be set aside into said fund from the gross income and revenues of the property not less than the amounts set out in the table in Section 4 of this ordinance if said \$225,000 of bonds are sold to bear interest at the rate of five per cent (5%) per annum, in any event the interest and principal as they fall due, which amounts are hereby exclusively pledged to and shall be used for the purpose of paying the interest on and the principal of said bonds as and when they become due.

In the event said bonds are sold to bear an interest rate or rates other than at the rate of five per cent (5%) per annum, said figures shall be automatically adjusted accordingly.

In any event, there shall be set aside into said fund and there is pledged such amount as may from year to year be necessary to meet the principal and interest requirements of the outstanding City of Walton School Building Revenue Bonds dated November 1, 1953.

The balance of the income and revenue remaining after the aforesaid payments into the Bond Fund have been made, shall be set aside into a maintenance fund and used for the maintenance of said school property and to pay the cost of repairs, including such as loss or damage by fire, windstorm, or other calamity in an amount equal to at least the amount of the bonds at any time outstanding. Such insurance shall be for the use and benefit of the holder or holders of any bond or bonds.

It is further agreed that in case the buildings on said premises, or any of them, are totally destroyed by fire, windstorm or other hazard covered by insurance, the City shall have the right to proceed to restore the property; that if such proceeds are not expended by the City for restoration of said property at the earliest practical date, then all such insurance proceeds shall be used for the purpose of redeeming said outstanding bonds, and said property shall be and become the property of the Board, in which case the City shall convey said property to the Board free and clear of all encumbrances.

In the event partial redemption by fire, windstorm or other hazard covered by insurance, it is agreed between the parties that the proceeds of such insurance shall be used solely and only for the purpose of making the necessary re-

placements and repairs to the building and improvements located thereon, provided further that if following such total or complete destruction any principal or interest payment is due and there are no other funds available for said payments, such insurance proceeds must be applied to the required payments.

The City hereby covenants and agrees with the holder or holders of the bonds herein authorized that it will faithfully and punctually perform all duties with reference to the school property which are required by the Constitution and laws of Kentucky, including the making and collection of reasonable and sufficient rentals for said property and will segregate the revenues of said property and make application of the respective funds created by this order.

The City further covenants to maintain said property and to take all steps necessary to produce annually for the Board a sum sufficient to pay the rental charges for said property as provided in a certain Amended Contract, Lease and Option signed by the Board on the 13th day of October, 1953, which has been submitted to this City and is hereby ordered accepted and executed by the Mayor and the City Clerk and is hereby made a part of this ordinance. The City further covenants and obligates itself not to sell, mortgage or in any manner dispose of said property except by the mortgage provided in Sections 6 and 9 hereof, until all of the bonds herein authorized shall have been paid in full, both as to principal and interest.

9. For the further protection of the holders of the bonds herein authorized to be issued and the coupons attached hereto, a statutory mortgage lien upon said property and all improvements thereon shall be created by Sections 162.120 through 162.290 KRS, which said statutory mortgage lien is hereby recognized and declared to be valid and binding upon the City and the property herein referred to and shall take effect immediately upon the recording of said lien being subject to the terms and conditions as set out in the form of said bonds which appears in Section 6 of this ordinance.

Any holder of said bonds or any of the coupons either at law or in equity, by the filing of a suit, may enforce and compel the performance of all duties required by the Constitution and statutes of Kentucky, including the charging and collection of sufficient rent, the segregation of income and the application of such income by such holder to compel the performance of all duties imposed upon the City insofar as the failure to perform such duties affects the interest of any holder of the bonds or coupons herein authorized.

If there be any default in the payment of the principal or interest on any of said bonds, then upon the filing of suit by any holder of any of said bonds or any of the coupons, any court having jurisdiction of the action may appoint a receiver to administer the property with power to charge and collect rents sufficient to provide for the payment of interest and principal required by said bonds and maintain the maintenance and insurance fund herein provided for.

10. The bonds authorized to be issued hereunder shall not be entitled to priority, one over the other, regardless of the fact that they may be issued and delivered at different times.

11. While any of the bonds herein authorized are outstanding, the City shall not issue any additional bonds payable from the revenues of said property unless the lien to secure such additional bonds is made inferior and subordinate in all respects to the lien securing the bonds herein authorized.

12. So long as any of the bonds are outstanding, the City shall keep proper books and records (separate from all other records and accounts) of all transactions regarding said bonds. It will furnish to the original purchaser of said bonds and to the holder of any of said bonds, upon written request, not more than thirty days after the close of each fiscal period complete operating and income statements certified by the City auditors, and will grant to any holder or holders of twenty-five per cent of the bonds then outstanding the right at all reasonable times to inspect the property and all records and accounts of the City relating thereto.

13. The school property mentioned herein as being subject to the aforesaid lien shall be located in the aforesaid issue of bonds is located in Boone County, Kentucky, and is the same property described in Ordinance No. 224 enacted by the City Council on May 15, 1953 and recorded in Deed Book 107, page 301 in the Boone County Clerk's office.

14. That said \$225,000 of bonds, numbered 1-225, inclusive, shall be sold at public sale after receiving proper advertising, and the Mayor and City Clerk are hereby authorized and directed to make such advertising.

That bidders shall be required to bid at least per cent and accrued interest, one must need to interest rate or rates in multiples of 1/4% not to exceed the legal maximum of 6%. That the City Council shall in a resolution accepting the successful bid determine the exact rate or rates of interest which shall be paid on the proceeds of the sale of said bonds shall be used for school building purposes, and shall be expended on the property described herein.

15. Upon the sale and delivery of said bonds, the amount received from the

purchaser as representing accrued interest thereon, plus an additional amount sufficient to provide for interest which will accrue during the anticipated period required to complete the construction of the school building intended to be financed thereby, shall immediately be deposited in the Bond Fund. The City Treasurer is authorized to sign whatever checks are necessary to accomplish that purpose. Thereafter, from the remaining proceeds there shall be paid all expenses incident to the authorization, sale and delivery of the bonds. The entire remaining proceeds shall thereafter be devoted exclusively to payment of cost of the school building and appurtenances upon the property described herein and according to the plans and specifications duly approved and filed provided by KRS 162.160.

That pending expenditure of the balance of such proceeds the money shall be deposited with the Dixie State Bank, Walton, Kentucky, and such bank shall maintain and pledge sufficient direct obligations of the United States Government or bonds of the issue herein authorized to secure the balance of the proceeds of this issue as a special construction account to be called "City of Walton School Building Construction Account," containing the proceeds of the sale of said bonds. That said money shall be expended by payments made to defray the costs of construction of the school building herein referred to, such payments to be made upon checks drawn upon said bank by the City Treasurer, countersigned by a representative of said Board of Education to be designated by a written resolution of said Board and accompanied in detachable form by a voucher entitled "Authorization for Payment," signed by the architect having supervision of the construction of said school building, in substantially the following form:

Band Booster Club
The regular meeting of the Band Booster Club was held Monday evening at 8 p. m. at Simon Kenton High School. A special musical arrangement was furnished by Mr. Roden, after which a business meeting was held. Mrs. Clifford B. Hymer was the presiding officer. Projects were discussed for the year,

including a 3-act play, "The Womanless Wedding." It is to be given Dec. 10 at Simon Kenton, under the direction of Miss Elma Taylor. Refreshments were served and a social hour was enjoyed.

Fire Runs
Fire runs were made to Paul Schuler's farm on Banklick Road to extinguish a grass fire, no damage, and to Horsebranch Road to back up South Ft. Mitchell in keeping a hillside fire under control.

Overseas Parcels

Remember folks, your parcel that will contain Christmas gifts to members of the Armed Forces, stationed overseas, should be mailed at your post office between October 15 and November 15, to guarantee delivery by December 25. Air mail parcels may be mailed no later than the last day of November. More information will be given next week.

It's Very Secret, But—

The junior class of Simon Kenton High School is rehearsing for their performance of "Tattletale," which will be presented at the Simon Kenton High School auditorium on Friday evening, November 6, 1953.

Heading the cast will be Phyllis Tattershall, as Patty, who drops the bomb; Berkeley Worster and Dana Wilcoxson play the roles of Tad and Ida May, her loyal friends, who cover up for the culprit; Isabel, her charming older sister, is portrayed by Phyllis Spanton, in love with Paul Cummings; the young editor, played by Louis Bowman; Mr. and Mrs. Blaine, played by Freddie Griffin and Norvita Heideman, appear in splendid comedy roles; Carl Homishfeger, that mischievous little brother, playing the role of Artie, will furnish some of the rollicking laughter. Other members of the cast are: Mr. Nixon, the high school principal, Larry Richardson; Walt Kennedy, a detective, Ernie Richardson; Miss Wiggam, the math teacher, Patsy Bell; Mrs. Nixon, with the dizzy hats, Virginia Oliver; Louella, Monica and Barney, high school friends, who drop in; Martha Auton, Beverly Kunkel and Billy Exler; Quiz, a cheerful reporter, Patty Messingschlager; Mr. Whitaker, president of the board, Gerald Robison; Mrs. Lorimer, president of the Woman's Club, Lou Ann Elliott; Hetty Heaton, of the radio, Nancy Armstrong; parades, Donna Morris, David Cappoge and Nancy Yazell; announcer of play, Peggy Popp.

It is strange how you hear folks say time and time again that trucks don't pay enough highway use taxes. When you press them and ask how much they think the trucks do pay in comparison with the passenger car, you get answers like "maybe twice, perhaps three times as much". Nothing could be further from the truth.

In Kentucky it takes the total road taxes paid by 23 automobiles to equal those paid by just one large transport truck! Just think of the revenue Kentucky gets from Public Servant No. 1, the TRUCK!

We welcome Mr. and Mrs. Violette to our little town. They moved last week to the house and lot they purchased from Mr. and Mrs. Calvin Sturgeon.

Mr. and Mrs. Calvin Sturgeon moved over on Bill Scroggin's farm by Verona Lake Ranch.

Mr. and Mrs. Marion Connelly of Cincinnati, spent the weekend with Mr. and Mrs. Bernard Wilson.

Mr. and Mrs. Joe Elliott visited her parents, Mr. and Mrs. Ed Chipman, Friday night.

We are sorry to hear of Bob Orr and Shelba Tackett getting so badly hurt last Monday when two hand-cars ran together between Verona and Walton. Bob got both bones broken in one of his legs and Mr. Tackett has a skull fracture and has been in a serious condition, but is some better at present. We hope they both will soon be well again.

Mr. and Mrs. Harry C. Sturgeon are moving into rooms they rented from Mr. and Mrs. J. T. Glore. Moving seems to be the order of the past few days. The weather has been fine for this kind of work.

Mr. and Mrs. Mayra Hayden entertained for dinner Sunday, his sister, Mr. and Mrs. Richard Robinson and family of Erlanger. Afternoon callers were Mr. and Mrs. Buddy Kyle and son of Jonesville, and Mrs. Nannie Kyle and granddaughter of New Liberty, and Susie Glaze of this place.

Mrs. Bessie Barnes was calling on her sister, Mrs. Iva Vest, Sunday afternoon.

Mr. and Mrs. Bob Elam were calling on Mr. and Mrs. Golden Dyer, Sunday.

Mr. and Mrs. Harold Rosentiel and children and Mr. and Mrs. H. D. Edrington took a trip last Sunday through the mountains of Kentucky. It is very beautiful but several of the big mountains were on fire and that didn't look so good.

The shower was well attended for Mr. and Mrs. Rodney Renaker at the home of her parents, Mr. and Mrs. Clem Washum, Saturday night. They received lots of nice and useful gifts. Each and everyone wishes them a long and happy married life together. Rodney has to go back to camp Thursday, and is taking his bride with him.

If all reports be true, wedding bells will be ringing in Verona again soon.

H. D. Edrington and Bill Sutton were down on the Ohio river Friday fishing. They caught some nice catfish. Seems like fishing is pretty good now. Stanley Robinson has been catching a nice lot of fish down there also.

Mr. and Mrs. Homer Beach and family were visiting Mrs. Beach's brother, Mr. and Mrs. Boyd Williams and family, Sunday.

Mrs. Florrie Edrington was calling on Mrs. Zoemie Dyer, Thursday evening. The parsonage is progressing nicely and is nearing completion.

Ben Hopperton remains in the hospital. We are glad A. C. Roberts was able to visit his sister, Mrs. Harris Moore, and Mr. Moore in Walton, last week.

Mrs. Pierelena Kannady and Mr. and Mrs. Joe Kannady spent Sunday with Mr. and Mrs. Bert Kannady of the LLL Highway.

Mrs. Pearl Lamm and Mrs. Lizzie Noel attended the funeral of an aunt in Florence, October 13.

INDEPENDENCE R. 1

We are glad to learn Mrs. Daisy Richardson is somewhat improved after being confined to her bed for a couple of weeks.

We are also happy to know they are expecting Lee Giles home from the hospital in the very near future.

Mr. and Mrs. Bill Brooks are visiting his sister, Mrs. L. M. Deuser, and husband.

Mrs. Ida Hoffman, Mrs. Charles Hand and Mr. and Mrs. Charles Pruett called on Mr. and Mrs. Dawson Ballinger, Sunday afternoon.

Mr. and Mrs. Harley Hanna and children and Mrs. Ello Mae Wigger were dinner guests Sunday of Mr. and Mrs. Earl Hanna.

The entire community is invited to the Spiritual Life one-week revival to be held at the Staffordsburg Methodist Church, beginning Sunday, October 25 and continuing through October 30. The speaker will be Rev. B. L. Williams, a student at Asbury College. We are asking you to pray for this meeting. Come and bring your family, friends and neighbors. Everyone welcome.

Mr. and Mrs. Lybrian Richardson are also receiving congratulations on the arrival of a little daughter, born October 15 at St. Elizabeth Hospital.

The pastor, Elmer K. Kidwell, will do the preaching for this series of services. The public is cordially invited to attend these services.

DISEASE MAY REQUIRE

NEW PLANT-BED SITES

Farmers who had black shank in their tobacco this season should have new plant-bed sites for next year, says a new circular of the University of Kentucky College of Agriculture and Home Economics. The same applies to dark tobacco, but for a different reason: Root-rot resistant varieties of dark tobacco have not been perfected.

The circular, called "Tobacco Plant-Bed Management," is a guide to making plant beds, including choosing sites, sterilizing the soil, fertilizing, draining, boxing, seeding disease-resistant varieties and controlling diseases and insects. Ask a county agent or write to the college for Circular 511.

EVERGREENS NEED WINTER CARE

Trees, shrubs and evergreens need care now if they are to come through the winter safely, says Prof. N. R. Elliott, University of Kentucky horticulturist. He recommends that the soil be worked around plants to increase air circulation and absorption of water, and then 2 mulch be applied. It might be crabgrass, weeds, ground corns or tobacco stalks, the last also enriching the soil.

Leaves do not make a good mulch, according to Prof. Elliott, as they pack too solidly. If they cannot be used in a compost pile, they should be hauled away as refuse, he says.

RESOLUTION—

The following resolution was adopted by the Boone County Chapter, D. A. R., Wednesday, October 7, 1953:

RESOLVED that the Boone County Chapter, D. A. R., would like to have the site containing mineral springs and known as Big Bone, made into a state park and museum.

We offer our assistance in every way toward that accomplishment, and will contact and consult the Honorable Alvin Kidwell of Sparta, Kentucky for his recommendations and we know that in addition to being extremely interested in any civic project within his district as State Senator, Mr. Kidwell is also in the most advantageous position to help this cause as he is President pro tem of the Senate.

We commend the Boone County Historical Society, under the able direction of Mrs. J. Jroctor Brothers, for also sponsoring this program.

We desire that a copy of this resolution be sent to the Honorable Lawrence Wetherby, Governor of Kentucky; the Honorable Alvin Kidwell, Judge C. L. Crapper, Boone County Historical Society and be posted in all local newspapers.

Elizabeth G. Nestor, Agent,

Boone County Chapter
Daughters of the American Revolution
Florence, Kentucky

We especially want to thank Mrs. Flynn, Dr. Huey and the good neighbors there at Walton, those who stayed at night during her illness at Mrs. Flynn's, Mrs. Puckett and Dr. Hudson at Erlanger, Bro. Hoffman and Bro. Canzoneri for their consoling words, Mrs. Johnson, Mrs. Rector and Mrs. Hamilton for their beautiful music, those who sent cards, the donors of flowers, and the Hamilton funeral home for the kind and efficient manner in which the services were conducted. Your kindness will always be remembered.

Nothing but the best!

a good reason for choosing

ELECTRIC

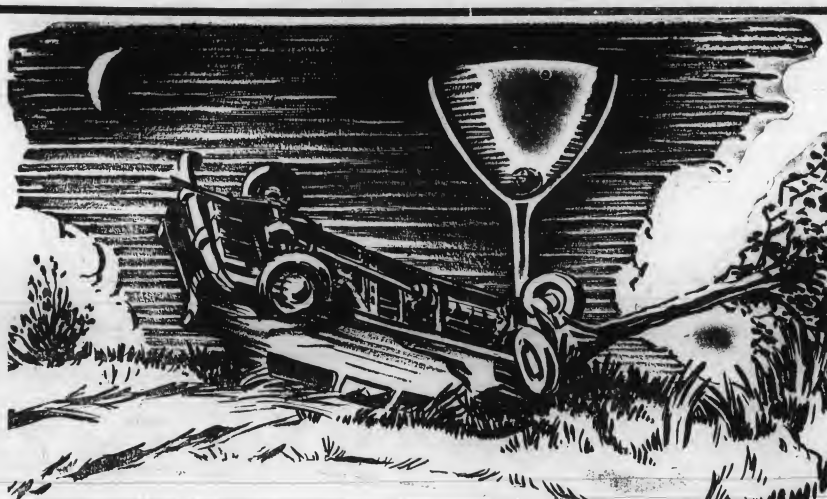

WATER HEATING

When you install a beautiful new automatic ELECTRIC Water Heater in your home (and be sure it's of adequate size to suit your needs)—you'll realize that the best can prove to be the cheapest in the long run! For one thing, it's the cheapest method of heating water if you live out beyond the city gas mains. You have a special low electric rate for water heating. Think of the cleanliness and safety advantages, too! In fact, all the favorable advantages of ELECTRIC water heating make it the natural choice of thousands of households in the territory we serve.

If you haven't already switched to ELECTRIC WATER HEATING, do so soon. See your appliance dealer, and ask him to select an ELECTRIC WATER HEATER of adequate size for your family's needs.

BOTTOMS UP!

A Last Drink — A Last Drive

The party's over—Bottoms Up! Let's get going!

For thousands of men and women—children and pedestrians, too—that has been the beginning of the end. On the highway at night, where the road curved and the hazy driver drove straight ahead, there was another "Bottoms Up!" and the end of the last drive.

It's hard to convince a person who has had a few drinks that he shouldn't drive. Alcoholic stimulation engenders a false confidence in his ability. In reality, his reactions have slowed down, his perception and judgment lowered—driving alertness gone. In a later stage the road blurs, lights blind as he fights drowsiness, loses control.

Seldom is he endangering his life alone. He is also endangering the lives of those traveling with him and others on the streets and highways. In 35 states 166,179 drivers lost their licenses in 1952 for drinking and driving. Thirty-five per cent of all revocations are brought against drinking drivers.

If you have been drinking, either let someone else drive, leave your car and call a taxi, or stay where you are until your senses clear. Stay off the road!

Don't kid yourself into a "Bottoms Up" drive—it can be fatal!

WATER

Few of us ever think about the part water plays in our lives. Few of us ever think how much water we use every day. Most everyone takes for granted there is plenty water. Lots of us who have seen the oceans, the Gulf and the Great Lakes with the large volume of water in them, think no one should ever be out of water, but they are a long way from Walton, and some say our water is bad—they should taste that water. Every day we sell something for water—a chain pump, a lift pump or parts for either a Dayton electric pump, a Perfection electric water heater and lots of other items used for water.

I cut and threaded steel rods for John R. Sleet. Chick and I remodeled Clarence Struve's deep well pump. Brewster set up a new Perfection oil heater for Joe Lauderback. I believe these Perfection heaters make the finest looking piece of furniture in the house. They are two-tone mahogany porcelain enamel and they stay just like new for years. We are setting up a used Perfection heater tomorrow for Martha Johnson that has been used 12 years—other than soot in the firebox, it looks like a new stove. I sold this stove to Mrs. Katie Welsh in 1941 and traded for it back—we checked it all over and could not find a thing to replace.

Rem Williams bought five gallons of Super Krome aluminum paint to put on his roof. William and Betty Brown were back today, buying paint, glass and brushes—they are always repairing, so you can tell when you look what a nice place they have. Brewster and Chick set up a Warm Morning coal heater for Mary K. Stephens, Jack and Willie. Les Ryle came in for more Bolc red barn paint—he said that was extra good barn paint with lots of body.

Two weeks ago when I was naming all the business places and city employees, I forgot Artistic Dry Cleaners and also one of the main men of the city as Frank DeMoisey calls him, the water commissioner, John E. Stephenson, who has been superintendent of the waterworks since it was built. John does a fine job—lots of people think he could do better, and maybe he could, but 22 years, every day and every night, of course he don't work all the time, but for the plant we have I believe we have a good water man as any other city, and I must not forget Edith Stephenson, who collects all the water bills and City taxes—as a collector, I believe she is the best.

Another man with a very small salary and lots of work and records is Clarence Hoffman, the City Clerk and Treasurer, who keeps a fine set of records. I believe the editor and his wife were the happiest couple I have seen in a long time as their son, Maynard Meadows, arrived home from Korea, last Monday. Maynard says the mud is thicker and stickier in Korea than any other

place in the world. This was pipe and pipe fitting day—we sold Lee Trapp pipe fittings and cut a lot of threads for him. George Flynn, Bogby Road, bought a very nice 12x15 Armstrong rug.

Linoleum time is starting again and I bought a lot of new patterns. We have Armstrong in 9x12, 12x12, and 12x15. Then we have Beauty Tone in 9x12 for \$7.95, and Rotarug 9x12 for \$4.95. We also have several nice patterns in yard goods, 6-ft. and 9-ft. wide. We sell a lot of those plastic window shades. Brewster put up a few in the new telephone company building at Florence. Tom Utz, who works there, liked them very much, so he bought some for his home.

Saturday, October 17 was a hot, very dry Saturday—not many people in town. Mrs. James Naive was buying pots and pans. Mrs. J. P. Brothers and daughter from Linsburg brought their Chrysler over to be serviced and they always come in and buy some hardware. Stanley Overboy and wife from Elliston were in with their daughter and son-in-law, Archie Pernell, who bought a 12-gauge shotgun and shells. Gordon Phillips was in a few minutes, paid his account, and left—he could have done fishing, if it was cool enough.

Frank DeMoisey was in town from down in Old Virginia—he says he is doing fine, but they are working him too hard. Mr. and Mrs. Owen Flynn were looking at Dayton pumps, said they would give me a call when they were ready. Several farmers inquiring about fluorescent lights to strip tobacco by—we have them, complete two 40-watt daylight tubes with shade, cord, chains, all ready to hang and plug in for \$14.50, and we are selling them—get yours early. E. R. Masters, over by Napoleon, bought enough material to put electricity in his barn.

J. W. Berkshire was buying pipe fittings—he is installing a new water heater. He has already sold the house but the water heater went bad, so he put in a new one. Huber, the Jeweler, from Erlanger, who bought O. J. Struve's building, is getting ready to start a jewelry store in Walton—he bought four gallons of rubber base wall paint for the walls of the store. Carl Justice came after another gallon of Bolc paint—he says that is real paint. Gertrude Connolly also wanted a gallon of Bolc white to paint her window frames. Meadows is painting the Advertiser office inside with Bolc liquid satin, and does it over.

Henry Black came after 6 gallons of Bolc outside paint, also oil, turp and putty for Mrs. Anna McCabe. Evin Huff, who operates the Dinner Bell and also farms, bought Bolc aluminum for his roof. This is my month to display Perfection electric ranges in the Union Light, Heat & Power Company window—take a look at the finest electric range money can buy.

Mrs. Melvin Jones, who has not been so well, is at the home of her daughter, Mrs. Ralph Howard, Cincinnati.

Francis Weaver and family of Covington, were Sunday guests of his grandmother, Mrs. Ella Weaver, Lloyd Weaver and wife of Latonia, were also there.

Sunday was the opening of the Spiritual Life Revival at the local Methodist Church that will continue until Friday. Rev. Emil McAdams, pastor of the Elkton (Ky.) Methodist Church, is the guest speaker for this series of meetings. All who attend will be benefitted by hearing him.

Mrs. Viola Idol had as her guest during the past week her brother, Dan R. Davis of New Albany, Ind.

Mr. and Mrs. Paul Chaney were called to the home of his brother, Frank Chaney of near Brooksville, Ky., during the weekend. The brother, who has been ill for some time, is now in a critical condition.

Mr. and Mrs. Virgil Howard of Norwood, were recent Sunday evening guests of Mr. and Mrs. R. E. Tanner.

Mrs. Ella Weaver of Lloyd Weaver, was among guests at the pretty wedding of Miss Alice Ruth Eggleston, daughter of Mr. and Mrs. George Eggleston, and Clifford Scott, son of Mr. and Mrs. Vernon Scott, at the home of the bride's parents near Burlington, Saturday afternoon.

noon. Miss Eggleston-roomed with Mrs. Weaver during the time of her employment in Cincinnati, the past six years. We join in wishing the newlyweds happiness and prosperity as they travel the pathway of life together.

Sunday of last week, the following were pleasantly entertained in the home of Mr. and Mrs. Otto Lindner of Bond Hill, Cincinnati: Mr. and Mrs. Robert Woodward, Mr. and Mrs. R. E. Tanner, Mrs. Lindner's brother, World Daughters and wife of Westwood, and Mrs. Lindner's daughter, Mrs. Nelson Faller and family of Cincinnati.

Henry Smith, being ill of pneumonia, was removed to St. Elizabeth Hospital, Sunday night of last week. However, he is much improved according to latest reports, and wants to return home. His friends wish him the best.

At this writing, Pohn Delahanty is critically ill at St. Elizabeth Hospital, following surgery a week ago. His friends are hoping for the best.

Miss Marguerite Tanner is in St. Petersburg, Fla., with her father, W. J. Tanner, who is now at his home following a period of confinement in a hospital there. The best to him.

Mr. and Mrs. Al Pennington and Mr. and Mrs. Howard Kelly were involved in a deal by which the Pennings became owners of the Kelly home on U. S. 42, and the Kellys received title to the Pennington property on Hopeful Road. They moved to their respective locations Saturday.

Theo. Carpenter, who has not been so well, is now confined in St. Elizabeth Hospital for treatment.

The Geo. B. Millers had as guests on Sunday, Mr. and Mrs. Will Moore and his mother, Mrs. John Moore; who is Mrs. Miller's sister, of Vevoy, Ind., Mrs. Patty Womsey and children of Erlanger, and Mr. and Mrs. Maurice Graham of Park Hills.

Miss Mary Tanner was the guest of a brother, Elbert, Sunday.

VERONA

Mr. and Mrs. Howard Thie of Cincinnati, were recent weekend guests of Mr. and Mrs. Boyd Webster.

Mr. and Mrs. Boyd Webster spent Monday of last week at Mr. and Mrs. Eugene Schinsky of Union.

A. C. Roberts and his wife, Lulu, who spent several months in St. Elizabeth Hospital, Covington, are quite poorly at her home in Verona.

Piner Homemakers

"Braided Rugs, that we can leave to our children," was the October lesson, given to the Piner Homemakers. This lesson, given by Mrs. Charles Gross and Mrs. Angelo Pellizzari, gave complete instructions on starting a rug, and preparing the material.

Mrs. John Dwyer, Morning View, had this meeting at her home, with Miss Zelma Byerly in attendance, who talked of the program for the county meeting, which was held at the Sheraton-Gibson Hotel, Cincinnati, October 21.

A new member, Mrs. Leslie Smith, was welcomed.

Mrs. Charles Flynn gave the devotional and Mrs. J. C. Cavanaugh gave points on the county lesson, "Child Development." Mrs. William Wolterman gave a talk on "Safety Begins in the Home," and stressed the importance of all being concerned with highway safety.

Mrs. Marion Martin gave her instructions on planting of bulbs and said that now is planting time. A work-day on basket making is planned for November 3, in the home of Mrs. Angelo Pellizzari. Those attending were: Mesdames Fred McMillan, Charles Flynn, Owen Flynn, John Dwyer, Deyv Fisk, Ott Fisk, Angelo Pellizzari, Willard Benson, William Wolterman, Charles Gross, Leslie Smith, Frank Elliott, Robert Elliott, Steve Rich, J. C. Cavanaugh, Marion Martin, Elmer Spaulding, and guests, Mrs. John Sine, Mrs. Howard Best, Miss Lucy Swettman of Washington, D. C., and Miss Zelma Byerly.

ACHIEVEMENT DAYS FOR 4-H CLUBBERS

District champions in 4-H club projects are being chosen this month at 13 achievement programs in Kentucky. From these district champions, 28 outstanding boys and girls will be selected to attend the National 4-H Club Congress in Chicago.

The district achievement programs were listed by the University of Kentucky as follows: October 6, Corbin; October 9, Morehead and Lexington; October 10, Danville and Henderson; October 13, Glasgow, Newport, and Prestonsburg; October 15, Louisville, Jackson and Hopkinsville, and October 17, Paducah and Tompkinsville.

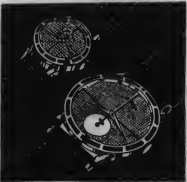

Ten to 16 county winners will attend each meeting. All 120 counties will be represented.

Some early seedlings of grasses and hays in Hart county sprouted and then died.

A large tonnage of 28% fused tricalcium phosphate is being used by Farm and Home Development program families in Grayson county.

Atwood-Nicholson Homemakers

The Atwood-Nicholson Homemakers Club met in the home of Mrs. S. C. Fisk with Mrs. L. C. Wagner, co-hostess, with 100% present. Visitors were Miss Byerly, Mrs. Sebree, and past president, Mrs. J. C. Mayhugh, and little son, Clinton, visiting here from Florida.

The major project, "Preparation for Making Braided Rugs," so well given by Mrs. S. C. Fisk and Mrs. C. Vaughn, also "Child Development," by Mrs. John Butler, Mrs. Clara Cooke, Exterior Beautification Leader, gave some helpful hints on the preparation of mums for a more lasting bouquet by washing the stems, then burning lightly with a match or over a low flame.

The next meeting will be in the home of Mrs. Clara Cooke at Atwood, on the 11th of November.

Walton Homemakers 2

Walton Homemakers Club II met at the home of Mrs. Walter Sleet, October 13 at 8 p. m.

A delicious covered dish luncheon was served and enjoyed by all. The meeting was called to order by the president, Mrs. William Smith. The club song, "Peace in the Valley," was sung by Mrs. J. C. Cavanaugh.

Roll call was answered with the tree or shrub you like best for this time of year. The lesson on "How A Well Stocked Medicine Cabinet Should Look," was given by Mrs. Leo Flynn.

Members present were: Mesdames William Smith, Estill Sleet, James Riddell, Robert Sleet, James Ingram, Sam Sanders, Vernon Porterfield, and the hostess, Mrs. Walter Sleet.

The next meeting will be held in the home of Mrs. Sam Sanders, November 17.

Early vegetable and potatoes were good in Elliott county, but most fall gardens failed because of drought.

Mrs. Stanley Meyers of Bath county has set a record by refinishing 42 pieces of furniture in her home.

Several Kentucky county agents have reported yield loss from Stewart's disease in hybrid corn.

Due to lack of funds, no tobacco stripping demonstrations will be given in Kentucky this year.

OWEN HOMEMAKERS REPORT PROGRESS

Kitchens have been remodeled in 29 farm houses in Owen county, according to reports at this year's annual meeting of homemakers clubs. Two hundred and thirty-one pieces of equipment were added in homes in the county.

Ninety-two women reported learning new cleaning aids and 80 learned better ways to iron. Eighty-seven have adopted "easier and better ways" of keeping house.

Owen county housewives canned 10,632 quarts of vegetables, 6,593 quarts of fruit, and 1,091 quarts of meats. Eighty-one families store food in freezer lockers and 34 families have home freezers. Thousands of pounds of vegetables, fruits and meats are frozen.

Hazel Jo Smith is Owen county home demonstration agent for the University of Kentucky.

There now are 45 broiler houses in Green county, with a total yearly production capacity of 1,125,000 birds.

Ky. 31 fescue on Homeplace and Green Holliday's farm in Perry county has been furnishing pasture through the drought.

Irrigation is estimated to have doubled tobacco yields on the farm of E. T. Wilhite in McLean county. Fred Parrish put about 100 tons of cane and corn in the first trench silo ever used in Metcalfe county.

God-Planned Homes

Lesson for November 1, 1953

NO Christian home can be found between the covers of the Bible. Naturally there were no Christians before Christ, and the New Testament books were all written so early in our era that what we know as a Christian home could not exist. Jesus himself was brought up in a Jewish home. Timothy had a Jewish mother but a Greek father, and the "faith" that was in his mother and grandmother was not, probably, the faith of Christians. Nobody named in the Bible was married in a Christian church by a Christian minister. We have to say, if we stick to the facts of history, that the Christian home is something that developed out of the Christian faith which the Bible inspires and instructs, rather than something the Bible directly describes.

Law In The Home

The Christian home is not something so radically different from other kinds that it can't be recognized. Among the most primitive races there are homes of a sort. Always there is a mated pair, father and mother, and children more or less under their care. Father and mother (aided often by other members of the tribe) teach the young what they are expected to know. Dr. Foreman Now in the Christian home, one special feature marks it off from less developed types: training in religion. This we have inherited from the Hebrews long before us. According to Deuteronomy, the law of God was to be known by the parents and taught by them to the children. This is not simply the Ten Commandments, but the whole management of life under the will of God. Now it should go without saying that if parents try to teach their children what is right, without doing right themselves, failure is certain. Some of the most important matters can be taught only by example. To take one illustration: parents should be the best persons to tell their children what Christian marriage is and how to achieve success in it. But if parents live in constant strife or even break up altogether, then what?

A recent study was made of 12,000 young people. It was discovered that in the homes where they came from, where the parents were both Roman Catholics, only 6.4 per cent of the homes had broken up; where both were Protestants, 6.8 per cent had broken up; where the parents were of different religions, 15.2 per cent were broken; and where there was no religion at all, 16.7 per cent of the homes were broken. What those unsuccessful husbands and wives did about their own marriage will have much more effect on their children than any good advice.

Love In The Home

A good home is much more than a place where everyone behaves correctly and does just as he should. A well-managed penitentiary might be that sort of place too. The great difference between the model penitentiary and the model home is that in one, the good behavior is compulsory, in the other the ruling motive is love. There is no home where love never makes mistakes; none where love is complete and flawless. But where love is, there is hope. Without love, the least differences pile up into unscalable mountains of incompatibility and resentment; where love is, even mountains of difficulty can be brought low. What the Bible teaches everywhere, especially in the New Testament, is that love, in the home as anywhere, is the least perfect work must not be one-sided. If every member of a home really set out to be the kind of person Paul describes in I Cor. 13 or Eph. 5, breakups would be a thing of the past. Love ought not to be left to mothers alone!

God's Planning

A Christian home is one where God's plan of love is followed. But God never does for us what we can do for ourselves. We have to plan for our homes just as we do for anything at all that we want to succeed. This should begin early, too, like all good planning. Young people do not always ask the right questions before they fall in love.

THE FAITH OF A CHILD

Are you one of the millions who think wistfully of the faith of a child and wish they could believe so implicitly? And are you also one of those who have assumed that it's impossible to go back to religion, once one has drifted away? Wait! What accounts for the faith of a child?

A child wants to believe! That's the first step. The first step for YOU too...

And a child is taught to believe! That's the next step. Start attending Church next Sunday...

And a child practices believing. That's the final step, and it begins the continuing adventure of faith. It is that final step that looks so hard. But how easily and naturally it comes... after we have taken the first two!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) children's souls. (2) For his own soul. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Personal Interest and Sick List

Phyllis Tattershall and Nancy Bowman were picked as models by J. C. Penney of Cincinnati. They will model jackets.

Pat and Mike Carr, children of Mr. and Mrs. Robert C. Carr, are recuperating from the flu.

Norb Schaborg has returned to work, after a short illness.

Lyman (Rock) Halzderber is now the owner of Howard Gruell's cafe.

Mary Ellen Canty recently purchased a new car.

Mrs. L. B. Humphrey of Akron, Ohio, attended the National Girl Scout Convention in Cincinnati. She is the sister of Bob West. Mrs. Humphrey recently returned from a trip to Europe, where she did paintings and obtained information on Girl Scouts and their activities in foreign lands.

Paul Cooper says two of his brothers, now serving overseas, are scheduled to be home in time for Christmas. One, Ernest, Jr., has already arrived home. Ira Lower and family have moved to Forest Hills.

Tommie (Judge) Stephenson, eldest resident of Independence, recently celebrated his birthday. He received cards and a large cake from various people. "Judge" is now in his eighties.

Mr. and Mrs. Athel Moore of Klette Avenue, are now the proud parents of a baby boy. This is the third time Papa Athel has passed out cigars.

Cheese Keeper

You can expect this soon in grocery stores: Cheese in wrappers treated to make the product keep longer without molding. Food and drug administration has OK'd use of sorbic acid for this purpose. The process doesn't affect the flavor, and maybe used in the future on other foods.

Agriculture Yearbook

Out now is the Department of Agriculture's authoritative 1953 yearbook. Its subject this year: Plant diseases—a 992-page account of the causes and control of troubles affecting house plants, ornamental plants, fruits, vegetables and other crops. Write for "Plant Diseases" to the Government Printing Office, Washington 25, D. C. Price \$2.50.

Independence Baby GE Stockholder

Mr. and Mrs. Lybran Richardson (nee Delores Klein), Harris Road, Independence, are the proud parents of a six pound, 10 ounce daughter, born October 15 at St. Elizabeth Hospital, Covington. Mr. Richardson is an employee of the General Electric Co., Evendale. It was GE's 75th anniversary and all children born to employees throughout the nation received five shares each of GE stock, valued at \$375. Mr. and Mrs. Richardson named their daughter Chelo S. E. Richardson, in honor of the company.

Soil Testing

Best time to send dirt samples to your State Agricultural College or County Agricultural Agent, for testing, is just before planting time, says a University of Maryland Soil Expert. If, this autumn you are planning to put out shrubs or plants that are finicky about the acidity and nutrients of the earth, they grow in, now is the time to send your samples away. Testing is a service offered free in a number of states at a 50-cent or \$1 charge in others. Some supply mailing containers for the asking.

Insurance Dividend

A special dividend, which checks averaging \$168, is being mailed to holders of "permanent plan" U. S. Government Life Insurance policies. You can inquire at your nearest Veterans' Administration office if you don't receive yours shortly. The special dividend goes to those who hold government-plan policies issued before December 31, 1947, and which were in force at the end of last year.

Girl Scout Oyster Supper

There will be an oyster supper held at Simon Kenton High School cafeteria by the Independence Girl Scout Troop on Saturday, November 7, starting at 5 p. m. and lasting until 9 p. m. In case you do not like oyster soup, chili will be available and will be the best you have ever tasted. You will enjoy the quick service and sufficient space that will allow you to sit and talk without being rushed. See you at the cafeteria Nov. 7—Saturday evening.

New Dodge Trucks Have 75 New Features

Many of the 75 new features and improvements built into the new C-1 Series of Dodge "Job-Rated" trucks are in the one-half ton pick-up pictured. Lower loading height, greater maneuverability, lower running boards, and increased driver comfort all have been built into the new trucks to assist drivers and reduce hauling costs. The new one-piece curved windshield with 951 square inches of glass area gives increased visibility. Custom cabs, such as the one shown, have rear quarter windows. Completely new design, wider front tread, and new spring suspension give the new trucks their long, low, wide, swift appearance, and contribute to exceptional stability.

Wilson W. Wyatt, State Chairman, Volunteer Committee for Savings Bonds in Kentucky, today announced that the citizens of Kenton County had purchased \$88,900 in Series E and H Savings Bonds during September. This brings the county's cumulative sales of both series for the year up to \$881,043, or 48.7% of the county's annual sales goal of \$1,809,300.

WHITES TOWER—By Ernest Ryle

Rather a quiet week at the Tower and very few items of interest.

Mrs. Hannah Dorsey returned home after several weeks visit with friends at Monterey, Ky.

Heard some folks say that the grass is completely dead and even yards will have to be plowed and sowed down again. The oldest residents cannot remember a dry spell like this.

Pete Mardis enlarged a stock pond on the Dorsey farm last week.

Several ladies from here attended the Homemakers convention at the Gibson Hotel, last week.

We are keeping our fingers crossed, but this vicinity has not had a grass fire during the dry spell.

IS THIS ANIMAL A
GOOD BULL
FOR YOUR HERD?

NOBODY KNOWS UNTIL... he's a proved sire. Just looking at his pedigree isn't enough. Nobody knows how good this bull will be until his daughters are milked.

And there's the reason ABS Bulls are known as "America's Finest"—used last year by 65,000 dairymen. All ABS Bulls have high indexes—all their daughters average high milk production. All ABS Bulls are proved—none are unproved. All ABS Bulls are proved... not just fair or good. They are proved GREAT for milk production. It is possible for ABS Bulls to actually double milk production when bred consistently in an average herd. You know he's great if he's ABS.

BAND OFFICERS NAMED

The Music Department got off to a good start this year with the Junior Band playing for the first Junior High assembly. They also played for the first Band Boosters meeting, which drew a membership of fifty band parents.

The Senior Band and Glee Clubs will present their annual Fall Concert on November 24, and everyone is urged to attend. There will be a good selection of music, including several popular tunes, which you will be sure to enjoy.

Mr. Roden took a group of band members to a concert at Music Hall, presented by The Guard Republican Band of France. It was an excellent concert and enjoyed by everyone.

The Music Department is asking that everyone support all music activities this year, in order to raise money for new uniforms for the band.

Senior Band officers are: President, Libby Russell; Vice President, Larry Richardson; Treasurer, Wanda Barnes, and Publicity Committee, Ruth Kanatzer, Gail Stephens and Floyd B. Hymer.

8th GRADE Y-TEEN OFFICERS

Eighth grade Y-Teen officers are: President, Jan Lower; Vice President, Joyce Moffett; Secretary, Judy Rohmiller; Treasurer, Bessie Morgan; Reporter, Sandra Tattershall, and Sponsor, Senior Y-Teens.

Many farmers in Meade county will have dial telephones by the end of this year.

Lyle Miller

Mrs. B. C. Boggio

7th GRADE Y-TEENS

The 7th grade Y-Teens was organized September 24, under the sponsorship of Mrs. Cox. The following officers were elected:

President, Alice Foye Works; Vice President, Betty Jane Cook; Secretary, Brenda Bailey; Treasurer, Patsy Cross; Reporter, Brenda Worthington; Song Leader, Joyce Kanzel.

Forty-four members enrolled. Two of our members, Betty Jo Taylor and Sandy Sellers, attended the conference at Butler State Park, September 24-25.

Speech Club Officers

Officers of the Speech Club are: President, Bessie Morgan; Vice President, Judy Rohmiller; Secretary, Billy Roy; Treasurer, Janice Lower, and Reporter, Jackie Sipple.

10 NEW TEACHERS

This year, Simon Kenton has added to their faculty, ten new teachers. They are: Mrs. Boggio, Commerce; Mr. Reed, Science; Miss Yancey, 7th grade; Miss Hempel, English; Mr. Priggs, Art; Mr. Miller, Math; Mr. Martin, 8th grade; Math; Mr. Caldwell, 7th grade; Mr. Edmondson, 7th grade, and Mrs. Hinsdale, Science and Health.

We wish to welcome these teachers and wish them a very successful year at Simon Kenton.

JUDGING TEAMS AT STATE FAIR

John Gray, Advisor for the Simon Kenton Future Farmers, and a group of boys left Walton, Thursday, September 17, for the State Fair, to participate in contests September 18.

The following entered the Dairy Judging contest: Clyde Griffin, Don Whiteker, and Fred Griffin, with Jerry Ehlman as alternate.

Since only one boy could enter Seed Identification, Frank Penick represented the Simon Kenton Chapter.

The Dairy Judging Team placed 64th out of eighty-eight. In Seed Identification, Frank Penick placed 34th out of sixty-eight entries.

Y-TEEN NEWS

The ninth grade Y-Teens, under the leadership of Miss Riley, elected the following officers:

President, Dusty Hale; Vice President, Donna Richardson; Secretary, Nancy Bieber; Treasurer, Mae Etta Kanatzer; Reporters, Nadine Baldwin and Edwina Miller.

For the beginning of the year we are going to have guest speakers for our meetings.

VIRGINIA OLIVER WINS CLOTHING CONTEST

Virginia Oliver recently entered an afternoon dress, which she made, in a clothing contest sponsored by the Singer Sewing Machine Company. Virginia won first prize in the local contest and received a lovely set of scissors and shears for her award.

Virginia is an active member of the Simon Kenton F. H. A., serving this year as the chapter's treasurer. She is on honor student and plans to enter college after graduation. In college she intends to major in home economics. She is the daughter of Mr. and Mrs. Paul Oliver of Walton.

D.O. CLASS MEETS

Friday, October 2, the D. O. class observed a "Be Kind to Donald Baker Day." Mr. Walsh was so concerned with being kind to Donald Baker that he fell out of his chair. The D.O. class started off this year in high gear, but due to the actions of Donald Baker and Herbert Bauchman, we were soon in low gear and crawling along very slowly. We enjoyed a very interesting report by Glenn Clarkston and Thomas Howard on the subject, "Retailing in Ancient Times."

Edgar Shulker, known as "Mr. Rollman," sold his interest in that large concern in order to give Mr. Walsh something to do in finding him a job. The D.O. class, with the exception of "Mr. Rollman" and two others, all have jobs.

BAND TO PRESENT CONCERT NOV. 24

Our band this year is composed of approximately sixty members. It is one of the largest and we hope the most successful in the history of the school.

The band is currently practicing numbers for our Fall Concert on November 24, and for ball games and assemblies. The band is under the direction of Mr. Robert R. Roden.

SIMON KENTON FHA NAMES OFFICERS

The first F. H. A. meeting was held September 23, 1953. The president, Sylvia Brown, welcomed 44 new members to the chapter.

Officers for the year 1953-1954 are: President, Sylvia Brown; Vice President, Nancy Armstrong; Secretary, Dale Webster; Treasurer, Virginia Oliver; Parliamentarian, Betty Robertson; Historians, Rita Williams, Lou Ann Elliott, Carolyn Richardson; Corresponding Secretary, Elaine Kaffenberger; Reporter, Nancy Bowman; Song Leader, Mary Ruth Stephenson; Recreation Leader, Joyce Kaffenberger.

Dale Webster gave a report on the State F. H. A. meeting, which was held at Murray State College, June 1-3.

Fifteen of our chapter members were chosen to be waitresses at the annual

F. F. A. Father-Son banquet, October 20, 1953. The F. F. A. Sweetheart will be announced at the banquet. She will be chosen from the qualified members of the F. H. A.

CHEERLEADERS

The cheerleaders for this year will be: Joan Redman, Dixie Barberick, Jackie Morgan, Peggy Popp, Phyllis Tattershall, unless there are some last minute changes.

We are very fortunate in getting new outfits for the cheerleading team this year. The skirts will be blue corduroy with white linings and with the white sweaters from last year—ought to be attractive!

Fall-Added Fertilizer Boosts Corn Yields Spreads Work Load

FARMERS can get a jump on next year's crop operation by putting on this fall the fertilizer they would normally broadcast and plow under for corn or spring-seeded small grains next year, reports the Middle West Soil Improvement Committee.

Corn and small grain yields can be boosted just as much on most soils by adding nitrogen, phosphate and potash fertilizer in the fall as by the same amount of plant food put on in the spring, according to tests in Iowa, Minnesota, Missouri, Wisconsin and other Midwestern states.

There is virtually no loss of nutrients over the winter. Adding fertilizer in the fall has these advantages, says the committee:

1—It enables farmers to fertilize land for next year's crops when they are not crowded for working time. The ground is in shape so it is easy to get on with machinery.

2—Farmers can get the exact grade and amount of fertilizer they need, and in top condition. 3—It gives the fertilizer industry a chance to spread out its production and distribution over more months of the year. It helps take some of the strain off the traditional spring rush period. That is particularly important in view of conditions last spring when factories were swamped with orders and everyone was scrambling for scarce supplies.

CARD OF THANKS—

We wish to express our deepest appreciation for the beautiful floral tributes and for the many acts of kindness shown us by neighbors and friends at the time of the loss of our husband and father, William Lancaster.

Especially do we thank Mrs. Fay Conner and the choir, Rev. Hoffman, and Rev. DeMaisy, and Chambers and Grubbs for their efficient and kind services.

Billboards To Carry Safety Messages

During the months of December, January, February and March, 150 special highway billboards will carry safety messages to motorists all over Kentucky, under a plan announced in Frankfort, by Charles B. Jones, executive secretary of the Governor's Committee for Highway Safety.

Jones said the billboards will be sponsored by advertisers through the Outdoor Advertising Association of Kentucky. Each message will carry the name of Governor Lawrence W. Wetherby as endorser.

There will be three types of billboards and they will be erected at strategic locations of heavy traffic.

Annette Westerman, Boyle county nutritionist, has been holding food classes for members of homemakers clubs.

PAINT

The paint department of my store is a larger department than most people realize. We carry a full line of Bolce outside paint in white, black and colors, in gallons and quarts—then we carry Bolce interior gloss, which is the finest for woodwork and walls you want to wash—we have all colors, in gallons, quarts and pints—then we have Bolce quick drying enamel, in gallons, quarts, pints and ½ pints—then we have a line of varnish stains in quarts, pints and ½ pints.

Then we have Bolce casine water mix for over paper, sheetrock or most any surface, and we have that in gallons and quarts—then we have Bolce liquid satin wall finish, which is not a flat and not a gloss, just a soft velvet finish. We have a stock of oil penetrate stains. We have shellac in white and orange, in all sizes. We have Bolce floor enamel in five colors and all size cans—then we have that great rubber base flat wall paint, and rubber base porch and deck enamel.

We also carry Bolce best grade porch and deck enamel—then we have a full line of Chief floor enamel, in all size cans. We have Bolce best grade aluminum—then we have Sheffield Super-Krome and Alum-Roof. We have Bolce red roof and barn—we have white creosote paint—whale black asbestos fiber roof paint. We have a full line of truck and tractor enamel. We have Spar varnish, interior and exterior varnish, also lacquer and thinner. We have gold gilt, all colors in tubes and cans; heat proof aluminum, stove enamel, and screen enamel. We have undercoats in tan and white, also exterior primer.

Of course we carry linseed oil, turpentine, alcohol, paint thinner and shingle stain. Then we have a full line of paint brushes in all sizes and prices. But don't forget the paint rollers, pans and extra covers—the rollers are real painters since these rollers come out. This paint business has grown more than anything else. We are trying to sell you the best paint and we want you to be satisfied—it not, don't hesitate to tell me, maybe I can do something about it. When you buy paint at CONRAD HARDWARE, you buy the best paint for the lowest price.

Today, Mr. Bolce brought me down a stock of Fab-Spray in all colors, to paint your upholstery, rugs, draperies, seat covers or most all kinds of materials—will not rub off and makes them look like new. Today, we sold paint of all kinds—outside white, inside liquid satin, black roof paint, red roof paint, red hot aluminum for staves and funnels, Bolce quick drying white enamel, light oak floor enamel, gray bicycle paint—every day we sell lots of paint, because we carry the largest stock in this section. Harvey Hughes just bought three quarts of cream yellow to trim his house.

We sell other items as well as paint. Elsie Jack came in and bought another Perfection oil heater—she wanted a cheap heater, but when I showed her the cheapest Perfection she agreed that was the cheapest heater. If it was \$50 higher than some other heaters—she has one Perfection that is the reason she bought another. Everybody thinks I am Perfection crazy—which I am—crazy for selling any other kind, because when I sell a Perfection, I very seldom ever have any trouble—they will burn and heat if they have a half-way draft.

We lost two of the old residents, Uncle Bill Lancaster and Mr. George Flynn, two of our best citizens and good solid farmers. Mr. and Mrs. Tom Watson just came in and bought 18 squares of Armstrong linoleum. Hayes Stephenson and wife bought an Armstrong 9x12 rug. I have those large plastic rugs you ladies have been calling for to run draperies through. I also have 18 inch gate baskets and I have some sealed top pitcher pumps for milk house. Brewster set up the best looking bicycle I ever saw, look at this one in the window it is a beauty. Talking about beauty, I went to North Carolina over the week-end, left here Thursday night and arrived home about 9 o'clock Sunday night, about 800 miles. Those mountains were beautiful, all colors, but very dry until we went over on the other side of the Smokies and they had had rain. Those valleys were green and grass was fine pasture. Nature is wonderful, how those leaves stay green all summer, then turn all colors, red, yellow, orange and then fall off. I called Mother when I got unloaded to find out what had happened and she told me she had just come from funeral home and when she told me Omer Dudgeon was over there I was so surprised, but Omer had been in a lot of pain lately especially in his head and chest. I suppose he couldn't stand it, he was good friend of mine but as I have said before the good ones die and the onery ones live forever.

Monday was some day, Jake Cleek bought in a sproyer to be repaired, he bought two fluorescent lights for his stripping room. Mrs. Sarah Hodges brought in an iron to be repaired but it was beyond repair. Chick did a lot of blacksmith work for Henry Lipscomb, cutting steel bars and drilling holes. He put in several handles, axe, shovel and hoe. Mr. W. B. Jones came in after more of that Bolce Red Roof and Barn Paint, he said that was the best red paint he ever used.

That is the kinds of merchandise we try to carry and like for our customers to tell us when they like our merchandise, because they tell us when it is defective which we cannot help, but we do our best to remedy. WE specialize in SERVICE.

State Farm Bureau Convention In Louisville

Kentucky farmers will decide Farm Bureau policy for 1954 at the 34th Annual Kentucky Farm Bureau Federation convention to be held in Louisville, November 15-18. At that time more than 600 voting delegates, representing 112 county Farm Bureaus, will vote on all important agricultural issues of the day.

Kentucky Governor Lawrence Wetherby, American Farm Bureau President A. B. Kline, and Kentucky Senator John S. Cooper are scheduled to speak at the annual event. In addition, the state finals of the Farm Bureau chorus contest, King and Queen contest, Rural Youth Talk Meet, and Talent Hunt are to be held.

The tobacco, poultry, dairy, livestock and commercial crop conferences are slated for Monday, November 16, at 1:30 p. m.

The so-called "right-to-work" legislation will be debated at 10:15 Tuesday morning, November 17. Speaking in favor of this proposed legislation will be Louis Bosse, Louisville, managing director of the Associated Industries of Kentucky, and on the opposite side will be Ralph Logan, Louisville attorney.

URA ALICE ROBERTS

Mrs. Ura Alice Roberts (nee McElroy), age 73, passed away at her home in Verona, Wednesday, October 28. She was a member of New Bethel Baptist Church and of the Verona Homemakers Club. Until a few years ago, Mrs. Roberts had taught a Sunday school class in the New Bethel Sunday School. She was a lifetime resident of Verona, and quite well known.

Survivors include her husband, John Tom Roberts, Verona; three daughters, Mrs. Wilbert Chapman of Campbellsville, Ky., Mrs. Charles Steel and Mrs. Vernon Shetter, both of Covington; two sons, Wayne and George Roberts, both of Covington; two sisters, Mrs. Lily Powers of Cincinnati, and Mrs. Russell Vest of Verona; 10 grandchildren, and three great-grandchildren.

Funeral services were held at 10:00 a. m., Saturday, October 31, at the New Bethel Baptist Church, Verona, with the pastor, Rev. Kelly Kennedy, officiating. Burial was in New Bethel Cemetery.

Hamilton funeral home, Verona, had charge of arrangements.

SOW RYE OR WHEAT

Though farmers are concerned about how to feed their livestock this winter, it's not too soon to begin thinking about the prospects for early pasture next spring, says C. A. Wicklund, Kenton county agricultural agent. Most seedings of grasses and legumes made last spring and summer have died, and new seedlings which would have been made this fall have mostly been put off in hopes of better weather. Permanent pastures are in bad shape—most of them being half to completely killed by the drought.

The best chance now for early grazing next spring is to sow, as soon as possible, either Balbo rye or wheat, two to three bushels per acre. The grain may not germinate until rains come, and then may winterkill if the winter is severe—but the chance seems worth taking for much-needed early grazing next spring.

Much land in the county is in good condition for seeding or can easily be prepared, especially land where earlier seedlings have failed or which was in corn or other cultivated crops. Seeding these loose and bare lands to small grain will offer some protection against erosion if the winter is fairly mild and open and if rains come later this fall. In general, 300 to 500 pounds of high-analysis complete fertilizer should be applied per acre with these emergency seedlings.

SPECIAL LEGION MEETING

A special Legion meeting is called for Tuesday, November 10, at 8:00 p. m., in the City Building. All members, including present and past members, are urged to be present.

This meeting concerns either having a Post at Walton or having to give up the charter, that we have worked so hard for. All members whose name appears on our charter are requested to be present.—Commander

HUGHES CHAPEL W.C.S.

Mrs. Clarence Struve was hostess to the W. C. S. of the Hughes Chapel Methodist Church, Wednesday, October 14. Mrs. Thelma Baker led in the program, which was discussed by each of the members.

Card Party at City Building Tonight at 8

Everything is in readiness for the Walton Club card party tonight at eight o'clock in the City Building. Committees have been working hard to make this affair a success, since all funds derived will be used to buy new books and supplies for the library.

We trust you already have your ticket and group with which to play, but in case you haven't, come on down and join in the fellowship of the Wo-Na's and their friends.

Committees for the party are: General chairman, Betty Sue Cook and Jeanette Grubbs; publicity, Helen Ruth McElroy and Malda Holder; tickets, Betty Carlisle, Ruth Strittmatter, Beverly Shope, Jessie Pruett; general arrangements, Mabel Maddox, Alva Kline, Geneva Kline, Sharon Grubbs, Christine Blackburn, Fay Conner, Doris Conner; door prize, Malda Holder; refreshments, Eloise Ryan, Helen Jones, Goldie Rice, Thelma Sturgeon and Ellena Hamilton.

KENTON CLASS MEETS

The Willing Workers class of the Kenton Baptist Church met in the home of Mr. and Mrs. Walter Roden for the October meeting. Mrs. Keringer read the scripture and gave prayer.

Refreshments were served to the following: Mrs. Alton Stephenson, Mrs. W. B. Barnes, Mrs. Rudolph Casson, Mrs. Albert Sharp, Mrs. Frank Keringer and Miss Jennie Sharp.

The November meeting will be held in the home of Mr. and Mrs. Arthur Steeley.

Almost Curtain Time For "Tattletale"

Phyllis Spanton is Isabel, Patty's charming sister, in love with the young editor of the Bugle.

Rehearsals are progressing for the performance of "Tattletale," a three-act comedy, to be presented at the Simon Kenton High School auditorium, Friday evening, November 6. The curtain will rise promptly at 8:00 p. m.

The entire cast has contributed hours of faithful application to this play and will merit your presence Friday evening.

You may purchase your tickets from Miss Elaine Guttridge, Secretary of the Junior Class.

The cast urges you to attend and to bring the entire family for an evening of wholesome, mirth-provoking enjoyment. Everybody is asking, "who is Emtrude?" Come and find out for yourself.

NAVY MACHINIST

Thomas Wayne Curley, MMFN, U. S. Navy, son of Mr. and Mrs. Thaddeus W. Curley, Walton, satisfactorily completed his course of study at the U. S. Naval School of Machinists, Great Lakes, Ill. After finishing his course, Curley received a 34-day leave, which was spent at his home here.

He has served in the Navy since May of 1952, and has been aboard the Aircraft Carrier Oriskany. He has received five campaign bars and has visited practically all ports in the Pacific, as well as North Korea. Curley recently returned to his ship from Japan to South Korea.

Squirrel Season To Be Extended By the State

The ban on squirrel hunting in Kentucky was lifted October 27 by Commissioner Earl Wallace following a statewide rain which alleviated the forest and field fire hazard. The ban, which started October 1, caused hunters to lose 25 days of the regular season, which closes today, but these days will be given back during the rabbit and quail season, which opens November 20. In other words, the first 25 days of the rabbit and quail season will also be open to squirrel hunters. The added squirrel season will close after December 15.

Mr. Wallace announced that the "no hunting of any kind with guns" ban which has been the custom before the opening of the rabbit and quail season will again be in effect this year from November 5 to November 20, except for waterfowl, which may be hunted under federal regulations beginning November 17.

ATTEND FUNERAL

Mr. and Mrs. James Trimble, Mr. and Mrs. Roy Edwards and family and Mr. and Mrs. Arthur Steeley attended the funeral in Louisville, October 27, of little Wayne Logsdon, who was killed on Spillman Road, Kenton County, Oct. 24.

38 Men Receive Votes In City Election, Tues.

ALL SAINTS FALL FESTIVAL
"Turkey with all the trimmings," from 3:00 to 7:00 p. m., on Sunday, November 8, is the promise of Rev. Father Charles Donovan, pastor of All Saints Church, Walton, and St. Patrick's Church, Verona, as the menu for the Fall Festival, to be held on the grounds of All Saints church in Walton.

This annual affair has won the praise and patronage of all who have attended, and an invitation is extended by Father Donovan and all of his parishioners to their friends and benefactors to visit with them and enjoy a delicious meal and delightful time.

Incumbents Re-elected; Write-In Vote Heavy

In Tuesday's election, interest in Walton was purely local, and a total of 38 men received votes either for Mayor, Council or Police Judge. Write-in voting seems to have had a field day.

Incumbents in the city, R. M. Hall, Mayor; P. R. Conrad, Charles Worthington, C. W. Hoffman, Dave Workman, Roy Brannon, James Vest, Myrtle Young, Malcolm Simpson, Gayle McElroy, Kyle Nicholson and O. F. Young.

However, only names of Council candidates appeared on the ballots, thus the Mayor and Police Judge were elected by write-in votes.

Here's how things went:

| | |
|---|-----------|
| Mayor: R. M. Hall | 154 |
| Truitt DeMoisy | 20 |
| Others receiving votes for Mayor were | |
| J. E. Falls, R. E. Brugh, R. C. Brakefield, Don Roberts, Clyde Hall, Gilbert Grager, P. R. Conrad, Charles Worthington, C. W. Hoffman, Dave Workman, Roy Brannon, James Vest, Myrtle Young, Malcolm Simpson, Gayle McElroy, Kyle Nicholson and O. F. Young. | |
| Council: P. R. Conrad | 227 |
| Gayle McElroy | 244 |
| John Hartman | 235 |
| James Spencer | 254 |
| Leon Hall | 238 |
| Malcolm Simpson | 252 |
| Others receiving Council votes were | |
| C. C. Pruett, James Falls, G. W. Ryan, Glenn Eades, Floyd Sebes, Clayton Jones, Paul Nolting, Henry Cunningham, R. M. Hall, R. E. Brugh, R. C. Brakefield, Charles Prather, Charles Worthington, and Clarence Hoffman. | |
| Police Judge: C. G. Worthington | 173 |
| Dave Workman | 38 |
| Others receiving Police Judge votes were | |
| Russell Grager, Henry Lipscomb, Billy Rouse, Randall Martin, R. E. Brugh, J. B. Johnson, R. C. Brakefield, Asa M. Rouse, R. M. Hall and Truitt DeMoisy. | |

Boone County did not approve either of the amendments. No. 1 went down 814 to 620, and No. 2 was defeated 809 to 470.

With 1250 of the state's 4215 precincts reported, Wednesday morning, the school amendment was ahead 87,659 to 40,209, and the short ballot amendment was behind 46,324 to 47,125.

4-H Jamboree At Florence, November 21

A Boone County 4-H Jamboree will be held Saturday, November 21, at the Florence High School auditorium, according to Joe Rouse, chairman of the Jamboree committee.

The Jamboree is sponsored by the Boone County 4-H and Utopia Council. Mr. Rouse states that the committee planned the program so that it would be available to all 4-H club members in the county, to give each member an opportunity to help build better citizens through the rural youth program.

The committee consists of John Criger, Mrs. Vernon Pope and Mrs. Eunice Pettit. The program will be a 4-H talent show, which will include music, singing, dancing, reading, imitations and tumbling. The acts are expected to range from semi-classical to hillbilly music—complete variety show.

Joe Claxon, County Agent, states there is much interest throughout the county by 4-H club members. The 4-Hers and leaders are working hard in making posters, and will soon be selling tickets for the show. They want to make this affair a great success.

Three students from Boone county are enrolled at Eastern this fall. They are Stanley G. Bonta, freshman, Petersburg; Marjorie A. Jordan, junior, Walton; and Bonnie G. Schram, junior, Florence.

ENROLLED AT EASTERN

College residence enrollment at Eastern Kentucky State College, Richmond, reached 1412 for the fall semester. In addition to the residence enrollment, there are 313 students enrolled in off-campus extension centers.

Three students from Boone county are enrolled at Eastern this fall. They are Stanley G. Bonta, freshman, Petersburg; Marjorie A. Jordan, junior, Walton; and Bonnie G. Schram, junior, Florence.

ATTENDING BEREA

The Berea College registrar announces that there is one student from Boone County enrolled at Berea for the fall term. He is listed in the College Department as Jack W. Feagans, Walton.

Berea College is a co-educational, non-sectarian institution founded in 1855. The school has three divisions of training: The College Department, the School of Nursing, and the Foundation School, which is the high school unit of the college.

BOONE A.B.A. OFFICERS

At a recent meeting, Wilfred Scott, Burlington, was reelected president of the Boone County Artificial Beeding Association. Other officers are: Emerson Smith, vice president, and Jerald Dixon, secretary-treasurer. Mr. Scott is also State Director for the county. County directors are: Dr. C. L. Hafer, Hebron; Grant Maddox, Florence; and Virgil Vice, Petersburg.

Social Security Tax Rate to Go Up January 1st

The social security tax rate for persons whose work counts toward old-age and survivors insurance is scheduled to increase on the first of January, Joseph T. Wore, manager of the Covington social security office, reminded employers, employees, and self-employed people today.

In accordance with the 1950 amendments to the social security law, all employees in jobs covered by the law will have 2%, instead of the present 1½%, deducted from their pay beginning with the first of January, up to earnings of \$3600 a year; their employers will contribute an equal amount.

Social security tax for self-employed is scheduled to increase from the present 2¼% to 3%, for the period commencing January 1, 1954. The first payment at the increased rate will be due March 15, 1955.

OPEN HOUSE

The Walton kindergarten will hold "open house" on Friday, November 13, in observance of National Education Week. Parents and friends of the children are cordially invited to come to the kindergarten, which is held in the basement of the Walton Methodist Church, between the hours of 9:00 and 11:30 a. m. The kindergarten has been in operation since mid-September, under the sponsorship of the Wo-Na Club, with Mrs. James Webster as its teacher.

It is felt that there are many who will be interested in seeing how much these very young people have accomplished in such a short time.

Lamps and shades, slip-covered chairs and Swedish weaving were exhibited by members of homemakers clubs at the McCreary County Fair.

Girl Scout Troop, 140, of Independence, will hold their annual oyster supper Saturday evening, November 7, from 5:00 to 9:00, at Simon Kenton High School. Proceeds of the supper will be used to complete their camp cabin on Shirley Fork Creek. Pictured above, left to right, are some of Troop members: Front row, Connie Gabbard, Shirley Riddle, Donna Hall, Sandra West, and Roberta Knox; standing, left to right, Mary Edith Blick, Carolyn Eger, Janet Fisk, Hazel McDonnell, Peggy Binder, Virginia Baldwin, Joanne Eger. SOIL NEEDS AMPLE SUPPLY OF POTASH

A University of Kentucky circular, written by George Roberts, emeritus professor of agronomy, tells about the importance of potash in the soil. For instance, 50 bushels of corn, including stalks, contain 50 pounds of potash, and 25 bushels of wheat, including straw, contain 35 pounds of potash.

A ton of alfalfa hay contains 50 lbs. of potash; a ton of clover hay, 40 lbs., and a ton of lespedeza or timothy hay, 30 lbs. One thousand pounds of burley tobacco and 600 pounds of stalks contain 55 lbs. of potash.

Munure and crop residues contain potash. Where these materials are limited, it may be necessary to apply commercial fertilizers containing potash. Farmers are advised to have chemical tests made of their soils. For such tests, see a county agent.

The College of Agriculture and Home Economics has had three reprints made of the Roberts circular, called "The Potash Problem in Kentucky Agriculture." Ask a county agent or write to the College at Lexington for a copy.

J. A. Hemingway of Caldwell county has set up a three-year plan for land-scaping his farmstead.

H. B. Simpson and Blayne Miller were Saturday night guests of Paul Chaney. Bobby Washburn, who has been stationed in Germany, was recently released from military duty and has returned home to his wife and other home folks. C. F. Blankenbaker, who had returned from St. Elizabeth Hospital, suffered a relapse and was again removed to the hospital the past week. However, he is reported improved.

Mr. and Mrs. W. R. Miller entertained at dinner Wednesday evening for Rev. and Mrs. C. N. Ogg and daughter, Paula, and Rev. Emil McAdams.

Mr. and Mrs. Eldridge Carpenter had as dinner guest Sunday his brother, John Carpenter, of the Dixie Highway. The Russell Bethel family of Akron, Ohio, were visiting his parents, Mr. and Mrs. Owen Bethel, and other relatives over the weekend.

Mr. and Mrs. Robert Woodward were Sunday guests of her mother, Mrs. R. E. Tanner, and Mr. Tanner.

Mr. and Mrs. Morimer Moss had as dinner guests the past Wednesday, her nephew, Jack Conrad of Indiana, and Mrs. W. R. Miller, who was celebrating a wedding anniversary.

Sunday guests of Mr. and Mrs. G. B. Miller were, Mr. and Mrs. Maurice Graham, Mrs. Frank Hogan, Mrs. Fred Holden, her son, Billy and wife, Blayne Miller and H. B. Simpson.

Henry Smith, who was confined in St. Elizabeth Hospital ten days, returned home Tuesday and his friends are glad to see him out again.

The Halloween festival, sponsored by the senior class of Florence High School, Saturday night, was well attended and all enjoyed a fine time. The seniors are very grateful to all who donated their time, talent and gifts to the success of the event.

Harry Morgan of Detroit, was a guest in the Clyde Arnold home a couple of days last week, and he and Mrs. Arnold visited her husband at Pikeston, Ohio.

Sorry to report the illness of Mrs. O. R. Osmon at her home on U. S. 42. Mr. and Mrs. Walter Clouder of Cincinnati, were calling on Mr. and Mrs. Walter Kirkpatrick, Sunday afternoon.

Mrs. Connie Rouse succumbed to pneumonia Saturday at the Elmore Rest Home. Services were Monday at 2:30 p. m. from the Stith funeral home, with Rev. Roy Johnson officiating. She is survived by two sisters, Mrs. Betty Allen and Mrs. Lucy Ryle of Union, and five nieces and nephews. Interment was in Big Bone Cemetery. The community extends sympathy to the family.

Mrs. Dean Caton and Mrs. Clyde Arnold were visiting Mrs. Davis Gaines of Hebron, Sunday of last week.

Duther Pruitt, iron worker, Cincinnati, was severely injured Thursday as he was working on the gym roof at the Boone County High School. He accidentally fell to the concrete gym floor and is reported to have suffered a fractured skull, hip and pelvic bone and other injuries. He was removed to St. Elizabeth Hospital in the Ralph Stith ambulance.

Mr. and Mrs. Sherman Pease of North College Hill, and Mr. and Mrs. Jeff Edmonds were recent guests of their relatives, the Clyde Arnolds.

The Verne Arnold family called on Mr. and Mrs. Bobby Rogers, Sunday afternoon.

Funeral services for A. E. (Ed) Benham, 60, were conducted Thursday from Hopeful Lutheran Church at 2:30 p. m., with Rev. Herman Andrus of Louisville, officiating, assisted by Rev. W. C. Butt, pastor at Hopeful, and Rev. W. S. Mitchell, pastor of Epworth Methodist Church, Covington. Mr. Benham, a resident of Baltimore, Md., the past 15 years, was vice president of the Baltimore Paper Co. His late wife, Lena, preceded him in death seven months ago. The deceased underwent surgery for a throat ailment a week prior to his death. Survivors are his daughter, Mrs.

Robert Weisbrod of Texas, a granddaughter, Connie Lee, and a brother, Harold Benham of Baltimore. Buried was in the church cemetery, beneath a blanket of gorgeous flowers. Ralph Stith, Florence funeral director, was in charge. The many friends extend sympathy to the family.

E. G. Stephenson, Owen Martin and some friends from Walton, including Guy St. Clair, Leonard Cook, Jr., and Tom Parker, returned recently from Wagner, S. D., where they enjoyed their annual pheasant hunt. Each of the party bagged his limit of birds, 15 in that state. They had a fine time.

Johnny Millar, a former resident of Price Pike, was calling on Mr. and Mrs. Buddy Arnold, Sunday.

KENTON

We are glad to report Mrs. Irene Grizzelle recovering very nicely from an operation.

Mrs. Sam Grizzelle has improved and is out of the hospital and at the home of her daughter in Covington.

Friends of Mrs. Bernice Parr, Mrs. Hugh Mullins and Mrs. Ralph Finnell enjoyed seeing them and their children on Uncle Al's television show recently.

Members of the Fire Department are overjoyed to take interest shown in the volunteer work and progress on the fire house, as block work for their new building is about complete.

The Ladies Auxiliary and firemen are having a dance at the Lodge Hall, Kenton, Saturday night, November 7, beginning at 8:00 p. m. We are expecting a record crowd since we are having the same music as the last time. If you don't dance but enjoy good music, it will be well worth your admission to hear the music, both popular and square dance tunes. The ladies are raffling off a General Electric iron at the dance. Ask any member for tickets. The ladies are also planning delicious refreshments. Come and bring someone with you.

At the last meeting of firemen and call meeting of the Ladies Auxiliary, an attendance of 61 was reported. A group of ladies surprised the rest of the members with coffee and cake after the meeting.

Last Saturday night the firemen and their wives had a social at Charley Reimer's clubhouse to discuss firehouse plans and to stimulate membership interest.

NEW TYPE HARVESTER USED TO FILL SILO

Three and a half acres of corn were put up at a silo-filling demonstration on the Roy Hannah farm in Casey county. A new type of forage harvester equipped with a blower was used in the county for the first time, according to UK Agent George Noble. Discussions centered around the value of silage and methods of making it. About 60 men and women attended.

Church-Community

Lesson for November 8, 1953

EVERY Chamber of Commerce brags about the churches in its town, just as it brags about the parks, schools and museums. But sometimes the pride is for the wrong reason. Why should a community be proud of its churches and thankful for them? Why does every American community, with very few exceptions, feel itself not complete without at least one church? Not because they add to the beauty of the local scene, though many of them do. Not because they are inexpensive. Dr. Foreman and democratic clubs, for a church which is no more than a club is not a true church.

What Does A Church Do For A Community?

What a good church does for its community can never be fully told. There are three outstanding services which the church and only the church attempts to do in the most vital way. One is to produce better persons. To be sure, the schools and the hospitals and all sorts of organizations are working at the task of making better citizens; so perhaps are the juvenile courts and even the police courts. But the church, and only the church, is working at the job of making better citizens from inside out. Only the church confronts sinning men with the living God. Only the church introduces men to Christ. Only the church keeps alive the memory, and practices the living presence, of the Son of God.

Even the most pagan mayor would admit that his city or town would be better if all the citizens were Christians. Well, that is precisely what the church is trying to do, "present every man perfect in Christ" as St. Paul expressed it.

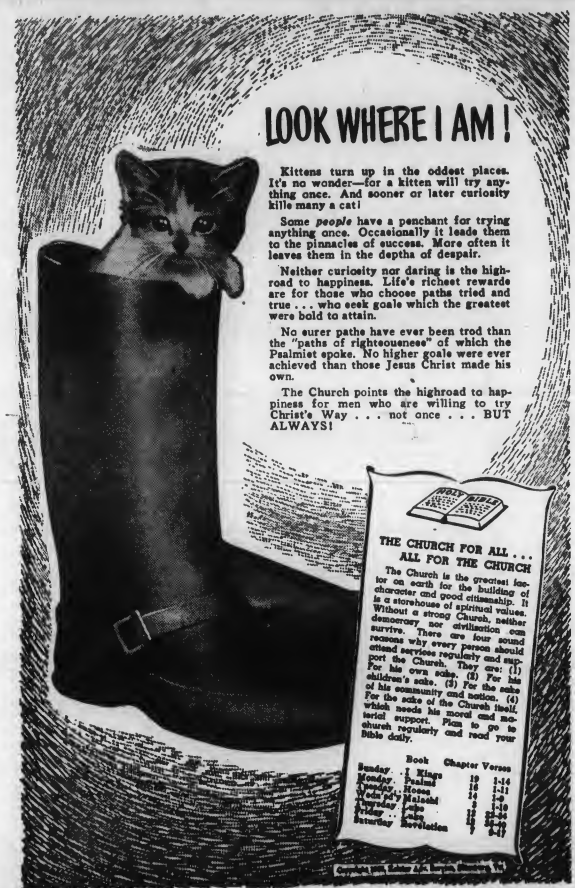

The Personal Gospel

Some churches talk much of the social gospel; others never do. But even the most individualistic kind of religion may turn out to be a social gospel—a good news for the community—after all. For one thing, the church and only the church, within any community, not only knows what a Christian home ought to be, but works at it. If a church did nothing else whatever to solve the problems of its community, what it does in founding and supporting Christian homes brings rewards and dividends to the community that far outweigh anything the community can do for the church. The church keeps her eye always on persons; other elements in the community keep sharp eyes on profits, but in the long run people are more important than profits, even when it is only the church that sees it.

In a certain large city there is a residential area where the people have been badly affected by fumes from manufacturing plants about a mile away. In the many arguments over the trouble, the factories (and the Chamber of Commerce) are concerned mainly with the money problems involved in ridding the community of harmful fumes.

Learning To Be Neighbors

In the long run, it is the church that helps a community to be a community and not a collection of houses. It is the church that teaches her members to honor others more than themselves. It is the church that teaches a morality higher and deeper than any code of laws. It is the church that preaches and teaches and in part practices unselfish love as the law of life. It is the church that gives the most profound meaning to the word "neighbor" and indeed to "community" itself. A church which is in itself a true fellowship is going that far toward making the whole community a fellowship in fact and not only in name. Here, at last we run into a miserable fact; that some churches are so far from Christian that they harm the community-spirit instead of building it up. In a small Delaware village some years ago a feud between two denominations reached the point where one locked the other out of the Thanksgiving service. This is an extreme; but any one who rides through the country and sees in a tiny village more churches than it can ever support or fill, cannot help wondering whether all these "holier-than-thou" societies are building or breaking a spirit of togetherness in that place.

LOOK WHERE I AM!

Kittens turn up in the oddest places. It's no wonder—for a kitten will try anything once. And sooner or later curiosity kills many a cat!

Some people have a penchant for trying anything once. Occasionally it leads them to the pinnacles of success. More often it leaves them in the depths of despair.

Neither curiosity nor daring is the high-road to happiness. Life's richest rewards are for those who choose paths tried and true... who seek goals which the greatest were bold to attain.

No surer paths have ever been trod than the "paths of righteousness" of which the Psalmist speaks. No higher goals were ever achieved than those Jesus Christ made his own.

The Church points the highroad to happiness for men who are willing to try Christ's Way... not once... BUT ALWAYS!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to Bible study.

VERONA NEWS

Mr. and Mrs. Rodney Renaker arrived in Tucson, Ariz., last week, where he is now housekeeping, near his work.

Mr. and Mrs. W. T. (Bud) Cleek of Atlanta, Ga., are the proud parents of another daughter. The little one has been named Pamela Joyce.

Mr. and Mrs. Jim Clements and Mrs. Williams of North Vernon, Ind., spent Saturday with Mrs. Effie Clements.

Ruth Carolyn Perkins spent Saturday night and Sunday with the Jim Poole family of Concord.

This community was saddened by the sudden death of Mrs. Ura Roberts last Wednesday. We extend sympathy to the family.

Rev. and Mrs. Kelly Kennedy and son were visiting in the Bernard Wilson home Sunday. In the afternoon, they all attended the funeral of Webb Simpson.

Mrs. Verie Webster visited her son, Mr. and Mrs. Glenn Webster, of Napoleon, Friday night.

We were sorry to hear of Mr. Simpson getting killed by his tractor last week. We extend sympathy to the wife, children, and other relatives.

Mrs. Fionnie Edgington was visiting her daughter Saturday afternoon and attended the 4-H Halloween party, given at the new community club house in Concord.

We are glad to know Gerald Ashcraft, who was struck by an automobile Friday morning, is getting alone fine at Booth Hospital. We hope to see him out soon.

The Verona Homemakers will meet November 6 with Mrs. Patti Maller. Mr. and Mrs. Morgan Chandler, Mr. and Mrs. Mayro Hayden and Mrs. Susie Gore were calling at Christ Hospital, Sunday afternoon to see Mrs. Edith Chandler, who fell down some steps and broke her limb. We hope she gets along nicely.

CARD OF THANKS—

We wish to express our deepest appreciation of the many words and messages of sympathy, of the beautiful floral tributes, and of the many acts of kindness shown us by friends and neighbors at the time of the loss of our wife and mother, Ura A. Roberts.

11-45* —J. T. ROBERTS & FAMILY

CONCORD

The Halloween party given at the Concord Community Center, Saturday night, was well attended, and was given to raise money to complete the building. Thanks to all who made it possible.

Mrs. Sally Whitson, Cincinnati, spent the weekend with Mr. and Mrs. Dallas Whitson and children.

Rev. Wingham was a dinner guest of Mr. and Mrs. Ira Thornton, Sunday. They attended the Sunday school meeting at Pleasant Home church.

Mrs. Vivian Hamilton and Patsy of Warsaw, Mr. and Mrs. Carl Hudson called on Mr. and Mrs. W. S. Snow, Sr. of Erlanger, Sunday.

Mr. and Mrs. Lee Plunkett and son, Francis, and Donald Hudson spent Sunday at Morehead College with Donald Plunkett, to help celebrate his birthday.

Mrs. Woodrow Morgan spent Thursday with Mrs. Doretha Cheatem of Glencoe. Miss Patsy Holly was the guest of Miss Shirley Morgan, Sunday.

Mrs. Helen Speagle and Mrs. Coral Ruth Thomas were business visitors in Covington, Saturday.

Miss Juanita Thomas of Cincinnati, spent Saturday and Sunday with her parents, Mr. and Mrs. Redford Thomas. Edgar Stahl and children were dinner guests Sunday of Mr. and Mrs. R. M. Fennell.

CELEBRATES 82nd BIRTHDAY

Mr. and Mrs. Elvey Baker and family of Mt. Zion, entertained October 18th, in honor of the 82nd birthday of Mrs. Emma Collins of Banklick Road. Those present were:

Post, 275, American Legion, will be held at Nick's Grove, Route 16, Taylor Mill Road, Thursday, November 5, beginning at 8:30 p.m. Your 1954 dues will be accepted and all ex-service men are cordially invited to attend. All old members are urged to attend and bring a friend.

O. E. S. Chapter, 493

The regular stated meeting of Bradford Star Chapter, O. E. S., 493, will be held Tuesday evening at 7:45 p.m. Committee members, officers and the November birthdays will be honored.

Mrs. Mildred Schenck, W. M., Miss Virginia Carr, Associate Conductress, and Edw. H. Schenck returned Wednesday from Louisville, where they attended the

51st annual session of the Grand Chapter O. E. S. in Kentucky.

Post Office Closed

The Independence Post Office will close Wednesday, November 11 for the observance of "Armistice Day." No mail will be received or dispatched from the office and no rural delivery will be made. Business and rural service will be continued Thursday.

Personal Interest and Sick List

Mrs. William H. Bach is down with a cold.

T. J. Cain, stationed in Newfoundland, with the Air Corps, is now home for two weeks.

Gayle England of Station Road, will enter the armed forces November 20. The high grade made by Gayle in his I. Q. test qualified him for a special branch of the service, and we all wish him great success.

Richard "Beverly" Cain, stationed at Ft. Benning, Ga., is expected home the middle of November. He is wanting to see a few of the basketball games at Simon Kenton.

Ray Baldwin, Pelley Road, is home on leave from the armed forces until the 5th of November.

Virgil Moners is also home on leave from overseas duty.

Wally and Patty Morgan spent last weekend in Independence. Wally is being transferred to New York.

Farm Facts FOR KENTUCKY FOLKS

by Wm. C. Johnstone
AGRICULTURAL REPRESENTATIVE
KENTUCKY BANKERS ASSOCIATION

It does little good to recount our adversities and I am sure that we have already heard too much about the dry weather. But the effects of the drought is the most important problem facing Kentucky farmers today and I fear we will hear much of it for a long time in the future. Pastures are non-existent—the poorest I remember in the past 50 years and, worst of all, much of the perennial grasses and legumes are apparently dead. Most small grains are not up yet and it will require an unusually favorable winter to save many acres of oats and barley which were seeded at great expense and which should normal-

ly be covering the ground by November. Winter feeding started two months earlier than usual and will continue late in the spring. And so the story goes. The question now is "What can we do to lessen the effects on next year's income?"

The most immediate problem for '54 as I see them are: maintaining breeding herds, re-establishing pastures, financing and reducing production costs. I will try to discuss these during the coming months. Right now there are two immediate steps to take: first, cull the poor producers from the herd, second, continue to sow wheat and rye even until early December. One can not afford to carry poor producers over a long winter on high priced feed and wheat and rye are good "bets" when seeded rather late.

I predict that pastures will come out next spring better than most of us expect. Nitrogen supplies in the soil build up fast during dry seasons and drought years are usually followed by good crop years. Much grass thought to be dead will recover, and nature has a lot of grass and clover seed stored in the soil ready to come back next spring.

Fortunately too, there is a good supply of many pasture seeds. The government has over 12 million pounds of '52 fescue seed crop in storage and little of the 29 million pounds harvested in '53 has been used. Although the seed is abundant the demand will be great because fescue has proven the most resistant to drought of all Kentucky grasses. Red and alsike clover and alfalfa are also abundant and will be relatively cheap. Lespedeza will be very short.

Fertilizers, too, will be abundant and priced, in comparison with other things, relatively cheap. In 1954 farmers who wish to save money and produce cheaply will continue to use fertilizer liberally but only in accordance with the results of soil tests, made on every cultivated acre.

In spite of the drought there is much good corn in the state this year. It is remarkable how little water a crop can use if it comes at the right time and if there is plenty of fertility in the soil. In the 1930 drought Kentucky's average

corn yield was 10 bushels per acre. This year the latest estimate indicates near 35 bushels.

Low prices of alfalfa seed will result in the seeding of a larger than usual acreage next spring. Extension men from the University of Kentucky find that many Kentucky alfalfa fields are low in borax. They recommend 20 to 30 pounds per acre. Heavy applications of Potash and Phosphate are also usually needed for good crops of alfalfa.

STAFFORDSBURG

Mr. and Mrs. Dawson Ballinger had as guests Saturday, Mr. and Mrs. Wm. Brannock of Kellat, Ky., and Mr. and Mrs. Ralph Brannock of Cincinnati. Mr. and Mrs. Wm. Brannock accompanied their son to his home for a visit.

Mr. and Mrs. J. J. Barnett spent several days recently with their daughter, Mrs. Roy Martin, and family. The infant daughter, who has been ill, seems to be improving. Hope she is soon well.

Mr. and Mrs. J. B. Richardson enjoyed a visit one day recently from their three grandchildren, Rev. Jo Finell, Cynthia Richardson and Sheila Richardson.

Mr. and Mrs. W. E. Hanna entertained with a family dinner Sunday of last week. Guests were Mr. and Mrs. Leslie Riley, Mr. and Mrs. Winford Riley, Mr. and Mrs. Dewey Parsons and son, Jeffrey, Wayne Riley, Mr. and Mrs. W. H. Hanna and sons, Jimmie and Billy.

We regret to say that Mrs. Daisy Richardson is not yet able to be out as usual, though she is better.

Mr. and Mrs. Earl Williams have sold their home here, but have not yet made plans for the future. We regret to see them leave our neighborhood. They are good neighbors.

Most of the Homemakers in our club attended the 22nd annual meeting at the Sheraton-Gibson Hotel, and enjoyed a very good program.

Miss Hope Kenney is enjoying a visit with friends in New York and Washington, D. C.

Our visiting evangelist for the Spiritual Life Revival was Rev. B. F. Williams. He had a pleasant personality, was a good speaker, and a sincere Christian.

We believe that Christianity—a heartfelt religion, is the only hope for peace—for individuals, families, communities and nations. It must, however, begin in the heart and soul of each individual. Let us not look at our neighbor, but look to our own needs and we will have a real revival.

The young people enjoyed a Halloween party Saturday evening in the dining room of the church.

How we would enjoy seeing all who are on the roll at Sunday school, come at one time. Some are always there, but never all on the same day. Let's try hard to boost our attendance.

Six years ago the dairy herd of Roy Morris, in Pendleton county averaged 5,000 pounds of milk per cow; this year the average is 8,000 pounds.

TRY SUB-SOILING

How can I hold my land when it does start to rain? This is the question our Soil Conservation Technician is being asked every day says Joe Neumeister, a supervisor of the Kenton County Soil Conservation District.

There is very little ground cover left even on our pasture fields. It is a dangerous situation from the point of soil erosion and also flood damage.

O. V. Steger, technician, thinks that sub-soiling could help a lot. On land that is to be cultivated next year, you can sub-soil every three to five feet. In pastures and meadows you can get help by putting the sub-soil marks from 50 to 75 feet apart. You cannot get maximum protection at these wide distances but the land is so dry that the sub-soiler leaves large marks and it may destroy a lot of grass if put closer.

You say that it is fine for a man that has a sub-soller. Well, there are machin-

ery dealers in the county that will loan you a sub-soller and you can get their names from our technician, Mr. Neumeister added.

Most important of all, have him to bring out his level and set up some contour lines, because these sub-soil marks must be on the contour or they may cause more erosion than they stop.

You must sub-soil fourteen inches or deeper to get good results. It may be necessary to go twice in the same place to accomplish this. If further information is desired, call Holly 8581, and ask for Mr. Steger.

New Dodge Trucks Have 75 New Features

Many of the 75 new features and improvements built into the new C-1 Series of Dodge "Job-Rated" trucks are in the one-half ton pick-up pictured. Lower loading height, greater maneuverability, lower running boards, and increased driver comfort all have been built into the new trucks to assist drivers and reduce hauling costs. The new one-piece curved windshield with 951 square inches of glass area gives increased visibility. Custom cabs, such as the one shown, have rear quarter windows. Completely new design, wider front tread, and new spring suspension give the new trucks their long, low, wide, swift appearance, and contribute to exceptional stability.

FARMERS

The greatest class of people on this old earth is the farmer. The farmer is a hard working, honest and most of them religious people. They are the backbone of this great nation and when they, if it ever happens, can set the price on what they produce they will control this country. I have been dealing with these fine people over 18 years and I do not have an old account that has not been paid by my farmer customers. I do have a few accounts of some tenant farmers that moved in to this neighborhood for one year and then moved out. But the real farmer who owns his farm will pay his debts and if he gets a little extra money, he will spend it on his buildings, fence or new tools.

Lots of fellows try the farm for a year, then they get to hear about that big money per week in the city, which sounds like a lot per year—but if he is a good farmer and has the equipment he can make more than the city-payer worker per year, but they don't count their living in the country until they have to buy it in the city. Some of them get smart and come back to the farm.

What is better than to have a nice farm, paid for, milk a few cows to pay the general expenses, raise some tobacco for extra money, a few hogs or cattle to sell now and then. You will never get to be a millionaire but you can really live—goodroads and the greatest thing that ever happened to the farm is electricity, then television—doesn't matter how far back in the country you live, you can have a picture show at home. When a farmer wants something for the home or farm, he waits until he sells something off the farm to buy it, but in the city you go ahead and buy it then pay a little out of each week's pay.

Chas. Phillips, who bought the house south of Edna and Clarence Combs, bought nails, cabinet hinges and door catches. Lebus and Louise Stephenson bought a drop-in water heater—these are very handy and only \$4.95 for the 1300 watt size, also have a 660 watt size for \$2.75. Brewster put a new element in Mabel Groger's percolator. Chick sold W. W. Worthington enough wiring material to wire his new dairy barn. Evie Huff, who operates the Dinner Bell Restaurant, was in today and bought six gallons of Prestone and loafed a while. Alva Woods, Jr., bought a Handyhot portable washer and wringer, also stove pipe—he said the mud on the new grade at Big Bone was terrible—they had about six inches of dust last week, now they have six inches of soft mud.

J. C. Reynolds came after a Perfection portable oil heater. Mrs. Oksa Webster bought a lot of Armstrong linoleum, a gallon of linoleum paste and wall paper cleaner. The contractors on the big lake at Verona

bought nine lengths of 1 1/2 inch galvanized pipe. We sure sell lots of pipe and fittings. Chick put in glass for Chas. Prather—his basement windows were broken out by Wesley trying to scare Violet while she was watching "Suspense" on television—he did a good job.

Mrs. Nan Ranson came after more Bolco outside white paint. Brewster set up a Perfection oil heater for Mr. and Mrs. Tom Watson; he also put up new furnace pipe over at Atwood for Mr. Northcutt; he delivered a load of plumbing supplies, such as Dayton water system, a sink, toilet and wash basin, and a lot of pipe and fittings to Mr. Afterkirk over at Nicholson. Miss Belle Wolford, Mrs. Francis Walden and mother were over today—Miss Wolford bought shutter hinges and flower pots; Mrs. Walden bought plastic Glass-O-Net to put over her doors and windows to keep out the cold.

Brewster installed another one of those Perfection oil heaters today for Mr. and Mrs. Foster Cook over on Hampling Road, Kenton county—Mr. Cook said he had been looking all around at oil heaters, but decided he would get more heater for his money in a Perfection—he and his wife were here about a week ago looking but wanted to shop around, but today he came back and bought one. Brewster likes to install them and light them so they can see that blue white blaze that comes up when they get hot. The pilot light and automatic blower are wonderful features.

Jean Crouch and Mrs. Dr. Crouch brought a used oil heater. Ormer Kite was in today, had rheumatism in his shoulder, strayed around and talked to me a long time, bought his wife a beautiful 9x12 rug and went home. We have a fine selection of Armstrong rugs in 9x12, 12x12 and 12x15, also have several Beauty-Tone 9x12 rugs for \$7.95, and a lot of Rotarug 9x12 rugs for \$4.95 and also yard goods in 6-ft. and 9-ft. widths. Now is the time to buy your wife a Perfection electric range for Christmas. Come in and select one—we will set it back and deliver it whenever you say. Cook with Perfection electric, its cleaner, safer and cheaper—ask anyone who has a Perfection electric range how cheap it is to use.

Saturday was the opening day of our new jewelry store in town by Mr. Huber of Erlanger, and to be operated by Mr. Burns, who has been with Huber in the Erlanger store—we welcome them to our town. I had more people looking for a \$10 stove to put in their stripping room, but I can't find those \$10 stoves that are any good; most of them have cracked bowls or are burned out grates, and when I replace these, I have more than a \$10 stove. Thos. Guard was here several times after plumbing; he is putting in a new sink and water pump. Les Barlow was in town—he always buys something. J. V. Walton got gun shells.

Pioneers to Open Basketball Season Fri.

Will Be Hosts To Gallatin County Five

The 1953-54 basketball season will open, in this area, Friday evening, Nov. 13, when the Simon Kenton Pioneers entertain the Gallatin County High School cagers on the Independence floor, and on Tuesday, November 17, the Pioneers will be hosts to the Nicholas County Five. Bill Faulkner is head basketball coach at the Kenton county school this year, and his assistant is John Turner. They have a veteran group of players left over from last year and it is expected there will be improvement over last year. Twenty-one boys reported for practice, five seniors, four juniors, nine sophomores, and three freshmen. The bulk of the work will probably rest on the shoulders of Glenn Clarkston, Kent Doud, Gene Belber, Bob Luke, Roland Robinson, and Dave Coggins, as these are the lads with the most experience. However, some new faces may appear on the scene in a short time.

WILMINGTON W.M.S.

The Wilmington Baptist W. M. S. met at the church, Wednesday, November 4, with 17 women and six children present. Several members of the society are to buy a Christmas gift of clothing for some boys and girls of the Good Will Center in Newport.

There is to be a barrel at Mrs. O'Doherty's store to be filled for Thanksgiving for the Glendale Orphanage.

Community missions chairman reported several trays of fruit and vials to the shut-ins. The society reported 71 cards, 18 visits and 22 phone calls to the sick.

The Little Moon Christmas program is to be prepared by Mrs. Wilma Mullins, Mrs. Naomi Spang and Mrs. Nell Rapp. The Royal Service will also be prepared by Mrs. Rapp.

Mrs. Delores Flynn and Mrs. Clara McMullin will be hostesses for the next meeting, which will be held at the church on December 2.

BROTHERHOOD FISH FRY

The Brotherhood of the Walton Baptist Church will enjoy a fish fry Friday night at the church. All prospective members and ladies are included. David E. Baker, a representative from the Union Light, Heat & Power Co., will be the speaker. Jailer Cecil "P" Presser of Burlington will fry the fish. (If you've never eaten P's fish, you have never lived). Program begins at 7:30 p. m.

4-H Club Talent Show at Florence Gym Nov. 21st

A big talent show—that is what the 4-H members of Boone county are looking forward to at their first 4-H jamboree to be held Saturday, November 21 at 8:00 p. m., in the Florence High School auditorium.

Joe Rouse, Verona, chairman of the jamboree committee, will be Master of Ceremonies. Mr. Rouse urges all 4-H club members to participate in the program. All members are to turn in their name and act to the County Agent's office by Friday, November 13. The rules for the talent show are as follows:

- 1—Must be enrolled in 4-H club for 1953 and 1954.
- 2—May be individual or group act.
- 3—Contestant must be amateur.
- 4—Acts may consist of singing, music, reading, dancing, imitations, etc.
- 5—Each act should be not longer than ten minutes.
- 6—Prizes will be \$10, \$5, \$3 and \$2.

Joe Claxton, County Agent, states that awards will be presented to outstanding 4-H club members in the county.

KENTON GARDEN CLUB

The Kenton County Garden Club will hold its regular November meeting in the Home Economics room of Simon Kenton High School, at 7:30 p. m., Thursday, November 19. Mrs. William Robert Brown, president, will preside.

"Holiday Arrangements" will be presented by Mrs. G. Goodenough. A lesson on "Holiday Cakes" will be taught by Mrs. L. Tuller.

WOMANLESS WEDDING

The Band Boosters Club of Simon Kenton High School, Independence, will present a "Womanless Wedding" show in the school gymnasium, Thursday evening, December 10, at eight o'clock. Mrs. Nellie B-Hymer is president of the club.

Some of the stars who will appear in the show are: L. M. Gabriel, William Faulkner, John I. Gray, R. C. Hinsdale, A. Taylor, Clifford Coleman, Boyd Elliott, John Butler, Russell England, Elmer Dedden, Eddie Miller, R. C. Richardson, Don Seebie, Gordon Riley, Woodrow Butler, John Friedman, John Cain, Truitt DeMoisey, Bryant Rust, Gus Schultze, Russell Haley, H. B. Noel and Mark Meadows.

Christian Church Congregational Meeting Sunday

Rev. Charles A. Vaughn, pastor of the Walton Christian Church, presented his conception of the church program to the congregation last Sunday. He has asked all members of the church to be present Sunday to vote on the proposed program and their confidence in him as pastor.

During the past 18 months 40 members have been added to the church, and an increased program of giving to Missions and Benevolences has been accomplished. The church debt has been liquidated and a healthy balance is in the general treasury of the church.

Any member of the church who is unable to be present Sunday morning may cast his or her vote or against the proposed program by a written ballot card at letter, and mailed to the Walton Christian Church, in care of Jack Rouse, Church Secretary.

BAPTIST W.M.S. TO MEET

The W. M. S. will meet at the Walton Baptist Church on Thursday, Nov. 19, for the regular monthly meeting. The hostesses are: Edith Gerth, Della Glacken and Katie Kanhann.

THREE FIRE ALARMS

The Walton Volunteer Fire Department answered three calls last week. They went out High Street to the Art Smith property, where a shed was on fire; to the rear of the Walton Christian Church, where grass and leaves were ablaze, and to the T. W. Curley home on Depot Street, where grease in a deep well of a stove was burning.

DALE P. GARNETT

Angel Mass was sung last Wednesday at 9:00 a. m. at St. Cecilia Church, Independence, for Dale Patrick Garnett, 7, son of Mr. and Mrs. Russell Garnett of Richardson Road, who died November 1 at home. Burial was in St. John Cemetery, under the direction of the Talfer funeral home, Erlanger.

Besides his parents, he leaves a twin brother, Dennis; five other brothers, Thomas, Timothy, David, Leon and Terry, and two sisters, Sylvia and Cheryl Garnett, all at home.

SCHOOL MEETING

The Citizens Committee, composing a number of citizens of Walton, met with the School Board of Walton-Verona district, and the City Council of Walton, on Thursday night, Nov. 5 at the high school gymnasium. The purpose of the meeting was discussion of school plans, particularly building arrangements, and also several other questions about bond issuance. Both the Council and School Board gave all this information and all left the meeting better informed about the school problems.

KIDDIS' OPEN HOUSE

"Open House" at the Walton Kindergarten for this Friday, Nov. 13, will be at the Methodist Church between 9 and 11:30 a. m. Parents and friends of the children are cordially invited to come to this special event.

Tobacco has been bringing Mercator county farmers around \$35,000 a year, it was stated at a plant-breed treatment demonstration.

FINED IN BOON COURT

Three Boone county residents have been fined \$15 and costs each by Judge Carroll L. Cropper in Boone County Court, Burlington, on charges of violating the state hunting ban between November 5 and 20.

Berry Kendall, Jesse Talbott, Jr. and Jesse Talbott, Sr. were cited Sunday by Ollie Herring, conservation officer. They pleaded guilty. Judge Cropper ordered their guns and ammunition returned to them.

Don Watson, 45, Indianapolis, Ind., was fined \$100 and costs on a charge of driving under the influence of liquor. His driver's license was suspended for six months.

TOBACCO SCALES BEING CHECKED BY STATE

The 1,400 scales in tobacco warehouses throughout the state are being given an examination through the Department of Agriculture's Division of Weights and Measures this month to make sure they are accurate when sales start.

The operation is in charge of George L. Johnson, director of the Division of Weights and Measures, and eight men assigned as his assistants. He declared there are 1,400 scales to be tested on 216 warehouse floors at 38 market points, and that the program is as intensive as any ever undertaken by the department.

CONVENTION DELEGATES

According to James B. Jones, president of the Boone County Farm Bureau, delegates, besides himself, who will attend the Kentucky Farm Bureau convention, in Louisville, November 15-18, will be: John E. Criegler, secretary; C. A. White, Lassing Huey, S. W. Eichholz, Robert Rogers, Joe Rouse and Sterling Dickey, directors.

LOT SALE NOV. 21

Fourteen building lots will be sold at auction on Saturday, November 21, at Morning View, Ky. The sale is being conducted by Rel C. Wayman & Sons, and a turkey will be given away. See detailed advertising in next week's paper.

Representative Rouse Speaks at Literary Club Meet

Members of the Walton Woman's Literary Club were entertained for the November meeting at the Phoenix Restaurant, with Mrs. J. L. Hamilton as hostess.

Mrs. Julia A. Rouse opened the meeting with the pledge to the flag, followed by reading the club clog.

A contribution was made to the fund for restoration of Independence Hall, Philadelphia. Members were also asked to make contribution to Greece, which country has been adopted by Kentucky in its international relations program.

Mrs. D. W. Scroggin gave a report on the meeting of the Kentucky Federation of Women's Clubs, which convened recently in Louisville. Reports were also given on the meeting of the Fifth District Federation, which was held in Maysville, October 8.

Quotations from the Psalms were given by Miss Jean Chambers in a spiritual talk on giving thanks. Members responded to roll call with current events. Mrs. Bryan Rector led in group singing, "We Gather Together."

Mrs. H. F. Mann, in a talk on "National Legislation," advised that we acquaint ourselves with the affairs of the nation and that we take advantage of the privilege of contacting our senators and representatives concerning a measure in which we have an interest. Mrs. Mann introduced Mr. Joe Rouse, Representative from Boone and Gallatin Counties, who gave an informative talk of his work in the Legislature.

Directed by Mrs. Rector, the group joined in singing "America," in conclusion of the program.

Delicious refreshments were served to the following guests and members: Mrs. Marc Rouse, Mrs. Bryan Rector, Mrs. J. C. Bedinger, Mrs. C. S. Chambers, Miss Jean Chambers, Mrs. J. R. Conrod, Mrs. B. W. Franks, Mrs. A. H. Gaines, Mrs. Clayton Jones, Mrs. H. F. Mann, Mrs. J. J. Marshall, Mrs. John Myers, Mrs. J. E. McCabe, Mrs. Anna Powers, Mrs. G. C. Ransom, Mrs. Julia A. Rouse, Mrs. S. D. S. Burley Tobacco Markets to Open November 30; To Sell Four Hours

BRADY JOHNSON

Services were held at 2:30 p. m., Saturday, at the Primitive Baptist Church at Dry Ridge, for Brady Johnson, 50, of near Florence, who died last Thursday while visiting in Dayton, Tenn. He succumbed at Thomson Hospital, Dayton.

Mr. Johnson was a retired ticket agent at the Cincinnati Union Terminal, and previously had been in railroad service for 31 years. He was a member of Good Faith Lodge, F. & A. M., Erlanger, and of the Scottish Rite, Covington.

He leaves his widow, Mrs. Mary R. Johnson; his father and step-mother, Rev. and Mrs. C. B. Johnson, Independence, and a sister, Mrs. Gerald Dixon of Devon.

Rev. E. A. Hutchison, pastor of the Primitive Baptist Church, officiated at the services, with burial following in Hillcrest Cemetery, Dry Ridge, under the direction of the Smith funeral home, Florence.

MRS. CLARA JOHNSON

Funeral services were held Sunday at 2:30 p. m., in the Hamilton funeral home, Verona, for Mrs. Clara Johnson, 65, who died last Thursday night at her home in Verona, with Rev. Hutchison and Rev. Kelly Kennedy officiating. Burial was in New Bethel Cemetery, Verona.

Mrs. Johnson, a native of Verona, had lived in Covington for a number of years prior to her return to this county six years ago.

She leaves her husband, Carroll Johnson, a daughter, Mrs. Cloyd Norman of Ft. Mitchell; a sister, Mrs. Frank Kiese-wetter of Covington; two grandchildren, and a great-grandchild.

STATE CHAMPION

Louis Ewbank, Warsaw, has received notice that he has been awarded the State Championship for 1953 in 4-H farm and home electric project, and has won an all-expense free trip to the National 4-H Club Congress, which will be held in Chicago, Ill., the first week in December, in connection with the International Live Stock Exhibition.

Louis, son of Mr. and Mrs. Ryle Ewbank, has been very active in 4-H Club work and has carried a total of 18 projects during the past six years. He won the State Championship on his sheep in 1951. He is a Junior at Gallatin County High School.

OAK ISLAND HOMEMAKERS

The November meeting of the Oak Island Homemakers was held at the community house. Thirteen members answered roll call. Ribbons were presented to six 100% members. A special holiday day was held and Mrs. Rapp taught basket weaving. Fifty pennies were sent to "Pennies for Friendship." A second lesson on child development was taught by Mrs. Russell Rector. Joining braids and rugs was conducted by Mrs. Claude Taylor and Mrs. Calvin Fennell. Mrs. Albert Martin presided.

VERONA HOMEMAKERS

The Verona Homemakers Club enjoyed another good day at the home of Mrs. Patty Waller. The business meeting was conducted and plans made for the usual Christmas gifts to the County Home and for the Christmas party at the home of Mrs. Edith Hamilton.

A beautiful table of delicious food was enjoyed by members and guests. The guests were Mrs. Elmo Thornton, Mrs. Minnie Davis, Mrs. Hannah Chapman and Mrs. Clements. Members present were: Fannie Edgington, Pearl Lamm, Ethel Fooks, Elizabeth Crowe, Florence Florence and daughter, Frances McCormick, Mae Wilson, Lizzie Noel, Edith Hamilton, Pierleona Kannady and Iolene Scott.

WALTON POLICE COURT

The following cases were tried in Police Court by C. G. Worthington: Otis Charles Adkins, 2512 Rector Ave., Dayton, Ohio, no operator's license. Joseph Taylor, Race St., Cincinnati, Ohio, drunk in a public place. Fined \$10 and costs. Everett Mullins, Verona, no operator's license, \$2 and costs, and leaving the scene of an accident, \$50 and costs.

FALL F.H.A. MEETING

The Covington District of Future Homemakers of America held the Fall District meeting at Highlands High School, Ft. Thomas, Saturday, November 14, beginning at 9:00 a. m.

YOUTH FOR CHRIST RALLY

Rev. Sam Hill, Jr.

Young and old are invited to attend an all-Northern Kentucky Youth for Christ Rally at the First Baptist Church, Walton, Saturday, November 14, at 8:00 p. m., according to Rev. C. N. Taylor, pastor of the local church.

Rev. Sam Hill, Jr., pastor of the Burlington Baptist Church, will be the guest speaker.

There will be a social for the youth after the services.

Settlement School Speaker Is Heard By Boone DAR

Miss Dorothy Nace of Pine Mountain Settlement School was guest speaker of the November 4 meeting of the Boone County Chapter, D. A. R. This school is on the approved schools list sponsored by the D. A. R. This year the Boone county chapter will send books, toys and clothing to the school at Christmas.

The Pine Mountain Settlement school was founded in 1913 through the generosity of William Creech, a pioneer in the area. At present, nearly 200 children attend the school, coming in daily on buses from homes scattered along narrow creek valleys. Mining and lumbering are the chief sources of income.

The school is supported mainly by contributions, is Christian but non-sectarian. Since 1949 Berea College has assumed a supervisory roll. Miss Nace also showed pictures of the settlement.

A letter was received by the chapter from the students at the Burlington Colored school, thanking the chapter for playground equipment sent to the school.

A delightful social hour followed at the home of Mrs. Dean Caton. Hostesses for the evening were Mrs. Caton, Mrs. Davis Gaines, Mrs. Ashlin Logan and Mrs. Clyde Arnold.

Members present were: Mesdames Clyde Arnold, Ruth Baker, Frances Berkshire, Clifford Coyle, Harold Conrad, Sam Denham, Sr., Sam Denham, Jr., John L. Feagan, Charles Goodridge, Virginia Goodridge, Ashlin Logan, H. S. Hawes, John Lockwood, Roy C. Nestor, Evelyn Tanner, Rufus Tanner, Grant Talin, William Tupman, Frank Weidenkoff, Clarence Wolfe, J. B. Wolfe, Lillian Schramm, Misses Jeanette Grubbs, Jean Sleet, and Margaret Goodridge.

Guests were Mrs. Ralph Smith, Mrs. Robert J. West, Mrs. Walter Arnold, and Misses Sherry Denham and Virginia Royale Nestor.

TO ATTEND CONFERENCE

Robert Jackson of Morning View, technician for the Northern Kentucky Proved Fire Service, will attend the State Technical Conference at Purdue Center, Indianapolis, Ind., Friday and Saturday, November 13-14.

The conference will start Friday afternoon at Purdue Center, where Prof. E. A. Gannon will discuss "Is the 6.6% Increase Enough?" Gannon will point out the many practical methods that can be used by technicians for helping the dairymen do a better management job for better breeding.

Members of Marion county homemakers clubs are concentrating on the lesson called, "Guides to Make Work Easier."

Holiday Recess For Dec. 18 to Jan 4

The 1953-54 burley sales season will open November 30 on a four-hour daily selling basis, it was announced this week by the Burley Auction Warehouse Assn.

The association includes in its membership more than 90% of the warehouses in the 10-state burley belt. It was estimated by the committee that 370,000,000 pounds, or 68% of the estimated 577,000,000-pound burley crop, will be sold during the selling period before the holiday recess.

Most committee members expressed belief the warehouses will be well filled for the opening sale November 30, pointing out that despite the extremely dry weather more tobacco has been stripped so far this year than in the same period last year.

Last season, in 15 selling days preceding the holiday recess, 54.4% of the crop had been sold.

THEODORE CARPENTER

Services were held at 2:00 p. m., Thursday at the Chambers & Grubbs funeral home, Florence, for Theodore (Dode) Carpenter, 85, retired Boone county farmer, who died November 3, at his home near Richmond. Burial was in the family cemetery at Richmond.

A lifelong resident of the Richmond community, Mr. Carpenter leaves four sons, Eldridge and Charles M. Carpenter of Florence, and John R. and Earl H. Carpenter of Wagoner, Okla.; two daughters, and two great-grandchildren.

Mrs. Fred Ruppel was elected president; Mrs. Gerald Dietrich, vice president; Mrs. Elbert Tanner, secretary and treasurer; and Mrs. J. A. Vomberger, publicity chairman. Mrs. Foote of Goodridge Drive and Mrs. Dorothy McGuire of the Dixie Highway, Florence, assisted with the organization.

RIDGEVIEW HOMEMAKERS

The Ridgeview Homemakers was organized at the home of Mrs. Fred Ruppel. Attending were Mrs. D. R. Fidelity, Miss Carolyn Fakes, Mrs. Roger Knox, Mrs. Emerson Antrabus, Mrs. Gerald Dietrich, Mrs. B. E. Oveling, Miss Miriam Vomberger, Mrs. Elbert Tanner, and Mrs. J. A. Vomberger.

Mrs. Fred Ruppel was elected president; Mrs. Gerald Dietrich, vice president; Mrs. Elbert Tanner, secretary and treasurer; and Mrs. J. A. Vomberger, publicity chairman. Mrs. Foote of Goodridge Drive and Mrs. Dorothy McGuire of the Dixie Highway, Florence, assisted with the organization.

Buy Feed or Sell Cattle Is The Question

Buy feed or sell cattle? Because of the drought this is a question many Boone county farmers must answer, according to Joe Claxton, County Agricultural Agent. This is a bad time to sell poor cattle, so let's count the cost:

1—How many cattle do you have and what are they worth on today's market? Are they fat enough to butcher or will someone else have to carry them over? What would they be worth on today's market if they were (corn-fed) fat?

2—How many cattle will it take to eat next summer's pasture? 3—How much feed will you have to buy to get the above number through the winter? Assume that mature cows need 1 to 2 tons of hay, depending on their size and pasture available; yearlings, 3/4 to 1 1/2 tons of hay; calves 1/2 to 3/4 ton of hay plus 1/2 to 1 percent of their live weight of grain daily.

Farmers should take inventories of their feed supply, what they need to buy and which cattle or other stock they should sell. Good breeding animals should be carried through, if at all possible. Hay, silage and other roughage can make up most of the winter feed.

If the farmer has not enough feed, Claxton said he would advise them to sell dry breeders, diseased animals, old stuff, off-type cattle and cattle that sell well as feeders of light slaughter cattle. However, he does not advise selling animals that could be used to build up good herds and flocks next season, if feed can be had to carry them through the winter.

Dodge Offers New Royal V-8 for 1954

Highlight of the 1954 Dodge line is the new super deluxe series known as the Royal V-8. A completely new interior styling is keyed to harmonize with 11 different body colors and 16 two-tone combinations. The Royal V-8 series is keynoted by Jacquard upholstery fabric, previously used only for rich tapestries and expensive furniture. On the exterior, a new spear-like chrome moulding accents the low, sweeping lines and lends a smooth, modern look. There

also is a new grille design and treatment of headlights, taillights and wheel covers. The 1954 Dodge line also introduces such engineering advancements as PowerFite, a new fully-automatic transmission; the economy-and-endurance tested Red Ram V-8 engine stepped up to 150 h.p. and 7.5 to 1 compression ratio; and a new type full-time power steering unit. The Coronet Six and Meadowbrook Six have been stepped up to 110 h.p. and 7.35 to 1 compression ratio.

THE BIBLE SPEAKS

International Union
Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Stewards Of God

Lesson for November 15, 1953

Scripture: Leviticus 25:15-22; Deuteronomy 8:1-18; Psalm 24:1; Malachi 3:1-5; Matthew 23:14-36; Luke 12:13-34; 21:1-4; 1 Corinthians 16:1-4; 2 Corinthians 9:1-5.

IF THERE is anything the Bible teaches clearly, it is that man does not own this earth. It is given him, not permanently, not to do with as he pleases, not to waste, not to use selfishly; but given him, to each generation, to use for the service of man and to the glory of God. Man is expected to contribute something of his own toil and thinking; expected to put something in as well as take something out. Human nature being what it is, we tend to take credit to ourselves for all we possess. However, when a man honestly recognizes how much of what he has comes to him as a gift from God, he can see that his life is a partnership with God and that God as an investor in the human enterprise has the rights of a senior partner and owner of most of the stock. To act as if we ourselves were the lords of creation is plain dishonesty.

The Church, God's Special Agent

Let it be said again, though it has been said before: The church is the one community on earth which is devoted solely to carrying out the purposes of God. The church is God's channel of action; the church is the body of Christ through which our Lord lives and works. The church is the one organization devoted to the "ideal world"—the kingdom of heaven—which aims at bringing about that world through the most fundamental of all methods, transforming life from within. The church is the one organization on the planet whose aims actually go beyond time, for its intention is to prepare men not only for usefulness here under the sun but for eternal life.

Now you would think that church members would realize this and act accordingly. But most of them do not. (Query: Is a "church member" who neither knows nor cares what the church is doing a real member at all?) Look at these facts: Out of the total income of church families throughout the U. S. A., only 1.1 per cent is being given to churches and their work. Only 1.83 per cent of taxable income is deducted for gifts. Only about 45 per cent—less than half—of the present membership give anything of record for local church support; and only about 30 per cent give anything to the outreaching benevolent activities of the church. You might not be surprised that non-Christians are selfish; but when more than two-thirds of the enrolled church members don't put in one red cent for the unselfish purposes for which the church exists, something is rotten in Christendom.

Four Points In The Christian Program

Let us come to some more brass tacks. There is no argument among the leaders of all Christian churches that there are four major emphases in the program of the church. 1. Evangelism—winning new Christians. (If you don't believe in that, you are voting for Christianity's sickness and death.) 2. Christian education—training better Christians, learning how to serve as Christians in every walk of life. (If you don't believe in that, you are voting for an untitled kind of Christianity, blind to the problems of life today.) 3. Missions—spreading Christianity into new territories. (Don't forget that if it had not been for missionaries, your own race would never have heard the gospel.) 4. Stewardship—the active recognition of God as giver of life and life's possibilities, of God as senior partner in our lives, of the fact that what we have, we hold in trust for him.

Now it must be clear to any one who will take the time to think it over, that if point four is left out, the other three will just collapse.

What Is Your Church Doing?

At the grass-roots of this whole problem is the local church. What is yours doing to improve this situation of neglect? Does the minister preach on stewardship? Is stewardship studied in the church school? Do the adult study classes ever look into this matter seriously? Are new members "briefed" about being stewards of God? Do the young people's programs ever go into this?

Open the Door!

The only tragedy in being young is that you must depend on the common sense and far-sightedness of adults.

For when you're young, even though your heart cries out for opportunity, there are doors to which your parents hold the key.

One of these is the door to Faith. A child wants to believe. He needs religious teaching. God has implanted in his tiny body a growing, hungry soul.

But millions of America's little ones are being barred from the Church, starved of spiritual nourishment by unthinking parents. They are chained to unbelief, condemned to moral immaturity by fathers and mothers who have lost their own faith, and have ceased to care.

Do you know these parents? Are you, perhaps, one of them? Remember Who it was who said, "Suffer the little children to come unto me, and forbid them not." OPEN THE DOOR!

THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy, nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

City Ordinance 230

On Ordinance annexing certain territory South of Stephenson Mill Road, West and North of the present City boundary, in the vicinity of Central Avenue of High School Court, accurately described by metes and bounds.

WHEREAS, the City Council of the City of Walton has by Ordinance No. 228 proposed the annexation of certain territory described in said Ordinance, representing that the same would be advantageous to the entire community of the City of Walton, and

WHEREAS, the said Ordinance was published in the Walton Advertiser for four (4) consecutive issues and all those effected by the proposed annexation were advised in said Ordinance that the same would become a part of the City of Walton unless a civil action was filed as provided in K.R.S. Section 81.100 and 81.230, and no such action having been filed,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1. That all of the territory located within the boundary as hereinafter set out is annexed to the City of Walton, Boone County, Kentucky, a City of the Fifth (5th) Class, and that the same shall hereafter be a part of said City and subject to all of the benefits and privileges which the said City provides.

Section 2. The property annexed to the City of Walton is described in words and figures as follows, to-wit:

Located generally West of the present (1953) Boundary and contiguous thereto and described particularly thus: BEGINNING at a point in the present (1953) City Limit in the center of Stephenson Mill Road, said point being 175 feet Southwest of the intersection of the said road with the centerline of the Walton-Beverly Rural Highway; thence along the Stephenson Mill Road centerline in a Southwesterly direction 710 feet or sufficient to reach the intersection of the projection of the West line of High School Court Subdivision; thence with said West line of said subdivision in a Southwesterly direction and with a line passing through the old C. W. Ronder property, a total distance of 500 feet to intersect the present City Limit Line in the North line of Alta Vista Subdivision; thence along the said line of said subdivision and with the present City Limit 180 feet or sufficient

to reach a corner of said present City Limit; thence with said present city limit North 9 degrees West 1125 feet to a point and corner of said City Limit, 125 feet Southeast at right angles of the centerline of Stephenson Mill Road; thence parallel to said centerline South 47 degrees 50 minutes West 150 feet; thence North 32 degrees 50 minutes West 125 feet to the place of beginning.

Section 3. That from and after the passage and the publication of this Ordinance the foregoing described territory shall be included within and considered as a part of the City of Walton, a fifth class city, of the Commonwealth of Kentucky.

Passed by the City Council of the City of Walton, Kentucky, at a regular meeting of Council by a vote of 5 members of the Council on the 9th day of November, 1953.

Mt. Zion Homemakers

The Mt. Zion Homemakers held their October meeting in the home of Mrs. Hubert Winburn. The club was happy to welcome a new member, Mrs. Beutell. Penalties for friendship were collected and plans for the Christmas party were made. The reading chairman, Mrs. Roger McGuire, wrote a poem, "Just A Homemaker," and read it to the group. A delicious lunch was served by the hostess.

The afternoon lesson, "A Well Equipped Medicine Cabinet," was given by Mrs. Charles Hempling and Mrs. Wm. Miller. Mrs. Frank Domaschko and Mrs. Roger McGuire gave a review lesson on Textile Painting. Mrs. George Otten was in charge of recreation.

Those attending were Mesdames Romer Burns, Charles Hempling, David Volz, Frank Bresser, George Otten, Frank Domaschko, William Miller, Roger McGuire, John Beutell, Clyde Howell and the hostess, Mrs. Hubert Winburn.

Mrs. D. K. Johnson of Walton, taught a mission study book "Let's Listen," at New Bethel church last Thursday for the Walton and Verona W. M. S. We appreciated Mrs. Johnson's teaching, the book and also enjoyed the other ladies being there. We had a nice day of fellowship together.

TRIMBLE HAS BEST TOBACCO IN YEARS

County Agent Millard R. Maxey of Trimble county says some farmers are reporting the best tobacco in several years. The good crop may have come from the use of high-analysis fertilizer plus additional amount of potash, with less ammonium nitrate than ordinarily used, Mr. Maxey thinks.

Simon Kenton Band Boosters Club

The regular meeting of Simon Kenton Band Boosters Club will be held Monday evening, November 16 at 8 p. m.

A representative from a firm selling uniforms will be present to discuss styles and prices for band uniforms. It is urgent that all band parents attend. There will be refreshments after the meeting.

Simon Kenton P.T.A.

R. C. Hinsdale, principal of Simon Kenton High School, discussed the proposed plan for a minimum foundation in Kentucky at the November meeting of the Simon Kenton P.T.A. Mrs. William Eger presided.

Mrs. Woodrow Warthington led the devotional period. Lloyd Martin's home room won the attendance award.

Kenton Elementary P.T.A.

The regular monthly meeting of the Kenton Elementary P.T.A. has been changed to November 12 at 7:30 p. m., at which time National Education Week will be observed with an Open House program. Mrs. Wootson Ashcraft will preside.

4-H Club Leaders

A recognition banquet for 4-H club leaders of Kenton county is to be held at 7:30 p. m., Saturday evening, Nov. 14, in conjunction with National 4-H Achievement Week. All the local volunteer 4-H club leaders have been invited to the event, which is being sponsored by one of the local chain stores, in cooperation with the Kenton County 4-H Club Council.

At the meeting, being held at the Covington Y.M.C.A., certificates of service will be presented to the leaders. The past year's 4-H club activities will be reviewed and announcements for the coming year made.

Frostbite

With winter ahead, you will want to take note of a Red Cross change in first aid treatment for frostbite. Previously it was recommended that the frozen part be allowed to thaw gradually. Now the Red Cross says medical evidence shows it best to rewarm as rapidly as possible, using warm water or warm wrappings. Don't use hot water; excessive heat can be damaging. And don't rub with snow or massage. That may injure tissues, cause gangrene.

You can get a copy of a free leaflet covering both frostbite and changed recommendations on use of a tanniquet from your nearest Red Cross Chapter.

Masonic Meeting

There will be a regular meeting of Bradford Lodge, 123, for all members of the order. Examination of the second degree will be given, along with the regular business session. All members are cordially invited to attend. The meeting will begin at 8:00 p. m., Thursday, November 12, at the Independence Bank Building.

Fire Department

The next regular meeting of the Independence Fire Department will be held Monday, November 16, at 8:00 p. m., at the Independence Fire House. All members are invited to attend.

Night Driving

Be extra careful if you use amber glasses or a tinted windshield as glare protection in night driving. That warning comes from the director of the University of Michigan's vision-research laboratory. "Anything that reduces the amount of light available at night," says the director, "reduces the ability to see. That includes night glasses, heat-absorbing glasses, or even dirt on the automobile windshield."

STAFFORDSBURG

Very interesting was the program of the fellowship supper and worship service Sunday, when Rev. C. S. Philip, a native of Travancore, State of India, was the speaker. He is a student of Asbury College, and we recommend any church to invite him for a program.

Miss Hope Keeney spent a few days the past week with Mr. and Mrs. Morris Wharton of Dayton, Ohio. She is leaving Tuesday for Houston, Texas.

Miss Minnie Rapp entertained the Rev. Johnson family and Rev. Philip on Sunday.

The Charles Loser family visited her sister, Mrs. William House, and Mr. House.

Mrs. Howard Barnett entertained the Homemakers club for the November meeting. Assisting was her aunt, Mrs. May, of Somerset.

Mr. and Mrs. H. Barnett visited relatives near Winchester, over the week end.

Joyce Adams, Aldham county, leadership; Annette Allen, Fayette, canning; Lois M. Allen, Webster, foods; Nancy Bertram, Barren, frozen foods; Eugenia Brown, Oldham, girls record; Martha Carter, Ohio, safety; Lois Clabey, Fayette, room improvement; Mary Corlier, Mercer, garden; John Dawson, Campbell, dairy; James Ewbank, Gallatin, farm and home electric; Helen Fleeman, Brocken, clothing; Helen Garside, Fayette, housekeeping; Dennis P. Henson, Marshall, forestry; and Roy Huffman, Leslie, poultry.

Mary Hufflage, Jefferson, girls citizenship; Maggie Kash, Wolfe, bread demonstration; William Luce, Ohio, swine; Claudette Moss, Shelby, achievement; Joe Neal, Johnson, field crops; Ray F. Page, Warren, tractor maintenance; Howard Ragland, Lurie, leadership; Wilmo Reams, Laurel, girls public speaking;

Eddie Royal, Ohio, sheep; Edwin Scott, Green, farm labor; John Shepard, Pike, boys public speaking; Judy Ann Stinnett, Hopkins, dairy food demonstration; Doris Smith, Jefferson, meat animal, and Shirley Wiley, Fayette, dress revue.

Twelve Webster county women who took homemakers' lessons in tailoring claimed a saving of \$837 on 76 garments.

Approximately 100 farmers in Lee county primed tobacco three times this season.

The subject of "Clothing Guideposts," is being studied by homemakers clubs in Calloway county.

Three bulldozers have been busy digging ponds, straightening creeks and clearing land in Menifee county.

Members of Anderson county homemakers clubs ordered tulip, ranunculus, iris and hyacinth bulbs for fall planting.

Pulaski county eggs shipped to Texas for trailer production brought 75 cents a dozen.

James Hamilton, Johnson county 4-H club boy, harvested 137 bushels of corn on an acre.

Corn was so dry in Lyon county that ears fell off when the mechanical picker hit the stalks; farmers turned in stock to pick up the corn.

Good corn in Daviess county has created interest in increased hog production.

Clothing made from cotton bags won \$75 in prizes for girls in the Shelbyville 4-H Club.

Ryland Homemakers

A very profitable aspect of homemakers' work was shown by the annual reports on home remodeling, food preservation and tailoring clothes, given by members of the Ryland Homemakers at their November meeting in the home of Mrs. William Barnes, Kenton. Because of the arts learned through the clubs many families can live better with a considerable saving in money.

In observance of book month, November, Mrs. O. J. Williams asked each of the members to give a review of some book which she had found particularly interesting.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Srup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative causes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

STATE-WIDE WINNERS against 18 other contestants in a talent contest at the Kentucky Rural Electric Co-operative meeting in Louisville, ate the dance-team of Leroy Reams, 10, and Janet Feltman, 8, both of Covington.

Mrs. J. H. Lawson, garden chairman pointed out that November is the time for planting, cultivating, and fertilizing shade trees and shrubs.

Mrs. Frank Hermes and Mrs. Everett Wilson gave the second in a series of lessons on child development. In this lesson, they dealt with the importance of training a child to assume responsibility. Adults should allow children to do things for themselves and to share responsibilities of home and community life, thus increasing initiative, self reliance as well as self satisfaction.

Work was continued on braided rugs, under the direction of Mrs. William Schwall and Mrs. J. H. Lawson.

Mrs. Alfred Rich and Mrs. Rudolph Casson were welcomed as new members. Others in attendance were Mesdames William Barnes, William Bagby, William Damon, J. H. Lawson, G. J. Williams, Everett Ilson, Ed Houser, G. A. Damon, Oliver Gee, William Schwall, Harold Halfhill, R. C. Christman and Miss Ruth Schmidt.

Mrs. William Damon will be hostess for the December meeting, which will be in the form of a Christmas party, with a fifty-cent gift exchange. Members are also to bring an article of food for a Christmas basket for a needy family.

University of Kentucky lessons in landscaping have been attracting attention in Grayson county.

Twenty families in Larue county are expected to enroll in the Farm and Home Development Program.

Jess Daniel of Ohio county produced 132½ bushels of corn on an acre.

When Willie Shepherd of Magoffin county applied baron and potash, yellowing of alfalfa leaves cleared up and they became dark green.

Beechgrove Home'kers

A lesson on the braiding of wool rugs was given by Mrs. E. A. Sterling and Mrs. R. R. Quick at the October meeting of the Beechgrove Homemakers, in the home of Mrs. E. B. Sterling, with Mrs. F. M. Powers serving as co-hostess.

Plans were made for the family Christmas party, to be held at the home of Mrs. F. M. Powers. The Homemakers Creed was read by the reading chairman, Mrs. E. B. Sterling. A work day for basketry was set, to be in the home of Mrs. William P. Meyer.

Two new members, Mrs. Jack Gorman and Mrs. George Finnell, were welcomed into the club.

Guests attending were Mrs. William Wolsing, Mrs. Roy Kumlir, Mrs. Vernor Stephend, Mrs. Gregory Bramlage and Mrs. W. W. Langley.

Staffordsburg Homemakers

Mrs. Floyd Smith, vice president of the Staffordsburg Homemakers Club, opened the November meeting with the Pledge to the Flag. Mrs. Thomas Byrne read the "Homemakers Creed," and Mrs. John Shaw led the devotional, reading from Psalms 103. Hostess for the day was Mrs. Howard Barnett.

A biography of Robert Louis Stevenson was read by Mrs. Bluch Rich, reading chairman. Mrs. Russell Rector, Oak Island Club, gave the lesson on "Teaching Children Responsibility." Mrs. Edith Ware gave helpful hints on the care of trees. Instructions for lacing braided

rugs were given by Mrs. L. J. Rapp and Mrs. Roy Payne.

Other members present were: Mesdames H. L. Faulkner, Herbert Barrow, George Klein, Ernest Ryle, Mabel Vandlingham, Emil Stein, Denver Blinder, J. C. Beall, Ralph Howard, L. M. Deuser, J. A. Keeney, Clinton Henry, J. J. Barnett, Chester Hill. Guests were Mrs. Harry Cooper and Mr. and Mrs. Troy May.

Water Situation Calls For Plans Next Year

For many farmers the critical point in getting livestock through the winter may not be feed so much as water, unless abundant rains come, says a statement of the University of Kentucky Agricultural Extension Service.

On most farms little or nothing can now be done to help the immediate water supply situation, except perhaps drilling wells in areas where such drilling would seem to offer chances of success, it is noted.

"Now may be a good time, however, to make plans for new farm ponds, well located and adequate in size and structure to supply plenty of water even during extended drought," it is suggested. "In areas where little difficulty is experienced in constructing ponds which

will hold water, farmers will want to consider the possibilities of constructing ponds adequate not only for livestock but for irrigation of certain critical acreages. No farmer now suffering from drought needs to be told what it would mean to him in another such emergency to have a pond adequate for irrigation of 10, 20 or more acres of emergency pasture or other crop land."

Both for longer life of the pond and cooler, cleaner water, the pond should be fenced off from livestock and the water

plied by gravity to troughs below the dam.

For livestock water another possibility is the construction of large, half-submerged cisterns of the tobacco barn. Costs of such structures are not excessive. Plans may be obtained from county agents or from the Agricultural Engineering Section, University of Ky.

Several farmers in Edmonson county are planning to install irrigation systems.

Small Town Merchant

Last week I wrote a short sketch about the farmers. I thought maybe I should write a short sketch about the country merchant, who serves these farmers. Of course a lot of people think if you have a store stocked with merchandise you have a lot of money and are getting rich—well, I have been in Walton since 1925 and I don't know anyone who got rich operating a store in Walton—there just isn't that much money circulating here. As I told you last week, the farmers, as a whole, are the finest lot of customers anyone could have. The small town merchant has all kinds to deal with besides farmers—we have lots of good customers who are not farmers and we also have the other group who partly live off the different merchants, whether it be grocery, dry goods, hardware, garage, filling station or lumber company. We all donate a little each year—every merchant has a weak moment when he says yes and should say no, but that goes along with being a country merchant. I am not singing the blues because I have been here long enough to say no instead of yes more than I did years ago. I have always said that most every person will pay their store accounts if they can get the money—of course there are some who will never pay. This was election day—very quiet, no fights, very few arguments, lots of people puzzled about the amendment vote. It was not explained, no one knew what they were getting if they votes yes—all they had was what the school people told them. The wording on the ballot stated nothing, which puzzled most voters. We three worked all day cleaning the store, washing windows. We had several customers—Harve Vest called for a roll of fence. Glenn Edens wanted two boys of fertilizer to put on his lawn. Mrs. Pruett put a night lock on for Cora Bethel—helps me out on these jobs real often—he is still a good mechanic for his age. Elsie Jack came in and paid for that Perfection oil heater that Brewster set up a few days ago. Mrs. Walter Hon was in telling me what a fine Perfection oil heater she had—we put this one in some weeks ago, but she has not really had weather to try it out. Mrs. Emma Wolfe met me on the street today and was telling me about her oil heater—I have these stoves all over five counties, on hilltops, in valleys, some with high chimneys and some stuck in a grate—Perfection will work when others fail, but the better the chimney, the better service you get.

Those Perfection heaters are like an automobile—if they get and air when they run when the fire lights that gas and air—so will those Perfection heaters heat if they get the oil and air when you light them. Doc Vest bought a 9x12 Armstrong rug and felt paper to put under it. The farmers are buying electric wire and

material to put lights in their striping rooms—some are using daylight bulbs, others are using the fluorescent fixtures—we have four-foot long for \$14.50 complete, card, chains and all, just plug them in.

We received a large shipment of screen glass, Wyr-Glass, Flex-O-Glass and Dura-Pane to put over your windows and doors to keep the cold out. We have several kinds of weather strip and Mortite caulking. We have screen glass and Dura-Pane 28, 36 and 48 inches wide; we also have the clear plastic sheets 36x84 with waulding and nails for only \$1.00 each. Fred Brown from Crittenden brought down a lot of old furnace pipe for pattern to get new—Chick was working on it and the fire siren blew—he took off in high gear, so Brewster and I finished it. It doesn't matter what he is doing or who he is waiting on, when that fire siren blows he is gone, generally the customer just stands and looks at him go out the front door—one man wanted to know if he had running fites or what was wrong with him—he is a real fireman.

John Daney bought Edith a nice adjustable ironing board with pad and cover. The colder weather is blowing in—we've sold several wood heaters and portable Perfection oil heaters. We have some very nice gas heaters for someone who cooks on gas and wants to heat their kitchen. Brewster can put a tee in the line and hook up a gas heater right by your cook stove. Ray Eckler and wife bought a beautiful hooked rug pattern of Armstrong linoleum and Bolce interior glass point. Mrs. Ethel Sheppard, one of my fine and faithful customers, always here the first of every month—she has bought lots of hardware from me and always did what she said she would do. Today, she said she needed a GE clock, so she took a very nice one home with her. She is such a nice person.

Thomas Guard came off 25 lbs. of Bondek, 150 ft. of water hose and 3 gallons of Bolce outside white paint. Mr. and Mrs. Brooke Ranson, who are building a new home, bought Bolce outside paint to put on the first coat of paint—always use good paint for the first coat on new houses and you will always have a good paint job. Joe Kennedy was down after more screen glass—he is covering all the windows. Denver Gabbard came after two gallons of linoleum paint—he sure has remodeled that house from top to bottom.

Mrs. Lunsford bought a coal and wood heater and Brewster delivered it and set it up. Henry Glavin and wife bought a Day-Nite cool heater, put it in their car and took it home. Bessie Ford bought an Arvin electric heater. Alice McKay came in and wanted her oil heater set up—she bought some time ago—we were right on the job. Try CONRAD for service!

Local Legion Post Names New Officers

At a regular meeting last Tuesday night, Johnson-McElroy Post, American Legion, elected officers for the coming year, as follows: Commander, Robert W. Mee, who replaced Ralph M. Scott; First Vice Commander, Hayes Collins; Second Vice Commander, Ray Brown; Adjutant, Ralph M. Scott; Finance Officer, Howard Feldhaus; Service Officer, Harry Allphin; Sgt.-at-Arms, Gus Hoelscher; Chaplain, G. W. (Ab) Ryan; Executive Committee, Howard Feldhaus, John Ryan and Joe Kennedy.

It was also voted to hold meetings the second Tuesday of each month.

The new officers were installed and have already started off the new year with 12 members having paid their dues for the coming year.

Anyone wishing to pay their membership dues may do so by contacting any of the new officers of the Legion Post.

Dues for the coming year are \$4.00. \$2.50 of this goes to the State Department, which includes subscription to the American Legion magazine, and \$1.50 is kept by the local post.

A \$5.00 donation was given to a veteran and his family to help them get to their home in Michigan.

BEN OMER SUTTON

Ben Omer Sutton, 67, of Verona, Route 1, passed away at his home November 14, quite suddenly. He was a farmer. Survivors include his wife, Mrs. Katie Sutton; a daughter, Mrs. Ray Scudder of Warsaw; two brothers, Elmer Sutton and Charles Sutton, both of Verona, Route 1; several nieces and nephews.

Services were held Monday, Nov. 16, at 2:00 p. m., in the Hamilton funeral home, Verona, with Rev. Kelly Kennedy officiating. Burial was in the Hance Cemetery.

JAMES J. HUFFMAN

James Julius Huffman, of near Big Bone, died at his home November 12. He was 83 years of age, and a farmer. He is survived by a sister, Miss Norma Huffman, Walton Star Route; 13 nieces and seven nephews.

Funeral services were held at 2:00 p. m., Sunday, November 15, at the Hamilton funeral home, Verona, with Rev. Kelly Kennedy officiating. Burial was in South Fork Cemetery.

Thanksgiving Dinner Enjoyed At Dry Ridge

Monday, November 16, E. J. Beck, Supervisor of the Fifth District of the Department of Fish and Wildlife Resources, and Mrs. Beck, gave officers and their wives of the district a Thanksgiving dinner at the Caribbea Hotel, Dry Ridge.

A lovely dinner was served at 6:30 p. m., for the following officers and wives: Mr. and Mrs. Charles Smith and Mr. and Mrs. Harry Morgan, Carrollton; Scott Ballard, Owensboro; Frank Duncan, Mt. Olivet; Mr. and Mrs. Joe Wilson, New Castle; Mr. and Mrs. James Keaton, Cynthia; Mr. and Mrs. Kenneth Eckler, Falmouth; Mr. and Mrs. Elmer Martin, Covington; Mr. and Mrs. Pat Curry, Dry Ridge; Mr. and Mrs. Atlas Lynn, Williamsburg; Mr. and Mrs. Billy Bell, supervisor of Junior Clubs, Cold Springs; Mr. and Mrs. Ollie Herrington, Walton; Commissioner Dr. A. W. Belts and Mrs. Belts, Newport, and the host and hostess, Mr. and Mrs. E. J. Beck, Southgate.

The dinner was a great success and was enjoyed by all. Afterwards, the men were called together for a business meeting and discussion.

PINER P.T.A. MEETS

The Piner P.T.A. met Thursday, Nov. 12, with the vice president, Mrs. Chas. Hurd, presiding.

The devotion was led by Myra Cook, Durnell. The business session, Mr. Brown reported on the electric bell system which was purchased last month. He also expressed the need of a new Dittio liquid duplicator for the school. It was later voted to purchase the new duplicator, also an electric mixer and additional dishes for the cafeteria.

Each room presented a short program in observance of American Education Week. After the program, the rooms were visited and refreshments were served to a near record attendance.

The second grade won the award for having the most parents present.

WATER SCARCE

The officials of Walton would like the citizens who use city water to know that the Waterworks reservoir is at the lowest point since it was installed 20 years ago. It is imperative that water be used as economically as possible by everyone so that it will not be necessary to ration it by restriction. It is hoped that this situation will be of short duration, but it will require much rain or snow to appreciably increase the water level in the lake. Please cooperate, so that no one will be inconvenienced by rationing of water.

Thanks,
WALTON CITY COUNCIL
R. M. Hall, Mayor.

THOMAS J. FAHEY

Requiem High Mass was sung at 10 a. m., Saturday at St. Cecilia Church, Independence, following prayers at 9:15 a. m., at the Middendorf funeral home, Covington, for Thomas John Fahey, Walton farmer, who died last Wednesday at his home on Green Road. Burial was in the church cemetery.

Mr. Fahey was 79, and a member of the Holy Name society of the church. He leaves his widow, Mamie; a son, Joseph, with whom he lived; four daughters, Mrs. Joseph F. Kunkel of Union, Mrs. Frank E. Butler of Walton, Mrs. William P. Meyer, Jr. of Florence, and Mrs. Ray Winn of Ludlow; a sister, Miss Mary Fahey of Ft. Mitchell; 28 grandchildren, and one great-grandchild.

THANKSGIVING SERVICES

The city-wide Thanksgiving service has been changed to Wednesday night, November 25, at the Walton Baptist Church with the pastor of the Christian Church, Rev. Charles A. Vaughn, as the speaker. Special music will be presented by the various churches. Services will begin at 7:30. Everyone invited.

FILMS AT HICKORY GROVE

Rev. Franklin Lipscomb, pastor of the Hickory Grove Baptist Church, announces the showing of two films dealing with the life of Apostle Paul, "The Plain Way of Salvation" and "Faith Triumphs." Rev. Lipscomb cordially invited every one to the Hickory Grove Baptist Church located on Taylor Mill Road just north of Nicholas on Saturday evening, Nov. 21, at 8:00 p. m., to view the showing of these pictures.

GRANT FARM SOLD

Through F. W. Lusby, Realtor, Mr. and Mrs. Ed Lay of High School Court, have sold their farm in Grant County to Dr. and Mrs. Spurgeon Simpson of Erlanger.

PINER BAPTIST W.M.S.

The W. M. S. of the Piner Baptist Church held the following report at a recent meeting: Number of meetings held in third quarter, four; number present at regular meetings, 34; regular offering, \$34.81; offering for state missions, \$34.36; total offering for quarter, \$69.17; visits made to sick, 52, and 89 cards sent; six members called at Booth Hospital, visiting 34 patients and passed out tracts; box of clothing, valued at \$20 was sent to Oneida Institute; fruit and vegetable shower given to the Northern Kentucky Baptist Home in Newport; fresh produce and canned goods, valued at \$10, taken, and \$2 was given on the clothes dryer for the laundry at the home; the society purchased tablecloths for six tables in the church basement; motion was made to send church bulletins to members and friends in the service and away at school.

The quarterly W. M. U. meeting of the North Bend Association was held at the Piner Baptist Church, July 23, with 153 persons present. Bro. C. N. Taylor of Walton Baptist Church brought the inspirational message of the day. In the afternoon session, Mrs. Bear, a returned missionary to the Indians in Arizona, gave a very excellent talk in regard to her experiences in that mission field, and the great need of more workers there.

MARY ELLEN PIGG

Services were held at 10:30 a. m., Wednesday at the Stith funeral home in Florence, for Mrs. Mary Ellen Pigg of Walton, who died Sunday at her home in Elmore, after a long illness. University of Kentucky authorities reported this week that 58 students from Boone county are among the 5,652 men and women attending the institution during the current fall semester.

Boone counties enrolled are Carlton Anderson, George Hatzel, Marie Coyte, all of Ludlow; William Bailey, Jacob Riddle, Paul Rogers, John Walton, all of Petersburg; George Baker, Robert Hall, Donald Thomas, Robert Pruett, Robert Thomas, Charles Vaughn, Mrs. Thelma Vaughn, Anna Webb, all of Walton; Robert Bowling, Gayle Rouse, Robert Combs, Samu Hoipner, Paul Hogan, Dorothy Caldwell, Donald Hogan, Mrs. James Huey, Lillie Kelly, Mrs. Maude Kelly, Peggy Kelly, Mary Kelly, Janice Kinman, Herbert Ockerman, Vera Scott, Beulah Skuse, Peggy Skerschok, Martha Wolfe, Phillip Yetton, all of Burlington; Ronald Crume, Tom Huey, Garland Huff, Ivoree Huff, Donald McClure, Billy Ogden, Allen Sloback, all of Union; Barbara Denham, Charlotte Fullerton, Ralph Arnold, James Boser, Ruth Colvin, Lucille Jones, Jean Jones, Anna Lutes, William McKibben, William Maddox, Billy Makersberg, Sara Makersberg, Lloyd Martin, Thomas Morith, Alan Utz, Jr., all of Florence; Rosemary Domaschok of Erlanger, and William Johnson of Crittendon.

Christmas Seal Sale Under Way In Boone County

The annual Christmas Seal Sale began Monday, November 16, according to Mrs. Mary C. Cress, president. Most Boone counties already have their letter which contains their 1953 Christmas Seals. This Seal Sale is part of a nationwide fund raising drive to help prevent tuberculosis. The funds are used locally for education, case-finding and rehabilitation.

"It is particularly important that Kentuckians make an intensive effort to control tuberculosis because our state has the third highest death rate from the disease in the nation," according to E. R. Gernert, M.D., president of the Kentucky Tuberculosis Association.

The Christmas Seal Sale is conducted entirely by mail so that persons may decide how much they can give without outside pressure.

The Tuberculosis X-ray Trailer visited Boone county four days last February and approximately 1,000 persons had X-rays taken. Cases were found where the patient had no idea what was wrong with them. With treatment and proper rest these people can be well again. The T.B. trailer will return again next year, but if you should feel that you have the symptoms of tuberculosis, contact the county Tuberculosis Association and they will arrange for you to have a X-ray free of charge, immediately.

Boone counties are asked to buy as many seals as possible, as they are helping the patients now in hospitals from this county and also these new patients who might need help this year.

Let's help to stamp out Boone county's and Kentucky's death rate from tuberculosis!

CHRISTIAN CHURCH

The Walton Christian Church will present the theme of Thanksgiving at the services Sunday. The entire Sunday school offering (a goal of \$100.00) will be given to United Promotion for the purpose of Christian education and service of the church.

The youth group, C. P.'s will sponsor a food offering for the Children's Home at Danville. V. D. James, a board member of Kentucky Churches Widows and Orphans Homes of Kentucky Churches, will bring a short talk about the Children's Home. The Chf-Rat's and C. P.'s will assist Rev. Vaughn in the 7:30 worship.

"The theme, Thanksgiving, is best expressed by Thanksgiving," said Rev. Charles A. Vaughn, pastor.

Everyone is urged to attend the United Thanksgiving service at the Baptist Church, Wednesday evening.

MASONS MET TONITE

A regular meeting of Walton Lodge No. 719, F. and A. M., will be held tonight (Thursday) at 7:30 p. m., in the lodge rooms over the drug store. All members are urged to attend.

ORDINATION SERVICE

A service of Ordination of Deacons will be held at the Wilmington Baptist Church, Fiskburg, Sunday, November 22 at 2:30 p. m.

Walt O'Doherty, Ed Bogby and B. N. Segal will be ordained in a service open to the public.

Rev. R. T. Daugherty of Newport, will be the speaker.

WILMINGTON SERVICE

Special Thanksgiving Eve services will be held at the Wilmington Baptist Church, Fiskburg, on Wednesday, Nov. 25, at 7:30 p. m.

A food offering will be received for a needy family in the community. Everyone is invited.

"Put the 'thanks' in your Thanksgiving by giving."

ALICE M. EDWARDS

Mrs. Alice M. Edwards, a former resident of Walton, passed away last week at her home in California. She suffered a stroke 25 years ago, which had made her bedfast for the rest of her life. She was the former Alice Moores of Louisville, and was 69 years old.

She leaves her husband, Harry D. Edwards; two daughters, Mrs. Dorothy Bowen and Mrs. Elizabeth Wightman, and seven grandchildren. She also leaves relatives and friends in the Walton area.

4-H JAMBOREE SATURDAY

A variety amateur show is the program for the 4-H Jamboree talent show to be given Saturday, November 21 at 8:00 p. m., in the Florence High School auditorium.

Many entries have been received, and more are expected.

Plans have been completed by the Jamboree Committee, which includes Joe Rouse, chairman; Mrs. Vernon Pope, Mrs. Eunice Pettit, and J. E. Cigler: 4-H members have made posters and are selling tickets throughout the county.

PINER HOMEMAKERS

Mrs. Willard Benson of the Bracht-Piner Road, welcomed to her home on November 10, the Piner Homemakers.

Mrs. Chester Mullins and Mrs. Malcolm Oliver, new members; Mesdames Elmer Scudlough, Angelo Pellizzori, Dewey Fish, Ottis Fisk, Fred McMillon, Leslie Smith, Ann Dwyer, Frank Elliott, Robert Elliott, William Waterman, Chas. Gross, Charles Flynn, Owen Flynn, J. C. Cavanaugh, Marion Martin, Steve Rich, members, and Mrs. Nora Benson and Mrs. Lily Elliott, guests.

Mrs. William Waterman and Mrs. Angelo Pellizzori gave the second lesson on "Bridled Rugs" and taught lacing rugs together. Mrs. Steve Rich gave devotion. Mrs. Frank Elliott gave a reading, "Giving Thanks," and Mrs. Marion Martin gave instructions on the care of shade trees.

December 5 was set as the date for an outdoor supper and social for the families of the members.

Pennies for Friendship were taken up and a white elephant sale was held.

National FHA Week Observed By Local Chapter

The Simon Kenton Chapter of Future Homemakers observed National F. H. A. Week by doing the following each day of the week:

Sunday: Each member went to the church of her own choice.

Monday: An announcement of F.H.A. was put on the school bulletin board.

Tuesday: The organization had a F. H. A. display in the display case at the school.

Wednesday: An announcement was made in the school assembly.

Thursday: All members and sponsor went on a field trip to Trank & Spice Company, and Rookwood Pottery.

GI CHRISTMAS GIFT

Are you looking for a gift to send overseas to a service man or woman? If you are, you will find this job a hard one, but it could be made easy and the receiver will be grateful and above all, pleased with the message.

While shopping around for something nice, but useful, you will see many items that, either the person in service has one or it would be useless to him in his present location.

What most persons overseas want most is news from home, and that can be had for an entire year by purchasing a subscription to the Walton Advertiser. No matter where he is stationed, he will be receiving the paper every week for the price of \$3.00.

Give it a try—you can mail your check or money order to Walton Advertiser, Walton, Ky. Make sure you give the person's name, rank and serial number, plus his complete address.

New Chevrolet Trucks Seen by Local Dealer

E. L. Steinhauer of the Dixie Chevrolet Sales, Walton, has returned from Cincinnati, where he attended a private preview of the new 1954 Chevrolet trucks.

The exhibit and accompanying business session were sponsored by the company for all retail dealers and salesmen in this area and emphasized the importance Chevrolet is attaching to its soon-to-be-announced new truck line.

"The meeting was somewhat without precedent in our experience because it was devoted exclusively to new truck models," Mr. Steinhauer said. "The room was become clear. The 1954 line contains so many new features that even a review of highspots required considerable time."

"Not only will Chevrolet have more to offer the truck user in 1954, but it will expand the forces behind its selling. Included is an expanded advertising program."

Mr. Steinhauer said he plans to arrange a special showing of the new line in his dealership when the trucks become available for display later this month. It is one of the few times in history that Chevrolet has exhibited new trucks apart from new passenger car models.

THANKSGIVING SERVICES

United Thanksgiving services for the Beaver Lick-Richwood community will be held at the Hughes Chapel Methodist Church at 10:00 a. m., November 26, with the pastor, Rev. Elmer Kidwell, in charge. Rev. Julian Charles, pastor of the Richmond Presbyterian Church, will deliver the message. Everyone is cordially invited to attend.

MRS. GEORGIA ROUSE

Mrs. Georgia Huey Rouse, Burlington, died Monday at Christ Hospital, Cincinnati. She was 79 years old.

She leaves her husband, Odis Rouse; a daughter, Mrs. George Porter, Burlington; a son, Elbert Rouse of Miami, Fla.; a grandson, and a great-grandson.

Services were held Wednesday afternoon at the residence, with burial in Hospital Lutheran Cemetery, Florence.

The Chambers & Grubbs funeral home, Florence, had charge of arrangements.

BAKE SALE SATURDAY

Members of the Happy Helpers Class of the Walton Methodist Church will hold a bake sale Saturday, November 21, at the Brookfield Drug Store, Walton, beginning at 10:00 a. m. Your patronage would be appreciated.

New Haven Will Play On Walton Floor

—By Ora Crowe—

The Walton-Verona Bearcats will open their basketball season Saturday night, November 21. They will meet the New Haven Tigers on Walton's floor at 7:15.

Walton-Verona has only two regulars back from last season, Billy Smith, the 6' 5" center, who is bidding for all-state honors this year, and Charles Roberts, who Coach Durham has moved from regular forward to guard. The other regulars will be selected from George Scott, James Howard, Nolan Cole, Walt Ryan, Dickie Courtney and Jimmy Grubbs.

Other members of the squad are: Medley, Dixon, Chapman, Cook, Beech, Brown, Poole, Durham, Bell, Courtney, Risher, Menke, Hon, Scott, Burden, Lunsford, Green, Webb, and Taylor.

Coach Durham said the record of the team will depend on how fast the new boys improve and how much they desire to play. He is withholding any predictions.

The second team cheerleaders are as follows: Masil Allen, Sue Gutzell, Mazie Wagner, Sarah Hance, Beverly Rouse, Elizabeth Grubbs, and Maureen Elmore.

The first team cheerleaders are: Marie Martin, Shirley Carpenter, Lois Glenn, Kaye Green, Jonice Cook, Loretta Johnson, and Rheda Greene.

The scorekeeper this year will be Gayle Roberts.

Admission: Adults 50c, students 25c.

LILLARD D.A.R. MEETING

William E. Albert, assistant to the vice president of Loring-Andrews, Cincinnati, presented a program on silver at the November meeting of the Capt. John Lillard Chapter, D.A.R., held in the American Legion Hall, Williams-town, with Mrs. Robert Hurd, Mrs. Watson Tranter, Miss Louise Fliege, Mrs. C. Hume, Miss Martha Blaine and Miss Elizabeth Fliege as hostesses. Loring-Andrews is the oldest retail establishment in Cincinnati, having been founded in 1805. Mr. Albert was introduced by Miss Laura Dickerson, State Program Chairman.

The Regent, Mrs. Charles Allphin, gave the message of the President General in the November issue of the D.A.R. magazine. Mrs. E. W. Simpson, Flag Chairman, explained the symbolic meaning of the flag. National Defense Chairman, Miss Louise Conrad, stressed the importance of having our individual citizens informed as to what is going on in our country and in Congress.

Kenton County 4-H Leaders Are Honored

Kenton County 4-H leaders were the guests of the Kroger Company at a recognition banquet Saturday evening, November 14, at the Covington Y. M. C. A. The dinner, sponsored in cooperation with the Kenton County 4-H Club Council, honored the outstanding services of the volunteer leaders of 4-H work in Kenton County.

William R. Brown, chairman, Kenton County 4-H Council, gave the welcome address. Alice Fay Works, Piner 4-H Club member, sang two special numbers and group songs were led by Mrs. Robert Skinner, Spring Lake 4-H leader. Leaders in the girls' project work were recognized by Miss Zelfa E. Byerly, home demonstration officer, and leaders in the boys' project work were recognized by Thomas L. Riley, assistant county agent.

For Rev. Charles A. Vaughn and Thelma A. Vaughn to Anna Milner, a house and lot of Church St., Walton.

For Anna Milner to Donald Sullivan and wife a 115-acre farm on Route 36, Grant county, at auction.

FLORENCE

The many friends of Clifford Tanner regret to learn of his mishap Saturday morning when his right hand was caught and severed in a compicker. He was removed to St. Elizabeth Hospital by members of his family and was to undergo surgery. May the best of luck attend him.

A union Thanksgiving service will be held Wednesday, November 25, at 7:45 p. m. at the Florence Baptist Church. The Christian, Methodist and Lutheran churches will join in the service and members of each church choir will participate in the message in song. Rev. C. N. Ogg will be the speaker and other pastors will share in the service, including Rev. R. A. Johnson, Rev. C. W. Butt and Rev. Davis. Everybody welcome.

Mr. and Mrs. Sherman Peena of North College Hill, were Sunday guests of their relatives, the Clyde Arnolds.

Mrs. L. M. Moore of Big Bone was the guest of her mother, Mrs. Sophia Jones, a couple of days last week.

We regret to learn of the illness of Mrs. Otis Rouse of Burlington, who is confined in Booth Hospital, and wish her the best.

Friends of C. F. Blankenbaker are pleased in knowing he has improved sufficiently to return home from the hospital. May he continue to improve.

Lawrence (Bud) Gallenstein has purchased a small tract of land from Walter Scott on which he is planning to build a home.

Mrs. Melvin Jones has been quite ill again at her home on Shelby Street.

Mrs. Nancy Bonar was on overnight guest of her daughter, Mrs. Buddy Arnold, and family during the past week. Dennis Scott, son of Mr. and Mrs. Bobby Reinhardt of Price Road, underwent a tonsillectomy at a hospital recently. He is doing nicely.

The Crutcher family of Hebron, had as their guest recently a cousin, Ralph Hoshal, of Chicago.

Mr. and Mrs. Chester Coyle of Ludlow were Sunday afternoon guests of the William Marksberrys.

Mr. and Mrs. Earl Carpenter and son, Harris, were Sunday guests of her sister in Cynthia.

Miss Lucille Rucker is entertaining friends from Tennessee.

Mrs. Will Woodward entertained with a turkey dinner Sunday complementing her husband on the occasion of his birthday. Guests enjoying hospitalities were Mr. and Mrs. Eldridge Carpenter, Mr. and Mrs. Robert Woodward and Will Woodward. We join in wishing the celebrant many happy returns.

The Verne Arnold family was visiting Mr. and Mrs. Bobby Rogers of Bellevue, Friday evening.

Mrs. Ida Osborn of Taylor Mill Road, was a recent guest of Mr. and Mrs. David Osborn.

Sunday guests of the G. B. Millers were Mr. and Mrs. Maurice Graham, Mrs. Frank Hogan, H. B. Simpson, and Blayne Miller.

Mr. and Mrs. Walter Kirkpatrick have sold their home in Rising Sun, and recently moved to the home of her parents, Mr. and Mrs. Clyde Arnold. The community welcomes the Kirkpatrick's, however, we regret to lose Mr. and Mrs. Arnold, who are planning to locate in Piketon, Ohio, temporarily, so as to be near his place of employment.

Mrs. Mortimer Moss is confined in a hospital for observation and treatment for a diabetic condition.

Mr. and Mrs. Gilbert Hallman of Covington, are the center of felicitations over their seven-pound son, Gilbert Daryl, who was born Sunday of last week at Booth Hospital. Mrs. Hallman was the former Nita Paul Mitchell, daughter of Rev. and Mrs. W. S. Mitchell.

Mr. Wade, layman of Covington, was

the speaker at the local Methodist Church, Sunday, in the absence of Rev. C. L. Ogg, who was on the Spiritual Life Mission at the Drakesboro (Ky.) Methodist Church.

RESOLUTION—

Whereas, it has pleased God, our Father, to call from our midst our beloved sister in Christ, Mrs. Ura Roberts, who passed from this life to eternal rest on October 28, 1953, at the age of 73, leaving us with a feeling of deepest sorrow and great loss in our hearts that only time can heal: Therefore be it

Resolved, that we, the members of New Bethel W. M. S., remember Mrs. Roberts as a loyal and sincere member of our society, as well as a true and loyal friend. We shall always remember her

love for and faithfulness to our Lord's work. We extend our sincere sympathy to her husband and family in their hour of sorrow. And be it further

Resolved, that a copy of this resolution be sent to her husband and family, a copy to the Walton Advertiser, a copy to the Western Recorder for publication, and a copy be entered on the minutes of our society.

Help The Hungry

Lesson for November 22, 1953

AS CHRISTIANS, we owe a great deal to our mother-reigion, the religion of the ancient Hebrews. Two of the characteristic strong points of that religion are ours too: one is that religion has everything to do with our everyday life, and another is that society (that is, the persons who make up society) has a sacred duty to care for the weak and friendless. Now in ancient times the most helpless people in the community were the widows, the orphans and the "sojourners," that is to say, migrants, people without land or family, uprooted and displaced persons. Widows had very little chance at a Dr. Foreman living except by almost slave-labor; orphans even less; and as for the sojourner, in most places in those days even his life was in danger. If anybody starved in an ancient city, it would be the sojourner first, then the widows and orphans.

An Ancient "Poor-law"
The Hebrews were taught carefully, from Moses' time onward, that God loved these helpless persons, widows, orphans and sojourners; and the Hebrews were commanded to take care of them. Something can be learned from a study of the ancient laws protecting these poor persons, laws which the Hebrews believed, and so can we, that God himself inspired. They are not laws which we can copy unchanged, for conditions of life and work have changed. But the spirit of them is as fresh and as needed today as three thousand years ago. Consider this from Deuteronomy: "Love the sojourner, therefore, for you were sojourners in the land of Egypt."

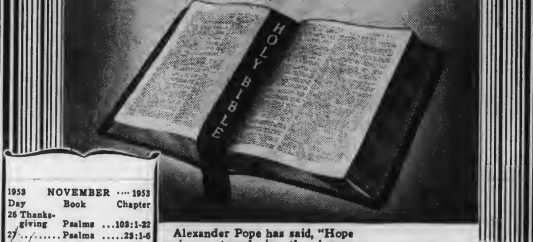

There is a certain rich man in America whom we may call Mr. X. He came to this country when a boy, an immigrant son of very poor parents. Had he stayed in the old country, he himself thinks he would have had to live and die at his father's ill-paid trade. In America's freedom, however, this boy rose to riches and honor, and is now a man who loves to talk of the "American dream" and of how he himself is an example of it. But what does Mr. X think of encouraging others at this present time to come over and try the American dream for themselves? He is opposed to it. He wants no more immigrants. He is glad the door was open to himself; he wants it closed now for good. But he does not stand alone; he gets re-elected to congress by several thousand other Americans who do not love the sojourner. "Love the sojourner" means have a concern for migrant workers, for displaced persons, for immigrants, for oppressed minorities. America can hardly call itself a Christian nation unless it takes such laws of God more seriously.

Helping Men To Help Themselves

Another and more particular law is found in Leviticus 19, where the farmer of those days is forbidden to harvest either his wheat-field or his grape-vineyards clean. He must always leave some wheat un-gathered, some vines unloosed. We see how this worked in the case of Ruth who would have starved had she not had the chance to glean (pick up those stray sheaves) in the fields of Bethlehem. This is not a law we can copy right on to our statute books; but we may well copy its spirit and intention. First there is a real concern for the man at the bottom of the ladder. Then there is given him an opportunity to work for his own living. Wheat and grapes are not delivered to his door; he has to get out and work for his food. But the point is that he is helped by being enabled to help himself.

Hunger Around The World
In the time of Moses, and of Jesus, indeed till most recent times, our neighbors, those whom we could help, were those whom we could see, within walking distance of our homes. No doubt there were famines in India, floods in Japan, while Jesus was living. But he never said a word about aid to India, because in the first place the Galileans themselves lived on the edge of starvation, and in the second place if they had had a million tons of surplus wheat they could never have reached India with a quart of it. In our day the world is smaller.

THE BOOK of HOPE

Alexander Pope has said, "Hope springs eternal in the human breast." And most of us will certainly not dispute his word. Who does not look for a better tomorrow? Who does not expect our troubles and sorrows will be eased next week, next month, or next year? It is human nature, and it is a wonderful attribute. But mere wishful thinking and idle day-dreaming will do little to make our hopes come true. A passive attitude toward our ambitions will surely find us no better than before. This is true in all walks of life; in work, in play, in day-to-day living. Along with this hope within us, other God-given gifts must be utilized. Habits of love, generosity, and brotherhood must be developed and our faith strengthened by regular attendance at our spiritual home, the Church. The Bible... the Word of God... has been given to us as a pattern, a way of life for all to follow. Here we find the greatest promise ever given—that of eternal life. Through its great truths our hopes and ambitions are brought into proper perspective and we are able to press forward with confidence. Take advantage of this great gift. Truly it is the Book of Hope!

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Kenton County Breeding Cooperative

The Kenton County Artificial Breeding Cooperative met in its seventh annual meeting at the Independence Courthouse recently. Members elected new officers for the coming year: President, Clement Kaub; vice president, George A. Damon; secretary-treasurer, William Armstrong. New directors are to be: Clement Kaub, Geo. A. Damon, and William M. Armstrong, who replaced out-going directors Stanley Bird Jahn Shaw and George L. Folmer.

Personal Interest and Sick List

Jim McGraw of McCullum Road, enlisted with the Marine Corps and is now receiving his basic training in California.

Little Clifford Mahrmeyer is anxiously waiting for his induction papers to arrive.

Mary Riley, Independence, has been ill due to a severe cold.

Mr. and Mrs. Clifford celebrated their 31st wedding anniversary by having dinner and spending the evening at their daughter's home, Mrs. Robert X. West.

Womanless Wedding

Preparations for the womanless wedding are still being made. More business men of the Independence area are being drafted for this great stage show. From the news that is going around it will be a big affair. Watch for more news on this production. The time has been set for December 10, and will be held in the Simon Kenton auditorium.

To Readers of Independence Column

Thursday, November 26 will be the day when turkey or chicken dinners, complete with cranberry sauce and pumpkin pie will be placed on the table; when close friends and relatives will be together and happiness will be plenty. I would like for you to know that I, personally extend to you and yours, a very Happy Thanksgiving Day, and may the coming year provide you with more to be thankful for—Bob West.

Simon Kenton Highlights

Simon Kenton's basketball team beat Gallatin County in a non-conference game. The score was 53-49. The SKS band furnished the music background. Also at this game Anne Redman was crowned the Basketball Queen and Dusty Hale was made Princess.

The Simon Kenton Band and Glee Club are giving their annual concert, Tuesday, November 22, at the high school auditorium. It will begin at 8 p. m.

The band and band members are having a drive for uniforms. By the time the drive is over this club is hoping to have on hand \$1,000. The new uniforms are expected to cost approximately \$3,000.

City Resolution 7

A Resolution proposing that a four (4) inch water main be laid along a portion of Alta Vista Street, not so improved; designating the route of the improvement; declaring the proposed improvement a necessity and suggesting that the City Council of the City of Walton, Kentucky adopt an Ordinance making the improvement.

WHEREAS, the water main on Alta Vista Street in the City of Walton, Kentucky does not extend to the Corporation Limits of the City on said Street; and

WHEREAS, request has been made to the City Council that Alta Vista Street

be improved by the installation of a four (4) inch Water Main from the intersection of Park Avenue with said Street West to the property owned by the City of the Walton-Verona School,

NOW, THEREFORE, The City Council of the City of Walton, Kentucky does Ordain as follows:

SECTION 1. That, following appropriate action by the City Council, a four (4) inch Water Line will be laid on Alta Vista Street in the City of Walton, Kentucky, starting at the end of the present Water Main, at the intersection of Park Avenue, with said Street, and extending in a Westerly direction to the entrance to the property, the title to which is in

the City of Walton, for the Walton-Verona School a distance of Eight Hundred and Fifty (850) feet, be the same more or less, between the two named points.

SECTION 2. That the costs of the construction of the Water Main will be apportioned against the property on either side of Alta Vista Street for the distance that the same is laid.

SECTION 3. That, the extension of this Water line appears necessary to the Council because of the new School Building and the new residence property which is being constructed along Alta Vista Street, to afford the school and the dwellings fire protection and the opportunity to avail themselves of the advantages of City Water as a necessity and a convenience.

SECTION 4. That, an ordinance will be proposed and read to the City Legislative Body and presented for adoption, which will embody the same general terms as set out in this resolution, but will go into minute detail as to the specifications, the contract, the bond, the bid and all necessary items. The ordinance to be proposed, introduced and twice read before the Council and submitted to Council for passage thirty (30) days after the publication of this resolution.

Passed by a vote of 5 members of the

City Council of the City of Walton, Kentucky, this 16th day of November, 1953.

ALL TRUCKS SERVE THE FARMER!

TRUCKS like this take Farm Products To Market

TRUCKS like this Deliver what Farm Families Need For Happy Healthy Living

Penalize Either of These Trucks and You Penalize Farm Families

• The trucks that carry crops to market are not the only trucks that serve the farmer. For in addition to these, there is a far reaching network of trucks . . . big ones and little ones . . . that move produce to the far corners of America and bring in return, the countless industrial products needed for modern farm living and operation.

Big Trucks contact big markets to assure the sale of crops at a price that is profitable to you, and, the bigger the demand, the better price you get. Thus, big trucks make NEW markets . . . while expanding established markets for you. Big trucks are as important to your prosperity as your own farm delivery truck . . . and that's why any attempt to penalize the trucking industry is an attack on your family's welfare.

Don't let ANYONE tamper with ANY LINK in our nation's long chain of trucks that roll to and from the markets.

Hectic Night for Firement

Last Saturday night was one of the busiest for members of the Independence Fire Department. The first call came in at 11 p. m. for an ambulance to a wreck on the south end of town, where five persons, ranging in age from 15 to 20, were trapped in an auto. After a few minutes of prying and opening twisted doors, these five were rushed to St. Elizabeth Hospital; one died before arriving at the hospital, and the other four received minor cuts and bruises.

One hour later another call came in for the fire truck to go to Mrs. Pearl Piper's home on Taylor Mill Road. Upon arriving the Taylor Mill firemen were trying to bring the house fire under control. With the two departments on hand the fire was extinguished. Independence Fire Chief T. Marshall estimated the damage at \$4,000 to the house. An auto, garaged in the basement, was pulled out by both fire companies but received damage to the point and upholstery, also \$500 cash was lost in the blaze. Most of the furniture was salvaged by firemen. The Taylor Mill Ladies Auxiliary served hot coffee to the firefighters. Two Tamm water trucks and two Hickory Grove water trucks were on hand supplying water to the booster tanks on both fire trucks, which was the only water supply available.

Members of the Independence Fire Department returned to their fire house in time to take an ambulance call on Taylor Mill Road, where two autos had crashed into each other. The local ambulance took three persons and the Taylor Mill ambulance took one to St. Elizabeth Hospital.

In the meantime another wreck was reported in the same place as the first one, on the south end of town, but no one was injured.

With all this happening in one night members decided to make a big pot of coffee and wait until daylight before returning to their homes for much needed sleep.

Fresh Citrus Fruit

Plans are now being arranged for the handling of citrus fruit shipments from the Rankin orange and grapefruit groves in Florida. Last year was the first attempt of this kind to be handled by the Independence Fire Department, and it proved a great success for the folks who are wanting fresh tree ripened fruit for a low price. More information on arrangements will be printed in a later issue.

Butchering Time

It is a little early and probably a little warm for butchering, but lots of my customers are doing it while it is too dry to strip tobacco. We have been selling lad presses, sausage mills, repairs for sausage mills, lad cans, Case butcher knives—we have one German steel butcher knives made by some company that makes Boker pocket knives—these come in carbon steel and stainless steel—we also have thermometers, Morton's sugar cure and sausage seasoning, and we have lard kettles—you name it and I believe we have it.

Everett Jones bought a dozen axe handles—the boys down on the river are going to cut some wood. Ruth Worthington was in today—she bought Oatney a hunting license. Hunting will be good if it ever rains. Miss Oni Riley bought a can of blue Fab-Spray for her over-stuffed furniture—if you haven't tried Fab-Spray to brighten up your upholstery or drapes or even seat covers, get a can at CONRAD HARDWARE. Brewster sold a lot of linoleum and a 12x15 Armstrong rug. Chick sold Mrs. Maloney, on Church St. Road, a four-cap laundry stove.

I believe this was the largest pipe and pipe fitting day we ever had. Chick stayed with the pipe threading machine all morning and part of the afternoon. Mrs. Owen Flynn called an order of 2-inch pipe to be threaded with a lot of fittings. Mr. Afterkirk, over at Nicholson, was here two or three times after pipe and fittings. Hiner Losey had several pieces of pipe threaded. Mr. Cockrell had Chick put a new foot valve on his life pump but he also bought a 4-ft. fluorescent light to put in his stripping room.

Katherine Hoppert bought a 9x12 linoleum—they are moving back to Walton. Ralph (Wimpy) Lucas bought linoleum and paste—Nelda has instructed him to put linoleum on the basement stairway tonight. Brewster put up a lot of new window shades and curtain rods for Mrs. Katie Ransley, who is moving back to Walton—she bought the Hugh Semons house across from Mrs. Pearl Bedinger. Sharon Grubbs brought her Taylor-Tot in for repair—the bolts had jarred loose and lost. Maida Holder came after her iron, I had repaired—she bought a large paper can and a beautiful stove moe.

Lloyd Clements bought her son a lunch box with a thermos bottle in it—he wants to take his lunch to school. Elmer and Nell Sutton are in today buying Wyr-O-Glass to put over their doors and windows. Helen Burgess had Brewster cut her up a lot of Wyr-O-Glass for windows. Mr. and Mrs. Alva Woods were looking over the sink—they went home to measure the space. The Rouse brothers from Crittenden, were down today, celebrating Homer's birthday—bought the women two dust

pans and went home. Mr. and Mrs. Jerry Maxwell bought enough Armstrong linoleum for their kitchen and bathroom in their new house on Stephenson Mill Road.

We received a shipment of pin-up lamps—they are very nice and cheap too. Louis Schwab bought Boice paint—he has been remodeling at the restaurant, and put in a new entrance for the upstairs. I believe this has been pipe and pipe fitting week—every time I look up someone is coming in for pipe and fittings or a pipe to be threaded—we carry a large stock of pipe and fittings and with that threading machine it don't take long wait on them; also have a stock of copper flare fittings and soft copper tubing. Have several Dayton water systems in stock—we sure sell these Dayton.

I called the Dayton pump man for more Dayton water systems tonight—he said he would bring them down tomorrow, also the repairs I ordered—that is the reason I sell Dayton pumps, because of the service I get—no other pump company will give this service, I've tried. Tevis Thomas brought his Dayton pump over—he has had this one for several years. Chick and he took it apart, put in new parts and he was gone in a few minutes—that is the kind of service you can get when you buy from CONRAD HARDWARE!

Elbert Moore brought in his blower off his oil heater. Brewster took it apart, found out the motor burned out. I called Cincinnati and they put one in the mail—another Conrad service! I sold all the water thermometers I had Tuesday—I knew it was about hog killing time, so I called in for a dozen—they came out on the truck the next day—not much of an order, but today McMillion looked all over Covington for one, as he was down there—course he said Conrad would have one, and I did. I try very hard to have the hardware when you need it and that is some job.

A fellow came in today for three cow weaners—I only had one, but I had another dozen on the way—it takes so long to get an order from Louisville or Cleveland, as Cincinnati is out so much of the time. Saturday was a busy day. I believe they all came to town and I believe half of them wanted water pipe and fittings—one of the fellows stayed at the pipe machine nearly all day. We never sold very many large items, but we really moved the small ones. Harold Frank from Stewartville came after one of those cast iron pug stoves for his stripping room—these are the very thing for stripping rooms—they won't rust out and will last to years.

Elsie Jackson was in buying weatherstrip—she said that Perfection heater we set up this year was better than that Perfection we put in last year. George Johnston was in and said his Perfection heater was just right. Leslie Hoffman said her Perfection electric range was tops.

Boone Students To Be Offered Voc. Agriculture

Beginning in September, 1954, the Vocational Agriculture Department, to be located in the new Boone County High School, Florence, will offer a full four-year course of supervised agriculture to all Boone county farm boys who are eligible to participate.

The aim of Vocational Agriculture is to train present and prospective farmers for proficiency in farming; to make this possible, each boy taking Vocational Agriculture in high school, must have facilities to carry out a supervised farming program so that he may practice under supervision, the things he learns in class.

Any boy regularly enrolled in a class of Vocational Agriculture and meeting other qualifications is eligible to become a member of the Future Farmers of America organization, which is a national organization by and for farm boys who are training to become farmers.

Most people in Boone County know of the F.F.A. and all farm parents will, most likely, welcome the opportunity for their boys to participate in both vocational agriculture and the F.F.A.

Each farm boy now enrolled in all eight grades and in high school will be contacted before the new school year opens to find out how many are eligible to take vocational agriculture.

The Hebron Chapter, F.F.A., which will form the nucleus for the Boone County F.F.A., is now engaged in a fund-raising campaign to secure funds for the State Leadership Training Center, Hardinsburg. The State Leadership Training Center is used to train F.F.A. boys and F.F.A. girls in leadership. \$250,000 is needed to complete the camp and its facilities. The money will be used to construct a dining hall, an exhibition building, 24 cabins, an administration building, a sewer system, and to landscape the center. F.F.A. boys of Kentucky have made improvements amounting to \$150,000 by individual boy donations of fifty cents to \$2.00 per boy. They have built nine cabins, an auditorium, a swimming pool, a canteen, and a bath house.

This center will be available to all Boone County boys in F.F.A. and girls in the F.F.A. Business people and parents of rural youth are asked to help raise \$1,500 for Boone County's share in this inspiring task. Mail contributions to Hebron F.F.A., Hebron, Ky. This drive ends November 30. According to Watson G. Craft, Vocational Agriculture instructor at Hebron, you may contribute at pledge—the pledges to be paid in 1954. All contributions will be deducted from state and federal income tax.

Atwood-Nicholson Homem'k'rs

A lesson on "Braided Rugs—Sewing Braids Together," was given by Mrs. C. Fisk and Mrs. L. S. Wagner at the November meeting of the Atwood-Nicholson Homemakers in the home of Mrs. Clara Cooke, with Mrs. J. R. Loomis co-hostess.

Mrs. R. C. Durr gave an interesting and educational lesson on the origin of Thanksgiving.

Mrs. Clifford Cornelius gave the second in a series of lessons on child development, dealing with the importance of training a child to assume responsibilities of home life.

A majority of the members took an ardent interest in the basket project given by Mrs. H. L. Piche.

The club voted to make a Christmas donation to the Kenton-Boone Opportunity School.

Guests attending were: Mesdames E. F. Vallandigham, Lloyd Martin, H. H. Schoborg, D. Sebree, and Lon Bishop. Members in attendance were: Mesdames C. Cornelius, A. B'hymer, S. C. Fisk, Clara Cooke, J. R. Loomis, J. R. Butler, R. C. Durr, L. S. Wagner, E. H. Groger, R. Dickson, H. L. Piche, Frank Stogman, C. Wilson, and V. Vaughn, who answered roll call with their birthstone.

A Christmas party was planned for the next meeting, to be held at the Independence Christian Church, Dec. 9.

October Payments \$4,983

The Department of Economic Security reported today that \$4,983 was distributed among needy residents of Boone County during October.

Aaron Paul, director of the Public Assistance Division, itemized the total as: \$4,505 spent for the aged; \$314 to families of dependent children, and \$164 to the needy blind.

HUNTERS BEWARE OF "RABBIT FEVER"

The Boone County Health Department warns hunters to "Beware of Rabbit Fever." As the hunting season opens, most hunters are thinking only of the precautions of keeping off private property when not invited, but there is also an important, non-posted sign reading, "Beware of Rabbit Fever." Eighteen cases of rabbit fever were reported in Kentucky in 1952. One fatality resulted.

Following are five precautions listed that would be wise to heed: (1) Shoot rabbits on the run for a lazy rabbit may be a sick rabbit; (2) Never handle a rabbit found dead or brought in by a dog or cat; (3) Always wear rubber gloves when dressing a rabbit; (4) If the internal organs of a rabbit show white spots, throw it away for it may be infected; (5) Cook rabbits thoroughly so the red meat or blood remains. Cooking destroys germs.

Meeting Called On Big Bone Lick Project

Plans have been completed for a citizens' mass meeting December 1 to promote Big Bone in Boone County as a state historical park.

A temporary organization already formed for that purpose will work out details for the December session at a meeting at 8:00 p. m., Tuesday, in the home of William Fitzgerald, Dortha Ave., Florence.

Scientists have uncovered many fossil bones of prehistoric animals at the Big Bone salt lick, and a provisional organization, called Big Bone Lick Historical Association, seeks to preserve the site in cooperation with the state.

Specimens taken from the site now are on display at the Museum of Natural History at the University of Rochester; the Smithsonian Institute; the American Museum of Natural History at Princeton University and elsewhere.

Boone County Judge C. L. Cropper is president of the promotional organization; Mr. Fitzgerald is secretary; Bruce Ferguson is in charge of organization; W. Robert Ellis of publicity, and Al Becker, photography.

Carlises Have Daughter

Mr. and Mrs. Guy Carlisle, Johnson Street, are the proud parents of a daughter, Christy Lynn, born Saturday, Nov. 21, at 7 a. m., in St. Elizabeth Hospital, Covington, weighing six pounds and 14 ounces. Mother and baby are doing nicely. Mrs. Carlisle is the former Betty Meloney. This is their first child.

Youth Social Saturday

The Northern Kentucky Baptist Youth for Christ will meet Saturday, Nov. 28 at 8:00 p. m., in the Ludlow Baptist Church, Ludlow, for a social. A box supper will be enjoyed—don't forget to bring your own box.

Left to right: T. J. Cain, Roy Baldwin, and Richard B. Cain

T. J. Cain, Station Road, Independence, arrived home recent to spend a 15-day furlough, and is on hand for the birth of his baby daughter, Janae Lee. His wife, the former Lois Dorn of Morning View, is doing nicely. T. J. left on November 15, to report to his former Air Force Base in Newfoundland, where he was assigned to an M. P. unit.

Roy Baldwin, Pelly Road, Independence, was home on leave for five days, enroute to Ft. Eustis, Va., where he will attend the Army's Railroad Transportation School. Ray has completed his basic at Ft. Jackson, S. C. He was formerly

Simon Kenton FFA Quota Is \$4,000 In Drive

The Kentucky Association of Future Farmers of America is a national Farm Youth organization, representing 11,000 farmboys, 116 counties, and 225 High Schools in the state of Kentucky. The Kentucky Future Farmers are carrying on a 30-day fund drive to raise \$250,000 for the completion and improvement of their Leadership Training Center at Hardinsburg.

Citizens everywhere recognize the economic, social, and political importance of agriculture in the nation and state. In Kentucky, our future and our security is in our soil. Only through good leadership training and educational progress can this future of our challenging world be met.

The Leadership Training Center will train leaders of tomorrow in many organizations, such as the 11,000 F.F.A. members, 17,000 Future Homemakers, Woodmen of the World, bands, etc., throughout the state who can use the facilities of the center.

November 10, at Hardinsburg, the Kenton County Fund Drive Committee, Charles Fedders, Fred Macklin, J. A. Caywood, John Cox, Woodrow Butler, and Frank Penick saw the "kick-off" meeting of the drive, where Governor Wetherby, State Superintendent Wendell Butler, State Campaign Chairman Bob Hensley, and many other notable friends wholeheartedly endorsed, subscribed, and offered their support to a "worthy drive."

Kenton County has a quota of \$4,000 as its part of the state goal. Every citizen and business is asked to subscribe to the support of this fund drive, and endorse, subscribe, support and "invest in our youth of tomorrow."

For further information, or to make a contribution, contact any member of the Simon Kenton Future Farmer organization.

Sunday School Class Meets

The Broadcaster Class of the Walton Baptist Church met recently in the home of Miss Donna Joy Wright for the regular monthly business meeting.

After the business session, games were played and refreshments were served to the following: Mesdames Irma Rector, Melvina Mullins, LeVern Robinson, Faye Oliver, Bobby Jean Rogers, Wanda Taylor, Joyce and Lois Maxwell, Carolyn Powell, Joan Biddle, and Mrs. Melvin Jones, teacher, and the hostess, Miss Wright.

FARMERS TO MEET

A meeting of Boone County farmers, to hear detailed plans for the 1954 ACP program, has been set for the following districts:

Monday, Nov. 30, Burlington Court House; Wednesday, Dec. 2, Walton City Building; and Thursday, Dec. 3, New Haven School.

All farmers are urged to attend one of these meetings, according to Mark Cook, Chairman of the PMA Committee.

TO ENTER ARMY SOON

Gayle England

Gayle England, Station Road, Independence, reported November 20, for induction into the Armed Forces at Fort Knox, where he will receive eight weeks basic training, after which he will be granted a furlough. He will then report to Boston, Mass., where he will attend the Army's A. S. A. School. Gayle made an exceptionally high grade on the Army's induction test and was allowed to accept the above school.

England has been employed by Kenton County Motors, Independence, for the past eight months.

Miniature Train On Display In CG&E Lobby

The Cincinnati Gas & Electric Company, for the eighth consecutive year, will have a train exhibit in their lobby at Fourth & Main, Cincinnati, during the holidays.

The Baltimore & Ohio "HO" Gauge miniature railroad will be on display in the lobby of SG&E beginning December 1 and ending January 1, 1954. Visitors, children and their parents may view this model on wheels from 9:00 a. m. to 4:45 p. m., each day with the exception of Saturday, when the office building is closed.

Valued at more than \$25,000, it is the largest portable HO Gauge miniature railroad in existence. It weighs two tons. Three working days are required to either assemble it or knock it down.

South American at Warsaw

Senor Daniel Florez, Bogota, Colombia, South America, arrived in Warsaw, Thursday, where he will spend three weeks with the W. R. Ewbank family. He was selected as one of the outstanding foreign youth from Columbia by the International Foreign Youth Exchange, whose goal is, "Working Together for World Understanding," to spend several months in the United States, learning modern methods of farming and livestock production.

He states that he likes Kentucky best of all the states he has visited during the past several months, and that he would be willing to trade his father's land ranch in South America for a small farm in the Ohio river valley, as it rains too much and too often in his country.

LITERARY CLUB TO MEET

The Reverend Charles A. Vaughn, pastor of the Walton Christian Church, will be guest speaker at the meeting of the Walton Women's Literary Club, in the home of Mrs. Wendell W. Rouse, Wednesday, December 3, beginning at 2:00 o'clock.

Instead of the usual gift exchange, members are asked to bring a gift for a child and food, to be sent to the Children's Home in Devau Park.

Roll call will be answered with Christmas quotations. Mrs. Julia A. Rouse will preside over the meeting.

Methodist W.C.S. Meets

Mrs. George Hoffman was hostess for the November meeting of the Local Division of the W. S. C. S. of the Walton Methodist Church.

Mrs. Carrie Rouse led the devotional, reading from Psalms 101-103. A brief history of "The Pilgrim Fathers," was given by Miss Fannie Hopkins.

Pioneers Undefeated; Bearcats Win Opener

MRS. LULA B. KENNEDY

Funeral services for Mrs. Lula Bingham Kennedy, Beaver Road, Walton, were held at 2:00 p. m., Tuesday at the Walton Christian Church. Burial was in Highland Cemetery, Ft. Mitchell.

Mrs. Kennedy, who was 68 years old, died Saturday at Booth Hospital, Covington. She was a member of the Dry Ridge Chapter, Daughters of American Revolution. She celebrated her golden wedding anniversary two years ago.

Surviving her are her husband, Cam Kennedy; a son, Walter Kennedy of Erlanger; two daughters, Mrs. Mary E. Linsch of Middletown, Ohio, and Mrs. Jean Utley of Erlanger; four grandchildren, and three great-grandchildren.

Chambers & Grubbs, Walton, had charge of funeral arrangements.

MRS. LIVIA A. HALL

Mrs. Livia A. Hall, mother of a widely known Covington Optometrist, Dr. Raymond Hall, died Sunday at her home on Mt. Zion Road, near Devau.

She was 75 years old. Surviving her are her husband, Jack Helly right son, Dr. Hall, Charles and Ollie Hall of Cincinnati, William Hall of Lexington, James Hall of Winchester, Wilson Hall of Devau, Shirley Hall of Covington, and Woodrow Hall of Williamsburg; a daughter, Mrs. Henry Haxworth of Winchester; two brothers, Albert Curtis of Covington, and William Curtis of Salt Lake; two sisters, Mrs. Maggie Green of Winchester, and Mrs. Ida Blau of Lexington; 34 grandchildren, and 17 great-grandchildren.

Services and burial will be held Tuesday at 2 p. m. in Winchester.

FAMILY NEEDS HELP

A request is being made for furniture for a mother and five children. This mother is a good woman, who is trying to hold her family together. Her story is too personal to give details, but she is not living with her husband. She needs and will be grateful to get any kind of furniture, bed clothing, etc., so won't walk out around and if you have something you are not using, call the Boone County Chapter, American Red Cross, Florence 84, who will see that the donation reaches her. By your act, perhaps she will know that maybe there is a brighter future ahead for her. On behalf of this woman and her family, the Boone County Red Cross thanks you for whatever you can do.

Beechgrove Homemakers

The November meeting of the Beechgrove Homemakers, at the home of Mrs. William Clinkenbeard, was opened with the Salute to the Flag. Roll call was answered with "The Thanksgiving I Remember Best." An interesting book review was given by Mrs. Frank Afterkirk. Secret Plans were revealed, and new ones drawn.

The second of a series of lessons on braided rugs was given by Mrs. R. R. Quick and Mrs. E. A. Sterling. Instruction was given to members on the loosing of the rugs. At a special work day during the month, 16 red baskets were made by members.

Three new members, Mrs. Roy Kummer, Mrs. William Wolsing and Mrs. Verne Stephens, were welcomed into the club.

Baptist W.M.S. Meetings

The W. M. S. of the Walton Baptist Church will meet Thursday night, Dec. 3 at the church, in a joint meeting with the Business Women's Circle. A film on Missionary work will be shown. The time is eight o'clock.

On Friday, December 4, the W. M. S. will hold an all-day meeting at the church to join in a world-wide Week of Prayer program.

CONCORD HOMEMAKERS MET

The Concord Homemakers met Nov. 12, in the home of Mrs. Hannah Chapman, with Mrs. Marie Chapman co-hostess.

There were ten members and six visitors present with Mrs. Leonard Lawson presiding. Mrs. Della Whitson gave an interesting book report on the atomic age and after a delicious noon meal, Mrs. J. D. Lawson and Mrs. Jack Peace gave the second lesson on refinishing furniture, with the help of Miss Jewell Wilson, Home Demonstration Agent.

Bearcats Lose Close One to Beechwood

Through last Friday night, the Simon Kenton Pioneers are undefeated in the infant basketball season. They opened the season with a 3-point win over Galtin County, then defeated Nicholas County, and last Friday night took the measure of Hebron, 63-62. All games have been played on the Independence floor. Wednesday night they played the Newport Catholic Thorobreds, but pressure came too soon for results. Next Tuesday night the Pioneers come to Walton for a game with the Bearcats.

In the Hebron battle, the Pioneers had to come from behind to win, a free throw in the final three seconds of play doing the trick, breaking a 62-62 deadlock. Hebron led 38-27 at halftime.

In the Hebron battle, the Pioneers had to come from behind to win, a free throw in the final three seconds of play doing the trick, breaking a 62-62 deadlock. Hebron led 38-27 at halftime.

In the preliminary game, the Walton reserves won a 47-12 decision from the New Haven stringers.

Tuesday night, of this week, the Bearcats went to Beechwood where they were defeated 61-59 by the Tigers in the last three minutes of play, by scoring three quick baskets. At the end of the first period, Beechwood led 17-15, but the locals outscored the Tigers in the second quarter to lead 31-29 at halftime. At the close of play in the third period the 'Cats were in front 48-43, but the home team outscored WAL in the final period 18-11 for the 2-point win.

Smith tallied 24 points for the losers, and Dick Courtney added 13. Foster was tops for Beechwood with 17 points.

MT. ZION HOMEMAKERS

The Mt. Zion Homemakers held their November meeting in the home of Mrs. Frank Domaschka. The meeting was opened by the reading of the "Homemakers Creed."

The Christmas party will be held at Oelner's Colonial Tavern. Mrs. Roger McGuire read a poem, "Thanksgiving."

After a delicious chicken dinner was served by the hostesses, the lesson on "Care of Emergencies in the Home," was given by Mrs. Frank Bresser and Mrs. William Miller. Mrs. George Otten was in charge of recreation.

Members attending were: Mesdames Mrs. Foster Armstrong, Mrs. Hubert, Frank Bresser, David Vols, Clyde Howell, John Bretzel, Roger McGuire, George Otten, William Miller, Charles Hempling, Frank Domaschka, and a guest, Mrs. Curtis Ely.

Independence Homemakers

The Independence Homemakers Club met in the home of Mrs. Charles Davis, McMillan Drive, Independence, with 15 members answering roll call with a famous proverb.

Those present were Mrs. John Leslie, Mrs. Foster Armstrong, Mrs. Houston, Mrs. Aaron Nienhouse, Mrs. J. C. Reynolds, Mrs. Logan Wayman, Mrs. Cleo Snelson, Mrs. Frank Cox, Mrs. William House, Mrs. Flora Summey, Mrs. H. Witt, Mrs. H. C. Beers, Mrs. J. C. Beers, Mrs. John Workman, and the hostess, Mrs. Davis.

A delicious lunch was served at noon. The afternoon was spent with rug making, given by the leaders, Armstrong and Nienhouse.

The December meeting will be held at the home of Mrs. Foster Armstrong, Covington, with a Christmas party.

DISTRICT FHA MEETING

The Covington District F.H.A. meeting was held Saturday, November 14, at Highlands High School, Ft. Thomas. There were 75 people present, including three former presidents.

Theme of the program was "Safety and Civil Defense." The guest speaker was Col. Samuel Richmond, who spoke of the importance of a picture was also shown on civil defense.

It seems the clubs, fraternities and community organizations in and around Independence have dropped all activities lately—no news items have been received. Any secretary or member of an organization can mail or phone their items of interest to Bob West, P. O. Box 587, Independence, or phone Holly 8601. So, drop me a line and your item will be printed.

Personal Interest

Mr. and Mrs. T. J. Cain of Station Road, became the proud parents of an 8-pound baby girl, November 10, at St. Elizabeth Hospital. Mrs. Cain is the former Lois Dorn. Mr. Cain was home for the "blessed event." He is stationed in Newfoundland with the Air Force.

Jim Green, Richardson Road, recently had a surprise visitor, his nephew, whom he had not seen in several years.

Clifford Mahrmeyer has received word from the Armed Forces that he will report for induction December 17.

The neighbors' cows near Gordon Riley's farm are mighty happy and probably more contented this year—they got into Gordon's pumpkin patch and ate the entire lot.

Dr. and Mrs. Charles M. Petty arrived in Independence, from Florida, last Thursday evening, November 19. They are looking around for a place to rent.

The tractor and tractor equipment recently purchased by Charlie Dorsey from Wayman Cook is being kept in first class condition—Charlie wipes the dust and keeps the tractor looking like a new one, after every use.

Bob Haley, our Town Marshal, is planning to do some major repair work on his home in South Ft. Mitchell.

Bob West's mother, Mrs. B. F. Hutton, has been down with a severe cold.

Nancy Armstrong is now the proud owner of an automobile.

Margie Brederlow brightened up her bangs—Pat Doud is planning to do the same.

National Young Cooperators

Mr. and Mrs. Herbert Works, Station Road, and Mr. and Mrs. William Armstrong, Bristow Road, were this district's delegates to the Cooperative Pure Milk Association convention, held recently in Houston, Texas.

They heard a speech by John Davis, secretary to Ezra Benson, Secretary of Agriculture, and enjoyed a barbecue and rodeo at Alvin, Texas, and a trip through an oil refinery.

Mr. Works is representative from this, the 11th district, in the Young Cooperators Advisory Committee and vice president of the Kentucky section. Herbert and Mrs. Works farm and milk in partnership with Bryan Armstrong. He is also technician for the Kentucky County Artificial Breeding Cooperative. Through vocational agriculture, Herb was elected a State Farmer in 1945, was president of the Utopia Club and is secretary and treasurer of the Kenton County 4-H Club Council.

William Armstrong is a member of the National Young Cooperators Executive Committee, and mentioned that all farmers must support their own products to the fullest and also for the dairy farmers, there are stickers out that can be placed on autos, which read "I milk cows, I use butter."

An enjoyable time was had by both families attending this convention and during the time traveling to and from.

Bradford Lodge, 123, F. & A. M. Bradford Lodge, 123, F. & A. M. will have a special meeting Friday evening, November 27 at 7:30 at the lodge hall in the Independence Bank building, for the purpose of conferring the Master Mason degree. There will be four candidates. All Master Masons are cordially invited to attend.

Respirator Dedication

The Independence and Community Volunteer Fire Department was dedicated a respirator by the Independence Fire Ladies' Auxiliary and the Independence Moon Bros. Post, 275, American Legion.

The dedication was performed at the Fire House last Monday evening by Mrs. Grace Bach, president, and Mrs. Betty Dennis, secretary, representing the Ladies' Auxiliary, and Byron Galloway, commander, Francis Weaver, finance officer, Lorraine Galloway, judge advocate, and Harold Miller, sergeant of arms, representing the Moon Bros. Post. Members of the Fire Department accepting the respirator were Charles H. Dorsey, president, and Tilford Mershon, chief.

The members of the Fire Department have been contemplating the purchase of a respirator, which is a necessary item for Independence, for the past four years, but the expense has been too great for the Department. Members of the Fire Department are now being carefully instructed on the use and care before it is put into service.

The Fire Department wishes to express their sincere thanks and appreciation to the two organizations which made it that will help in saving the lives of all who are in distress.

Band Booster Club

The regular meeting of the Band Booster Club was held November 16 at Simon Kenton. A representative from a well known uniform company was there to show and discuss the different types of uniforms.

At this regular business meeting final plans were made for the play, "The Womans Wedding," to be given Dec. 10, under the direction of Miss Alma Taylor. After the meeting, a social hour was enjoyed by all attending.

Officers of O. E. S. 493

The next regular meeting for officers of Bradford Chapter, 493, O. E. S., will be held Tuesday, December 1 at the Independence Bank building. The meeting will begin promptly at 7:45 p. m. It is essential that all officers be present to rehearse for the coming initiation.

Christian Church Supper

A chili supper will be held at the Independence Christian Church, Saturday, December 5. The menu will consist of sandwich, pie, coffee and chili, oil for 75c. This supper is being sponsored by the Sunshine girls, a Sunday School class headed by Mrs. Mildred Schenck.

Simon Kenton Pioneers

Simon Kenton's basketball team will play the Brocken County team at the Simon Kenton gym, Friday evening, Dec. 4.

Last week, the game played with Nicholas County was an exciting one, the score being 63-62 in favor of Simon Kenton.

VERONA

Mr. and Mrs. Bernard Wilson visited relatives in Walnut Hills, Cincinnati, Saturday and Sunday.

Mr. and Mrs. Charlie P. Baker of Walton, spent Sunday with his aunt, Mr. and Mrs. Jim Lamm, and all attended church at South Fork.

Mrs. Vevie Webster was visiting her sister, Mr. and Mrs. Herbert King, of Latonia, Tuesday and also called on her aunt, Mrs. Clyde Elliston, who still remains very sick.

Mrs. Lavene Leek spent Saturday night and Sunday with Mr. and Mrs. N. Leek and family.

Rev. Kelly Kennedy and family were entertained in the Dewey Ferguson home Sunday.

Mrs. Vevie Webster spent a few days last week with her son, Mr. and Mrs. Lee Webster, of Erlanger.

Sorry to hear of the passing of Mrs. Cam Kennedy of Walton, last week. We extend sympathy to her husband, son, daughters, and other relatives.

Mrs. Pearl Lamm and Flannice Edington, were calling on Mrs. Americo Sturdivent, who remains sick. Hope she recovers soon.

Rev. Kelly Kennedy and family moved to the new parsonage, which is nearly completed, last week. We welcome them to our town and community.

Uncle Pat Sturdivent returned home last week from his trip out west. He is looking fine and enjoyed his trip very much.

Mr. and Mrs. Will Waller called on the J. T. Lambs recently.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This
Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness, that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 284, New York 18, N. Y.

Mr. and Mrs. Mayro Hayden entertained Mr. and Mrs. D. Adams and daughter from church Sunday.

We are sorry to know Gerald Ashcraft is not doing so well at present. We hope for his speedy recovery.

We extend sympathy to Mr. and Mrs. Clyde Beach in the passing of their little two-year-old son. We know God knows best when He takes those little ones home to rest.

Mrs. Martha Hayden returned to her home in Overtown, Friday, after spending a few days with her son, Mayro, and family. Mrs. Hayden had been sick but was very much improved when she left to go home.

The Masons donated a bell to the New Bethel Church last week. They do not have it up yet.

Friends of Pvt. Marion A. Waller will be interested to know that he has finished his schooling at Ft. Monmouth, N. J., and after another month there will go to White Sands, N. M. Pvt. Harvey Kannady is still at Ft. Monmouth.

Mr. and Mrs. Frank Beall from Warsaw, were recent guests of Mrs. Pierolena Kannady and Ben Kannady.

Mrs. John Ashcraft of Erlanger was a recent weekend guest of Lizzie Noel and Pearl Lamm.

The Homemakers enjoyed their meeting at the home of Mrs. Hannah Chapman.

Friends of Bert Kannady will be sorry to know he broke his foot recently.

A considerable number of farmers in Lyon county sold corn for \$1.30 a bushel.

Christmas Jobs
Temporary jobs during the Christmas rush may not be quite so easy to get this year. The Post Office plans to get its regular employees more overtime work, cut down on extra help usually hired as carriers, sorters and package handlers. That's to vary from city to city, but, in general, fewer Post Office jobs will be available for teen-agers wanting to earn Christmas money. For Department Stores, the picture is spotty. In many cities, job seekers' chances are about the same as last year, but in others more applicants than in the past make jobs harder to get.

Postage Stamps of U. S.—1847-1953
For those who are interested in obtaining information concerning issuance of United States Commemorative Postage Stamps:
You can now purchase a revised edition of the Official Booklet containing descriptions of all U. S. Postage Stamps from the date of their introduction in 1847 to June 30, 1953, including plate numbers and quantities printed of Commemorative and Air Mail stamps. A feature of the new edition will be an index for easy reference purposes.
The new stamp booklet is being issued to the public through the office of the Superintendent of Documents at 65c per copy, with paper binding, which includes the cost of delivery. All mail orders for this booklet should be accompanied by a money order or check. Postage stamps are not acceptable. Superintendent of Documents, Government Printing Office, Washington 25, D. C.

Patrons of Independence Post Office
The Independence Post Office has recently received an additional supply of Postage Stamps for use on Christmas cards and packages. You may now purchase your supply of stamps without the last-minute rush and the long lines that will be forming at the stamp windows. This year, send holiday greetings as first class (3c) mail to obtain the many advantages which this service affords. Such greetings prepaid at the first class rate may be sealed and contain written messages; they are dispatched and delivered first, forwarded, if necessary, without additional charge, and, if undeliverable, returned at no further expense to the mailer, provided the sender includes return address on envelope.
Unsealed Christmas greetings, sent at third class rate (2c) without unauthorized writing enclosed, are chargeable with 2 cents postage (if weight does not exceed two ounces). However, a minimum charge of 3 cents is applicable to such greeting cards which measure less than four inches long or 2 1/4 inches wide.

Dodge Offers New Royal V-8 for 1954

Highlight of the 1954 Dodge line is the new super deluxe series known as the Royal V-8. A completely new interior styling is keyed to harmonize with 11 different body colors and 14 two-tone combinations. The Royal V-8 series is keynoted by Jacquard upholstery fabric, previously used only for rich tapestries and expensive furnishings. On the exterior, a new spear-like chrome moulding accents the low, sweeping lines and lends a smooth, modern look. There also is a new grille design and treatment of headlights, taillights and wheel covers. The 1954 Dodge line also introduces such engineering advancements as PowerFlite, a new fully-automatic transmission; the economy-and-endurance tested Red Ram V-8 engine stepped up to 150 h.p. and 7.5 to 1 compression ratio; and a new type full-time power steering unit. The Coronet Six and Meadowbrook Six have been stepped up to 110 h.p. and 7.25 to 1 compression ratio.

Government Under God

Lesson for December 6, 1953

EVEN today there are people who feel that religion and politics don't mix. The answer to that is, if your politics is the kind that won't mix with your religion, it's either the wrong kind of religion or the wrong kind of politics, or both. Just as it is not safe for a man to try to reserve a part of his personal life, keeping it for himself and away from God, so it is not right nor safe to reserve any section of social life and suppose that God need have nothing to do with it or about it.

Dr. Foreman

Government

When St. Peter tells his friends to be subject to "every human institution" he does not mean that all human institutions are what they ought to be and what God wants them to be. There are no perfect persons; how can there be perfect institutions? The truth is between two extremes.

One extreme view says: Institutions, including governments, are what they are by God's will and ordinance; therefore we must not criticize them, much less revolt. (This is the view of fascism everywhere and always.) The other extreme says: Since no human institution is or can be perfect, let us Christians stick to the one institution of the church, and leave everything else to the realm of sin. But no part of the world, or of human life, can be safely left to the devil. If it is right to try to make a family as nearly Christian as possible, it is right to try to make government as Christian as possible. God's will is that we should have government (in Lincoln's great phrase) "under God." That is to say, government is on the right line when it is in line with the great principles of life God has shown us. Justice and law should go together. All government uses law; but only good government makes just law. Above all human laws is the Law of God. "Under God" means not simply that God's name is used but that his will is really expressed in what the government does and plans.

The Governor

All good government centers in some kind of executive. He may be called Prime Minister, or King, or President. The name does not make much difference. But there has to be some responsible head somewhere, some person who has the right to make decisions and to order them carried out. This is true all the way down from national to village organization. A government where it is possible to "pass the buck" all around in a circle without any one person's being held responsible or having to make a decision, is a bad government. Both in the Old Testament and in the New, the importance of the right man at the center of things is underscored. Under a good king like David or Hezekiah, the country prospered; under a bad one like Jeroboam or Manasseh the country goes to pieces. Times have not changed much.

The Governed

The great difference between government in the days of Saints Paul and Peter and today, is that in the English-speaking countries, where free Bible Christianity has had fullest sway, we have democracy as our form of government. (This is not forgetting other countries where the name is true, such as Holland. It is also not forgetting that in some countries called democratic, there is nothing of democracy but the name.) Both Paul and Peter, when they wrote of kings and other men of authority, did not picture modern democracy at all. In the Roman Empire the monarch was a dictator; they were not elected. In our democratic world the governed are also the governors. Power resides no longer in the throne or in the palace; it resides in the people where it belongs. Furthermore, in the modern democratic world, Christian ideals can make themselves felt as they could not in the palace at Rome or Constantinople, in centuries gone by. Everybody who watched Queen Elizabeth's crowning must have been impressed by the fact that it was a religious act, performed in a church by Christian ministers.

PLENTY

"Be Thankful for Plenty" was the title of a sermon we heard many years ago. And we'll never forget how the preacher defined "plenty."

"If you have everything that money can buy, all the necessities and all the luxuries of life—and you don't have a Bible you can read and understand—then you've nothing to be thankful for! You're in want!"

"But if God has given you just enough of this world's goods for you to live from day to day—and you've a Bible you turn to every day—then be thankful! You have plenty!"

We can cherish that homely bit of inspiration. It sums up the kind of Thanksgiving our forefathers believed in... the kind of Thanksgiving that millions of us will celebrate this week in Church!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four round attend services regularly and support the Church. They are: (1) For his own sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and send your Bible daily.

FLORENCE

Mr. and Mrs. Richard Keyer had as recent guests, Mr. and Mrs. M. Mc-Laney of Taylor Mill Road, Mr. and Mrs. Roy Dalton and Mr. and Mrs. George Dills of Covington, Mr. and Mrs. Harry Cummins of U. S. 42, and Mrs. Helen Scott.

M. G. Martin and Mr. and Mrs. Chas. Carpenter returned last week following a pleasant vacation and sight-seeing trip to Florida. They also visited Mrs. Jeanette Gleis, a relative of Mrs. Carpenter, whose home is in Miami.

Paul Aylor has been assisting a son-in-law, Harry Rogers with his corn husking. Mr. Rogers expects to have 2,000 bushels of corn.

Florence Dry Cleaners will be moving to their new location on U. S. 42 as soon as their building is completed.

Blayne Miller and H. B. Simpson were visiting the former's parents, Mr. and Mrs. George Miller, Friday enroute to Louisville, where they visited friends Saturday night.

Joseph Tanner, wife and two children of Springfield, Ohio, and Miss Mary Tanner were Sunday guests in the home of a brother, Elbert Tanner, and family of Evergreen Drive.

Friends of Miss Dell Utz regret to learn that she is confined to Booth Hospital, with illness.

Mr. and Mrs. Elbert Tanner are sporting a new car.

Sympathy is extended the family of Mrs. Georgia Rouse, 79, for whom last rites were held from the residence in Burlington, November 18, at 2 p. m. A member of the Burlington Baptist

Church, her pastor, Rev. Sam Hill, Jr., officiated with a brief discourse and prayer was by Rev. William Smith. Interment was in Hopeful Lutheran Cemetery, beneath a mound of beautiful flowers.

Arthur Tanner, wife and son, Billy, enjoyed a weekend visit with their sons in Indiana.

The George B. Millers had as Sunday dinner guests, Mr. and Mrs. John Delwick, Jr., and family of Mineola Road.

John Delahutyn, we are sorry to report, is still confined to St. Elizabeth Hospital, and his condition is variable.

The Crusaders Quartet of Asbury College, Wilmore, had charge of services at the local Methodist Church, Sunday morning, during which they gave testimony and thanks for our many blessings. A welcome inch of rain fell here Sunday, which was badly needed.

Methodist Women's Society

Mrs. Mildred Munday, president, presided at the meeting of the Women's Society of the Florence Methodist Church on November 12. The opening prayer by Mrs. C. S. West was followed by reports from various officers. Mrs. S. J. Bradley conducted the devotional period, and included the song, "Faith of Our Fathers," and prayer by Mrs. C. A. McKibben. Mrs. West, vice president, introduced Mrs. R. R. Patton, Covington, the guest speaker, who gave a very interesting discourse on the subject, "Lighting the Way to Power," and closed with a word of prayer. The meeting closed with the prayer song, "Have Thine Own Way, Lord." Refreshments were served following the dismissal. Attending were: Mildred A. T. Knox, Mildred Munday, Leila Allen, Hope Bradley, C. A. McKibben, C. N. Ogg, C. S. West, Jane Stephens, Ida Miller, Allie Markesbery, Ella Bethel, H. T. Barnett, Nannie Mitchell and Eva Miller. Guests were Mrs. Clarence Ryle, Mrs. L. M. Moore, Mrs. J. J. Jacobson, Mrs. G. D. Stone and Mrs. R. R. Patton.—Pub. Chm.

TOTAL OF \$524,000.00 MADE AVAILABLE FOR DROUGHT AID

An additional amount of \$313,000 has been allotted by the Department of Agriculture toward paying the cost of transportation of hay being shipped to drought-stricken Kentucky farmers, according to Senator John Sherman Cooper (R-Ky.). This raises the total Federal contribution so far for hay transportation aid to \$524,000, a previous allotment of \$211,000 having been made earlier.

Themoney may be used to pay the transportation cost of up to \$10.00 per ton on hay being shipped into disaster areas, thus substantially reducing the cost to farmers who have suffered by the drought, Senator Cooper said. Seventy counties in Kentucky have so far been made eligible for this special assistance. Application for assistance under the drought disaster program should be made to the local county agent or PMA office.

Senator Cooper has recommended that drought disaster designation be extended to a number of other counties affected by the dry spell.

Lessons on homemakers clubs in Washington county included a study of furniture veneers, how they are made and used.

ROAD BLOCKS TO INTERCEPT HUNTERS

Road blocks to intercept hunters who are suspected of carrying more than their limit of game will be established in various sections of Kentucky during the hunting season. It has been announced by the Department of Fish and Wildlife Resources. These blocks will be staged at strategic spots in many sections of the state and State Police officers will assist Conservation Officers in the operation of the projects.

The Department points out that these road blocks are necessary to hold down the game take of hunters. At the same time the check for excess game is made a check will also be made of hunting licenses.

The Department has also announced that rabbit and quail are in good supply in the state. The season opens Nov. 20 and extends through Jan. 18. The daily limit on rabbits has been set at eight, and quail ten.

Thanksgiving, 1953

There have been a lot of happenings since Thanksgiving, 1952, when most of the country was rejoicing that we were going to have a Republican president—this will be Ike's first Thanksgiving in the White House, and some of these farmers are wishing it was his last, but they have had a rough year—thep rice of cattle and farm produce going down, and the drought all summer, with no grass and already feeding hay and silage—but we are all hoping the tobacco will bring a high price and it looks like it will.

The government control of the tobacco acreage and price is the best thing that ever happened. If these farmers could have the same control on all they produce, they would have the greatest business on earth. Everyone else produces or sells something and tells us what we have to pay for it, but the farmer produces all kinds of food products and takes what the market gives him. The farmer controls business when his prices go down—he slows up production, and the drought slows up selling, then the merchant slows up on the whole-sale market, and the wholesaler slows up, then the factory cuts off workers.

Mrs. Clarence Schuerman bought Revere Ware and heavy aluminum dish pan—I have found most ladies like the better grade of cooking utensils. We received more linoleum today—small linoleum mats, rug border, and 54"x54" stove mats. We are selling lots of steel traps—the muskrats are ruining the pond dams. Chick sold another fuel oil heater. We have had lots of calls for rubber elastomer rings to castrate and dehorn calves, and lambs—we have a stock of these and the elastomers to put them on with—they really do the work, and no pain.

We also put another item in stock today, which we never had before and that is glass shelving—we have always had the brackets but no shelving—well, we have it now, for most any size shelf. I try to add new items if I get enough calls for them to justify a stock. It is hard to close out an item that moves slow, if you have most stock, like horse shoes and harness, but I do sell some nearly every week—most all other dealers have quit carrying harness, but we still have several farmers who use horses, so I carry most all parts of harness.

Mrs. Russell Baker sent up after Armstrong linoleum. We sell linoleum every day, sent in today for 50-lb. and 25-lb. and 12 1/2-lb. or more ground available; on Banklick Road, 1/2 mile from Walton-Nicholson Road. Phone Holly 4742. 11-44

twice. Bolce and his son bought two non-resident hunting licenses, which were \$31—he said there was not \$31 worth of rabbits in this part of the country, but he thought he would donate that much, as he had a lot of customers and friends in Kentucky. He has a farm in Owen County, where he makes his hunting headquarters.

We sold shells, licenses and hunting coats—it will be poor hunting unless it rains. Every day we sell screen glass or one of the other six glass substitutes—we have it in 28", 36" and 48" widths—sure saves fuel when the weather gets cold. We have fluorescent lights in two lengths, 24", with two 20-watt tubes, complete for \$9.95, another, 48", with two 40-watt tubes, complete for \$14.50—these are fine for stripping tobacco.

Friday, Nov. 21, 1953, and it rained rain, transfer trucks, salesmen and customers. We had some day, with about five salesmen. The truck from Louisville brought in ten Bemis tobacco setters for next year, Groger Truck brought in three shipments from Cincinnati, then Huey unloaded 33 pieces from Louisville. Jack Rouse was here 3 or 4 times for plumbing supplies. Mr. Jackson from Morning View was buying chain, eye bolts and snags for his new boat, he built. Lots of hunters in buying shells and licenses. Brewster repaired two irons, several extension cords, then fixed J. C. Benton's water pump, put up new oil drum for Mrs. Rose at Froggott Lunch Room, cut two shades and put them on rollers for Mrs. Cecil Gaines.

I repaired Mrs. Frederica Mann's flashlight, sold Mabel Maddox two boxes of needles to sew for her granddaughter. Brewster repaired Marie Kendall's iron. Chick worked most of the day with those tobacco setters—washed two left from last season they wanted to take back to the factory—they have improved the new Bemis, making the frame wider, which gives the setter more leg room, and several other small changes—they are also making some horse-drawn on steel, as well as the tractor-drawn, and hydraulic type. They send them early enough so we'll fall over them for several months—of course we have sold some tobacco setting time.

Saturday was hunters' day again—we sold shells and licenses all day—of course we sell dishes, pots and pans every Saturday. Walter King was in paying his account and bought 5 yards of Flex-O-Glass—we sure sell Flex-O-Glass, Wyr-O-Glass, Glass-O-Net, Plast-Glass, screen glass and Durapane. We also have the Flex-O-Glass in 3x6" rolls and 3x7" rolls, ready to put on. Screen glass and Durapane comes in 28", 36" and 48" widths. Albert Rhodes came after a tank sprayer—he was putting down tobacco and it was a little dry, but then rain came and most everyone put down some tobacco.

'Cats Upset Pioneers 54-47 Tuesday Night

Locals Lose To Covington Catholic

The Walton-Verona Bearcats played their third game Friday night at the First District School, Covington, and lost to Covington Catholic. The score was Walton-Verona 49, Covington Catholic 55.

In the first half everything went along fine. Walton was leading by a score of 33-26. In the third quarter the Covington Tigers started pulling ahead. The score at the end of the third quarter was Covington Catholic 45, Walton 41.

In the fourth quarter the Tigers were really on the ball. They made a large percentage of their free throws and a good many field goals.

Two of Walton's players fouled out in the last half. They were Roberts and Howard.

Smith wasn't up to his usual quota Friday night. He only had 13 points at the end of the game, which is very low for him.

The largest crowd in two years saw Walton-Verona down Simon Kenton 54 to 47, Tuesday night, on the Walton floor.

Walton started slow, allowing Simon Kenton to get a six-point lead before Ryan tied the score with two field goals and two foul shots. Clarkson put S. K. ahead with a field goal and a foul shot. Courtney from Walton scored three points to tie the score, and Smith hit from the foul line to give Walton a 10-9 lead at the end of the first quarter.

Simon Kenton scored 10 points in the second quarter, while holding Walton to four, to take a 19-14 halftime lead.

Walton came back fast, with Smith opening the third quarter with two quick field goals, and got 12 of his 27 points during this quarter. Ryan and Roberts also hit for field goals, to give Walton a 34-33 third quarter lead.

Opening the fourth quarter, Scott replaced Courtney, who had committed his fifth personal foul, and Grubbs replaced Howard. Scott collected six points, Smith 10, Roberts 2, and Ryan and Grubbs one each. Clarkson hit for Simon Kenton hit for 9, and Doud had 5, making the final score, Walton 54, and Simon Kenton 47.

Simon Kenton committed 20 fouls, while Walton committed 19. Simon Kenton made 17 of 31 from the foul line, and Walton made 22 to 33. Simon Kenton had 15 field goals and the Bearcats had 16. Walton made 16 of 63 shots for a 26% average.

Simon Kenton scoring: Robinson 5, Luke 1, Doud 14, Rose 0, Clarkson 18, Heeger 7, Belter 2, Johnson 0.

Walton-Verona scoring: Courtney 4, Scott 6, Howard 0, Smith 27, Ryan 11, Roberts 5, Grubbs 1.

Awards will be given on crop averages, baskets, each grade, record books and tobacco judging.

Boone County 4-H members who had tobacco in their project during 1953 are eligible to sell their tobacco in this show and may enter the contest. Joe Claxton, County Agent, urges all tobacco project members to take advantage of this sale.

FOUR ARE INJURED AS TIRE BLOWS OUT

Four persons were injured when an automobile in which they were riding overturned after a blowout on Ky. 16, half a mile east of Walton, early Sunday, State Trooper Ralph Cline reported.

The victims and their injuries were listed as Janice Glahn, 20, Melbourne, Ky., and Sally Elliott, 24, Williamstown, Ky., back injuries; Leslie House, 27, Warsaw, Ky., face cuts and shoulder injury; and Norman House, 28, Jonesville, Ky., the driver, face cuts, a chest injury and possible internal injuries.

All were taken to St. Elizabeth Hospital, Covington.

JANET BEACH

Janet Beach, 19-month-old daughter of Mr. and Mrs. Clyde Beach of Independence Station, passed away November 22 at her home. According to Mrs. Teresa Riffe-Spegal, Kenton County Coroner, death was due to bronchial pneumonia. Besides her parents, the little girl is survived by three brothers, three sisters, and her grandparents.

Funeral services were held at 11:00 a. m., November 24, at the Pleasant View Baptist Church, Zion Station, with Rev. Simon Webster officiating. Burial was in Pleasant View Cemetery. The Hamilton funeral home, Verona, had charge of arrangements.

ROBERT A. WILLIAMS

Robert Allen Williams, 31, Mansfield, Ohio, formerly of Warsaw, passed away November 23 at Richmond Hospital in Mansfield. He was a truck driver.

Survivors include his mother, Mrs. Vernon Dean, Warsaw; his foster father, Vernon Dean, Warsaw; a sister, Mrs. Adrian Williams, Anderson, Ind.; one brother, James H. Muse, Greenfield, Ind.; a foster sister, Mrs. Louise Sutton, Warsaw, and two foster brothers, Jacob and Cecil Dean, Warsaw.

Funeral services were held at 2:00 p. m., November 25, in the Hamilton funeral home, Verona, with Rev. Kelly Kennedy officiating. Burial was in Warsaw Cemetery.

Wrestling Bouts At Florence, Saturday Night

Women wrestlers have been scheduled for the second in a series of exhibitions sponsored by the Florence Lions Club, to be held at 8:30 p. m., Saturday, in the Florence school.

A 132-pound Cincinnati girl, Betty Crane, will match holds with "The Green Queen," 135, in the second bout. It will be a best two of three falls with a 60-minute time limit.

The Indian claims the "Angel" used a trick to put him out of commission when they met in a tag-team match in the November show, put on by the Lions.

In the first bout, "Harold, the Original Hangman," 226, Erie, Pa., will grapple with Prof. Dick Clark, 216, Oxford, Ohio.

Herbert Riehl, chairman of the Lions wrestling committee, said Joe Anderson, former middleweight boxing title contender, will referee one of the exhibitions.

MARINE IN KOREA

Sgt. Donald E. Evans

Marine Sgt. Donald E. Evans, son of Mr. and Mrs. Willie Evans, Walton, is serving at an air base of the First Marine Aircraft Wing in Korea. A squadron material clerk with Headquarters Squadron of Marine Aircraft Group 12, Evans is responsible for the issuing and ordering of all squadron supplies and maintaining records of all equipment.

Flames Destroy Farm Home Here Sunday

Eight persons, including two small children, escaped from a burning home near Walton, Sunday morning, just minutes before the beds they had been to change on Sunday morning.

The house was completely destroyed, and Fire Chief Russell Groger estimated the loss at \$3,500.

The home was occupied by Mr. and Mrs. Mike Lay and was located just off Percival Road, about 1 1/2 miles west of here. They had six Thanksgiving weekend guests and all were forced to flee with only odds and ends of clothing they were able to snatch up.

The guests included Mr. and Mrs. Foster Beck of Conway, Ky., and their two children; Joe Lay, grandson of the farm couple, and Dale Howard, Norwood, Ohio, his friend.

Chief Groger said Mrs. Lay arose first and discovered the fire. She roused the others and they attempted to put out the fire with buckets of water.

The fire, which started from a defective fuse, already had eaten into the second floor joists and had weakened the flooring. The bucket brigade failed to stop the flames.

There was no telephone available and Boyd Powell, grandson of the Lays, who lives near by, jumped into his car and sped to Walton, where he turned in an alarm at the fire house.

Chief Groger, Deputy Chief Jesse Thornton and 16 firemen answered with two pumps. They threw a line into a lake and tried to bring the flames under control. However, the blaze had gained too much headway.

Neighbors helped the Lays and their guests carry out most of the furniture on the first floor.

Fire Run to Boone Lake

The Walton Volunteers made a run last week to Boone Lake, where they extinguished a burning cottage, the blaze having also been caused by a defective fuse. This property was saved to a great extent by the firemen.

Firemen Serving at Agent

The Walton Firemen are serving at the collection agent for anyone that desires to help the Lay family, either with clothing or furniture. Just call any of the firemen and they will call for your contributions.

TRYLING - MISKELL

George Miskell, 54, employee of the gas and electric company, Covington, and Christine Tryling, 1108 Pike Street, Covington, were married at the home of his daughter, Mr. and Mrs. Gus Power, 1242 Himes Ave., Covington, Nov. 28.

Mr. Miskell is a brother of Mrs. Nell Duggan, and lived at Beaver Lick for a number of years. Friends wish them a lot of happiness.

Mr. and Mrs. Malcolm Simpson, Misses Novella and Corine Hull of Dayton, Ky., and Lyle Roberts of Williamstown, enjoyed the Ice Follies at Cincinnati Gardens, last Wednesday evening.

FISH-GAME VIOLATIONS

Ten arrests for fish and game law violations were made in the 5th district during the month of October, the Department of Fish and Wildlife Resources at Frankfort, reported today.

The 5th district is comprised of 13 counties, of which Boone and Gallatin counties are a part.

Of the 10 arrested, 10 were convicted. In Boone and Gallatin, Conservation Officer Ollie Herrington had two arrests and two convictions. They were: Bill Schaefer, Newport, hunting with unplugged gun and hunting out of season. All told, 873 licenses were checked throughout the district during October.

UTOPIA CLUB MEETINGS

The Boone County Utopia Club has made plans to have two farm management meetings.

Harry Young, Farm Management Department, University of Kentucky, will present the farm management problems and lead a discussion. He is one of the outstanding men in his field. The meetings will be held in the Courthouse in Burlington, December 3 and 10. Each of the meetings will start at 8 a. m. Those interested in home and farm management are invited to attend.

At the last meeting of the Boone County Utopia Club, which was held in the home of Mr. and Mrs. Joe Domaschko, Erlanger Road, officers for 1954 were elected. They are: President, Joe Domaschko; Vice President, Mrs. Sterling Dickey; Secretary, Mrs. Raymond Witham; Treasurer, Mrs. Grant Maddox; and Council member, Adam Dolkow.

LIVESTOCK MEETING

Livestock men of Boone County will want to attend a livestock meeting in the Burlington Courthouse, Friday, Dec. 4, at 1:30 p. m.

C. D. Phillips, Farm Economist in Marketing from the University of Kentucky, will discuss the livestock outlook for the coming year. J. R. Kimber, Manager of the Cincinnati Livestock Producers Association, will discuss livestock marketing. These topics should be of great value to all farmers.

CHILI SUPPER SATURDAY

The Chi Rho youth group of the Walton Christian Church will serve a chili, pie and coffee supper Saturday night in Fellowship Hall. Serving will begin at 5:00 p. m. and will continue until 7:30. The community is invited to attend and help these young people meet their missionary goal. There will be a donation of 75 cents.

QN RADIO PROGRAM

Rev. Bob W. Brown will be the speaker each week on "Words of Life," a radio ministry from the Vasilta Baptist Church. The program can be heard each Sunday afternoon from 2:30 to 3:00 over station WZP.

Rev. Brown is a native of Burlington, was graduated from Georgetown College, and is presently a student at Southern Baptist Seminary, Louisville. He recently began his sixth year as pastor at the Vasilta church, having been called there when he was 17 years old.

Mike and Rachal Acree, Gospel singers, and Mrs. Helen Brown, organist, will be featured on the program.

Mr. and Mrs. Ralph Carpenter, Misses Marjorie and Shirley Lou Carpenter and Mrs. Daisy Jack were Thanksgiving guests of Mr. and Mrs. W. H. Bertram and family of Greenville, Ohio.

ERNST - MEADOWS

Miss Wanda Sue Ernst

Miss Ernst graduated from high school in 1952 and is now employed at the First National Bank, Cincinnati.

Mr. Meadows was recently discharged from the Army, after having served 21 months in Korea, Japan and Hawaiian Islands.

No date has been set for the wedding.

4-H Jamboree. Winners Are Announced

Judy Washburn, 4-H member from Florence, won first prize with her dummy act in the talent show at the 4-H Jamboree, held in the Florence High School auditorium, November 21.

Other winners were: Lynn Fletcher, second, with a piano solo. Lynn has been a 4-H club member at Florence for four years. Judy Robbins won third place honors. This is her third year in 4-H club work, being a member of the New Haven club. Fourth prize went to Kathleen Nance of the New Haven Club. This is her third year in 4-H club work.

There were 31 different acts in the show with over 50 members participating.

The judges were Miss Dorothy Nanney, Home Economist for the Owen County REA; Dale Bee, of the Union Light, Heat and Power Co., and E. E. Fish, 4-H Department, University of Kentucky. Joe Rous was Master of Ceremonies.

Jerry Conner and Bobby Maddox were presented awards for being outstanding 4-H electrical project members in the county. Virgil Lee Kelly was presented an award for being the outstanding 4-H camper in 1953. Joe Claxton, County Agent, made the presentation.

A large crowd attended the Jamboree and 4-H members in the county are looking for a good 4-H year.

ARTEMECIA TURNER

Mrs. Artemecia Turner, 89, Verona, Ky., passed away November 24 at the home of her daughter, Mrs. Claude Sturgeon, Verona. Besides her daughter, she is survived by a sister, Mrs. Maude Long, Florence.

Funeral services were held at 2:00 p. m., November 26, in the Hamilton funeral home, Verona, with Rev. Kelly Kennedy officiating. Burial was in the New Bethel Cemetery, Verona.

CHRISTMAS PARTY

According to Fire Chief Russell Groger plans are being completed for the annual Firemen's Christmas party for the children of the community. This event will be held at the fire house Saturday afternoon, December 19. Santa is expected to be present and there will be a "treat" for each child and rides on one of the fire trucks. Plans now to be in town at this time—Dec. 19.

Erlanger Average Is \$56 Per Cwt.

Kentucky tobacco markets opened on Monday with high averages.

A total of 165,360 pounds of burley was sold Monday at the opening day sale of the tobacco season at the Independent Warehouse, Erlanger.

Total sales amounted to \$93,267.92, with an average of \$56 a hundredweight. The high basket brought \$70 a hundredweight, while the low was \$12.

Opening day prices were encouraging to farmers. Managers at both the Independent Warehouse and the Kenton Warehouse, Covington, expressed the opinion that the season would be most successful.

High prices also prevailed Tuesday at opening sales at the Kenton House.

A total of 214,154 pounds of burley was sold for \$116,743.97, an average of \$54.51 a hundredweight. High basket sold for \$70 a hundredweight, and the low was \$12.

The Carrollton market averaged \$57.62 for opening day, Monday. The State Department of Agriculture reported that a total of 14,046,724 pounds of tobacco were sold for \$8,070,656. This compared more than favorably with figures gathered from the opening day last year when 15,233,370 lbs. brought only \$7,960,432.

Shelbyville led the field, paying an average of \$59.27 a hundredweight for 968,920 pounds. This was \$5.92 over the opening day in 1952.

Lexington, with a \$58.23 average, was up \$4.11 over last year's opening day figure. Sales totaled 2,546,822 lbs.

POULTRY MEETINGS

Poultry producers are invited to attend the meeting in their section and discuss poultry production problems with Mr. Humphrey and poultry leaders.

BAKE SALE SATURDAY

The Choir and Usher Board of the Zion Baptist Church, Walton, will have a fish fry, barbecue, and bake sale at the church on Church Street, Saturday, December 5, beginning at 1:00 p. m. You are urged to be early in order to get best selection of cakes, etc.

Agricultural Chairmen Are Named Locally

A. B. Renaker, President of Peoples Deposit Bank, Burlington, has been appointed County Agricultural Chairman for Boone County, according to an announcement by Jos. B. Buenger, Fort Thomas, President of the Kentucky Bankers' Association. The appointment becomes effective immediately and is for the year 1954.

In Kenton County, Raymond Giles, cashier of the Bank of Independence, has been named County Agricultural Chairman, by Mr. Buenger.

County Agricultural Chairmen coordinate the activities of county banks with the local farm programs developed by farm leaders, agricultural agencies and organizations. Such activities include youth leadership training in 4-H Clubs and FFA chapters, holding Farm Field Days and Recognition meetings, promoting soil building and conservation, and the improvement of livestock. Eleven Kentucky banks now have Farm Departments headed by agriculturally trained men.

New Dodge Trucks Have 75 New Features

Many of the 75 new features and improvements built into the new C-1 Series of Dodge "Job-Rated" trucks are in the one-half ton pick-up pictured. Lower loading height, greater maneuverability, lower running boards, and increased driver comfort all have been built into the new trucks to assist drivers and reduce hauling costs. The new one-piece curved windshield with 951 square inches of glass area gives increased visibility. Custom cabs, such as the one shown, have rear quarter windows. Completely new design, wider front tread, and new spring suspension give the new trucks their long, low, wide, swift appearance, and contribute to exceptional stability.

KENTON

Friends and neighbors of Uncle Bill Cheeseman are glad he had a rapid recovery from his recent illness.

Mr. and Mrs. Stephen Wrenn entertained with a birthday dinner in honor of their daughter, Kandy's third birthday, November 7.

The Kenton and Community Volunteer Fire Department is having a bingo Saturday night, December 5, at 8 p. m. in the D. of A. hall in Kenton. There will be a variety of prizes and the Ladies' Auxiliary is planning on baking plenty of good home-made cakes and pies for the occasion. They are also raffling off

a turkey. Be sure and get tickets from any of the ladies or firemen before the end of the evening. Please come and bring someone with you.

The Fire Department has responded to several fire calls in the past few weeks. Fire Chief Cecil Ishmael reports most of them were due to dry weather and fortunately the extent of property damage has been confined to gross.

Mrs. Lucille Morgan, who has been hospitalized recently, is home now and feeling much better.

Tom E. Baldwin and Son, Madison county, harvested 64 bushels of red clover seed from 1.4 acres.

Members of 17 homemakers clubs in Pike county are studying a lesson called "Buying Materials, Wools and Blends."

Government Under God

Lesson for December 6, 1953

EVEN today there are people who feel that religion and politics don't mix. The answer to that is, if your politics is the kind that won't mix with your religion, it's either the wrong kind of religion or the wrong kind of politics, or both. Just as it is not safe for a man to try to reserve a part of his personal life, keeping it for himself and away from God, so it is not right nor safe to reserve any section of social life and suppose that God need have nothing to do with it or about it.

Dr. Foreman

Government

When St. Peter tells his friends to be subject to "every human institution" he does not mean that all human institutions are what they ought to be and what God wants them to be. There are no perfect persons; how can there be perfect institutions? The truth is between two extremes. One extreme view says: Institutions, including governments, are what they are by God's will and ordinance, therefore we must not criticize them, much less revolt. (This is the view of fascism everywhere and always.) The other extreme says: Since no human institution is or can be perfect, let us Christians stick to the one institution of the church, and leave everything else to the realm of sin. But no part of the world, or of human life, can be safely left to the devil. If it is right to try to make a family as nearly Christian as possible, it is right to try to make government as nearly Christian as possible. God's will is that we should have government "under God." That is to say, government is on the right line when it is in line with the great principles of life God has shown us. Justice and law should go together. All government uses law; but only good government makes just law. Above all human laws is the Law of God. "Under God" means not simply that God's name is used but that his will is really expressed in what the government does and plans.

The Governor

All good government centers in some kind of executive. He may be called Prime Minister, or King, or President. The name does not make much difference. But there has to be some responsible head somewhere, some person who has the right to make decisions and to order them carried out. This is true all the way down from national to village organization. A government where it is possible to "pass the buck" all around in a circle without any one person's being held responsible or having to make a decision, is a bad government. Both in the Old Testament and in the New, the importance of the right man at the center of things is underscored. Under a good king like David or Hezekiah, the country prospers; under a bad one like Jeroboam or Manasseh the country goes to pieces. Times have not changed much.

The Governed

The great difference between government in the days of Saints Paul and Peter and today, is that in the English-speaking countries, where free Bible Christianity has had fullest sway, we have democracy as our form of government. (This is not forgetting other countries where the same is true, such as Holland. It is also not forgetting that in some countries called democratic, there is nothing of democracy but the name.) Both Paul and Peter, when they wrote of kings and other men of authority, did not picture modern democracy at all. In the Roman Empire the monarch were dictators; they were not elected. In our democratic world the governed are also the governors. Power resides no longer in the throne or in the palace; it resides in the people where it belongs. Furthermore, in the modern democratic world, Christian ideals can make themselves felt as they could not in the palace at Rome or Constantinople, in centuries gone by. Everybody who watched Queen Elizabeth's crowning must have been impressed by the fact that it was a religious act, performed in a church by Christian ministers.

MY JOB IS THRILLING!

I've been an usher in Church for many years. And my job is thrilling.

It's not that I'm money-minded. Frankly, I hardly notice what a parson puts into the plate. Envelopes, paper, coins—they're all the same to me.

What thrills me is the spirit of STEWARDSHIP.

As I pass my plate through the pew, men and women are returning to God the fruits of their talents, their labor, their strength.

In my mind's eye I see the wonders God will work with these humble gifts . . . the Church's ministry of mercy, of comfort, of teaching, of saving.

But really, the greatest thrill is in placing my own gift on the plate. For I'm not just an usher—I'm a Christian.

Receiving your gifts is merely my job. Giving my own gift is the joyous privilege that I share with YOU, and with all men who believe in Christ and His Church. Next SUNDAY IS STEWARDSHIP SUNDAY.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy, nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

INDEPENDENCE R. 1

The Staffordsburg Sunday School was delighted to see Lee Giles back in his place Sunday morning, after several weeks absence with a broken limb.

Mrs. Louella Smith of Chestwood, Ky., spent the weekend with her sister, Miss Emma Yates.

Mr. and Mrs. Wynford Riley are the proud parents of a little daughter, born Friday evening at St. Elizabeth Hospital. The little daughter has not been doing so well and has had to have several blood transfusions, but glad to report she is doing fairly well.

The Thanksgiving service which was combined with the prayer service at Staffordsburg, Wednesday evening at the Staffordsburg church was well attended. The message was delivered by Mrs. Johnson's brother, who, with his family, were guests of Rev. Johnson and family over the holidays. After the close of the service, all were invited to the church basement for a little surprise party, it being the occasion of Mrs. Johnson's birthday. Cake, coffee and punch was served to all present.

Mr. and Mrs. Howard Barnett and little daughter spent the weekend with relatives at Mt. Sterling, Ky.

Mr. and Mrs. Dawson Ballinger entertained one day the past week, Tammy Tichenor and wife of Louisville.

Mr. and Mrs. Dewey Parsons and little son had as guests Sunday, Dewey's mother, Mrs. Dewey Parsons, Sr., and two brothers of Crescent Springs.

Mr. and Mrs. Harley Hannon and sons were Thanksgiving guests of his parents, Mr. and Mrs. W. E. Hannon.

Mr. and Mrs. John Shaw entertained several guests from Latonia, Sunday.

Don't forget to come to the fellowship supper at Staffordsburg church Saturday evening at 7 p. m. Everyone welcome. Come and enjoy a real social evening with us.

Mr. and Mrs. Denver Binder entertained several of their relatives with a turkey dinner Thanksgiving.

CARD OF THANKS—

We wish to express our sincere thanks to everyone for the kindness shown during the illness and death of our uncle, James Huffman. Especially do we thank Everett Jones and wife, those who prepared the grave, Rev. Kelly Kennedy, and the Hamilton Funeral Home. 11-49*

Miss Shirley Lou Carpenter and Tommy Cook attended the Cincinnati Gardens ice revue Saturday night.

Resolution No. 8

A Resolution proposing that a four (4) inch Water Main be laid along a portion of Central Avenue, not so improved; designating the route of the improvement; declaring the proposed improvement a necessity and suggesting that the City Council of the City of Walton, Kentucky, will adopt an Ordinance making the improvement.

WHEREAS, certain territory just west of the former city limits has recently been annexed to the City of Walton; and

WHEREAS, said territory contains an extension of Central Avenue (High School Court); and

WHEREAS, the water main on Central Avenue in the City of Walton, Kentucky,

does not extend to the Corporation Limits of the City on said Street; and

WHEREAS, request has been made to the City Council that Central Avenue be improved by the installation of a Four (4) inch Water Main on said Street following said street to Stephenson Mill Road.

NOW, THEREFORE, The City Council of the City of Walton, Kentucky, does Ordain as Follows:

SECTION 1. That, following appropriate action by the City Council, a Four (4) inch Water Line will be laid on Central Avenue (High School Court) in the City of Walton, Kentucky, starting at the end of the present Water Main on said Street, and extending along said Street to Stephenson Mill Road, a distance of 1,000 feet, be the same more

or less, between the two named points.

SECTION 2. That, the costs of the construction of the Water Main will be apportioned against the property on both sides of Central Avenue for the distance that the same is laid.

SECTION 3. That, the extension of this Water Line appears necessary to the Council because of the new residence property which is being constructed along said Street to the City of Walton, Kentucky, and the opportunity to avail themselves of the advantages of City Water as a necessity and a convenience.

SECTION 4. That, an ordinance will be proposed and read to the City Legislative Body and presented for adoption, which will embody the same general terms as set out in this resolution, but will go into minute detail as to the specifications, the contract, the bond, the bid and all necessary items. The ordinance to be proposed, introduced and twice read before The Council and submitted to Council for passage in not less than thirty (30) days after the publication of this resolution.

Passed by a vote of 4 members of the City Council of the City of Walton, Kentucky, this the 2nd day of December, 1953.

R. M. HALL, Mayor,
City of Walton, Kentucky

LET FLOWERS BE PART OF CHRISTMAS

In these columns, until Christmas, we shall give the stories of Christmas Flowers

THE CHRISTMAS ROSE: This flower, which blooms so freely in the warm countries at Christmas time, resembles our American wild rose in appearance. Legend has it that a shepherd girl, watching from afar as the three Magi presented their gifts to the Child Jesus, wept because she had no gift for the Babe. As her tears fell to the ground, flowers sprang up from the wet soil. The little girl gathered the blooms and took them to the crib. As she presented them to the infant, the center of each flower turned a delicate pink, much like the pink rose we know today. This flower, then, came to be known as the Christmas Rose.

Resolution No. 9

A Resolution by the City of Walton Council for the laying out, grading, draining and construction of approximately 1,000 feet of Central Avenue (High School Court) in said city; resolving that the improvement is a necessity and announcing that an Ordinance will be introduced providing for the improvement by stages.

WHEREAS, there is 1,000 feet, or thereabout, of Central Avenue (High School Court) in the City of Walton, Kentucky, which is not laid out, graded, drained, surfaced or bound and chipped

with stone or stone and asphalt combination or any substance permitting travel to and from the homes of those who dwell on the street, during all seasons of the year and in all types of weather; and WHEREAS, a request has been made of the City Council that the Street be laid out and improved, and it appearing to the Council that the improvement is a necessity; that it should be made as a stage improvement; that the persons who own property fronting on said Street are entitled to a surfaced street, permitting ingress and egress at all seasons and under all conditions of weather.

NOW, THEREFORE, The City Council of The City of Walton, Does Ordain As Follows:

SECTION 1. That following the necessary action by the City Council, a fourteen (14) foot area in the center of Central Avenue (High School Court) in the City of Walton, Kentucky, for the distance of 1,000 feet be graded, drained and surfaced from the end of the present surface to Stephenson Mill Road. After the Grade and Draining and Installation of Drainage pipe, spread and compact two (2) inch stone to a depth of 6 inches, all to be done in accordance with approved methods and subject to the supervision of the City Engineer.

SECTION 2. That the cost of construction of the proposed improvement will be apportioned against the property owners on both sides of the street for the distance of the improvement.

SECTION 3. That this improvement appears to the Council to be necessary; that there is no surface on this street and the citizens of the City are entitled to have suitable facilities to go and

come from their homes to their work via the modern means of transportation; that such a street is needed in the event of fire or of serious sickness to provide the way for automotive equipment needed in such cases.

SECTION 4. An Ordinance will be presented and presented to the City Council and it's adoption proposed. Said Ordinance will embody minute details of the improvement and provide that same shall be a stage improvement, in not less than thirty (30) days after the passage and publication of this Resolution.

Passed by a vote of 4 members of Council of the City of Walton, Kentucky, this 2nd day of December, 1953.

R. M. HALL, Mayor,
City of Walton, Kentucky
Attest: C. W. HOFFMAN,
Clerk, City of Walton, Ky.

CRITTENDEN

The C.Y.F. of the Crittenden Christian Church enjoyed a Thanksgiving social last Wednesday evening in the church basement. Those present were: Clara Webster, Patsy Honeock, Helen, Jimmy and Billy Catlett, Jean Piner, Wanda and Janice Wagner, Jo Elliott, Geraldine Harper, Beverly Browning, Mary Reed, and Rev. Shepherd.

Producing eggs for hatching broiler chickens is being promoted in Powell co. The Whitley County Fair, sponsored by the Williamsburg Chamber of Commerce, Extension Service and schools, had 2,084 exhibits.

92nd BIRTHDAY DEC. 1
J. W. (Uncle Jimmie) Stephenson spent a very quiet day December 1, in celebrating the 92nd anniversary of his birth. Hale and hearty, he talked of the many things that have happened and the progress of the world, especially the growth of our little town, Walton. One of his conversations with some of his old friends who called during the past week was about the time soldiers camped in their yard during the Civil War (now the Geo. Fisher place). We can be thankful times are not like that now.

Uncle Jimmie received several nice, useful gifts, and cards wishing him many more happy birthdays.

Boone Soils Need Potash Treatment

Boone county soils need ample supply of potash was the result of soil tests this year, according to Joe Claxon, Agricultural Agent.

A University of Kentucky circular written by George Roberts, emeritus professor of agronomy, tells about the importance of potash in the soil. For instance, 50 bushels of corn, including the stalks, contain 30 pounds of potash, and 25 bushels of wheat, including straw, contain 35 pounds of potash.

A ton of alfalfa hay contains 50 pounds of potash; a ton of clover hay, 40 pounds, and a ton of lespedeza or timothy hay, 30 pounds. One thousand pounds of burley tobacco and 600 pounds of stalks contain 55 pounds of potash.

Manure and crop residues contain potash. Where these materials are limited, it may be necessary to apply commercial fertilizers containing potash. Farmers are advised to have chemical tests made of their soils. Bring your soil samples to the county agent's office to have them tested.

HIGH CORN YIELD IN OHIO COUNTY

UK County Agent R. D. Ridley reports high corn yields in Ohio county, despite the dry weather. Jesse Daniel picked an average of 132 bushels an acre from 8 acres; Chester Tichenor produced 120 bushels an acre on 10 acres, and Dan Milligan, a 4-H club boy, produced 119 bushels an acre. Good yields were reported over most of the county, Mr. Ridley said.

Fifteen homemakers clubs in Henry county have a membership of 381. More silos were built and filled in Pulaski county than in any previous two years, reports UK County Agent Hugh Hurst.

Twenty Butler county farmers attended an R.E.A. electric feed grinding and mixing demonstration. Farmers in Fulton county sowed grasses, legumes and cover crops after 1 1/4" of rain fell October 26.

Farm Facts

FOR KENTUCKY FOLKS
by Wm. C. Johnstone
AGRICULTURAL REPRESENTATIVE
KENTUCKY BANKERS ASSOCIATION

PARITY RATIO, the price that farmers receive in relation to what they pay, dropped to 91 in October, the lowest point since May, 1941. After paying operating costs in 1953 their net income will be only 36% of their gross income, the lowest since 1932! The experts believe, however, that the worst of the adjustments are over. Farmers, in the meanwhile, should use their utmost care to keep costs to the minimum in 1954

by efficiently using land, labor, machinery and fertilizers.
Harry Young, UK Agent in Farm Management, makes several suggestions as to practices for improving efficiency in 1954, most of them requiring little or no additional cash outlay. Among these are: (1) Plan year's credit needs early, (2) trade work for use of machinery, or consider joint ownership, (3) return all manure and crop residues to the land, (4) use lime and fertilizer in accord with soil tests, (5) use best crop varieties, (6) be on hand at farrowing and calving time, (7) dehorn calves at early age, (8) watch market developments and sell when prices are normally high.

CREDIT is now recognized as an essential farm tool. It is just as difficult to operate a modern farm without credit as to farm without modern machinery. Like other machinery, credit should be used wisely—abused, it deteriorates rapidly—used with care, it returns good profits and increases in value. Credit may be less available in 1954 than during recent boom years. Farmers themselves will wish to keep their debts to

the practical minimum and banks, as well as other credit agencies, will tend to lend with greater caution. Good machinery advice is to put it in good shape before the new cropping season starts. The same applies to credit. See your credit specialist early, your banker, in this case, and go over your credit needs with him—they may need complete overhauling, new parts or minor adjustments.

Just because a farmer failed to earn a profit in 1953 is no reason why he should not file U. S. Income Tax returns. If his returns show a net loss in 1953 he can claim a refund on tax paid for 1952 and, if the profit in 1952 does not cover the 1953 loss, he can then carry the remainder forward against net income in coming years. Our best advice is this—pay an accountant to prepare your returns and save money.

Kentucky now has 48 Artificial Breeding Associations with 16,000 members. They own 39 of the finest bulls available and in 1953 will breed 70,000 cows artificially. These associations are contributing immeasurably to the improvement of the dairy industry of the state. They put the best of sires in reach of the smallest farmer. A local association can be organized in any area where 1200 cows are signed up within a 25 mile radius.

Public law 285, which recently became effective, permits national banks "to make real estate loans secured by first liens upon forest tracts which are properly managed in all respects." Thus Congress again recognizes the value of modern forest practices such as selective cutting, reseedling, and fire and insect protection.

HATCHERIES REQUIRE A STATE LICENSE

Hatcheries and dealerships selling more than 1,000 chicks a year must be licensed by the state, Commissioner of Agriculture Ben S. Adams reminded today.

The reminder came with the opening of the hatching season, for many hatcheries, some of which have not obtained a permit for the current year.

All hatcheries, Adams said, are subject to sanitary inspection by personnel from the State Department of Agriculture and no place can be licensed that has more than two per cent pullover disease in the flock that provides the eggs. Out-of-state hatcheries doing business in Kentucky must meet the same requirements and be approved by the department, he said.

Licenses are \$10 per year and applications may be made by mail to the department.

TOYS and GIFTS

Next week we will put out our toys and get everything ready for Christmas—we will have a lot of small toys and we already have a lot of wheel goods, also most all kinds of small appliances for gifts. Of course we also have those perfection electric ranges and Maytag washers, which would make the nicest gift of all. We also have G. E. and Arvin radios, electric drills for Pop's work shop, as well as tools and grinders of all kinds.

Brewster and Chick set up the finest lot of bicycles, tricycles, toy cars and wagons, all prices, from the cheapest to the best. We received some of the nicest dishes, put out by Pyrex, in four colors, and 16-piece sets, for \$5.95 and \$8.95, with gold band. We have G. E. kitchen and alarm clocks in several colors. The other day I found some knife and fork sets with wood handles and riveted to keep the handles on. A nice pair of scissors and pinkie shears, put out by Case Cutlery Co., would be a real gift for any housewife, young or old.

Mrs. Nick Parr was in, bought a wood heater and pipe. Mr. Rae, over Verona way, bought a tank sprayer to use on that tobacco. Rev. Simeon Webster bought a lot of linoleum for his kitchen and living room. Jay Webster, wife and Jay's sister were in, they had been to Mrs. Kennedy's funeral—Joy bought 50 elastator rubber rings to adorn his cattle—Joy says just grease the horn and slip these rubber rings right down close to the hair and in about three weeks that horn will come off.

I did not know until yesterday that Mr. Geo. Flynn on Bagby Road was dead and buried—that makes two Geo. Flynn's gone and two of my good friends. Elsie Allen bought his wife an Armstrong rug. Thanksgiving Eve about 8 o'clock Mrs. Lula Grimes called that her oil heater was smoking terribly—I went up after Brewster and we went to Richmond—where the pipe was full up to the chimney—we cleaned it out, also cleaned out the heater, then felt that Perfection and you should have seen it heat. When these Perfections get oil and a draft, they will really heat. This is the kind of service I have told you about before which you get when you buy at CONRAD HARDWARE.

Stanley Overbay bought hunting coat and shells—he is a real hunter. Roy Dixon, who lived here several years ago, dropped and bought a new shotgun and shells. Arthur Brooks also bought a new shotgun, shells and a license. Joe Rouse hurried over for a 4-ft. fluorescent light to put in his stripping room—these lights save light and light to grade tobacco by and they are only \$14.50 complete with chain and cord—also can strip night and day.

Mrs. Emmett Holbrook from Crittenden bought all the Coca door mats I had—you need these at a mummy time. I sold another table model G. E. radio and a Little Ben alarm clock today—if you have first grade merchandise it is no trouble to sell. I have some two-horse sleds and one-horse sleds now—some of you were calling for them in the past several weeks. We have several oil and coal heaters in stock—if you need a heater, try CONRAD before you look further. We also have all kinds of butchering supplies.

Just saw Charlie Vest go out with a new butcher knife, a meat saw and locker paper. Cecil Sebree just came in after locker paper. We have a stock of Case butcher knives and Bekar butcher knives. We set up a lot of bicycles, tricycles and wagons—come in and pick out one and we will put it back for Christmas. Chick sold another coal heater and the customer took it away. Jim Ellison bought several yards of Flex-O-Glass to put over the windows. Charles Mann bought a lot of Bole paint and enamel to decorate their home.

John House just stopped in and took a Warm Morning coal heater home with him. Brewster piped the oil in to Chas. Phillips' oil heater, then put screen glass on two windows for Martha Wallace, also while in that end of town repaired the front door lock for Eloise Ryan. Mrs. T. C. Crume and her neighbor, whose name I did not get, were in today buying Pyrex, cast iron muffin pan and a cream pitcher. Roy Fisk came over for a gallon of Grain Tight to put on new wood where you want to leave a natural finish—it seals the grain in the wood.

Mr. Nathan Brewster was back from Erlanger Tobacco Market—said tobacco was selling good and there was a lot of bad tobacco on the floor. A lady was in the store today—she walked over and put her hand on that Perfection oil heater and said "that is a beautiful heater—you write so much about in your ad every week," and I had to tell her it was not only beautiful but it would put out more heat than any other heater on the market—it had a thermostat and automatic blower, also a ten-year guarantee on the fire pot, and only \$197.50 for the largest size, set up in her home.

Ask anyone who has a Perfection if it wouldn't make a nice Christmas gift or maybe she don't need a heater, but is still cooking on an old-style range—to be modern and economical, cook on a Perfection electric range—no dirt, no fire hazard, always remember electricity is the cheapest thing you can buy. Call CONRAD, we are always ready to serve and sell.

F.F.A. Fund Drive To End This Week

The people of Boone County have responded well to the fund drive now being conducted by the Hebron Chapter, Future Farmers of America. "We still have not," spokesman said, "reached our goal, but have a few days left in which we will reach it, if we can get a response from those people that have not already contributed. Our goal was set at \$1,500 for Boone County. To date we have over half of that amount."

A list of contributors follows: Boone County Farm Bureau, Boone County officials, Mr. and Mrs. Watson G. Craft, Mr. and Mrs. Horace Pelly, Gold Medal Products Co., Dearborn Mills, Bernard Stephens, A. D. Yelton, Calvin Cress, Earl Southern, John Conner, Ralph Elliott, Master Bros., Lenny's Super-Market, Kennedy Sporting Goods, Johnsons Aurora, Hussell & Thuermer, Green & Schiwer, Randall Implement Co., Taliferro Funeral Home, Whitaker Grocery, Jack Ware, Sam Roberts, Brothers Grocery, Ayle & Meyers Co., Martin Furniture Co., Sutton Hatchery, J. M. Huey, McBee Service Station, Smith's Grocery, Goodridge & Goodridge, Hebron Drugs, Ayle Garage, Robert Middleton, Lawrence Roadmer, John E. Crigler, Stith Funeral Home, and Crume Nursery.

"We wish" the spokesman added "to thank those that have contributed to this drive, and would appreciate contributions from anyone else who may want to share in this endeavor. Make checks payable to Hebron Chapter of F.F.A., Hebron, Ky., or John E. Crigler, Burlington, Ky., our county chairman."

F. F. A. Chapters throughout the state are all engaged in raising funds for establishing a State Camp at Hardinsburg.

Kenton County Hay Program Under Way

The Emergency Drought Hay Program for Kenton County has been received by George A. Eubank, Chairman of the Kenton County Drought Committee, from Commissioner of Agriculture Ben Adams of Frankfort.

This program is to administer funds provided by the U. S. Department of Agriculture to be used in reducing the freight rate on hay to farmers in counties which have been declared drought disaster areas and who are approved by the local County USDA Drought Committee as being eligible. Applications for the procurement of hay under this program can be made at the Kenton County ASC office, located at Independence, on the second floor of the Courthouse.

As of December 2, 1953, 77 counties in Kentucky have been designated as drought disaster counties by the Secretary of Agriculture. The Kenton county is among those so designated.

The railroads have established a 50% rate reduction program on hay which is shipped into a county designated as a drought disaster area.

The North-South General Rate Committee of the Central & Southern Motor Freight Tariff Association has adopted and issued a resolution to their members recommending that they reduce their rates on hay into drought counties 50%, according to a letter to Mr. Adams, from Lew Ullrich, managing director of the Kentucky Motor Transport Association. Eligibility for Federal aid on freight will be determined by the Kenton County USDA Drought Committee and a certificate for freight reduction may be obtained from this committee.

CRATON W. ENGLAND

Craton Willson England, 72, of Cincinnati, native of Kenton county, died last Friday at St. Elizabeth Hospital in Covington. He was a retired car inspector for the Louisville & Nashville Railroad. Until two years ago he had made his home in Covington and Independence. Mr. England was a member of the Brotherhood of Railway Maintenance Men.

He leaves a daughter, Mrs. Lucille Camello, Cincinnati; three sisters, Mrs. Clara Merleage of Independence, Mrs. Sodie Erwin of Whites Tower, and Mrs. Mary Myers of Covington, and a brother, Will England of Whites Tower.

Services were held Monday at 10 a. m., at the Radel funeral home, Covington. Burial was in Independence Cemetery.

ON TV DECEMBER 13

Miss Pauline Gross

Miss Pauline Gross, daughter of Mr. and Mrs. Paul Gross, Walton, has been asked by the Liebing & Parkins Agency of WLW-TV to appear on their "Star-maker Revue" program, Sunday, Dec. 13 at 12 o'clock, noon.

Pauline has been a two-time winner on the program and therefore has been asked to appear as a guest, not as a contestant. Miss Gross has appeared on many shows throughout Northern Kentucky and Cincinnati. She is a student of the Bob Ziegler Studio of Dance, Covington.

A.F.B. CONVENTION

James B. Jones and John E. Crigler are planning to attend the American Farm Bureau Convention in Chicago, December 13-17. Mr. Jones will represent the Kentucky Farm Bureau Federation as a voting delegate, while Mr. Crigler will attend as a delegate of the 12-man team picked from Kentucky Farm Bureau Mutual Insurance Company agents. This is the first time that two delegates from this county have been picked to attend the National convention. Boone county was also the only county in the district to win a class "A" award at the Kentucky Farm Bureau Convention. This award is based on outstanding membership, committee activity and insurance achievements.

PINER PTA TO MEET

The Piner P. T. A. will meet Thursday, December 17, at 7:45 p. m. Following a brief business session, each room will take part in presenting the annual Christmas program.

ON TRANSY VARSITY

Donald (Monk) Vest, son of Mr. and Mrs. Lawrence (Sam) Vest of Walton, is playing varsity basketball with the Transylvania College Pioneers at Lexington. Don is a graduate of Walton-Vernon High School, where he was active in sports, having participated in basketball, baseball, football, and was a member of the track team. He is a freshman at Transy this year.

High School Chorus to Sing At Christ'n Church

The Walton-Vernon High School Chorus, under the direction of Mrs. Carol Leming, will present a Christmas musical program in the Walton Christian Church, Sunday evening, December 13, beginning at 7:15. This is a cooperative program, with the Methodist, Baptist and Christian churches taking part. The service will be concluded at 8:15, making it possible for those desiring to hear the special speaker at the Baptist church.

The entire community is cordially invited to be present and enjoy the beautiful numbers to be presented and to give encouragement to our High School Chorus. Immediately following the close of the service, there will be a baptismal service.

The annual Christmas program of the local Christian Church will be presented Sunday evening, December 20. Sunday morning, the proposed budget for 1954 will be submitted to the congregation for discussion and approval, according to the pastor, Rev. Charles A. Vaughn. Sunday morning, December 20, has been designated as "Raise the Budget Sunday," and all members are requested to be present to consider said budget and receive their offering envelopes.

MARTHA C. JONES

Services for Mrs. Martha Cason Jones, Burlington, were held Saturday at 2:00 p. m., at the Chambers & Grubbs funeral home, Florence. Burial was in Burlington Cemetery.

Mrs. Jones, a lifelong resident of this county, died last Thursday at her home on East Bend Road. She was 90 years old.

She is survived by a daughter, Mrs. Hiram Stephens of Union; two sons, Clifford Jones of Erlanger, and Arthur Jones of Burlington; seven grandchildren, and six great-grandchildren.

Mrs. Jones was the last of 11 children in the pioneer Cason family of Boone county.

Twin Calves Born

Ernest Dearborn, of near Walton, recently had a registered Holstein cow give birth to two heifer calves. Mr. Dearborn has a fine registered bull and three cows, registered in the Holstein-Friesian Association, as these calves will be. He purchased the original stock from Hort Caldwell, Pendleton county.

Baptist WMS to Meet

The W. M. S. will meet at the Walton Baptist Church, Thursday, Dec. 17, for the regular monthly meeting. The hostesses are to be Mrs. D. K. Johnson, Hazel Johnson and Mrs. Kenneth Johnson.

ELIZABETH GRIZZELLE

Services for Mrs. Elizabeth Jane Grizzelle, Kenton Station, were held Monday at 2:00 p. m., at the Kenton Baptist Church. Burial was in Independence Cemetery.

Mrs. Grizzelle, who was 67 years old, died last Thursday at the home of her daughter, Mrs. Charles Schnitzler, 1809 Madison Ave., Covington.

She was a member of Fiskburg Chapter, Order of Eastern Star, the Daughters of America, and the Kenton Baptist Church.

Besides her daughter, she leaves her husband, S. J. Grizzelle; a son, John Grizzelle, Kenton Station; a sister, Mrs. Berna Roywood of Covington; a brother, Bruce Hutchinson of Grants Lick; three grandchildren, and a great-grandchild.

The Swindler funeral home had charge of arrangements.

Literary Club Meets In Home Of Mrs. Rouse

The Christmas spirit was manifested in the program presented at the December meeting of the Walton Woman's Literary Club, which was held in the home of Mrs. Wendell W. Rouse on Bedinger Avenue. The Rev. Charles Vaughn gave a timely and interesting talk on "Making Christ the Center of Christmas Celebration." The speaker was introduced by Mrs. J. L. Scroggin.

Excellent talks "Christmas in Other Lands," were given by Mrs. S. D. S. Ranson and Mrs. Alan H. Gaines.

Mrs. Barnett W. Franks gave the spiritual guidance with a well presented Christmas story.

The president, Mrs. Julia A. Rouse, opened the meeting with the pledge to the flag, followed by the club collect, which was led by Mrs. Sam B. Sleet. Christmas quotations were given in response to roll call.

Members brought gifts and food, which was sent to the Children's Home in Devou Park. The president read a letter from Governor Wetherby concerning the Big Bear Park project. A contribution was made to the Heart fund.

Following adjournment, the hostess, assisted by Mrs. Russell Yealey and Mrs. Ralph Carpenter, served a much enjoyed social.

Members in attendance were: Mrs. J. C. Bedinger, Mrs. C. S. Chambers, Miss Jean Chambers, Mrs. J. R. Conrad, Mrs. Barnett W. Franks, Mrs. E. E. Fry, Mrs. Alan H. Gaines, Mrs. Wallace K. Gubish, Mrs. J. L. Hamilton, Mrs. H. F. Mann, Miss Emma Jane Miller, Mrs. John Myers, Mrs. J. E. McCabe, Mrs. James Powers, Mrs. C. W. Ransler, Mrs. Grover C. Ranson, Mrs. S. D. S. Ranson, Mrs. J. A. Rouse, Mrs. W. O. Rouse, Mrs. W. W. Rouse, Mrs. W. D. Scroggin, Mrs. Sam B. Sleet, Mrs. E. B. Wallace, and Mrs. James S. Webster.

Guests present were: Rev. Charles A. Vaughn, Mrs. J. Wilma Kinsler, Mrs. L. W. Gabriel, Miss Mary Rensler, Mrs. J. R. Flynn, Mrs. Russell Yealey, Mrs. J. M. Jack, Mrs. Ralph Carpenter, Miss Louise Conrad, Mrs. Asa M. Rouse, Mrs. Jack Rouse and small daughter, Annette.

Cantata To Be Presented On December 20

The choir of the Walton Methodist Church will present Holton's "Chimes of the Holy Night," at the local church, Sunday evening, December 20, at 7:30, under the direction of Mrs. Sam Hudson, director-organist.

The cantata consists of soprano, alto, and baritone solos, duets and combined choruses. The choir consists of Miss Dorothy Hoffman, Mrs. Clifford Pruett, Mrs. Bruce Wallace, Mrs. Scott Lancaster, Mrs. George Hoffman, Miss Emma Jane Miller, Mrs. Howard Stephenson, Mrs. Carl Conner, Mrs. Lloyd Watson, Mrs. Charles Carlisle, Mrs. George Hamilton, Mr. Guy Carlisle and Mr. William Brown.

The public is cordially invited to attend.

MANAGEMENT MEETINGS

The second meeting of a series of four for an home and management will be held at 8:00 p. m., December 10, at the Courthouse in Burlington. The next two meetings will be held January 7-14. At the first meeting, Harry Young, University of Kentucky, showed slides and discussed the "Economic Land Use Program," and made assignments for home work.

First Week Burley Average Is \$55.29

Cpl. Maynard Meadows

Cpl. Maynard Meadows, who was recently discharged from the U. S. Army, this week received a "citation" from the Secretary of the Army.

The citation was the Commendation Ribbon with Meritorious Service in Korea, issued through the Secretary of the Army office of Robert T. Stevens.

The wording of the instrument was as follows: "Cpl. Meadows, during the period 1 November 1952 to 27 July 1953, served in an exemplary and efficient manner as S-1 Personnel Clerk. He worked in a tireless and unselfish manner in order to form and maintain an efficient and informative personnel section. Cpl. Meadows had to possess a thorough and varied knowledge of administrative details, among those under his supervision, Cpl. Meadows has distinguished himself over all others in a similar position."

Meadows also received the Combat Infantry Badge, the Presidential Unit Citation. Congratulations!

Bearcats Win Over Dayton Friday 62-51

The Walton-Vernon Bearcats downed Dayton, 62 to 51, last Friday night, at Walton, 62 to 51.

The 'Cats played a good game and led at all periods. Quarter scores were: 16 to 6, 33 to 18, 43 to 33, and 62 to 51, all in Walton's favor. Smith, Roberts, Courtney and Ryan fouled out.

Walton's points were divided, as follows: Smith 24, Roberts 11, Courtney 12, Grubbs 6, Ryan 4, Scott 3, Howard 1, and Bell 1.

Walton's next game will be on Dec. 11 on the home floor, against St. Henry. The Bearcats will play at Burlington, on December 12.

Parsonage Completed

The Immanuel Missionary Tabernacle, known as the Flingsville Holiness Church, has completed its new parsonage, with the aid of many friends in the community and elsewhere. Open house was held December 8, from 10 a. m. until 9 p. m.

The parsonage and church are located on the Gardnerville Road, 3 miles East of Crittenden, just around the corner from the Flingsville store.

Walton's New Stop Light

Walton has a stop light for the first time in its history. The State Highway Department, installed a dual stoplight at the corner of Main, Depot and High Streets. The light is an actuated type and will be green on Main Street until a car "activates" the light on either Depot or High Street, and then they will get the green light. Also there are "press buttons" at each of the corners so that pedestrians may change the light so that they may cross the street in safety. This installation will greatly aid this section of Walton.

Police Chief Simmons warns that the low prohibiting parking on Depot Street and High Street from Main Street to the bridge will be strictly enforced and offenders fined. He also states that all other "no parking" areas will be rigidly enforced. There will be no more "courtesy tickets" given on any offense. The city maintains a large, free parking lot in the rear of the State Bank and all patrons are urged to use same.

Tobacco Prices Highest Since '51

Although delivery of the burley crop has been slowed by the drought, and the volume is down over the entire eight-state belt, tobacco sales in Kentucky are off to their most auspicious start in years.

First-week tabulations, announced by the Federal-State Market News Service, indicate a state-wide average of \$55.29 a hundred.

Gross sales totaled \$38,573,980.64 for the week, comparing favorably with the \$38,451,346.11 for the same period last year, when nearly five million more pounds were sold for a \$51.55 average.

Gross poundage sold in the first week this year was 69,769,688 as against 74,591,700 for last year's opening week. The average also was up over the burley belt at \$55.01 a hundred on a total of 107,941,214 pounds.

That elapsed the record crop sale of 1951 by a 79-cent margin, and indicates better things in the burley world when matched against last year's average for the same period, which was \$3.58 lower.

Grade averages were about the same, with some losses of \$1 to \$3.50 a hundred for lugs, flyings, better leaf and green grades. Medium leaf, tips and thinnest nondescript were up \$1 to \$7. On the whole, grades were going \$2 to \$10 above the advance price.

Total tobacco sales and averages for the first week of the annual auction season at some of the Kentucky markets were as follows:

| Market | Lbs. Sold | Avg. |
|-------------|------------|---------|
| Carrollton | 4,412,830 | \$56.36 |
| Cynthiana | 793,196 | \$53.91 |
| Covington | 2,674,104 | \$56.73 |
| Lexington | 12,936,428 | \$57.76 |
| Mayesville | 6,233,217 | \$57.17 |
| Shelbyville | 4,743,218 | \$58.60 |

An Alpha Gamma Delta

A Son for the Hensleys

Williamson are receiving congratulations on the birth of a son, Vinyl Rascoe, at St. Elizabeth Hospital, Covington, on December 1.

GUEST SPEAKER SUNDAY

William E. Burke, converted Catholic priest, of Covington, will conduct morning and evening services at the First Baptist Church, Walton, on Sunday, December 13. Everyone is cordially invited to be present.

Falls Home Is Scene of Wa-Na Club Meet

The beautiful home of Mrs. James E. Falls was the scene of the December meeting of the Wa-Na Woman's Club, Monday evening, December 7. The home was decorated in keeping with the holiday season. Howard Blockburn served as co-hostess.

The club was favored by a group of high school students singing several Christmas carols. Mrs. Paul Kline read the spiritual guidance.

The business was conducted by the president, Mrs. Carl Conner. Several local issues and the forthcoming drives were discussed.

The members and guests then adjourned for the gift drawing, uniquely conducted by Mrs. "Buddy" Grubbs.

A delicious dessert course was served to the following members and guests, during which time music was rendered on the Hammond organ by Mr. James Falls: Guests, Mrs. Jim Alford, and Mrs. Helen Belcher; members, Mrs. Leonard Cook, Jr., Mrs. Carl Conner, Mrs. Guy Carlisle, Mrs. James Falls, Miss Jeanette Hamilton, Mrs. "Buddy" Grubbs, Mrs. Fred Hamilton, Mrs. Clara Jones, Mrs. Dwight Maddox, Mrs. Clifford Pruett, Mrs. Charles Prather, Mrs. Ward Rice, Mrs. Clifford Ryan, Mrs. Chester Sturgeon, Mrs. Charles Holder, Mrs. Paul Kline, Mrs. Jack Conner, and Mrs. Elmer Groger.

WORMS, HOPPERS AND DROUGHT HIT CROPS

The experience of Switzer Bros. with armyworms, grasshoppers and drought could be told by other farmers in Franklin county, says Paul H. Gray, UK junior county agent.

The Switzers sowed barley in the fall of 1952 and red clover in the barley last spring. Good stands were obtained. Then came the armyworms to kill half of the barley and much of the clover, the rest being finished off by grasshoppers and drought.

To have winter pasture and to prevent erosion, barley was sowed early in September, but dry weather again held back growth until probably too late to get much of a stand.

FEWER KENTUCKIANS IN DEATH TOTAL

The percentage of Kentuckians in the total number of persons killed on state highways during the first nine months of 1953 was down slightly from the same period in 1952 and 13 fewer home-state motorists were killed during the period.

C. B. Jones, executive secretary of the Governor's Committee for Highway Safety, said that there were eight more out-of-state persons killed in Kentucky during the period than thought September last year and that the total killed was down five. September is the last month for which a full breakdown of figures is available.

For the first nine months of 1952 there were 578 highway deaths, of which 466 were Kentuckians. For the same period this year deaths totaled 573, including 453 Kentuckians.

VERONA NEWS

Mrs. Lenabelle Harris visited Mrs. Lizzie Noel from church, Sunday.

Mr. and Mrs. J. T. Glore were called to Cincinnati, Friday by the sudden passing of his grandson, B. H. Coleman. We extend sympathy to his mother, brother and other relatives, in his passing.

Mr. and Mrs. Morgan Chandler were calling on her brother, Mr. and Mrs. George Jones, of Erlanger. We are sorry to learn Mrs. Guy Crose was taken to the hospital last week. Hope she recovers soon.

Rev. and Mrs. Kelly Kennedy and sons were entertained in the home of Mr. and Mrs. Raymond Stephenson and sons, Sunday.

Mr. and Mrs. Bernard Wilson were calling at the Ray Sparks home Sunday afternoon to see Jim Dudgeon, who is very ill.

Mrs. America Sturdivent and Flannia Edington were calling at the home of Mr. and Mrs. Ed Vest, Saturday afternoon. Mrs. Vest still remains very ill.

Mr. and Mrs. Florian Adams and son, Ralph, attended the funeral of her nephew, B. H. Coleman, of Cincinnati, Saturday morning.

Curtis Chandler was visiting his sister, Mr. and Mrs. Mayra Hayden, Saturday night and Sunday.

We are glad to know Gerald Ashcraft is still on the mend and hope to see him out of the hospital soon.

Mr. and Mrs. Morgan Chandler returned home Monday from Mobile, Ala., where they had been visiting for a few days.

Mr. and Mrs. Verna Dean of Warsaw, were visiting Mr. and Mrs. H. D. Edington, Wednesday.

Mayra Hayden was calling on his mother, Mrs. Martha Hayden, Sunday afternoon in Owenton Hospital. She suffered a heart attack last week.

Mrs. Jean Shetter and sons and niece, Betty Chapman, of Covington, were visiting J. T. Roberts, Sunday.

RECIPE OF THE WEEK

Cranberry nut bread is as pretty as it is tasty. Although it will be enjoyed at any season, it is especially appreciated during the holidays.

CRANBERRY NUT BREAD

1 cup cranberries
 1/2 cup sugar
 3 cups flour
 4 teaspoons baking powder
 1 teaspoon salt
 1/2 cup chopped nuts
 Grated rind of 1 orange
 1 egg beaten
 1 cup milk
 2 tablespoons melted butter
 Put cranberries through a food chopper. Mix with half the sugar. Sift remaining sugar with dry ingredients. Add nuts and orange rind. Combine beaten egg, milk and melted butter. Add to flour mixture. Fold in sweetened cranberries. Bake in a buttered bread pan in moderate oven for about 1 hour.

Menu: Ham loaf, baked potatoes, green beans, grapefruit salad, cranberry nut bread, butter and lemon pudding.

USES BULLDOZER TO SPREAD MARL

John R. Barber of Washington county used a bulldozer to dig and load 300 tons of marl. Five scoops of a manure-type loader on a tractor put two tons of marl in a spreader, thereby reducing the cost of liming land.

Many Washington county farmers have been buying lime when they had beds of high-testing marl on their farms, according to UK County Agent, Trill Young. Besides the lower cost, Young noted that marl has the advantage of being immediately available, and also carries some phosphate and possibly minor elements with it.

New Dodge Trucks Have 75 New Features

Many of the 75 new features and improvements built into the new C-1 Series of Dodge "Job-Road" trucks are in the one-half ton pick-up pictured. Lower loading height, greater maneuverability, lower running boards, and increased driver comfort all have been built into the new trucks to make drivers and reduce hauling costs. The new one-piece curved windshield with 961 square inches of glass area gives increased visibility. Custom cabs, such as the one shown, have new quarter windows. Completely new design, wider front end, and new spring suspension give the new trucks their long, low, wide, swift appearance, and contribute to exceptional stability.

One Human Race

Lesson for December 13, 1953

YOU can try a little experiment with your friends or your Sunday school class. Ask each one to think of a human being, any human being. Write it down in the circle, and see what kind of human beings they picked. It's a safe prediction that most of them will have selected a human being of their own race, somebody rather like them instead of someone different from them. In other words, when we think "human being" we think "somebody like me." Or in still other words, we Dr. Foreman think of ourselves as the "normal" human being and other kinds of people as "off-brands."

What Do You Mean by "One"?

The truth is that it really does take all kinds of people to make a world, hard as that is for everybody to believe. Furthermore, with all the bewildering differences there are in language, looks, culture, manners and morals, the human race is one. If there is anything quite clear in the New Testament, this is it. All human beings are human, not one is sub-human. If other races seem peculiar to you, so peculiar you even wonder why God made them, remember you seem just as peculiar to them.

But what is the one-ness of the human race? It is true, all of us in the big collection of living animals called "mankind" have many points in common that are not very important, some that are not important at all. We all walk on two legs, not four—but so do penguins. We all know pleasure and pain—but so do cats. We must all die—but so must grasshoppers. We all came, probably, from the common set of ancestors—but so presumably did catfish. There is something far more important than our brain, our hand, our nervous system or our digestive tract that marks us as one race. It is the fact which only religion acknowledges, but which is of deepest importance: We are all children of God, all made in his image. God made us of many kinds; but he also made us "of one," in unity, for unity. We are one because there is one "Lord of all."

If One, Then What?

If the oneness of the human race is taken seriously, then some practical results follow. This is not all theory. It is something we can live by. For one thing, whenever we have any contact with any human being we have to remember that he is a human being, and that so far as we are concerned that is the most important fact about him. He is not a different color, he may talk in strange gibberish, his customs may seem to be topsy-turvy, he may not know how to eat with a spoon. His ideas may be quite the reverse of ours, his religion may be weird nonsense and his whole mental workings as hard to follow as the flight of bats. But nevertheless the thing that unites him with you is more vital than the things that mark him off from you. You belong to the same human race.

Furthermore, if it is true, as said above, that what gives the human race its unity is the fact that we are all creatures of the same Father-God, then all dealings with other people, even when they misunderstand God (as fetish-worshippers do) or even deny his very existence, as most heathens do, we must remember always: Their God and ours are the same. They may not know it, but it is. All this adds up to the point that we have no right to despise or look down on any member of the human race, nor they on us. At the foot of God's throne we all are on level ground.

Even A Saint Can Forget This

One of the Bible readings tells of an incident in the life of St. Peter. God had already shown him, as it were by a miracle, that "God is no respecter of persons," but at Antioch he forgot it. Forget it so far that he would not even eat with some persons of a different race than his own, even though they were all Christians too. So it is easy to read their words, and it was not hard to write them, that all human beings are one.

LITTLE BOY IN HIS DADDY'S SHOES...

Imitation is one of the basic impulses of human life. From earliest infancy man has learned the ways of life and the paths of progress by imitating others who possess and practice such knowledge. The child learns to walk as the fledgling learns to fly—by imitating its parent.

The impulse to imitate others is stronger in infancy and childhood than at any other period in life. The child is anxious to learn things and to be able to do things as grown-ups do in this great, big interesting world. That is why the little boy in the picture tries to walk in his daddy's shoes.

Children learn to walk in their parents' footsteps in many ways, during this formative period of their lives. They acquire their habits, their mental attitudes and their sense of values mostly from their elders. And these are the things that will most largely determine their characters and shape their careers in the years to come. This makes it all-important for people to walk uprightly before their children, and lead them in the ways of strength and safety.

Above all, parents should teach their children the dependence of all life upon God, and the value of citizenship and the Church as the guardian of man's spiritual existence. And this must be done, line upon line, precept upon precept, in practice as well as in words.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is the classroom of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs moral and material support. Plan to go to Church regularly and read your Bible daily.

Personal Interest and Sick List

Linda Armstrong of McCullum Road, had a party November 24, to celebrate her 7th year. She had games, refreshments and candy for the ten children who attended. Linda says that she received some very nice presents.
Roberto Requaardt has resigned from the P.M.A. office, located in the Independence Courthouse. The position is now being held by Mrs. Ruby Flynn, who is doing a very good job.
Virgil Maners, formerly of Independence, the son of Rev. and Mrs. Ward Maners, former pastor of the Independence Baptist Church, visited many of his friends here last week. Virgil has been discharged from the Armed Forces since October 10, and plans to enter U.K. to study electrical engineering. His brother, David, is now attending U.K.

To the Students of Simon Kenton

Here is a chance to give out with some of that news that circulates around the halls at noon time—to let others know of the activities that go on in your club and to give good reading to you and your friends. If enough items and materials are forwarded to me, I will head your column "Simon Kenton News." Just let the news down and forward to me—Bob West, Independence, Ky.

New Fire Truck

The Independence and Community Volunteer Fire Department is expecting the new fire truck to arrive around the 20th of December. All the new equipment that will make this truck complete should arrive at the same time. It will be a very good Christmas present for all who are in the jurisdiction of this fire department.

Moan Bros. Dance

Moan Bros. Post, 275, is giving a Christmas dance, Saturday evening, Dec. 19. This dance will be held at the American Legion Hall, Latonia, and will

be the largest and the gayest dance to be given by our American Legion Post. Tickets are available from any of the members and you may bring your friends.

Masonic Meeting

Thursday, December 11, there will be a regular meeting of the Bradford Lodge, 123, in the Independence Bank Building, beginning at 8:00 p. m. All members of this fraternity are cordially invited.

Of Interest to Ex-GI's

Veterans who want to get into Government service in jobs overseas can get full information of places open and where to apply for them in a pamphlet issued by the Civil Service Commission. The booklet tells of Civil Service jobs only. Most Government jobs are filled by the agency needing the employee. Write Civil Service Commission, Washington 25, D. C. and ask for the CSC Pamphlet 29.

Navy Department announces that short histories of about 1,500 of the Navy's ships, active in WW-2 are now

available for free distribution to former crew members. An additional 2,500 remain to be written. Requests for histories not yet complete can not be acknowledged, but the request will be kept on file and filled when the story is written. More than three histories can not be mailed to any one person. It is requested that once the request is made, the applicant

refrain from writing, as correspondence will only result in unnecessary paper work and will slow up deliveries. Write Chief of Naval Operations, Division of Naval History (Op-29), Room 1534, Main Navy Building, Washington 25, D. C.

Christmas Committee

The Christmas Committee, formed by the Independence and Community Volunteer Fire Department, has been soliciting for cash donations from local businessmen to give a Christmas treat to the children of Independence and nearby area. A program, especially for this occasion is being planned, hoping to give a little more happiness and good cheer to both the kiddies and adults. A Christmas tree will also be erected and trimmed on the Courthouse lawn. All this planning and extra work to be done by the local merchants and members of the Fire Department for this Christmas season, is to bring good will and happiness to all.

WHITES TOWER—By Ernest J. Ryle

Word was received here Saturday of the death of Edward M. Bouton, 55, of Mant Clair, N. J., who was found dead sitting in his chair at home. Mr. Bouton was a high official of the Westinghouse Company, and was due in Cincinnati soon to oversee a large elevator contract. Mrs. Bouton was a sister of this correspondent.

Robert Brumback and family of Georgetown, were Sunday guests of the writer and family.

Butchering is the order of the day among farmers here.

S.K.B.R.S.

Extra! Extra! Read all about Simon Kantor's newest organization, S.K.B.R.S. Dig this. It is top secret and was organized Friday, November 13, 1953. Its officers are as follows: As president we chose Earl's favorite dish, Nadine Baldwin, that crazy-mixed-up-kid from Dixie Heights, Garryl Stipple was chosen vice president. Our ninth grade princess, Dusty Hale, is secretary, and Judy Baker is reporter.

If any member of the S.K.B.R.S. reveals information they will be hanged by the neck until dead. That lovable darling, red-headed Miss Oni Riley is our sponsor. Be watching for more news about us and until then try to figure out what S.K.B.R.S. is?

Marriage License

Recently, a marriage license was issued by Geo. A. Damon, Deputy County Clerk, Independence, to Harry E. Schmeine, 20, and Miss Verna M. Shipman, 21, both of Covington.

Retail Merchants and Consumers

This year the business places are more confused than ever before—it seems the owners and managers are having to obtain more clerks and salesmen, and yet the daily sales are not as high as at the same time last year. They have boiled it

down to the idea that people are buying in small quantities, but buying often; whereas, last year the consumers were placing large orders at one time, making one day's shopping do it all—except of course, the last-minute purchase for someone who was left off a Christmas list.

The consumers, however, have a different outlook on spending their Christmas money this year. With more and more shops and factories having layoffs, caused from the year's contracts being filled, strikes of employees at various large concerns producing vital materials that are essential to keep the finished product companies going, and by the general slackening up of most products that are always hurt or hindered at this time of year. By the above causes the flow of money isn't as steady as it was previously. The consumers must use their money sparingly and only when a supply is obtained, so you have the consumers buying in small quantities, but buying often, and a more constricted buying in the business places, with daily sales being smaller.

Then, another reason, that I feel is causing the delay in the Christmas purchasing, people are not in the Christmas spirit as they were years ago. Now days it is advertised too highly and too early. Everything pertaining to good will and Christmas happiness is put on a commercial basis to where, in some places, the kiddies have to pay to see Santa Claus. Santa Claus is now advertising products instead of wanting to know if the children have been extra ordinarily good in 1953, and if the stockings will be hung in an easy place for Ole Santa. People rather hold off buying until these commercials stop and Christmas trees, holly, fruit, candies, articles that must wait until nearly Christmas Eve before being displayed. To me, the Christmas season should be when people are friendly, the kiddies are extra nice, mystery is everywhere, and members of a family are bound by the tie that no outsider could

Let Flowers Be Part Of Your Christmas

THE STORY OF THE ROSEMARY—The flowers of the fragrant rosemary were once a dull white; according to a Spanish legend, in the flight into Egypt, Mary grew weary and stopped to rest beside some rosemary. The sweet pungence of its fragrance so revived her that as she left she bestowed upon the flowers the glorious color of her blue mantle.

ALFALFA HAY OFFSETS LACK OF SOW PASTURE

Lack of pasture, due to drought, calls for feeding alfalfa hay to sows, points out H. S. Sellards, extension swine husbandman for the UK College of Agriculture and Home Economics.

Without hay or pasture, pig mortality is liable to skyrocket, he says. Since the brood sow uses only a pound or so of hay daily, a bale goes a long way. Alfalfa meal at the rate of 15% of the total ration is needed.

"Every farmer could well provide a rack in which alfalfa hay can be kept constantly before all classes of hogs," Sellards added. "Low-quality hay may be low in vitamin content. Usually brood sows grazing good pasture store considerable vitamins, but not this dry season. Hence the importance of providing good legume hay this winter."

FARMERS URGED TO STOCK FERTILIZER

The best way to be sure of having fertilizer, especially just the kind wanted, is to buy and store it this winter. So says a statement from the Extension Division, University of Kentucky College of Agriculture and Home Economics.

If there is a dry place for storage, farmers are urged to get their fertilizer now. In this way they can get what they want and avoid the rush in the spring. Manufacturers cannot produce and ship during the early spring months all the fertilizer farmers will need next year, says the college.

STATE'S FORESTS COULD YIELD MORE

If well managed and protected, the sawtimber volume of Kentucky's forests could be doubled or tripled, according to a report of the United States Department of Agriculture on a survey made by several agencies, including the Kentucky Department of Conservation and the University of Kentucky.

Forests cover 45% of the land in Kentucky or a total of 11½ million acres. Ninety-four percent of the forest land is privately owned—about half by farmers. Less than a million acres are in public ownership. The government report says Kentucky has about 25 billion board feet of sawtimber and is growing more than a billion board feet a year. Though the amount being grown exceeds the amount being cut each year by about 60%, it is said that there is still room for improvement in the condition of the forests in this state.

In general, the report states, the timber lands are understocked in volume and poor in quality.

Harrison county homemakers clubs have goals as follows: More county telephones, a rock road to every farmstead, and greater use of electricity on farms.

A committee representing several counties is asking the University of Kentucky to establish an experiment station in the northern part of the state.

An outbreak of Newcastle disease destroyed approximately 4,000 chickens in a flock in Spencer county.

Little Indiana Town Owes Fame To Unusual Name

The little community of Santa Claus, Indiana, owes its fame to its unusual name. And at Christmas time its small post-office is swamped with mail from throughout the world by people who want their letter postmarked Santa Claus.

In addition, thousands of letters are received at the post-office addressed to "Santa Claus, Santa Claus, Ind."

The notes range from the whimsical to the desperate, requesting such things as a mama doll, a sled, a sweater, or a pair of overalls.

They come from countries all over the world—small villages in Canada and big cities in Europe.

Christmas Today Is Too Commercial, Many People Believe

Today we hear many people say that Christmas has been "commercialized" and has lost its true meaning.

Has it? Is it wrong this one time in the year to make the dominate theme one of giving, rather than receiving?

Giving has always been a major part of the Christmas theme—the giving of joy and happiness to others whether it be spiritual or material.

It is true that economically no other holiday or festive season contributes so much to the welfare of the world. The holiday has hardly passed into the new year before thousands are at work on toys and Christmas specialties for the next year.

Giving will remain one of the great joys of Christmas for all time to come. The idea has survived through the centuries and nothing will ever stop it. What, after all, brings more joy than seeing people happy; than watching children and loved ones open gifts and express their thanks in words and deeds?

It is, essentially, the Christmas story.

Germans First Lighted Christmas Tree Here

German immigrants, homesick for the traditions of their native land, were the first to decorate Christmas trees in their homes in the United States, according to tradition.

Historians believe it was about the end of the Revolution that the practice began to grow in the colonies.

Before that the Pilgrims forbade Christmas celebrations on the grounds they were pagan. And a Massachusetts law in 1689 subjected anyone to a fine who observed the day by feasting, refraining from work or in any other manner.

Historians also believe that Martin Luther was the first to decorate and light a tree. He was fascinated by evergreen trees, glistening with starlit-snow, pointing to the heavens at Christmas time. So he brought an evergreen into his house and lighted it with candles for his children.

Keep Trees Green

If you have the type of a tree-holder that permits the tree trunk to rest in water, you will find that a small amount of plant food dissolved in the water will aid in retaining the needles on the tree, and keep the needles green. If you use a pebble or rock-filled pail to support the tree, cover the pebbles or rock with a plant food solution.

Use one teaspoonful of plant food, powdered form, to each gallon of water in the container, or use one plant food tablet to each gallon.

FLORENCE

Mrs. Scott Jones visited her mother, Mrs. John Aylor, of Petersburg, Tuesday. Mr. and Mrs. Walter Kirkpatrick and son were guests of Mrs. Rosalee Pope of Bellevue, Sunday of last week.

Friends of Harold Martin regret that he has been ill and join in wishing him a rapid recovery.

The children of Mrs. Katie Scott and some friends gathered at her home Sunday to join in the celebration of her birthday. Mrs. Irene Renaker presented her with a delicious cake and other gifts and cards were also received. May Mrs. Scott enjoy many more such occasions.

Mrs. Clyde Arnold was with her husband a Picketon, Ohio, a week recently and while there they were visited by their two sons, Verne and Buddy Arnold

and families and Mr. and Mrs. John Pierce and children. Ambrose Gier of the Dixie Highway suffered a hand injury Friday at his place of business, the Kelly-Koette Co., Cincinnati. His hand was caught in machinery used in the manufacture of X-ray machines. He was removed to Booth Hospital.

Miss Marguerite Tanner is at home following a stay of several weeks with her father in St. Petersburg, Fla.

Sgt. Robert Rowland of the U. S. Air Force, has completed his three years of military service and returned home the past week. Except for 13 months in the Marshall Islands, he was stationed at Andrews Air Base, Maryland.

Clyde Anderson was the first to butcher hogs in the community.

Recent guests of the Geo. B. Miller were Mr. and Mrs. W. R. Miller, Mr. and Mrs. M. M. Graham and H. B. Simpson.

Mr. and Mrs. Clyde Arnold have purchased a 19-acre farm and home at Picketon, Ohio, where they will reside during the time of his employment there.

Mrs. Sara Jones and Mrs. Geo. Miller attended the Christmas party of the W. S. C. S. of Big Bone Methodist Church Thursday at the home of Mrs. Garfield Hamilton, near New Haven.

Mr. and Mrs. George Morith of Burlington Road, entertained with a Trunks, giving dinner for their daughter, Mrs. Earl Jewel, her husband and son, and Mrs. Clyde Arnold.

Classes were resumed at the Florence school Monday following a suspension of 12 days for furnace repairs.

Members of 4-H clubs were guests of a luncheon at the Kentucky Chain Store Council at Tompkinsville.

STAFFORDSBURG

Mrs. Daisy Richardson and daughter, Miss Helen Richardson, had as guests Sunday afternoon, Mr. and Mrs. H. K. Loomis and Mr. and Mrs. Dawson Balingier.

Mr. and Mrs. J. J. Barnett have as a guest for a few days, Mr. Barnett's mother from Ryland Hill.

The Homemakers Club was graciously entertained on Tuesday at the home of Mrs. J. J. Barnett. Several members were not able to attend because of illness. However we had a good meeting. Mrs. Lee Faulkner gave the lesson on child care, and in the afternoon several baskets were made. Plans were also completed for both the Christmas gift display and our own Christmas party. Miss Byerly spent an hour with us.

Mr. and Mrs. J. A. Keeney, Miss Hope Keeney, Alan Fryer and Mrs. John H. Klette, Jr. attended the wedding, Saturday evening at the Mt. Auburn Methodist Church of Miss Cora Fritag to Mr. James Gilbert Stephens. It was a beautiful ceremony and all wished them a long, happy life together.

The fellowship supper was much enjoyed on Saturday evening. Not a large attendance but very pleasant.

NAMES OF FARMS MAY BE REGISTERED

Do you want an exclusive name for your farm? A total of 430 Kentucky landowners have registered names for their farms with the state Department of Agriculture, and paid the \$1.00 required deposit fee—to protect the name against infringement from others.

Registration with the Department of Agriculture is the only means by which a person may obtain the exclusive right to the use of a registered name. Among names no file are "Buzzard's Roost," "Briar Patch," "Back-of-the-Moon," "Black Acres," "Pleasant Retreat," and "Caintuckee."

SPRAYERS NEED CARE AT CLOSE OF SEASON

Sprayers have become standard equipment on many farms. They require special care when put away at the close of the season, note Extension Service specialists of the UK College of Agriculture and Home Economics. Here are some suggestions:

Clean and flush all parts, including tank and hose; disassemble nozzles, strainers and screens and clean thoroughly; pump clean water through the system; reassemble and replace nozzles, screens and strainers; lubricating oil may be pumped through power sprayers to coat the inside of the tank, pump, valves and the like; check drainage points and remove all water; clean and drain hose and hang in a protected place. Follow carefully all recommendations of manufacturers in the care of sprayers.

Farming Losses May Affect Income Tax

Farmers who had a net loss this year may get a refund from the federal income tax paid last year. If their 1952 income tax wasn't enough to cover their loss this year, they may take the remainder out of next year's tax. So says a statement from the University of Kentucky College of Agriculture and Home Economics.

"Net operating losses can be carried both backward and forward, if not offset by income from other sources," says the college's statement. "If a farmer shows a net loss on his return for the current year (because of unprofitable farming operation), he can use this business loss to offset income in other years."

If he paid a federal income tax in 1952, he can claim a refund based on repaying the tax for that year, taking into account the 1953 loss. If the 1953 loss is greater than the 1952 tax paid, then the remainder of the loss would be applied in figuring the income tax for 1954 and later years, up to five years.

A 1953 operating loss should be used first to claim a refund of taxes paid on the 1952 income. Special or unusual questions regarding deductions of items of expense, and reporting of income, and requests for more detailed information on Federal Income Tax rules should be referred to local representatives of the Bureau of Internal Revenue.

WANT AD SECTION

TOYS

By the time this paper comes out, we hope to have all our toys and gifts out, so you can select what you want and get them early. We will lay them away or you can take them home. We have lots of bicycles, tricycles, wagons, toy autos and all kinds of small toys—of course dolls and stuffed animals. Table and chair sets, roller skates, ball games, basketballs, footballs, air rifles, watches and lots of extras for that bicycle. The toys are all out now and we are ready for the Christmas shoppers.

Nathan Brewster was well satisfied with the tobacco average. Here came Albert Rhodes with a smile on his face—part of his crop averaged better than 55¢ per pound, and he has more to go—he had a little bill here and paid it off—so that was my first money of this year's tobacco crop. Everyone, so far, is well pleased. Omer Kite was in today—he bought himself a Sunbeam electric razor—I got a new one out of the case and shaved him with it, so he said wrap it up. I sure had the laters today—it looked like old times, chairs all full and standing in line—

I sold Mr. McClanahan, over on Mills Road, a sausage mill, a pulley wheel and an electric motor—he can sure grind all the sausage on Mills Road. Dora Jones took out her car and led soles. John Adams and Charley Schadler were getting parts to make a tobacco press. Brewster came back today from Mrs. Carline Code's and said he believed he found one all heater he could not fix—I think that is the first time he ever came in and said he could not do a job—he ate his lunch and worked around the store awhile, then he said, I believe I'll go back out there and fix that stove, and he did.

It took him over three hours on both trips and he had soot all over him, but he fixed it. He said some of these fellows who think they have hard jobs should try stooping, laying and crawling around an oil heater for three hours. Miss Mary Collins came in after stove pipe—Brewster took her home and put the pipe on her stove. I have a reader of this article up in Michigan, who must be a Republican, as he sends me newspaper clippings and notes from other papers when I write something about the Republican party, or the farmers' prices.

I would like to see him around this old stove sometime when the farmers gather around and discuss prices and troubles—I don't believe he would say a word, for I remember seeing a Republican say several things about Franklin D. Roosevelt and when that farmer got through with him, he eased out the side door. We have a lot of discussion on most all subjects—now it is tobacco, and prices are good. I was told today Joe Neumeister averaged 62 cents per pound. Joe uses lots of fertilizer and it is always early putting it out. John Napier averaged

better than 52 cents. John paid his account, bought a Big Ben alarm clock and his son bought a .22 target pistol and some cartridges.

Lillian Powell bought two 9x12 Armstrong linoleum rugs. Bonche Ransom stopped in and took home a Perfecto all heater—these are fine for cold corners and chilly kitchens. Gilbert Maxwell got me out late last night and bought towels and cement floors—he had to go back to Crescent Springs church to finish some concrete that was setting up faster than he thought it would—Gilbert is a good mechanic and tries very hard to do good work.

Chick sold Mr. Harry Grass, over on Maher Road a lift pump and 60 feet of 1 1/4 pipe to be installed in a drilled well. Brewster and Bill Coyle took it over and installed it today—Bill Coyle is good help and is nearly always busy. I received some more bicycles today, and are they beautiful—all sizes, prices and colors. If you will look these bicycles over and notice they are a better grade bicycle than those you buy from mail order houses—Chick spent a lot of time this year helping the kids keep those bicycles running, and nearly every time I have one of those bicycles.

Buy a Rollfast, Murray or Roadmaster and they will give service or you can tell Conrad about it. A fellow came in today and paid a two-year-old account—I have always sold a good man or lady will most always pay if they can get the money. Of course we deal with another class, not too many, but a few that will never pay, and I have a list of them on file. They caught me once, that was their fault, but the next time will be my fault.

Saturday was a warm, fall day—several people in town Russell and Charley Sparks came in for a few minutes—Ralph Sparks came in and paid his account. When a farmer sells something, he will come in and pay. John Conrad had a lot of plumbing done in his houses—he came in and paid up. Ray Dickey said he wanted to get even—he cleaned the sheet. One of those fellows that I have mentioned before that would pay when they got the money, came in and paid \$20 on his old account.

Sarah Sleet was in buying more decals—she has purchased a lot of them to decorate Christmas gifts. Brockie Beach and wife came after a wood heater—the bottom fell out of their old one. John Rice was looking today; so was Albert Parker and Delaney Johnson. The loading crowd will get larger in a week or so, when the others get through stripping tobacco. They will all come to Conrad's and buy the kids new toys for Christmas. Elmer Richards bought weatherstripping—Chick fixed up a box for J. C. Reynolds. Thos. Guard bought a new 2-ton Chevrolet truck—Chick has been making U-bolts and clamps for the body. COME TO CONRAD!

Bearcats and Pioneers Win Tuesday Games

Scottsville and Dixie Heights, Friday Foes

Walton-Vernon's Bearcats trailed for the first half before rallying to trim the Williamstown Demons 55-49, Tuesday night on the Walton floor. The win was the fifth of the season for the 'Cats.

Williamstown, with Hale counting six points, took over a 15-7 lead at the end of the first period. The scoring of the home team was divided. Courtney and Smith teamed up for Walton in the second quarter with six points each to give the home team a total of 15 points while the losers got nine for a half-time score of 24-12 in favor of the Demons.

Smith counted 10 points in the third period as the home team rallied to take over a 43-35 lead. Williamstown outscored the winners, 14-12, in the fourth quarter, as Fore and Hale each got four but were never able to get out in front.

Walton-Vernon: Scott 0, Howard 4, Courtney 10, Grubbs 6, Smith 20, Roberts 7, and Ryan 8.

Williamstown: Fore 13, Hale 18, McWhorter 7, Moore 8, and Arnold 3.

The Simon Kenton Pioneers of the NKAC scored their sixth victory of the season by defeating the Florence Knights 64-59, Tuesday night at Florence. The Pioneers trailed 15-12 at the end of the first period as Utz paced the home team with nine points. The scoring in the second period was even, each team getting 12 points for a half-time score of 27-24. Florence, Simon Kenton began to hit in the third period and with Clark getting seven points took over a 49-43 lead at the period's end. In the final period, the Pioneers were outscored 11 to 10.

Simon Kenton: Robinson 8, Doud 4, Rose 12, Clarkson 16, Heeger 1, Ruebe 7, Bieber 10, Mattole 6.

Florence: Hudson 12, Duvall 13, Utz 19, Denner 11, Markesbery 4.

On Friday night, December 18, the Walton-Vernon Bearcats will be in Scottsville, on the local hardwood, while the Simon Kenton Pioneers will entertain Dixie Heights at Independence.

Mrs. Norman Honored On 91st Birthday

It has long been the custom of the women of the Dorcas class of the Walton Baptist Church, to have a party for their beloved teacher, Mrs. Sule Norman.

The pastor, her class, a number of friends and relatives, on December 11, assembled themselves in the church with gifts for her, and enjoyed a beautiful feast, in her honor to celebrate her 91st birthday.

Mrs. Norman is the daughter of the late Rev. Lafayette Johnson, a noted spiritual Baptist minister, who was the silver-tongued orator of his day—none of his spiritual fire for the Lord was lost in her, for she, like the Apostle Paul, is small in stature but mighty in spiritual power. Only those who are fortunate enough to have listened to her teach the Word really know her greatness. She sincerely believes, "Know the truth and the truth shall set you free." To these many years she has and is teaching because few know God's Word as she, as has the power to give and live it. The Lord has given her, not only a long life, but a mind clear as in her youth. She is not dreaming but has vision to "go forward." How we need her advice and counsel in every walk of life. We sincerely pray the Lord will continue to bless and give her strength the rest of the way on life's journey. We enjoyed a good program with Mrs. Norman giving us the devotional. We enjoyed wishing her many more happy birthdays.

Those present were Rev. and Mrs. C. N. Taylor, Herbert Stockman, Relda Powers, Bev Conrad, Virgil Fisher, Nell Hunt, Ruth McDonald, Blanche Frost, Edith Percival, Anne Johnson, Hollie Cook, R. F. DeMolay, Vel Pennington and Virginia Seagle.—Pub. Chm.

Library Open Wednesday

The Walton Library will be open next week on Wednesday (December 23) instead of Thursday, due to Christmas.

CHRISTMAS CANTATA

The public is cordially invited to attend "Chimes of the Holy Night," by Holton, a Christmas cantata to be presented by the choir of the Walton Methodist Church, Sunday evening, Dec. 20, beginning at 7:30. The program is under the direction of Mrs. Sam J. Hudson.

CHRISTMAS PROGRAM

The Union Presbyterian Church will have its Christmas program on Wednesday, December 23, beginning at 7:30 p. m. Everyone is cordially invited to be present.

Street Lighting Is Sponsored By Merchants

The Christmas street lighting in Walton, this year, is being sponsored by all the merchants in the business section. This project was started by the Rotary Club and since there is no Rotary Club this year, the merchants have shouldered the responsibility.

The center part of town, from the L. and N. Railroad crossing to beyond the Readmore police of business, is lighted with strings of lights across the street every so often. There is a large tree in front of the City Building, which is beautifully lighted.

The Walton Fire Department contributed an enormous amount of time to this project, as well as the following business houses: Artistic Cleaners, Dr. D. L. Madson, Floyd Selmer, R. H. Goodpastor, Louis Riddell, Louis Webster, Otto Readmore, Huber Jewelers, Walton Garage, Bob & Jo's Restaurant, Dixie State Bank, Blackburn Grocery, Ryan Hardware and Dry Goods, Dixie Chevrolet Sales, Lipscomb Coal and Feed, Surgeon Electric, T. O. Ballard, Brokerfield Drug Store, Walton Advertiser, Conrad Hardware, Phoenix Restaurant, Walter D. Vest, and Mayor of Walton.

The crew from the light company spent several hours after work connecting up all this wiring—and to all these above, we say "Nice job, well done!"

VERONA HOMEMAKERS

The annual Christmas party of the Verona Homemakers Club was held Friday at the home of Mrs. George Hamilton, Walton. After a Christmas dinner, the afternoon was turned over to Mrs. Frances McCormick, who had charge of the program. Games and a piano solo by Mrs. Bessie Mills, as well as Christmas Carols were features of the entertainment. Mrs. McCormick read a poem "How True." Gifts were then distributed to members by Santa Claus.

Those who enjoyed the party were: Mrs. Mae Wilson, Mrs. Corine McCormick, Mrs. Frances McCormick, Mrs. Ethel Fooks, Mrs. S. B. Mills, Mrs. Iva Vest, Mrs. Lillian Stephenson, Mrs. Florie Edgington, Mrs. Elizabeth Crowe, Mrs. Betty Waller, Mrs. Pienelena Kennedy, Mrs. Virgie Adams, Mrs. Letha Richter, Mrs. Lizzie Noel, Mrs. Pearl Lamm, and Mrs. Bessie Mills.

DRAWING DECEMBER 19

Woody Butler of Butler's Farm Equipment, Nicholson, today announced that the drawing for the International Hyster refrigerator or freezer gift, being made available to readers of the Walton Advertiser, will be held at their store at 4:00 p. m., Saturday, December 19.

If the winner is present, an additional gift will be given. Mr. Butler also announced that Santa Claus will be at the store all day Saturday and all children who visit him will be presented a gift.

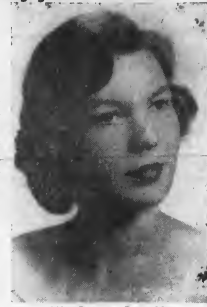

All Farmall tractor owners are invited to bring their tractors to the Butler shop for a complete free check in their "tractor clinic," which will also be held Saturday.

CHRISTMAS PROGRAMS

Hopeful Evangelical Lutheran Church, Florence, will hold two special services in the week before Christmas.

On Wednesday evening, December 23, at 8:00, the children's department of the Sunday School will present a program followed by the presentation of a Young People's Pageant, "The Three Kings." This will be followed by the annual Christmas program. On Christmas Eve at 10:00, a Christmas Candlelight service will be held. The public is cordially invited to these special Christmas services.

Engagement Announced

Miss Roberta Reynolds

Mr. and Mrs. William Reynolds of Crittenden, are proud to announce the engagement of their daughter, Roberta, to Mr. Lenov Profit, son of Mr. Herman Profit and the late Viola Profit, also of Crittenden.

The bride-elect is a graduate of the Florence High School, and is a licensed practical nurse. She is employed by Beau Brumwell Ties, Cincinnati.

The groom-elect is a graduate of Camargo High School, Mt. Sterling, Ky., and was recently discharged from the U. S. Navy after serving three years and nine months.

No wedding date has been set.

A PHI UPSILON OMICRON

Miss Anna Lutes, daughter of Mr. and Mrs. Roy C. Lutes, Florence, was recently initiated by Phi Upsilon Omicron, home economics honorary, at the University of Kentucky. Following the ceremony, a breakfast was held in honor of the new initiates, and Miss Mable Adams, a national officer and district counselor, from the University of Alabama.

Dr. Estelle Erikson, head of the School of Home Economics, and Miss Iris Clark, chapter advisor, were in charge of the breakfast.

December 31 Deadline For ACP Signup

Boone county farmers may sign up at any time from now until December 31 for federal cost-sharing assistance on 1954 Agricultural Conservation Program practices needed on their farms during the coming year.

For 1954 ACP practices to be carried out from January through May, 1954, December 31 is the final date for a farmer to enroll in the program, according to Mark Cook, chairman of the Agricultural Stabilization and Conservation committee (formerly PMA county committee).

Sign-up periods will be announced later for farmers who wish to request cost-sharing assistance only on practices to be performed after May 30, 1954.

Mr. Cook points out that 20 practices are included in the 1954 Boone county ACP. These include some practices which are temporary soil-protective measures, generally requiring periodic repetition, but the major objective of the program is "to get maximum amounts of the most enduring conservation benefits on the lands where they are applied."

Special emphasis is placed upon establishment, protection and improvement of permanent protective cover, and upon conservation and disposal of water.

ARTIE LULA GORDY

Mrs. Artie Lula Gordy, age 61, died at her home in Glencoe, December 8. A member of the Glencoe Church of Christ, she was born in Owen county.

She is survived by her husband, Mark Gordy, two daughters, Mrs. Stella Wilson of Glencoe, and Mrs. Naomi Smith of Sparta; a brother, Omer Hughes of Jansville, and eight grandchildren.

Services were held at 2:00 p. m., CST, Friday, December 11, in the Glencoe Church of Christ, with the Rev. Herbert Stephenson officiating. Burial was in the Poplar Grove Cemetery.

Hamilton Funeral Home, Verona, had charge of arrangements.

FEATURE "IN KENTUCKY"

Pictures of Kentucky's 15 bridges across the Ohio River will be a main feature of the winter issue of "In Kentucky," the Commonwealth's official magazine, which will be out this week. One of the spans, George Rogers Clark Memorial Bridge, Louisville, is on the front cover.

HERMAN B. HUBBARD

Herman B. Hubbard, 52, a restaurant operator in Walton for the past seven years, died at his home here December 8 at 4:00 p. m.

He was formerly associated with his father, the late J. A. Hubbard, Campbellville, Ky., in buying and selling tobacco on the market at Greensburg, Ky., where they once owned stock in a tobacco warehouse.

From 1935 to 1941 he was District Supervisor for the National Youth Administration in 17 Eastern Kentucky counties.

Mr. Hubbard is survived by his wife, Mrs. Margaret Rose Hubbard, a son, Herman B. Hubbard, Jr., of Columbus, Ohio; two sisters, Mrs. George H. Belhalek of Columbus, Ohio, and Mrs. John W. Manning of Washington, D. C., and his step-mother, Mrs. J. A. Hubbard of Campbellville, Ky.

The funeral was held at Campbellville, Saturday, November 12, at 2:00 p. m. Chambers & Grubbs had charge of local arrangements.

JOSEPHINE ALLEN

Mrs. Josephine Allen, lifelong resident of Boone county, and member of one of its best known families, died last Wednesday at the home of her brother, Paul Aylor, Florence. A member of the Walton Baptist Church, Mrs. Allen was 85 years old. She was a resident of Walton for many years.

Besides her brother, she leaves a son, James Robert Allen, Dhanon, Saudi Arabia; four sisters, Miss Cora Aylor, Mrs. Maude Satchwell and Mrs. Roxie Huey, Florence, and Mrs. Jenny Green of Erlanger; two other brothers, Kenneth Aylor of Huntington, W. Va., and Buford Aylor of Carthage, Ill.; a granddaughter, Miss Allen, Walton, and several nieces and nephews.

Services were held Friday at 2:00 p. m., in the Chambers & Grubbs funeral home, Florence, with burial in Forest Lawn Memorial Park, Erlanger.

WILLIAM F. RIDER

William F. Rider, 72, a retired farmer, died at his home on Napoleon, Gallatin County, December 12. He was found by his son-in-law, John O'Donnell, early Saturday morning.

Survivors include a son, Otis Rider of Verona, Route 1; a daughter, Mrs. John O'Donnell of Cincinnati; a granddaughter, two brothers, Seab Rider of Illinois, and Earnie Rider of Urtair, Ind., and four sisters, Mrs. William Davis of Williamstown, Mrs. John Ranier of Patriot, Mrs. Roy Scott of Cincinnati, and Mrs. James Blackburn of Cincinnati.

Services were held at the Hamilton Funeral Home, Verona, on Monday, December 16, at 2:00 p. m., with the Rev. Herbert Stephenson officiating. Interment was in Napoleon I. O. O. F. Cemetery.

MARRIED 50 YEARS

In celebration of the 50th wedding anniversary of Mr. and Mrs. Thomas L. Bishop open house will be held at the residence, 26 East 11th Street, Covington, Sunday, December 20, from 2:00 to 5:00 p. m. The Bishops have two sons, Carl T. and Elwood L. Bishop, both of Covington, and one daughter, Mrs. John R. Loomis, Morning View.

Mr. and Mrs. Bishop formerly lived in this area.

4-H Tobacco

Average \$55.42

At Carrollton

Fifty thousand two hundred and twenty-eight pounds of tobacco were sold at the Northern Kentucky 4-H tobacco show and sale, held in the Golden Burley Warehouse, Carrollton, Saturday, December 12.

There were 4-H crops from 11 counties with an average of \$55.42 per hundred. There were 65 boys in the tobacco judging contest.

The 4-H boys who participated from this county were: Scottie Horton, Burlington; Jim Bob Huey, Burlington; Randall Hensley, Union; Billy Colvert, Burlington; Gayle Huff, Walton; Clifford and James Stephenson, Verona, and Albert Schwenke, Union.

Awards will be announced later when received from the State 4-H office.

No Paper Next Week

There will be no Walton Advertiser next week. This is the one week in the year that the entire crew of your paper will get a vacation. The office will be closed all next week. We will open again Monday, December 28.

We have tried hard, during the past year, to give you the very best paper that we know how, and still we have failed, but maybe by that experience we will be able to do better next year.

To you subscribers we say, "without your wonderful support we could not exist." And to the hundreds of loyal advertisers and writers, we say "we cannot express, in words, the thanks that we feel toward you."

Now, as we take our yearly vacation and enjoy this wonderful Christmas season, we want to say, "May God bless you and may you, everyone, have a very Merry and Happy Christmas."

Boone County DAR Meets at Florence, Dec. 2

Wednesday evening, December 2, the monthly meeting of Boone County Chapter, D.A.R., was held in the home of Mrs. Sam Denham, Jr., Florence. The Denham home was appropriately decorated with red and white poinsettias and a silver and white Christmas tree. The traditional holly and red ribbon and the Christmas bells completed the attractive arrangements. Mrs. Sam Denham, Sr. made Christmas corsages of evergreen sprigs, bells and ribbon for each guest.

Mrs. Roy C. Nestor, Regent, graciously dispensed with the business meeting after five minutes of National Defense reading by Mrs. Sam Denham, Sr., the National Defense chairman.

Mrs. Ashlin Logan, Program chairman, presented a yuletide program. She read from Hertha Paul's book, the beautiful story of the most popular Christmas hymn, Silent Night. It was in the year 1818 a young clerkman, Rev. Joseph Mohr, and his friend Franz Gruber were the authors of the composition of her reading. Mrs. Logan led the group in singing Silent Night and other seasonal hymns. Mrs. Virginia Goodridge was the piano accompanist.

The Mrs. Denhams and their co-hostesses, Mesdames Holloway Howes, Clifford Coyle and J. B. Wolfe, served refreshments at the close of the program. Members attending were Mesdames Roy C. Nestor, Virginia Goodridge, Fred Bennett, Frank Lee Dils, Rufus Towner, Wallace Grubbs, Allen Conner, Charles Goodridge, Harold Conner, Dean Caton, J. P. Brothers, John Schramm, Clarence Wolfe, Frances Berkshire, William Tupman, and the Mesdames Jeanette Grubbs, Jean Sleet, and Margaret Goodridge.

Guests were members of the Boone Trails Chapter, C.A.R., Misses Virginia R. Nestor, Alice Howes and Sherry Denham.

COUNTY CLERKS HAVE NEW AUTOMOBILE TAGS

Kentucky automobile license tags for 1954 have been shipped to county court clerks and will soon be on sale in all counties, according to a report from Frankfort. The plates are white with blue numerals and retain the slogan, "Tour Kentucky" from previous tags.

State law provides that new plates may not be displayed on vehicles before December 29. Passenger, motorcycle, commercial and farm truck licenses expire December 31, but may be used until midnight March 1, 1954. Dealer tags expire December 31 and new tags must be displayed January 1.

STATIONED IN TEXAS

A/2c James F. Stephenson, son of Mr. and Mrs. Ferdinand Stephenson, is now stationed at Bergstrom Air Force Base, Austin, Texas. He recently spent 30 days at home. His address: AF15474198, 808th Supply Sqdn., Bergstrom A.F.B., Austin, Texas.

Santa Claus, Gifts And Rides Featured

The spirit of Christmas will be brought to all the children in the community by the Walton Fire Department on Saturday, December 19, starting at 2:00 p. m., at the City Building. The Christmas party given by the fire-fighters last year was the first and one of the highlights of the season for hundreds of children.

Chief Groger announces this year that it will be even bigger and better than last year. Of course the main feature of the afternoon will be Santa Claus, who will be on hand to talk to and pass out presents to all. There will be treats for all and then the greatest treat of all will be a supervised ride on one of the fire engines for all who attend. Chief Groger states that all the rides will be closely supervised by the firemen.

This is a good opportunity for the parents to visit the City Building and inspect the fire-fighting equipment. Walton has one of the best equipped departments in this section. Everyone is invited to attend and be sure to bring the kiddies.

Christmas Carols will be played by Leon Hall during the afternoon. Anyone knowing of a "Shut-In" child, would you kindly call Walton 23 or 176 and the fire engine and Santa will make a special visit to talk to them.

This is just another of the wonderful jobs being done by our Walton Fire Department.

WILMINGTON W.M.S.

The Wilmington Baptist W. M. S. met December 2, with 14 women and four children present.

The Royal Service program was given, after which a few items of business were transacted. Mrs. Marietta Wilson thanked the society for the cards and visits, also for the tray of fruit sent her during her illness. A card of thanks was read, also thanking the society for kindness shown during the illness of Mrs. Edriola Goshorn.

After lunch, the Little Moon Christmas program was presented and an offering of \$40 was received for foreign missions. A number of gifts were collected for girls and boys at Goodwill Center, Newport.

After the benediction, all members present enjoyed receiving a gift from the grab bag, which had been prepared earlier.

VERONA P.T.A. TO MEET

The regular monthly meeting of the Verona P. T. A. will be held Friday, December 18, at 3:00 p. m.

Lillard Scott Named Deputy By Mr. Kinman

Byron Kinman, Boone County Sheriff-elect, this week named his deputy, Lillard S. Scott, prominent Boone county farmer, who owns and operates a large farm near Bellevue.

Mr. Scott has been active in farm organizations in the county and is now secretary-treasurer of the Walton Soil Association. He served on the Soil Conservation program, and many other farm projects. He is married to the former Zora Cason, daughter of Mr. and Mrs. Ralph Cason and they have one daughter, Vera Dean, who is attending the University of Kentucky.

Mr. Scott is a member of the Burlington Masonic Lodge, Bellevue Baptist Church, and a director in the Boone County Mutual Insurance Company.

Mr. and Mrs. Scott plan to move to Burlington, about the first of January, in order to better serve in this office. Sheriff-elect Kinman in making this appointment said: "Due to the large number of applications for this position, I have contacted my workers, who were instrumental in electing me, and Mr. Scott was not only selected by me but by the men who helped me. It is my sincere desire that this choice will meet with the approval of the voters of Boone County as a whole."

In Marshall county, there are 318 homemaker members in 17 homemaker clubs.

KENTON CLASS MEETS

The Willing Workers Class of the Kenton Baptist Church met in the home of Mr. and Mrs. Arthur Steeley, Tuesday evening.

Those who attended were: Mrs. W. B. Barnes, Mrs. Rudolph Casson, Mrs. John Riggs, Mrs. Alton Stephenson, Mr. and Mrs. Walter Roden, Miss Genevieve Sharp, Mrs. Albert Sharp, Toni Hoppenjane, and Mrs. Maud Wright.

The scripture was read by Mrs. Barnes and poems were given by Mrs. Wright and Mrs. Roden.

The next meeting and Christmas party will be held in the home of Mrs. Albert Sharp on December 21.

The class will visit the Baptist Home in Newport, Saturday afternoon, December 12. All class members are urged to go.

GOSHEN CLASS MEETS

The Willing Workers Class of the Goshen Christian Church met recently in the home of Mr. and Mrs. Oatney Worthington for the regular monthly meeting.

Mrs. Worthington, president of the class, opened the devotional service, after which the business session was held. Following the meeting, a social time was enjoyed and refreshments were served.

Those present were: Mr. and Mrs. Oatney Worthington, Woody Worthington, Mr. and Mrs. Leslie Beagle, Mr. and Mrs. Carl Justice, Mrs. Roy Elliott, Mrs. Roy Daniels and Miss Edith Menfies.

The December meeting will be held in the home of Mr. and Mrs. Elbert Callen on the 18th for the annual Christmas party.

Egg Production Perks Up When Poultry Houses Receive Right Amount of Light

By IRA MILLER

Farm Electrification Bureau

A well-lighted poultry house is the answer to maintaining top egg production during the winter months. What does light do for layers? Well, we used to think that it kept them

awake and, therefore, encouraged them to eat more. Now we know differently. It's the light itself that does the trick. Studies show that light stimulates the egg-producing "mechanism" of the hen and enables her to continue laying at a satisfactory rate despite the shorter days. Chickens under light eat about the same amount of feed as those without light.

It takes light to keep egg production at peak level as days grow shorter.

Apparently the intensity of light doesn't matter too much as long as the interior of the poultry house is well-illuminated. This includes floor, feed troughs, roasts and water fountains. A range of from 1 to 36 foot candles of light per square foot seems to be sufficient for the average poultry structure, provided that no areas of it are in shadow.

There are several different lighting systems in use, but one which has been tested thoroughly and found to meet general requirements involves

tors are located approximately 6 feet from the floor. These bright lights should be spaced half-way between the dropping board and front of the poultry house, located 10 feet apart, and approximately 5 feet in from the ends of the structure.

For proper dim light effect, one 15 watt lamp should be used in the dim light circuit for every two of the brighter lights. The dim lights should be installed directly over the roasts. A time switch will enable the farmer to operate his poultry house lighting schedule automatically. For example, in the illumination schedule described, the switch will turn the bright lights on and off at the proper time. Also, it will change to the dim light circuit automatically when the bright light schedule is completed, thus simulating the onset of darkness. For best results, layers should receive from 15 to 14 hours of light per day.

Christmas Card Idea Originated By Englishman

Christmas cards are so much a part of the modern Yule season that one seldom stops to wonder how the idea originated and by whom.

This simple idea of wishing your friends a Merry Christmas brought honor and knightood to the originator, Henry Cole, a middleclass Englishman.

Cole mailed his cards on a December day in 1846. The cards depicted a Victorian family assembled at the festive board and the traditional Christmas custom of giving to the poor. They also bore the now-classic greeting: "A Merry Christmas and a Happy New Year to you."

He had a thousand of the cards struck off by a lithograph. They were such a success that plain Henry Cole subsequently became Sir Henry Cole.

The cards we send today, however, a far cry from those mailed by Cole. The cards you send and receive this year will be designed by famous names in contemporary art.

An American shopping for cards this year may select scenes painted by such famous people as Winston Churchill, Britain's prime minister and famed amateur artist, and Grandma Moses, one of America's most famous artists.

The demand for cards is so great that many companies spend their entire time in designing and producing them for the holiday season.

Harold Jeffries of Metcalfe county unrimed 963 sticks of tobacco, from 2.7 acres and his son primed 324 sticks off a half-acre and then cut 526 sticks.

Soybeans drilled in rows with corn have been furnishing an unusual amount of cattle feed in onroe county.

Milk production in Gallatin county has been only a little more than half as much as was produced last year.

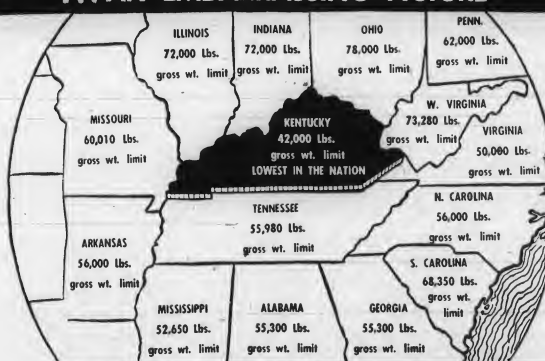

This changing world has brought much that is new and good, but nothing finer than the spirit of Christmas. It is in this spirit we express our appreciation for your friendship and wish you a Merry Christmas.

KENTUCKY'S LOW TRUCK LIMITS IMPEDE AMERICA'S PRIMARY TRANSPORTATION SYSTEM

WHY ARE KENTUCKY TRUCK LIMITS THE LOWEST IN THE NATION?

Kentucky can't be expected to "do things in a big way" as long as her transportation arteries are throttled by truck limits that are lower than any other state in the Nation! As long as Kentucky continues to impose these discriminatory limitations, her Agriculture, Commerce and Industry will continue to suffer. Let's remove this transportation handicap and let Kentucky compete on a basis that is at least equal to the national average.

Pleasant Grove WSCS

The Christmas program of the Pleasant Grove Women's Society of Christian Service was opened by Vice President Mrs. T. S. Maffett, with the singing of Christmas Carols, when they met recently in the home of Mrs. J. J. Rich.

Mrs. J. H. Lawson gave the scripture reading on the Birth of Christ. A reading, "Christmas Day," taken from the Upper Room, was given by Mrs. F. B. Hermes. Mrs. Maffett spoke on the true meaning of Christmas, taken from the Protestant Action magazine. She also told of the 5-point Christmas Star, symbolizing joy, earnestness, strength, unselfishness and sacrifice, spelling out "Jesus."

Members recited Christmas poems, which had been learned in childhood. Mrs. Crutcher Masters closed the program session with prayer.

After lunch, games were enjoyed and prizes awarded, followed by the exchange of gifts.

Members present were: Mesdames Clarence Armstrong, F. B. Hermes, J. H. Lawson, W. B. LeMaster, Ralph Lewellen, Crutcher Masters, T. S. Maffett, Charles Pruett, J. A. Rich, H. A. Suttler, Walter Turner, J. K. True, Frank Meyer, and a former member, Mrs. William Swader.

Rev. Donald Pineur announced that the Sunday School entertainment would be presented Sunday, December 20, at 7:45 p. m.

The society will meet in January with Mrs. J. H. Lawson.

Lewis county farmers having certain strains of chickens have been offered a year-round price of 77 cents a dozen for eggs.

RETURNS FROM OKINAWA

Cpl. Chlorine Menefee, son of Mr. and Mrs. Orvie F. Menefee, Morning View, has completed his tour of duty in the Army on the island of Okinawa. Cpl. Menefee is the seventh of his twelve brothers, who received military training in the Armed Forces during World War II and the Korean conflict.

Before entering the service, Menefee was a student at Simon Kenton High School, Independence, where he graduated in 1952. He received his basic training at Ft. Lee, Va., and then received orders to report to San Francisco, where he was sent to Okinawa.

Lillard Chapter D. A. R. Met John Glass Home

The December meeting of the Capt. John Lillard Chapter, D. A. R., was held at the home of Mrs. John M. Glass of Williamstown, with Mrs. J. W. Bennett, Mrs. Alva Ransdell and Mrs. Adam Juetz as co-hostesses.

The Regent, Mrs. Charles Alphin, presided over the meeting and told that the President General would not send Christmas greetings to the chapters, but instead would give \$100 to the Tennesse D.A.R. school and \$100 to the Kate Duncan Smith D.A.R. school, to be applied to their endowment funds.

Mrs. E. W. Simpson, Flag Chairman, urged that all "protect our flag that it may continue to protect us," and asked that flag codes and histories be placed in libraries.

National Defense Chairman, Miss Louise Conrad, gave the Christmas message from the national chairman, in which the stabilizing influence of the Christian home was stressed.

Miss Laura Dickerson, State Program Chairman, introduced the two guest speakers.

State Chairman of D.A.R. Approved Schools, Mrs. J. W. Switzer, Sr., former Regent of the Cynthia Chapter, gave important information about each of the 13 schools and distributed literature and pictures.

Mrs. L. M. Ackman, Williamstown, painted a delightful word picture of England, Scotland and Holland, as she saw them in her recent travels. She said her first impression of England was of the beauty of the country, next the age, and finally the ability to continue.

The Chaplain, Miss Carol Brown, led the group in singing Christmas Carols, and closed the program with prayer.

Following the meeting, the Chapter held a Christmas bazaar.

Others attending were: Mesdames Watson Tranter, John Juetz, Robert Hume, W. O. Blackburn, Nancy True, T. A. Perry, G. S. Webb, Abram Hedges, Otis Lanter, Flora Maddox, Edith Vice, F. K. Struve, Sally Odor, Mabel Walden, Charles Brooks and Misses Florence Rood, Elizabeth Flege, Mary Kells, Louise Flege, Eleanor Houston, Dana and Susan Glass.

THE POINSETTA—The poinsetta has its origin in Mexico, and at Christmas time the mountaineers there are covered with the red and green blooms of this delightful plant, contributing their part to the expensive use of flowers in the Mexican Christmas decoration.

CARE OF THE POINSETTA: Keep out of drafts and at temperatures between 65-70 degrees Fahrenheit; water well. If too cold, the leaves will fall. After blooming, the plant may be tried out, rested on its side in a cool place, and may be placed in your garden in the Spring.

Again we celebrate the birthday of the Christ child. May the blessings of love and kindness He brought to the world be upon you and yours' this happy CHRISTMAS SEASON.

Small Towns First to Light Outdoor Trees

It was a small town that first thought of lighting an outdoor community Christmas tree.

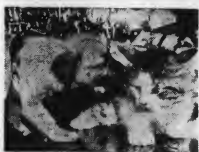

Four communities are believed to have thought of the idea about the same time—as early as 1913. Two of them, McDonald and Germantown, were in Pennsylvania. Salem, Ore., decorated a large Sitka spruce. Riverside, Calif., illuminated a large evergreen, an Arbutus.

The first national Christmas tree was in 1924 and was sponsored by the American Forestry association. The event is now televised every year for all parts of the country to see.

The most spectacular outdoor displays in the United States are at the White House and Rockefeller Center in New York. The New York display is possibly the most elaborate in the world.

But it was the small towns that first thought of the idea.

Today, nearly every community in the land has some kind of Christmas decorations. Many communities string colored lights across the street and decorate light posts with evergreens. Many suspend bells and stars at street intersections and have dazzling community trees.

CHRISTMAS SPIRIT . . . Full of Yule good fellowship, "Bingle" tries to arouse some ditty in the feline heart of "Ginger." Ginger, goodwill season or not, can't get over his distrust of dogs.

A bulldozer was used to help make a cistern 36 feet long and holding 20,000 gallons of water on the farm of John Simpson, Grant county.

Quality Milk Is Goal of Farmers . . . Cleanliness Plays Major Part in Job

By IRA MILLER
Farm Electrification Bureau

The production of Grade A milk is the objective of most dairy farmers. For, top quality milk means a bigger milk check. To reach this objective, however, often takes a bit of doing—including a good herd, high grade

able. Other types generally must be located in a separate boiler room to comply with certain sanitary regulations.

Heating elements in electric steam accumulators vary from 1,500 to 5,000 watts, depending on the size of the boiler. Boiler sizes range from 30 gallons upward. Installation is an easy

Here's how an electric steam accumulator and sterilization cabinet can be installed in typical milk house.

pasture and efficient management practices.

Cleanliness always is a major factor, with requirements varying in different localities. Some farmers need only to wash their milking equipment with an acceptable solution and hot water to meet their milk shed standards. Others must also sterilize their utensils and aerator-type coolers with live steam.

Steam-producing boilers for the sterilization job may be either electric or fuel-fired. Electric steam accumulators can be installed anywhere in the milk house where running water and 230-volt service is available.

operation is practically automatic. Personal attention is required only to open the steam valve and to replace water used during the sterilization process. Milk cans and other metal equipment are sterilized in a steel cabinet by steam forced out of perforated pipes. When the sterilization process is completed, the steam is diverted into drying coils. The entire job takes about an hour. Rubber milking machine parts are sterilized in a separate water bath cabinet. A steam hose, connected to the steam pipe, is used to sterilize the aerator cooler coils. The operating cost of an electric steam accumulator runs about 1.4 cents per cow.

Christmas Candles Are Traditional For Many Peoples

"To learn your luck for the year they say,
Burn a bayberry dip on Christmas day.

If the flame burns bright and the light shines clear,
Good luck will be yours through the year."

This old verse is believed in many lands around the world and is said to be one of the reasons that candles in homes are traditional around the world.

The custom is believed to have started in Ireland. As the Irish put it: "Who knows, on some Christmas Eve, Jesus and Mary and Joseph may come again, not to Palestine, but to the Holy Isle on the farthest edge of Europe." And it is the custom that the candle can only be snuffed by one named Mary.

Their first use for Christmas is not recorded in the annals of any nation, but that the "Christ Child Candle," burned in the window on Christmas Eve is, according to an old legend, placed there to light His way if He makes an earthly visitation and in tokenment for the night of His birth when there was no room for Him.

It is estimated that farmers in Bell county already have fed more than a fourth of their hay.

Mrs. W. Edwin Richardson of Hopkinsville, spoke at the annual meeting of Warren county homemakers clubs on "American Quilts and Their Story."

Mr. and Mrs. Jim Lamm were visiting his sister, Mrs. Phoebe Jump, and children, Sunday.

Mrs. Catherine Rouse and mother, Mrs. Lena Harris, were calling on Mrs. Harris' brother, Mr. and Mrs. Omer Elliston of Latonia, Sunday afternoon. Mrs. Elliston has been quite sick, but they found her greatly improved. We hope she continues feeling better.

We are sorry to hear of Mrs. Ed Vest being so ill. We hope for her speedy recovery.

Mayro Hayden was confined to his home last week with the flu.

Mr. and Mrs. Elbert Wilson returned to their home here Thursday evening after spending a few days at Rochester, Minn.

We are sorry to hear of the sudden passing of Bill Rider. We extend sympathy to the children and other relatives.

The Verona Homemakers met at the home of Mrs. Edith Hamilton, Friday. Everyone enjoyed the nice turkey dinner and everything that went with it. In the afternoon they exchanged Christmas gifts and wished each one a merry Christmas. We also added a new member to our club, Mrs. Letha Richter.

Mrs. Clara Coleman of Cincinnati, spent the weekend with her sister, Mr. and Mrs. Florian Adams and son, Ralph.

Mr. and Mrs. Atwood Brown entertained friends from Ohio, Sunday.

Mr. and Mrs. J. T. Gore were calling on his daughter, Mr. and Mrs. Florian Adams, Saturday evening.

Mr. and Mrs. Harvey Hughes were calling on her parents, Mr. and Mrs. H. D. Edgington, Sunday afternoon.

Glad to see Mrs. Etta McMane home for church Sunday. She is staying with Mr. and Mrs. Hess Vest of Walton.

Most Beloved Carol Is 'Silent Night'

The most beloved carol of the many that are sung in all parts of the world is "Silent Night," that simple and tender German song.

Its origin was unknown for many years. Recent research, however, disclosed that it was written by Joseph Mohr, an assistant priest in Oberndorf in South Germany. The melody was composed by a schoolmaster, Franz Gruber.

Mr. and Mrs. Harvey Hughes were part of the choir that sang the carol for the first time on Christmas Eve in the Oberndorf church in 1818.

The night it was sung the small church's organ was out of order and the choir sang to the accompaniment of a guitar.

The champion 4-H calf of Rowan county, owned by Jeanetta Caudill, sold for \$352.

Pleasant Woods of Dryhill was the only Leslie county farmer to complete the corn derby, with an acre yielding 94 bu.

Forty-nine homemakers in Union county were recognized at an annual county-wide meeting for perfect attendance at their regular club meetings.

LEADERSHIP TRAINING CENTER FUND DRIVE

The Kentucky Association of the Future Farmers of America is a National Farm Youth organization, representing 11,000 farm boys, 116 counties, 225 High Schools in the State of Kentucky. The Kentucky Future Farmers are carrying on a 30-day fund drive to raise \$250,000 for the completion and improvement of their Leadership Training Center at Hardinsburg, Ky.

Citizens everywhere recognize the economic, social, and political importance of agriculture in the nation and state. In Kentucky, our future and our security is in our soil. Only through good leadership training and educational progress can this future of our challenging world be met.

Our Leadership Training Center will train leaders of tomorrow in many organizations, such as the 11,000 F.F.A. members in Kentucky, the 17,000 in the Future Homemakers, Woodmen of the World, bands, etc., throughout our center.

November 10, at Hardinsburg, our County Fund Drive Committee, Charles Fedders, Fred Macklin, J. A. Coywood, John Cox, Woodrow Butler, and Frank Penick, saw the "Kick Off" meeting of our drive, where Governor Wetherby, State Superintendent Wendell Butler, State Campaign Chairman Bob Hensley, and many other notable friends wholeheartedly endorsed, subscribed and offered their support to a worthy "drive."

Kenton County has a quota of \$4,000 as our part to the State goal. We ask every citizen and business to subscribe to the support of our fund drive and urge you to endorse, subscribe and support and "invest in Our Youth of Tomorrow." Talk to a Simon Kenton Future Farmer to help us reach our goal. Thanks!

MATH CLUB

The Math Club of Simon Kenton has started again on a very successful year. We have added many new members to our present roll, and many more will be invited to join at the beginning of the second semester.

We have elected officers for 1953-54 as follows: President, Norma Baker; Vice President, Kent Mullins; 2nd Vice President, David Redman; Secretary, Virginia Oliver; Treasurer, Henry Rice; Reporter, Berkeley Worster.

Some of our projects this year are decorating the entrance for Christmas with help of the Art classes.

Again the Math Club has elected a Snow Queen, which promises to be a colorful event. The girls nominated for queen are: Shelby Compton, Jo Ann Noel, and Dale Webster. If you want to know who the queen is, come to the basketball game December 18. Many other personalities will be here too, such as Santa Claus and his toys.

So now, you can see why the Math Club is such a fine club. All you students who are not members should try and belong to the Math Club. All that is required is a "B" remester average.

Lower farm income with high, fixed operating costs are beginning to pinch farmers. The pinch hurts most when you have some debts. Wise farmers have learned that one way to ease the pinch is to match your low net income with low interest on your farm debt.

A 4% amortized Federal Land Bank Loan helps you do just that.

Federal Land Bank Loans have been maintained at a low interest rate of only 4% for the past 18 years. Prepay any amount at any time without penalty and protect yourself against lean years with our future payment fund.

Y-TEEN NEWS

The Senior Y-Teens and sponsor, Miss Taylor, have started this year with plenty of ideas on how to better our club. The last weekend in September, a delegation of girls, mothers and our sponsor went to Butler Park for the annual Northern Kentucky Y-Teen Conference. We also went to the football game in Lexington, November 14.

We are very proud, this year, to be the sponsors of the 8th grade club, as they had no sponsor. Miss Taylor has talked to us about starting a Junior Garden Club for our group and having the meeting once a month at our regular club time. If we can, the Garden Club will give us details on flower arrangements, etcetera. Our capable officers this year are:

President, Jackie Morgan; Vice President, Elaine Guttridge; Vice President, Riddell; Vice President, Gail Stephens; Secretary, Jackie Cooper; Treasurer, Dana Wilcoxson; Sunk Leader, Mary Ruth Stephenson, and Reporter, Shirley Collins.

Despite drought, a large number of tobacco plant beds in Boyle county were prepared this fall by burning, steaming or use of gas.

FALL CONCERT

The Music Department presented its fourth annual fall concert on November 24. Through the inclement weather, a nice crowd turned out to hear the band and glee club.

A flute quartet played "Christmas Suite," and Tommy Houston played a tuba solo, "The Jolly Farmer Goes to Town," accompanied by Donna Schuster. There were several serious pieces by the band, along with novelty numbers. The glee club sang, "Glory to God in the Highest" and "Still As the Night."

The highlights of the program was the surprise appearance of Mr. Harold F. Stallsmith as guest conductor of the band. Mr. Stallsmith was formerly the band leader, under whom Mr. Roden played at Dayton High School, about 20 years ago. There were thirteen former members of that band on hand to greet Mr. Stallsmith and hear the concert.

SAFETY INSTITUTE

On Saturday, November 21, four students and Miss Hempel, representing Simon Kenton, went to Walnut Hills High School for the Safety Institute. They were Floyd B'Hymer, Tommy Houston, Virginia Oliver and Jackie Morgan.

Everyone assembled in the auditorium for the presentation of colors, greetings and for directions to delegates. Delegates were divided into four groups. They were grouped as follows: Safety in the home, traffic, recreation, and fire.

Demonstrations, films and talks were given to each group on their particular subject. Then each of these groups divided into four discussion groups. In these informal discussions the delegates got to know each other and traded ideas, which they in turn were to carry back to their schools. It was surprising how lively the discussions were and how everyone joined in and voiced their opinions. As one boy said, "If you even scratch your head, the chairman called on you."

After the group discussions, a delicious luncheon was served. There were 65 schools represented.

In the second general session, there was group singing, led by Mr. Streit, which loosened up and relaxed everyone. Then the "Cincy Four," three sisters and a brother, did some real harmonizing.

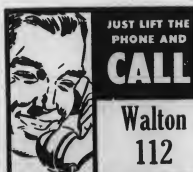

An address was given by Mary Hardwick, the international tennis star and former member of the British Wingham Cup team. She talked on "Tennis—Builder of Citizenship and Safety." The core of the speech she gave was that if you learn to play tennis while still young, you can play for the rest of your life. She said that although our American baseball and football were great games, we don't continue playing them after we finish school.

Second on the list was Mr. Vernon J. Goertz, a special agent, Federal Bureau of Investigation, U. S. Department of Justice. He told about some of the tactics used in tracking down spies.

The benediction was given by Rabbi Albert Goldman, of the Isaac M. Wise Temple.

Everyone who went to the Safety Institute agreed that it was a true experience not soon to be forgotten. Next year we hope more than four can go.

BETA CLUB

Officers of the Beta Club are: President, Jackie Morgan; Secretary, Janet Bridges; Vice President, Betty Jo Lillard; and Reporter, Rush Dillion.

New members are: Martha Aton, Gail Bachman, Larry Richardson, Berkeley Worster, Marilyn Hoffman, Laura Moore, Peggy Jo Popp, Phyllis Tattershall, Virginia Oliver, Norma Hall, Dana Wilcoxson, Norrita Heidman, Margie Daniels, Carolyn Richardson, and Elaine Guttridge. The new members were initiated November 25.

TAB CLUB

The Teen Age Book Club seems to be prospering, thanks to the eighth grade students of Simon Kenton. Last month the order for books was \$10.95. This month it is over \$15.00 and the Christmas special order is more than \$10.00. We appreciate the interest that upper classes are taking in our books. The sponsor is pleased with the work and interest of her eighth grade group.

LATIN CLUB

FIDELES AMICI (loyal friends) December 7, the Latin Club met and elected the following officers: President, Barbara Rust; Vice President, Jo Ann Barnett; Secretary, Shirley Collins; Reporter, Carolyn Spurlock, and Treasurer, Carol Bagby. Our motto is "Ex aequo"

et hano." Our colors: Blue and Silver.

LATINI SOCII (Latin companions)

The officers of the Latin Club are: President, Sylvia Brown; Vice President, Janet Bridges; Secretary, Dusty Hale; Reporter, Shirley Huff. The motto is, "Optima Diligamus," and its translation is, "Let us choose the best." Our first meeting was held November 4, and our sponsor is Miss Hiteman. Colors are purple and gold.

DEBATE CLUB

At long last we have renewed an old custom at Simon Kenton. We now have, under the capable sponsorship of Miss Lucille Hempel, a debate club. The officers are: President, Lou Ann Elliott; Vice President, Fred Griffin; Treasurer, Patti Messingschlager; Secretary and Reporter, Carolyn Richardson.

We have had our first debate, with Patsy Bell, Nancy Armstrong, Carl Harnishfeger, and Bill Exeler participating. Mr. Noel gave us a talk on the electoral college, our national debate topic. The club meets every Tuesday and on Wednesday when there is no senior chapel.

LIBRARY CLUB

The respective members of the Simon Kenton Library Club has, under the direction of Mrs. Moss, elected officers for the 1953-54 season. They are: President, Sylvia Brown; Vice President, Ann Cavanaugh; Secretary, Janet Wells; Treasurer, Nancy Bowman; Reporters, Gerald Robinson, major, and Joyce Ryan, minor; Recreation Leader, Velma Lawson; Chaplain, Rush Dillion; Vocalist, Carl Harnishfeger; Sergeant at Arms, Wima Robinson, and Parliamentarian, Dolores Pfanstiel.

The Library Club had its first meeting Wednesday, October 28.

PIONEER CLUB

The Pioneer Club held its first meeting of the year October 14. The following officers were elected: President, Dave Redman; Vice President, Gene Bieher; Secretary, Treasurer and Reporter, Cliff Zepf.

We are selling blue and white caps with Simon Kenton Pioneers on them as our yearly money-raising project. The caps sell for \$1.25 and there is a big rush for them, so you had better get yours now.

Prince of Peace

Lesson for December 28, 1953

GOD'S will is for a warless world. No one can read the prophets and make anything else out of it. God's will is for peace in this world. Peace among angels, yes, peace beyond death, yes of course; but that is not the whole of it. God's will is for peace among men, peace on this good green earth. So long as there are wars, we know that God's will and intention for mankind is being resisted. God wants a warless world.

Leader To Peace

One of the many names for Christ is "Prince of Peace," a title given by a prophet long before his birth. It will be worth our while to look into that title this week and see what exactly is meant by it, for it is much more than a striking phrase. The word "Prince" has nothing necessarily to do with royalty, though it is often does. Its literal meaning is leader, captain, chief.

As Prince of Peace therefore, our Lord is Leader of Peace. But again, the title may mean more things than one. Let us start with "Leader to Peace." In this sense, Christ is one who points out the road to peace, shows mankind what peace means. As the Bible uses the word, peace does not mean simply the absence of a battle-tide, the lull between attacks. It is not a negative word, it is positive. The kind of peace to which Christ points is not mere indifference, it is based on love and good-will. For instance, as these lines are written, the United States is at peace with Canada; it is also at peace with a dozen other countries that could be mentioned. But while it is barely possible that war might break out with any nation, it is practically likely to break out with Canada than with countries with which we have less in common and for whose people our own people have a much weaker affection. True peace is based on mutual good-will. Jesus taught us much more about peace; for example his reference to "peace-makers." But we must pass on.

Leader Of Peace

As Prince of Peace our Lord is also Leader of Peace. That is to say, where Christ is known and honored (not in name only, but actually known and loved), there peace is far more likely to be than where He is not known. It is sometimes said that civilization breeds wars. No doubt it does; but barbarism breeds even more. Savage tribes are in an almost perpetual state of warfare. It is also pointed out that Christian nations are often warring. On the other hand it may be asked: Where do you find a really Christian nation? Who starts the war? Are the "Christian" nations the aggressors or do they have to rise to the defense against aggression?

One thing is certain. Before the coming of Christ, wars were taken as a matter of course. No nation ever bothered to apologize or explain their fights. Since Christ's coming, and more than ever in recent years, nations that go to war have a bad conscience about it. Piles of "white papers" and the like are put out to show why it was necessary to declare war. At least, Christian nations are aware that the road of war is never the right road except as a last resort.

Leader By Peace

Another meaning that may fairly be given to "Prince of Peace" is "Leader by Peace." That is to say, the leadership and Lordship of Christ is never one of coercion. There have been leaders by force; there have been leaders by lies, for the human race is all too easily misled; there is one and only one Leader of men who will reign only through love.

At Christmas time men often wonder why it is that the angels' song has never been fulfilled. Peace has not come on earth to stay. Peace is always pictured as a bird poised for flight. The full reign of the Prince of Peace seems to be so slowly coming. The reason is that unless all earthly leaders, Christ will have none in his kingdom who is not there by his own free will. God could no doubt beat the world into silent submission in a very short time. It is not beyond the power of the Almighty to bring every human war to an end.

The Christmas Candle

In the earliest times the lighted candle had a place in man's expression of his religious belief. Light has always symbolized the outreach of the Almighty. But in the celebration of Christmas, the lighted candle has assumed a special significance. Gleaming in the darkness, it is like the Star that stood over Bethlehem. Flickering in the wintry draught, it is like the tiny infant rocked in his mother's arms. Shining boldly through its wreath, it is like the Master of Mankind beckoning the world into the warmth of His Love. And yet, no candle can express the real joy of Christmas. Worship is our divine gift for revealing our love to God. The prayers and hymns we lift from happy Christian hearts as we gather in Church; these are the real Christmas Candle—the glow of a people honored and blessed by the birth of the Christ.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ryland Homemakers

foretaste of the gala holiday season ahead was enjoyed by the Ryland Homemakers Club at their annual Christmas party, held at the home of Mrs. William Daman, Steep Creek Road.

Roll call was answered by telling, "What I like most about Christmas," Miss Zelma Byerly, Home Demonstration Agent, gave some interesting and unusual tips on making candles for Christmas decorations.

After a very delicious luncheon, the group enjoyed Carol singing, a gift exchange and games.

Those in attendance were Mesdames George A. Daman, Frank Hermes, W. P. Schwall, R. C. Christman, Everett Wilson, Joe Lawson, Oliver Gee, William Bagby, William Barnes, Rudolph Casson, Harold Halfhill, O. J. Williams, and Miss Ruth Schmidt, members; Mrs. Ralph McAulon, Mrs. William Henke, Mrs. Wendell Jackson, and Misses Janie and Ruth Ann Jackson, guests.

The January meeting will be held at the home of Mrs. Joe Lawson.

'54 Chevrolet Appears Friday; Many Features

More power, an extension of the automatic transmission option to all cars, and design revisions to accentuate the low, flowing beauty of the three body series highspot the 1954 Chevrolets.

The latest models, scheduled to go on display at dealer showrooms nationally, Friday, December 18, benefit as well from re-styled interiors, a wider choice of rich colors and color harmonies and chassis advances to assure quieter operation with increased performance.

Power brakes, adding safety and driving control, become optional for the first time in the low-price field with the introduction. As still another "first" in Chevrolet's market, electric front seat and window lifts are also available. This convenience provides passenger car comfort through push button control.

Given special prominence in the presentation is the Bel Air Series, which Chevrolet pioneered so successfully as a luxury line a year ago. An eight-passenger station wagon brings to five the number of Bel Air body types. This body, replacing the former business coupe, offers an amazing 54 cubic feet of storage space.

Another departure in the lineup of 13 passenger car models is the introduction of a utility sedan in the "One-Fifty" or lowest priced series. This body, replacing the former business coupe, offers an amazing 54 cubic feet of storage space. Again in 1954 Chevrolets will be powered by a choice of two engines, each more powerful and responsive than its 1953 counterpart. The 115-horsepower "Blue Flame" engine is used in gearshift models. An engine of 125-horsepower couples with the Powerglide automatic shift, now available on all cars, including the sedan delivery.

Other chassis advances cover improvements in the clutch of gearshift models, a longer, deeper-toned and sound deadening muffler, and nylon rear spring inserts to eliminate the necessity for lubrication.

In appearance the 1954 Chevrolets have a longer, more rugged look. Designed for a broader, lower effect, the

front bumper has been curved farther around the fender. The grille, bumper guards, parking lamps and hood ornamentation have been modified to conform with the new motif. Although the brightwork of the individual series profiles remains much the same, design touches at the rear re-emphasize the distinction of the line.

Of prime interest are the two-tone interiors of the bodies. Stylists have taken full advantage of new fabrics to combine eye-appeal and practicability. A lavish use of vinyl, an easily washed material, is apparent. In the Bel Air Series interior fabrics are nylon-faced cloth and vinyls while in other series tasteful complements of vinyls and new, modern fabrics have been worked out.

Nine of the 14 solid exterior colors are new. The 13 two-tone combinations, featuring such exotic partnerships as ivory and turquoise and beige and an unusual tan, are perhaps the most striking yet unveiled by the industry. Totalling the number of body types and colors, the customer has 161 selections from which to draw when he buys a Chevrolet.

The Powerglide automatic transmission, now in service on more than 1,500,000 Chevrolets, is continued with modifications for improved high speed ac-

celeration. The new engine with which Powerglide is teamed will appreciably boost performance, particularly in the higher speed ranges when emergency power may be required for passing or hill climbing.

The power plant in the Powerglide option uses the time-proven valve-in-head six cylinder principle with 125-horsepower available at 4000 revolutions per minute. An innovation is the installation of high-lift cams and improvement in valve mechanism to make possible a freer intake of combustion mixtures and a more complete expulsion of exhaust gases. The result is increased breathing efficiency at the same compression ratio of 7.5 to 1.

Improvements in valve mechanism were adapted not only to conform with the higher cam lifts but to make all parts stronger and more durable. Hydraulic valve lifters have been redesigned for more reliable operation. A composite camshaft drive gear, having an aluminum alloy ring, a synthetic rubber insulator and cast alloy iron hub, replaces the bakelite and fabric gear with steel hub. XCR alloy steel is utilized for exhaust valves for greater strength at high temperatures and resistance to scaling and pitting.

A new cast alloy iron camshaft in the "125" has greater resistance to twisting at higher speeds. More strength is built into rocker shafts by a reduction in the diameter attachment holes at each end. A cast alloy iron distributor drive gear replaces the former steel type to reduce wear on the camshaft.

Another mechanical improvement in the Blue Flame "125" is applied to pre-

vent stalling following cold starts. To allow for heavy acceleration demands during warm-up the thermostatic spring in the automatic choke has been stiffened and the vacuum piston increased in diameter.

The Blue Flame "115" engine introduces into the so-called standard power train such features as full-pressure lubrication, aluminum pistons, insert-type connecting rod bearings and a more rigid crankshaft and connecting rods. As true of the "125", displacement is 235 cubic inches with the engine reaching 115 horsepower at 3700 rpm. Compression ratio lists at 7.5 to 1. Better economy and smoother, quieter operation are characteristics.

Pistons are of the same lightweight type familiar in the 1953 Powerglide engine, but the piston pins have been offset, contributing to quiet operation under all conditions.

Smoother acceleration is provided by a carburetor change to afford a better balance in fuel mixture. The result is a double step in the fuel valving into the carburetor power jet which maintains peak efficiency in mixture during changing load conditions.

The new clutch assembly which Chevrolet has engineered for gearshift models has smoother operation and greater reliability. In the previous design the pressure plate was driven from the clutch cover by three lugs. With the re-engineering of the port, the lugs are replaced by three equally spaced, spring steel straps. The straps are riveted to the cover assembly and bolted to the pressure plate. Since the binding of the slots is now eliminated, the pressure plate

always makes a full pressure contact with the driven plate for transfer of torque to the drive train.

Also in gearshift models changes have been incorporated in the synchro-mesh transmission for increased durability and ruggedness. All gears are now shot-peened after hardening and needle bearings have been introduced on the count-

er gear shaft.

The new 30-inch muffler compares with the earlier 16-inch length on closed body models. Three resonant chambers increase the range of vibration damping and minimize body resonance. Besides improved silencing, the new muffler reduces back pressure, further aiding engine efficiency.

Walton Homemakers, No. 2, met at the home of Mrs. Sam Sanders for the November meeting. The lesson on first aid and bandages was given by Mrs. W. W. Rouse.

There were seven members present. One new member was added. Plans were made for the Christmas party, which will be held December 15 at the home of Mrs. James Riddell.

Members present were Mesdames Walter Sleet, Estill Sleet, William Frazier, William Smith, Arthur Redd, Vernon Porterfield, Mrs. Sam Sanders, and Mrs. Willie Behanan, the new member.

HAY COULD SCATTER NOXIOUS WEED SEED

The University of Kentucky Agricultural Extension Service is advising farmers to guard against bringing in noxious weeds in hay bought in other states. Weed seeds could get scattered over farms and cause endless work in eradicating the weeds, it was stated.

Quack grass and Johnson grass are two of the worst pests. Johnson grass is listed as one of nine noxious weeds in Kentucky. Quack grass, while not as serious as Johnson grass, should be avoided, the statement said.

Both Johnson and quack grass are hard to recognize in hay. Hay buyers could require a guarantee that the hay contained no noxious weeds, agronomists at the Agricultural Experiment Station said.

Feeding purchased hay in a lot of barn was suggested as one way to be safe. Scattering weed seed over the farm would thereby be avoided. The manure should not be widely used on the farm but confined to cultivated fields where the weeds could be controlled.

Personal health problems are being discussed in all Extension programs in Rockcastle county.

Watts Given 5 Years In State Reformatory

Motion For New Trial Denied by Judge Yager

Swango Watts, 53, farmer, convicted last Tuesday night by a Boone Circuit Court jury on a charge of conspiracy to rob the Union Deposit Bank last March 30, was formally sentenced to five years in Levens Reformatory, Saturday by Judge Ward Yager.

Watts was taken to the prison Monday, although an appeal through his court-appointed attorney, A. D. Yelton, Burlington, is pending.

The motion for a new trial was denied by Judge Yager. The judge authorized Mr. Yelton, Watts' attorney, to file an appeal with the Kentucky Court of Appeals and set bond at \$5,000.

Brown Thompson and Lester Raleigh, both of Newport, pleaded guilty to two counts of a bank robbery charge in U. S. District Court, Covington, late in September, and are serving 20-year terms each for actually robbing the bank. Watts, at the term of Federal Court, was acquitted by a jury on a conspiracy charge.

ERNST - MEADOWS VOWS

The marriage ceremony of Miss Wanda Sue Ernst, daughter of Mr. and Mrs. Leroy Ernst of Covington, and Mr. Raymond Meadows, son of Mr. and Mrs. Mark Meadows of Walton, was solemnized at 4 p. m. Saturday, December 19, by Justice of the Peace Robert Dorsey.

The bride and groom were accompanied by Mr. and Mrs. Paul Hall of Covington. The bride wore white lace dress over blue satin with white accessories. Flowers were pink camellia. Mrs. Hall wore a pink suit with blue accessories and her flowers were red roses.

The reception was held at the home of the bride at 13 East 11th street, in Covington at 8 p. m.

The guests were Mr. and Mrs. Mark Meadows, Mr. and Mrs. Leroy Ernst and daughter, Peggy Lee, Mr. Thomas Ernst, Miss Anna Lee Murphy, Miss Mary Ernst, Mr. James Slaughter, Mrs. Noel Barron, Mr. and Mrs. Paul Hall, Mr. and Mrs. Eugene Sturgeon, and Mr. Raymond Ernst.

Mr. and Mrs. Meadows are residing at their new home on Nicholson Road, in Walton, after spending their honeymoon in Eastern Kentucky and Virginia.

Independence Homemakers

The Independence Homemakers Club members enjoyed a Christmas party recently in the home of Mrs. Foster Armstrong, with Mrs. John Leslie as co-hostess. After a brief business session, presided over by the president, Mrs. John Leslie, a Christmas story was read by Mrs. Leslie, and also a Christmas poem, which was written by Edgar A. Gest. Luncheon was served at the attractive table, decorated with Christmas trimmings.

The afternoon was devoted to games, under the supervision of Mrs. Davis, and a gift exchange among "secret pals."

Members attending were Mrs. John Leslie, Mrs. Foster Armstrong, Mrs. Chas. Davis, Mrs. Houston, Mrs. Aaron Nielsen, Mrs. J. C. Reynolds, Mrs. Cleo Shelton, Mrs. Frank Cox, William House, Mrs. Lu Summey, Mrs. Witt, Mrs. H. C. Beers, Mrs. J. E. Beers, Mrs. John Workman; three visitors, Mrs. Mary Watts, Mrs. Donald Adams and Miss Lesile Byerly.

PINER HOMEMAKERS

Mrs. Frank Elliott of Morning View had her home gay with Christmas decorations when she welcomed the Piner Homemakers for their annual turkey dinner and Christmas party, December 8.

Mrs. John Dwyer presided and roll call was answered by each giving Christmas customs in other lands. Mrs. Dwyer, program chairman, presented a Christmas program of stories, poems and carols, most of the members taking part, and ending with a candle lighting service.

URIAH GATEWOOD

Uriah Gatewood, 64, of 511 West 33rd St., Covington, passed away suddenly December 14, while on a visit to his son, Floyd Gatewood, Elliston, Route 1. He was an elevator operator, and a member of the Lebanon Presbyterian Church.

Mr. Gatewood is survived by his wife, Nannie Gatewood, Covington; a daughter, Margaret Gatewood, Covington; one son, Floyd Gatewood, Elliston; three grandchildren, a sister, Mrs. Addie Mitchell, Cincinnati, and two brothers, Jas. W. Gatewood, Lebanon, Ind., and Wm. B. Gatewood, Union, Ky.

Funeral services were held December 17, at 2:00 p. m., in the Mt. Zion Baptist Church, Rev. Kelly Kennedy officiating. Burial was in Hillcrest Cemetery, Dry Ridge. The Hamilton funeral home, Verona, had charge of arrangements.

Legion Auxiliary To Meet Jan. 7 In City Building

The regular meeting of Johnson-McClary Unit, 277, American Legion Auxiliary, will be held Thursday, Jan. 7, at 8:00 p. m., in the City Building. All members please attend, and anyone interested in the work of this organization is welcome, also prospective members, including Korean veterans' families, and World War I and II.

At the December meeting, the following new officers for 1954 were elected: Mrs. Georgia Stephenson, president; Mrs. Edith Stephenson, vice president; Mrs. Emma Cluster, secretary and treasurer; Mrs. Geo. Glenn, historian; Mrs. Nell Dudgeon, chaplain; Mrs. Emma J. Spillman, sergeant-at-arms, and Mrs. Anna Hoelscher, executive committee for a 3-year term.

Members voted to contribute 10.00 to the Ft. Thomas Hospital's veteran gift and candy fund; also five gifts were sent to the Outwood (Ky.) Tubercular Hospital for veterans. At the close of the meeting, the newly-elected officers were installed by Mrs. Emma Cluster, a past president of the Unit.

"Be sure to attend the January meeting."—Aux. Pub. Chm.

KENTON GETS AWARD

J. W. Whitehouse, State 4-H Club leader, announced December 15 that Kenton County had received the Westinghouse Educational Foundation award for the outstanding 4-H rural electric program in Kentucky during 1953. The electric program was sponsored by the Union Light, Heat & Power Company, Covington, in cooperation with the Kenton County 4-H Club Council and the County Agricultural Extension Service.

The electric project in the county was under the direction of Thomas L. Riley, assistant agricultural agent, with leadership training for local leaders being furnished by the Union Light, Heat & Power Company.

Boone County Artists Have Four Entries In Current Showing at Cincinnati Art Museum

Two Boone counties, whose names hitherto have not been listed in the publicity attending the largest exhibit of art by artists of Cincinnati and vicinity, have four entries in the current showing at the Cincinnati Art Museum.

From the 800 entries submitted, only 194 were accepted, the work of 124 artists. The displays, consisting of drawings, paintings, water colors, sculptures and prints, were chosen by Zoltan Sepeshy of the Cranbrook Academy of Art and Gordon B. Washburn, director of the art department of the Carnegie Institute.

William E. Hentschel, an instructor at the Cincinnati Art Academy, who lives on East Bend Road, a half mile from Burlington, had two tempera paintings accepted, both being abstractions, one titled "Dylan," the other, "Kelpie."

"Dylan," in Celtic mythology, was a god of the sea, a son of the beautiful goddess Arctine. "Kelpie," in Gaelic mythology, is a water spirit, usually in the form of a horse, which was believed, superstitiously, to forewarn those who were about to drown.

WRECK ON TAYLOR MILL

J. H. Campbell, 72, Verona Road, suffered a possible fractured leg when his auto apparently skidded on an icy spot on Taylor Mill Road and crashed head-on into a car driven by Edgar Hitch, 38, of Covington, Route 1.

Kenton county police said the accident happened a mile east of Nicholson. Both cars were demolished, the officers reported.

Mr. Campbell was taken to Boone Hospital by the Independence life squad. Mr. Hitch, an employee of Dixie Chevrolet Sales, Walton, suffered a head injury.

PAY CITY TAXES

You still have a few days in which to pay your city taxes before the penalty is added. Do this today, then you won't be sorry. Taxes become delinquent as of January 1, 1954, but local taxes may be paid, at the City Building, through January 7, 1954, without paying the 2% penalty. Mrs. John E. Stephenson, tax collector, will be at the City Building, Saturday, January 2, and on the 4th, 5th, 6th and 7th for collection of taxes, as well as water bills. The 2% penalty will be added January 8, 1954, and a 6% penalty will go into effect February 1. Hours for payment of taxes are from 10:00 a. m. until 4:00 p. m.

MARRIED 50 YEARS

In honor of the fiftieth wedding anniversary of Mr. and Mrs. V. P. Kerns, their daughters invited their friends to an open house, Thursday, December 24, from 10:00 until 10:00 p. m., 16 Beechwood Road, South Ft. Mitchell.

Mr. and Mrs. Kerns have two daughters, Mrs. Franklin Rouse of Huntington, W. Va., and Mrs. Lawrence McCord of South Ft. Mitchell, and two grandsons, Larry and Jack McCord.

The Kerns family lived in Walton, from 1918 until 1942. Mr. Kerns being a land owner and tobacco broker. He was an Elder in the local Christian Church and a director of the Dixie State Bank. Having been retired for several years, Mr. Kerns and his wife spend their winters in Florida.

NAMED POSTMASTER

Bert Loomis, Boone county farmer, will take over as postmaster at Burlington, Saturday, he has been advised in a letter from Senator John S. Cooper.

A Republican leader in the county, Mr. Loomis is the choice of the Boone County Republican Executive Committee, Otis Readnor, county chairman, said.

The retiring postmaster, Newton Sullivan, said Burlington now is a third-class post office and needs but \$400 additional revenue in 1954 to advance to second class status.

CATS WHIP SCOTTSVILLE

On Friday, December 18, the Walton-Verona High School Beaters defeated Scottsville, 40 to 45, on the local floor. The 'Cats led throughout, and Billy Smith was top scorer for the winners with 28 markers. Mutchler was high for Scottsville, with 23 points.

Boone Added to List of Drought-Disaster Counties in Kentucky

RUSSELL B. FERRELL

Russell E. Ferrell, 15 years old, died at his home in Pendleton county, Dec. 25 from tuberculosis of the spine.

He is survived by his mother, Mrs. Margaret Smith Ferrell; a sister, Anna Louise Ferrell, and two brothers, Eugene and William Ferrell, all at home. His father was the late William Ferrell.

Funeral services were held December 27 at 2:00 p. m., in the Mt. Zion Baptist Church, Rev. Haskell Swain officiating. Burial was in Jericho Cemetery, Grant county. Hamilton funeral home, Verona, had charge of arrangements.

VISIT OF TAX MAN

District Director of Internal Revenue, William M. Gray, announces that an agent from his office will visit Walton, January 13, 1954; Williamstown, Jan. 14-15, and Falmouth, Jan. 21-22, for the purpose of assisting taxpayers in filing their final 1953 returns and their estimated returns for the year 1954. These returns should be filed by March 15, 1954.

The District Director of Internal Revenue urges that taxpayers desiring the above service list and total items relating to their income and their deductions, including allowable expenses, so that information necessary in the preparation of a return can be on hand when availing themselves of this service, which is absolutely free. Remember, the local date is Wednesday, January 13.

SERVING IN KOREA

Donald R. Parker, 21, son of Mr. and Mrs. Herbert Parker, Florence, recently was promoted to sergeant while serving in Korea with the 40th Infantry Division. The former California National Guard division, which arrived in Korea during early 1952, is undergoing intensive post-train.

Sergeant Parker, a section leader with Battery D of the 140th Anti-Aircraft Artillery Battalion, entered the Army in August, 1951, and completed basic training at Ft. Lewis, Wash. He arrived in Korea last July.

The Crusaders club will have charge from 9:00 until 10:30; the Willing Workers class from 10:30 to 11:15; and Rev. Vaughn will be assisted in the worship by R. M. Hall and James W. Williams. The church and community is invited.

DIES IN ARIZONA

A former Kentucky woman, who seconded the first nomination of the late Franklin D. Roosevelt at the 1932 Democratic National Convention died Dec. 18 in Tucson, Ariz., after a long illness.

Mrs. Isabelle Greenway King, a native of Boone county, was the only woman ever elected to Congress from Arizona. She was elected in 1932 and served for two terms.

Obituary and Persistent Subject," and depicts the loading of a mule on a truck on County Court day in Wolf county. Mr. Wallace says he likes to paint Americana. In his spare time, during the coming year, he is going to paint Boone county scenes, with one of his subjects to be the interior of Elmer Goodridge's general store at Hebron. The center of attraction will be the huge pot-bellied stove and the farmers who sit around it.

Other artists residing in Boone county, but who do not have showings in the current exhibit, includes Miss Caroline Williams, Burlington, whose etching, published in The Enquirer, have won national acclaim; Mrs. William E. Boone, Hebron, the artist who painted the landscape in the Boone county agricultural booth, which is first place at the Kentucky State Fair in September, and Mrs. Hentschel, formerly an instructor at the Cincinnati Art Academy, who now does free-landscape painting.

The art exhibit closes January 5.

"Jim Bob" Allen

"Jim Bob" Allen, a former Walton business man, who has spent the last year in Arabia with an American oil company, flew home before Christmas to spend several days with friends and relatives. He plans to return to his post in the near future, where he about two more years of his contract to complete.

South American Youth Likes Boone County

"Boone county is one of the grandest places I have lived in the United States. I feel at home. The people are so friendly toward me." That's the impression of Daniel Florez International Farm Youth Exchange Delegate from Bogota, the capital of Colombia, South America.

Florez is a 22-year-old farm youth and lives on a large dairy and beef farm near Bogota. He plans to make dairy farming his main enterprise when he returns to his native land. During his stay in the county, he observed dairymen, farm practices, youth activities and general customs of the U. S. He arrived this country five months ago and spent time in the state of Oregon, and Gallatin and Hardin counties, Kentucky.

Some of the outstanding scenes were a view of the Ohio river and his first snow. Florez was amazed at our great super markets and the fast-moving traffic in this country.

Farmers May Now Get Below-Cost Feed, Report

Ezra Taft Benson, Secretary of Agriculture, Tuesday added Boone, Bullitt and Monroe counties to the list of 80 drought-disaster counties in Kentucky.

The designation entitles farmers in these counties to purchase government-owned feeds at below market prices in order to maintain basic herds. Applications for purchase of feed must be made to county drought emergency committees, which determine eligibility.

The Kentucky counties named Tuesday, along with Prince Edward county in Virginia, which was also designated, brings to 697 the total of disaster counties in 18 states which are participating in the Federal emergency feed program.

Meantime, Secretary Benson awaited a reply from a group of Eastern railroads which have been cooperating with the government by allowing discounts of up to 50% on shipments of hay into afflicted states. The secretary asked the railroads last week to extend their cooperative agreement for 90 days. It is scheduled to expire today.

LITERARY CLUB TO MEET

The regular meeting of the Walton Women's Literary Club will be held at the Phoenix Restaurant, Wednesday afternoon, January 6, beginning at 2:00 p. m.

The guest speaker will be Mrs. L. M. Ackman, Williamstown, who will give a talk on a recent trip to England and Holland.

Mrs. J. R. Conrad will be hostess and Mrs. Julia A. Rouse will preside.

INCREASE IN BUSINESS

According to Clinton F. Cleek, Walton Postmaster, the local office showed an increase in sale of 2 and 3 cent stamps in 1953. For the period, November 15 to December 22, inclusive, 2,000 3 cent stamps sold in 1952 were 54,900, while in 1953, the 2 and 3 cent stamps sold amounted to 68,300. This is an increase of approximately 24 1/2%. There was also a proportionate increase in all classes received for distribution at the Walton office, Mr. Cleek said.

PAYMENTS TO NEEDY

Needy residents of Boone county received 4,826 during November under three public assistance programs, Aaron Paul, director of the Division of Public Assistance, Frankfort, reported.

Expenditures were: Old age assistance, \$4,384; aid to dependent children, \$279; and aid to needy blind, \$163.

Mr. and Mrs. Homer Eades and daughter departed for their home in Chattanooga, Tenn., following a 9-day visit here with relatives.

With a greeting card, we received recently from a relative in Lexington, was a clipping from a publication in that area, which stated that Carl Price and his tenant farmer had been robbed of 400 pounds of stripped, grade "A" tobacco. It was taken from a barn on the Price farm and was slated to be hauled to market soon. Mr. Price, now residing on a farm near Georgetown, was a resident of both Boone and Kenton counties for many years.

Here's wishing the publisher and staff of the Advertiser, readers, correspondents, our boys in military service in this and foreign lands, and everybody, everywhere a happy and prosperous New Year.

Improvements in Caldwell county include two irrigation systems, two upright silos, one trench silo, a pole barn, and feeding sheds.

The drying up of creeks and springs resulted in a number of ponds being dug in McCreary county.

Farmers in Green county this year grew 21,000 acres of corn, compared to 31,245 acres in 1930.

Oak Island Homemakers

Nine ladies answered roll call with a suggestion for Christmas at the December meeting of the Oak Island Homemakers Club, held at the Community House.

On November 11, 709 cup cakes were brought to the Community House and used on a special work day. They were delivered to the Kenton County Infirmary, the Old Ladies Home and the Children's Home, the same day.

A Christmas party was held December 19 at the Community House with the families present.

At the regular meeting, a Christmas story was read by Mrs. Robert Wainscott. Finishing braided rugs was taught by Mrs. Claude Taylor. Mrs. B. F. Jackson, president, presided.

Kenton Elementary PTA

The Kenton Elementary P. T. A. held its Christmas meeting December 17 at the school. A Christmas film was presented and a social hour, with the second grade mothers in charge, followed the business session, which was presided over by Mrs. Watson Ashcraft.

Simon Kenton PTA

Rev. Barton Johnson, pastor of the Madison Avenue Christian Church, spoke to the Simon Kenton P. T. A. recently. His topic was "Loyalty to God."

Mrs. Lea Flynn, Walton, led the devotions, and Barbara Rust and Carol Bagby, flute duo, presented a program at Christmas music. Mrs. William Eger presided at the business session, at which it was voted to buy a tape recorder and to change the meeting date from January 4 to January 11.

Mrs. A. Cox's 7th grade won the attendance award. Mesdames R. Hinsdale, A. Cox and L. Saunders home made the annual membership contest, which ended in a three-way tie. The meeting was closed with group singing and a social hour.—Ruth Ashcraft

FLORENCE

A Correction: In the Florence news on another page, in the item of guests entertained by Mrs. Annie Clore, Christinas, the name of Mrs. Lois Dinn was unintentionally omitted.

Mr. and Mrs. R. E. Tanner very graciously entertained with a turkey dinner

Sunday for Mr. and Mrs. Robert Woodward and the Perry Allens.

Mr. and Mrs. Claude Tanner of Florida were called here by the serious illness of her father, Jule Bristow, at Booth Hospital, Covington.

Mr. and Mrs. Richard Keyer had as guests for turkey dinner Christmas, Mr. and Mrs. Stanley Keyer and daughter, and Mr. and Mrs. Eldridge Carpenter.

Methodist Women's Society

Mrs. C. S. West, vice president, presided at the annual Christmas party of the W.S.C.S. at the church December 10. The business session was opened with the singing of the Doxology by the group, followed by the reading of reports and a business discussion. At the noon hour lunch was served on tables bedecked with evergreens and other decorations symbolic of Christmas. Following the luncheon Mrs. West gave a talk appropriate to the season, which was interspersed with piano selections of carols, and closed with the group singing "Silent Night." For her loyalty down through the years to the society and missionary cause, Mrs. Russell Mitchell was honored with "Adult Life" membership, a gift from a friend.

Mrs. Harry Dougherty made the presentation very appropriately. Mrs. Mitchell was overcome with emotion as it was a complete surprise to her. Attending were Mesdames C. McKibben, C. Ogg, S. J. Bradley, C. West, G. Miller, S. Jones, A. Knox, O. Bethel, R. Miller, J. Stephens, L. Allen, H. Dougherty, R. Mitchell and a guest, Mrs. Jerry Stone.—Pub. Ch.

WHITES TOWER

By Ernest J. Ryle

This is the time of year when the majority of our people are full of the Christmas spirit, but some few are just full of spirits, period, and try to spoil things for others. Don't be a wet blanket, try to keep things under control lest tragedy rear its ugly head and we spend the rest of our evils being sorry after it eternally too late.

Mr. Howard, Mr. Kendig and the Dorsey Ryle Company sold their tobacco at Erlange, last week and were very well satisfied with prices.

Rev. Robert Brumback, wife and two daughters of Georgetown, were Saturday guests of relatives at Whites Tower.

Our sympathy to Mr. and Mrs. Randolph Gibson in the death of their baby boy at St. Elizabeth Hospital. Burial was last Monday.

Water pipes were frozen badly here December 18, when the mercury dropped to zero.

The writer and wife received two beautiful Christmas cards with no name of sender. I suppose others had the same experience, so here's thanking the sender whoever they are.

I often think of the difference between the Christmas now and sixty years ago. We kids used to get a sack of very hard candy in our stockings; next was a big orange, then a package of wire crackers which no Christmas was complete without. We fired them off early the next morning, which was quite an event. Then out of the top of the stocking would be a big banana. If we got a sled, it would be home-made by "Daddy" for the occasion, and don't think we didn't enjoy it for it was a very rare thing for Christmas to come without a big snow and skating on the ponds in the community.

Potatoes were then 20c per bushel and a side of bacon 75c; men's heavy sac 5c a pair.

Mr. and Mrs. Floyd Smith entertained the following guests and their families for Christmas dinner: Mr. and Mrs. Ernie Howard of Covington, Mr. and Mrs. D. Cooper of Cincinnati, and Mr. and Mrs. Earl Clark of Petty Road.

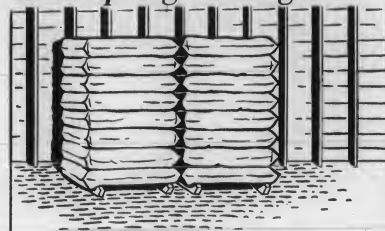

Mr. and Mrs. William Binder and family have moved to their new home in Plantation Heights.

Rev. Bob Brumback and family of Georgetown were Christmas guests of his mother, Mrs. Maude Brumback, and family at this place. Other guests of friends at the "Tower" were Mr. and Mrs. G. L. Ryle and Harold Schrader and wife of Werk Road, Cincinnati; Mrs. Mary Ward and daughter, Linda, of Covington, and Richard Dorsey, wife and daughter of Boimbridge, Ga.

Patsy and Judy Brumback are visiting their father in Cleveland, Ohio.

Herb Gross had a cow to give birth to twin calves one day last week.

Winter Fertilizer Storage Beats Spring Shortages

You can store nearly six tons of fertilizer in a 9 x 15 feet space in a shed or barn. Using a base like this (at left) stack bags in piles 8 high, allowing room for air circulation around the pile. Put the bags on cribbing above the floor, a few inches away from walls to protect from moisture. Keep broken bags out of piles.

YOU sometimes hear farmers say they "don't have room to store fertilizer in winter," or they've heard that "stored fertilizer gets out of condition."

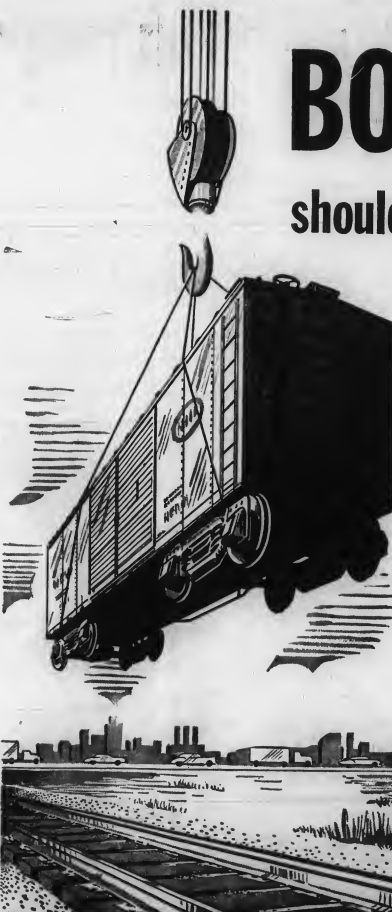

Actually, most any farm has room to store a ton or two of fertilizer, reports the Middle West Soil Improvement Committee. A space 9 by 15 feet in a dry shed or building will hold up to six tons.

"And," adds the committee, "properly stored fertilizer will keep in prime condition until you need it in spring. Advances in fertilizer manufacturing techniques takes out much of the storage risks."

"One or two things need watching. The fertilizer bags should be kept off the ground or off concrete. Put the bags on 2 x 4's or cribbing above the floor. Then the fertilizer won't soak up moisture and get lumpy. Don't stack the bags more than 7 or 8 high. If stacks are higher, the pressure on the bottom bag can cause caking even if it has been kept dry."

BOX CARS should be on the rails . .

When box cars are on the rails it is not necessary for the public who use passenger cars and small trucks to compete with the box cars to find space to operate upon the public highways.

Another good reason why box cars should be on the rails is that the railroads construct and maintain their own roadways.

The best reason of all, is that the railroads pay taxes on those rails and roadways which are used to build and maintain the county roads and to support the schools which the children attend.

God in Christ

Lesson for January 3, 1954

IT IS easier for some people to believe in icicles than to believe in God. That's true. You will hardly find anybody except savages in the hot belt along the equator who won't believe in icicles. These winter days you can perhaps see them for yourself. But many people believe in icicles who don't believe in God. In a way this is not surprising: An icicle is right there before your eyes, you see it being made, you know what it is made of. But God is not before your eyes, you can't see him made and you can't say what he is made of except "Spirit" and that isn't nearly as easy to understand as plain water and ice. It would be dishonest not to admit it—it is harder to believe in God than to believe in little things.

Dr. Foreman

The Living Word

Now God knows that. We can say, without trepidation, that God is faced with a kind of dilemma. If he lets things take their natural course, most men will not believe in him and that will be bad for them. But if he is to speak bursts on mortal men in his full glory, no human mind could endure it. Suppose a very curious and skeptical person who did not believe in atoms because he had never seen one, insisted on a close view of an atomic explosion? He would be vaporized before he knew what hit him. A full view, so to speak, of the Infinite and Omnipotent God, would be insupportable by our small minds. It is the glory of God that he has solved this dilemma. He, the Unfathomable, has translated himself into the life of man. He the Indescribable has "become flesh" as John puts it—has become the Christ who can be described. He who is infinitely beyond us has come to live beside us. The God who dwells in Eternity's silence has spoken in many "forms and fragments" in ages past, but now has spoken the perfect Word in Christ. When our church calls Christ the "Word" of God we mean that Christ is what God has to say.

Concern

As has often been said, it is more helpful, and just as true, to say that God is like Christ as that Christ is like God. Christ, we may say, is the knowable, the believable God. God apart from Christ is like an inscription left on a great rock in an inaccessible desert, an inscription in an unknown tongue. God in Christ is written in our own language. It has been said (with pardonable exaggeration) that Christ is the only God the Christian knows. Surely this much the Christian church has always believed: that any notions of God that are out of line with what we know of Jesus are out of line with truth. Now there are many things we want to know about God, and some of these things we really do not need to know. But some things we desperately do need to know—everything hangs on it. One question is this: Does the high God have any concern for, or concern with the affairs of our little planet? Is he so great that our prayers never reach him, or if they do, give him no concern? Jesus is God's answer to that question. Everything human interested Jesus. Sad things like funerals, glad events like weddings—people's ordinary problems and their great crises, — wherever people were, however obscure and "unimportant," there Jesus of Nazareth was concerned. We cannot believe in Christ as God's Word and still fancy an indifferent God.

Power

Another thing that we seriously want to know, is whether God has real power; and if so what kind it is and how he uses it. There is a notion abroad, strange as it seems, that God is not really the ruler of all, but a sort of candidate for the throne of the universe; a celestial "Bonnie Prince Charlie" who is doing the best he can to gain control but who so far has not succeeded. If we understand and believe that God is like Christ, we can believe that he is in charge of every situation. Men called Jesus "Messiah" and with good reason. God is master of his universe. And yet we also see that Christ exerted his power in different ways. (More of this in later lessons in John.) He did not act on men in the manner of a lightning bolt.

ANOTHER YEAR!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should join the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Sunday | Book | Chapter | Verses |
|-----------|----------|---------|--------|
| Monday | Luke | 4 | 1-13 |
| Tuesday | Luke | 4 | 14-26 |
| Wednesday | Psalm | 118 | 18-29 |
| Thursday | Proverbs | 11 | 1-15 |
| Friday | Isaiah | 55 | 1-15 |
| Saturday | Psalm | 90 | 1-17 |

A little wiser?

"Perhaps!"

Accomplishments in the last twelve months:

"Well, John got a slight raise in salary in November. And we painted the house at long last. I suppose we could include our week's vacation in the Adirondacks in the summer. These things seemed so important at the time, but now they aren't even vivid recollections. Funny how insignificant they have become."

But aren't there moments which you do recall, things of which you are proud?

"Yes, now that you mention it, but you wouldn't be interested. They were such small things—taking care of our elderly neighbor during her illness—helping at the orphanage on Saturday—bringing our friend's children along with ours to church—assisting with the decorating and painting at the Church... I'm beginning to see what you mean. These are the important events of last year."

Try the above experiment on yourself. It's amazing how time will give a different perspective to our lives. True values, values of the heart and spirit are those that persist and become real. Your Church is where you cultivate this all-important aspect of living.

Mrs. Mollie Kemper fell recently and broke her hip. Let all pray for this good woman.

FOREIGN YOUTHS VISIT KENTUCKY

Three International Farm Youth Exchanges who recently arrived in Kentucky are Henri Guez of Tunisia, Mikhail Khoury of Syria, and Antonio Semayer of Chili. Guez and Khoury came here from Oregon where they studied fruit growing and dairying. They had stopped in Chicago to attend the National 4-H Club Congress and International Live Stock Exposition.

Semayer has spent some time in Kansas, where he observed wheat growing and general agriculture.

The University of Kentucky College of Agriculture and Home Economics arranged for the young foreigners to stay on farms to see tobacco culture, dairying, beef cattle and sheep production and other farm activities. They will be here until about the middle of February, when they will return to their native lands.

Maurice L. Graves, operator of an 80-acre dairy farm in Ballard county, has been named district Master Pastureman. Despite drought, some farmers in Powell county had a better corn crop than they grew last year.

NO CROSS-COMPLIANCE FOR CROPS NEXT YEAR

The requirement announced earlier that farmers must comply with all basic crop acreage allotments in order to be eligible for price support on any basic crop has been withdrawn for the 1954 crop year, according to the UK College of Agriculture and Home Economics. The basic crops include wheat, corn, cotton, tobacco, peanuts and rice.

Reasons given by the U. S. Department of Agriculture for removing the cross-compliance requirement were that plantings of some fall-seeded crops were already under way and that farmers' voting on acreage allotment and market quota provisions had been held before the announcement was made. Producers will still have to comply with acreage allotments for any one crop to be eligible for price supports for that crop.

COLLEGE ADVOCATES HOME FRUIT GROWING

The climate and soils of Kentucky are said to be suited to the growing of a wide variety of fruits. However, many people do not grow them and say they can buy them cheaper.

"This is true only when the grower does not properly care for planting," says Dr. Carl E. Chaplin in circular 508, "The Home Fruit Garden," published by the University of Kentucky College of Agriculture and Home Economics.

Free for the asking at offices of county and home agents, the publication deals with the kinds of fruits to grow, planting, soil management, spraying, pruning and other factors in growing small and large fruits for home use.

FERTILIZER DOLLAR MAY BE STRETCHED

"As the farmer's dollar becomes scarcer, more people will use soil-testing laboratories to make the fertilizer dollar go further," so stated John R. Watlington, UK county agent in Logan county, in a report on Logan soil testing this season. A total of 565 samples were tested, including 274 for tobacco, 124 for corn, 115 for pastures, 24 for alfalfa and 24 for small grains. Only five samples were strongly acid, 128 were in phosphorus and 121 low in potash.
